On behalf of Peter Anderson, Realtor Emeritus and Broker/Owner of **General Real Estate Services**, we would like to announce the merger of GRES with **Leading Edge Real Estate**.

As of August 1st, 2016, General Real Estate Services will become Leading Edge Real Estate Group Fayetteville. The office will remain in its convenient current location of 1423 Huntsville Hwy. Suite A & B. All contact information for the office and Realtors will remain the same to allow uninterrupted service to the community and surrounding areas.

General Real Estate Services under Pete's guidance has grown to be one of the leading Real Estate companies in Lincoln County. With the merger between the two companies and the outreach of Leading Edge, we will be able to provide even more services and support to our buyers and sellers.

Danny Sullivan, Broker/Owner of Leading Edge Real Estate Group is a Fayetteville native. He and his wife Charlene are excited to finally have the opportunity to give back to and be a part of the community where Danny grew up and had his first business.

"I am very honored for the opportunity the Anderson family has given us in taking Pete's vision for his company forward with the same honesty and integrity that Pete would have expected. Our plan was to open an office in Fayetteville in 2017. After meeting with Monyica Anderson, I quickly realized that the goals and vision Pete had for his company aligned perfectly with ours. During my first visit to the office I also learned that Pete was a sailor and very passionate about racing sailboats. Sailing is a lifelong passion of mine and our sailboat is named Seas the Day. So I did! This sealed the deal and I moved our timeline for opening an office in Fayetteville to the present. Thank you Pete for this opportunity to take the helm and may your legacy live forward! It's some really big shoes to fill but we plan to make you proud!"

LBT D

Liquor By The Drink

The issue is simple.

Petition to Vote

This flyer is an effort to encourage registered voters in Lincoln County to [sign the attached petition](#). This petition authorizes the Lincoln County Election Commission to place liquor by the drink (LBT D) on the November ballot. Then registered voters in the county can [make an informed choice](#). LBT D is [already legal in the city](#) and also in the county, if you bring you own liquor in a "brown bag."

Control

Control of mixed drink consumption actually increases when a referendum like this passes. [Under current "brown bag" policies, restaurant owners have no control over consumption](#). But with a mixed drink license, the owner would violate state law and city ordinances if he knowingly sold a mixed beverage to any person who is intoxicated or under age.

Requirements

State law provides that only restaurants and hotels where meals are served and seats 75 or more would be eligible to apply for a mixed drink license.

Tax and License Fee Revenue

Will there be tax and license fee revenue? YES! There is a built-in tax of more than 23% of all liquor sales that goes directly to the school fund plus the regular county sales tax of 9.5%. License fees that range up to \$1,000 each would be collected on each license.

Following are LBT D benefits for our community:

- Lincoln County becomes a destination city.
- Dollars are spent in the community rather than outside in surrounding communities.
- Expanded industrial, commercial, retail and tourism businesses.
- Increased local real estate values.
- Increased tax revenues that can be funneled into essential services for the county.
- Vital recruitment tool for the Fayetteville-Lincoln County Industrial Development Board.
- Shared tax burden with non residents as a result of increased tourism.

Step 1 Sign and fill out card below.
