LETTERS TO THE EDITOR

The Cherish Center and Thee Garage Sale would like to thank all who came out to 'An Evening of Music and Gratitude' at Legacy Park on Sunday July 17th. It was a wonderful evening nearly 900 people gathered in support of the future expansion at Cherish Center and Thee Garage Sale. The future expansion will provide more space for Thee Garage Sale and our offices. The expanded space will give us further resources to accomplish our mission of Transforming Lives, Strengthening Families and Enhancing our Community.

We would like to give special thanks to Boji Bay for their use of a wonderful facility as well as for their generous donation of the lot of land to expand. We also give appreciation to Arnolds Perk and Okoboji Bible Conference for helping to underwrite a portion of the costs for the night and to Blink Marketing and The Lakes News Shopper for assisting with advertising. We are grateful for the support of our generous community.

Ditsworth Earns Re-Certification

Dickinson County Recorder, Ann Ditsworth, was recently honored for completing the Iowa County Recorders Association's Re-certification program, allowing her continued status as an Iowa Certified County Recorder.

The graduation event occurred in conjunction with the Iowa County Recorders Association's Summer School on Wednesday, June 22, in Moravia, Iowa. Forty-seven County Recorders received certificates of completion in the program this year.

The Recorder Certification program was collaboratively created in 2010 by the Iowa County Recorders Association, Iowa State University Extension & Outreach and the Iowa State Association of County with an aim to assist elected officials in effectively and professionally fulfilling their duties and to best serve their communities. Re-certification requires a minimum of 18 Core & 3 Elective credit hours over a three-year period and covers Leadership & Ethics, Open meetings/Open Records, Communications, Human Resources/Office Management, the Iowa Code, Technology Applications, and Local Government/Budgets.

Please join in congratulating Ann Ditsworth as a newly Re-Certified Iowa County Recorder.

Shooting Club News
by Tony Petersen

Wow what a summer at the trap ground! We have had more new shooters come out and use the facilities this year than we have had for years. We are working hard promoting the shooting grounds for the public to enjoy and we also are getting with the times and now have a Facebook page for you to look at... <https://www.facebook.com/dickinsontrapclub/>, so please go check it out!

The biggest news of all is we are going to host a "first" in the lakes area. The trap club is hosting a Browning and Beretta Demo Day! So what is that? Browning and Beretta are both sending a set of demo guns for people to try out. Southern Archery and Guns of Spencer is sponsoring this event and they are bringing the guns from Browning and Beretta, for people to come out and shoot. You don't have to buy a gun - this is not a "sales" event, it is just a fun day for everyone to try out a shotgun or pistol. On August 6th we will open the gates at 9AM. There is a small donation fee of only \$10 per person to attend and all proceeds stay with the gun club for more improvements. So bring the whole family out for a fun day of shooting. We are going to have flights every half an hour until 4PM. There is no limit on how many guns you can try, you don't have to pay to rent the gun, you don't have to buy a gun; you just get to try it for the cost of the shooting and you can pick either trap, 5-stand or even shoot the pistol course. Here is another plug for our Facebook page or our event page all the details are listed there. <https://www.facebook.com/events/253571655024871/>

We would like people to pre-register and you can do so at Southern Archery and Guns in Spencer or come out to the trap grounds on any Tuesday night and get signed up in advance. We are going to have a pre-register drawing for those who do pay ahead. For pre-registering you are going to be entered into a drawing to receive a voucher for \$50 for club shooting. The voucher can be redeemed that day or any other day you wish at the trap grounds.

Current shooting schedule:

- Open trap shooting for the public - Tuesday nights (weather pending) from 5:00pm until dark, every week.
- Browning Days - August 6 from 9:00am to 4:00pm
- Southern Archery Gun Show Day - September 17 from 9:00am to 4:00pm

Other events being announced soon. For more information, contact club President Larry Webber at 712-336-2202, or Tony Petersen at 712-320-0275

The Itty Bitty Boji Band returns to Table 316 this Wednesday, July 27, from 7:00 to 9:00pm. Boji Bill and Barb Johnson will be playing all of your favorite dance songs and rocking the house. Barb Johnson is the very accomplished guitarist, singer and flute player from the group South 71. She will be joining Bill for several performances in the Lakes area during late July and early August while Ms. Mel takes a well deserved vacation. Come early and dine on the evening specials or the buffet. The music starts at 7:00pm. And there's no cover charge for this great evening of dancing and listening pleasure.

