Propane Prices Got You Down? Yank the Tank! Natural Gas will save you money!

- **Dependability:** Since the vast majority of the natural gas system is underground, it is not typically affected by inclement weather or other transportation problems. Always there when you need it.
- **Monthly billing:** No more large bills due when the tank is filled, you will receive a monthly bill.
- **More economical:** Operating cost for Natural gas equipment is substantially less than propane. Consider this:
 - If you used 800 gallons of propane last year at \$1.50 per gallon, you spent **\$1200** for fuel alone.
 - Using natural gas, your fuel cost for the same amount of energy would have been approximately **\$519** on our heat only rate or only **\$445** for year round use.

For more information on the availability of clean efficient NATURAL Gas please call or drop by today!

931-454-9580 ANIMAL SHELTER

Meet Vito

This week at the City of Tullahoma Animal Shelter we have a Boxer mix named Vito available for adoption. He entered our shelter as a stray and was very sick. Vito has now recovered and is looking for a great home. Vito is approximately 7 months old and is good with other dogs and children. He is up-to-date on his vaccinations and will receive a free neuter by the Tullahoma Animal Shelter. Vito would love a forever home! We feel that he would make an excellent pet! Winter the White Labrador mix from last week is still waiting for a great home.

Support your local shelter - adopt, donate or volunteer.

The Tullahoma Animal Shelter has a great variety of dogs to choose from for adoption. Pictures of other dogs available may be seen at www.tullahomatan.gov