Humane Society of NW Iowa Hoedown
New Theme for Annual Fundraiser

Everyone is invited to come out for this very fun event that will take place on Thursday, August 4, to help support the care of animals at our community's Humane Society.

If you are someone who simply cannot adopt an animal from the Humane Society of Northwest Iowa, here's another way you can help the shelter animals while having a good time yourself.

This year's format will be different than those of the past. A Hoedown, including barbecued pork with all the fixings is included in the plans for this year. The event will be catered by Farm to Fork and Family Diner. There will be appetizers, a cash bar, and s'mores plus the annual silent auction.

Previously it's been "A Taste of Italy" featuring pasta and Italian dishes donated by Lakes Area restaurants. It was a good way to sample the local dining fare, but it also was an imposition on the restaurants during their busy summer season.

Going to the fundraiser will also give one a look at Rolling Oaks, the newest of the area's attractions. Actually seeing the huge chandelier in the loft of the former "barn" is worth the trip! The shelter also hopes to bring some of the animals to share the evening's fun giving everyone there a chance to see the available pets. If you are looking for a pet to adopt, you might find that special dog or cat and "fall in love."

For the animals and employees at the Humane Society of Northwest Iowa it's a very special and important event. The funds raised at the Hoedown on August 4 will provide food, shelter, and continuous care for rescued animals who definitely need your help. Tickets are \$65 and can be purchased at the door or in advance by calling the shelter at (712) 338-2738.

Remember... "In a perfect world every animal would have a home, and every home would have a pet."

Call the Northwest Iowa Humane Society at 712-338-2738 or come see the animals at 607 28th Street, just north of Milford - open Thursday through Sunday, noon to 6:00pm.

Remembering Mr. Smith

Teacher, coach, tutor, volunteer, golf partner, good friend. Before his death last November, Denny Smith filled all of those roles quite admirably with humility and good humor.

As a teacher and coach at Spirit Lake High School for 30 years, Mr. Smith made a tremendous contribution to the success of hundreds of young people. After retiring in 2005, Denny continued to serve the students in our community by tutoring them in algebra, trigonometry, and calculus while asking for nothing in return. He continued to teach until the end because he loved it.

Despite the difficulties he faced due to diabetes, Denny's other passion in life was golfing with his friends. A round of golf with Denny was a memorable experience. No round was complete without him attempting to tell one of his corny jokes and breaking down with laughter just before the punch line. His laugh was infectious and made the worst joke seem hilarious.

Many of his former students recall him doing the same thing in the classroom. More than a few have said, "He made math fun." How can that be!

If you have fond remembrances of Denny, please join other friends of Dennis Smith at a memorial golf outing on July 30, at Brooks Golf Club.

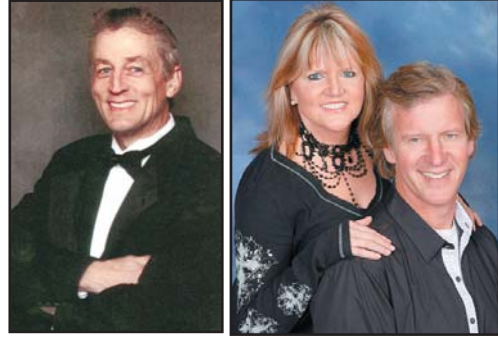

Brooks has graciously donated the cost of the green fees and cart. Christine Murphy at the Prairie Chick has donated the post round appetizers so your entire \$100 donation will be directed toward the diabetes assistance program at the Spirit Lake Hospital.

All are welcome in honoring the memory of friend Dennis Smith.

Contact John Bramlett at Brooks Golf Club 712-332-5011 for further information or to reserve a place.

Music Sunday At Spirit Lake United Methodist Church!

Spirit Lake United Methodist church welcomes Glenn Henriksen as a guest musician and worship leader at the 8:30am Traditional Worship Service on Sunday, July 31, 8:30am. Glenn is an accomplished and versatile pianist/organist and is well-known around our area - his music and singing will touch you deeply with the love of Jesus Christ. He has played for a wide variety of events including solo piano and organ concerts, church services, weddings, funerals, receptions, and many other social activities. Glenn's lifetime experience in many musical genres (classical, ragtime, blues and jazz, standards, pop and rock, country, Latin, gospel, and sacred) has enabled him to develop a unique musical style, resulting in one-of-a-kind improvised arrangements.

Rhythmicure, Grammy-nominated singing duo of Dan & Karla Oleson Tittle, will lead the 10:30am Contemporary Worship Service and provide a wonderful message through music with the entire Spirit Lake UMC Praise Team! By bridging faith and culture they will be sure to touch your soul for Jesus Christ. Dan and Karla have produced several albums and videos through Lamon Records out of Nashville and continue to reach people throughout the world with their wonderful music.

Diabetic Support Group Meeting

The Spirit Lake area Diabetic Support Group will meet Monday, August 1, 2016, at 7:00pm.

"Type III and other External Motives" will be the topic presented by Marcia Young. Diabetes is a chronic disease that takes self-discipline a non-diabetic doesn't understand. Dealing with a chronic disease is an emotional, physical, and social adjustment. Marcia will address the positive partners for successful diabetes management.

Diabetes is a controllable disease with education being an important tool in management of diabetes. Knowledge is power that motivates steps taken to a healthier attitude and care of the body. With the power of knowledge, diabetes care can be focused on inspiring, encouraging, and making life better while "taking over the management of the pancreas".

The local diabetic support group meeting led by local patient facilitator, Marcia Young, is open to anyone dealing with diabetes, spouse, family members, or friend.

The presentation will be held Monday, August 1, 2016, at 7:00pm in the Big Spirit Room at Lakes Regional Healthcare's Education Center, on the hospital's lower level. Admission is free.

Drummer Chris Smith joined his father, pianist Steve Smith, last Tuesday, on stage with *The Jazzed Up Big Band of Okoboji*. Finances may force the band to end this season a week or two early.

JUBBoO season in question

Although some readers might get the idea that the Old Professor is everywhere, that's not really true. It was only last Tuesday that we got to check out the *Jazzed Up Big Band of Okoboji* for the first time this season. It was a good night — and a sad night.

The good part came with drummer Chris Smith, who holds a PhD in music performance from New York University, and really knows how to hold and use a pair of drum sticks. In case you haven't thought about it, Chris is the son of Linda and Steve Smith. And Steve is the pianist for both the *Dick Bauman Big Band* and the *Jazzed Up Big Band of Okoboji*.

The fun ended when we learned that the band may end its season sooner than the August 9 date it had planned. In fact, band leader Rick Ayres told us last week and again over the weekend, that he was only "about 75 percent certain," that the band would continue past tonight (Tuesday, July 26). The free admission plan that depends on business sponsorship hasn't worked as planned.

Ayres told us he put money into the band last year to keep it going. Last week he advised checking the band's *facebook* page later this week for August 2, then again next week for August 9...

Nevertheless, it was really great to see Chris Smith performing with his dad on the same stage. Chris told us that it was his mother who gave him his first drum lesson — on her drum set — when he was in third grade! Now, after a year of teaching at the University of Colorado Boulder, Chris is returning to the Big Apple to teach and gig. We wish him well.

In the *For What It's Worth* department, Chris and his wife Nina are living in Jackson Heights, Queens — in the Hawthorne Apartments. We only mention this as the Hawthorne Apartments complex was the subject of the world's first radio commercial which aired on WJLA, New York, during the summer of 1922. Hawthorne Apartments paid Bell Telephone and its parent company AT&T only about \$50 for the 10-minute block of time.

The program host never mentioned the rent for an apartment "in the country." But we're betting the price for what is now cooperative living has increased considerably as the suburbs have grown to extend nearly 100 miles further out on Long Island, which today boasts a population over 7 million...

We noted here last week that former Spencer pianist Isaac Brockhus would be performing with cellist Liz Gergel, as a part of Glenn Henriksen's house concert.

After Isaac told us that he "appreciated the shout out," he let us know we were a week early on the notice. So if you're not going to see the JUBBoO tonight at the Majestic Pavilion, you should take in the concert at Glenn's place, just south of the former Presbyterian church in Spirit Lake. The music starts at 7:00, tonight...

Wednesday night will see *The Itty Bitty Boji Band* at Table 316 in Arnolds Park — with Barb Johnson of *South 71 Trio* fame sitting-in for the vacationing Mel Kimblad. That show runs from 7 - 9:00. Also Wednesday night, the aforementioned Glenn Henriksen will be performing *Exclusively Glenn*, in the Lakeview Room at The Inn, also from 7 - 9:00...

Justin Kisor will return to the Little Swan Lake Winery with his jazz men, Thursday, from 6 - 8:00; while this week's *Rock the Roof* concert will feature *Daybreak* and *The Senders* in the Roof Garden at Arnolds Park, starting at 6:00.

Both Estherville and Spencer will be celebrating summer this Thursday with farmers' markets and music. Estherville's *Music in the Library Square* will feature *The Cracked Reeds*; and Spencer's Main Street Market will see Matt Anderson performing on the Court-house steps from 5 - 8:00...

A *Rolling Stones* tribute band, *The Rolling Stoners* will be performing Friday night starting at 7:00, on the new stage at Boji Bay's Legacy Park in Milford; while Debbie Ankeny and Mike Springer will be entertaining as *Beyond Blue*, in The Lounge at The Inn, Friday night, from 6 - 8:00...

Country singer Jacob Martin will be featured in Saturday night's Preservation Plaza concert at Arnolds Park, starting at 7:30...

Beyond Blue is returning to the stage, in the barn at the Little Swan Lake Winery, Sunday, from 4 - 6:00...

And, of course, *The Dick Bauman Big Band* will be performing Monday night, from 7 - 9:00 at the Pearson Lakes Art Center...

Research director RD reminds us that today would be Erskine Hawkins' 102nd natal day. We recall his hit, *Tuxedo Junction*, that was named for a railroad depot in his hometown of Birmingham, Alabama. That's significant perhaps only to us as darling daughter will be moving next week to Birmingham to join the faculty in the College of Optometry at the University of Alabama. After saying "Go Buckeyes" for the last nine years, we now have reason to cheer for the Crimson Tide.

With only about five months to go before Christmas, RD explained she heard a Mankato DJ play *Let It Snow* on one of those 90 degree days last week. It was WOR - New York radio host Jean Shepherd, who was born on this day in 1921, and wrote the short stories for *Playboy* magazine that two decades later became the basis for the *Christmas Story* motion picture you see for 24 hours each Christmas on one of the cable networks...

If you can't picture snow in July, you probably won't be able to see Edd 'Kookie' Byrnes celebrating his 83rd birthday on Saturday. We have to wonder if he has any need for a comb these days — except to lend it to a friend...

All the news that fits we print.

Kocak Graduates From UW-Platteville

The University of Wisconsin-Platteville announced its graduating class for the spring 2016 semester. Among them was Matthew Kocak, of Jackson, Minnesota, with a degree in Mathematics.

Star Trekking Program

Just look up. Meteors will streak through the night sky at the beginning of August, and you can learn all about these upcoming celestial events during the next Star Trekking program 8:30pm Friday, August 5, at the Dickinson County Nature Center in Okoboji.

The August program will surround the upcoming Perseids meteor shower, but Dickinson County naturalists will also talk about common summer constellations, space news, comets and our places in the universe.

Starting the first week of August, meteors will be flying as the Delta Aquarid meteor shower continues and the Perseids meteor shower begins.

"This shower is one of the best of the year and it occurs during the summer months which makes it a good one to watch," said naturalist Charles Vigdal. "The actual peak of the Perseids meteor shower is on August 12 so come to the class and learn where and when to see them."

The Perseids meteor shower will come to a peak August 11-13, with the best viewing time between midnight and dawn on August 12. This meteor shower occurs every year as the Earth crosses the orbital path of Comet Swift-Tuttle. Debris from the comet litters the comet's orbit and then hits the Earth's upper atmosphere at about 130,000 miles per hour.

Star gazers can see up to 50 meteors per hour during this event. Although falling stars are less common around nightfall, one could catch an earthgrazer — a long, slow, colorful meteor that travels horizontally across the evening sky.

All of the meteors in this shower come from one point in front of the constellation Perseus, but you don't have to find the radiant point to be able to see the meteors which fly in all parts of the sky.

Two more Star Trekking programs will be held in 2016, one on the Orionids Meteor Shower on October 21 and one on the Geminids Meteor Shower and supermoon December 13.

For more information on Star Trekking or other programs at the Dickinson County Nature Center, visit www.dickinsoncountynaturecenter.com or call 712-336-6352. You can also keep up on the latest happenings on Facebook, Instagram and Twitter.

Joining in advance of the launch of Okoboji Motorsports, Jon's wealth of knowledge and customer focus will assure Okoboji Motorsports will be a leader in the Midwest for all Polaris products.

Jon joins Okoboji Indian and Okoboji Motorsports as a partner and General Manager to continue the company's recent success in providing the best customer experience in Iowa. I believe that we have the best products in the industry and with the support of our current customers and the people of the Iowa Great Lakes community, we can put this dealership on the map. We have an opportunity in front of us to be great, and that is what we will be. We will embrace the heritage that comes with the Indian brand while innovating with the growth and visions of Polaris, Victory, and the Slingshot line. I have been an avid motorcycle enthusiast for my entire life and am honored to be associ-

ated with these companies. We are here for all of your needs. Yes, we want to sell you a machine but our main focus is taking care of your current machine with parts, accessories, and our A level technicians." Okoboji Motorsports will open at the beginning of August and will be a full line Polaris ATV and UTV dealer. A Polaris dealer has been in need in the Iowa Great Lakes area for too long and Okoboji Motorsports is here to fill that void.

Spencer Hospital Invites Visitors to Tour New Birth Center

After months of anticipation, Spencer Hospital's labor and delivery team is anxious to move into their new location on the west side of Spencer Hospital's campus. First the public will get an opportunity to tour the new center prior to expectant moms moving in.

"Just like new babies often start off as just a tiny idea then develop and grow into something wonderful, so did this project," said Jeannette Hasley, Spencer Hospital's Director of the Birth Center/Women's Health. "And, after months of planning, design and construction, we're thrilled to be moving in and opening our new birth center."

A series of open house events for the new facility will be held on Tuesday, August 2, with the public invited to tour between 4:30-6:30pm.

"We are so excited to share our new birth center with the community," Hasley remarked. "We've had so many wonderful professionals - from our physicians and labor/delivery nurses to architects and contractors - help provide insight into the development of this project. This careful planning has helped develop a center that truly offers not only a world class experience but will allow us to continue providing high quality care to families."

Located on the west side of the Spencer Hospital complex, the birth center is adjacent to the surgery center, providing quick, direct access to operating room suites when the need for an emergency cesarean (C-section) surgery arises. Additionally, the rooms are equipped with the latest amenities to meet the health needs of new moms and babies in a comfortable, relaxing and homelike environment.

Iowa Great Lakes Rotary Club Contributes \$175,597.99

The Iowa Great Lakes Rotary Club will be recognized for years of philanthropic giving at its upcoming meeting on Wednesday, July 27, at noon, at Arrowwood in Okoboji. Jim Coloff, District Governor, will recognize the club on behalf of Rotary District 5970.

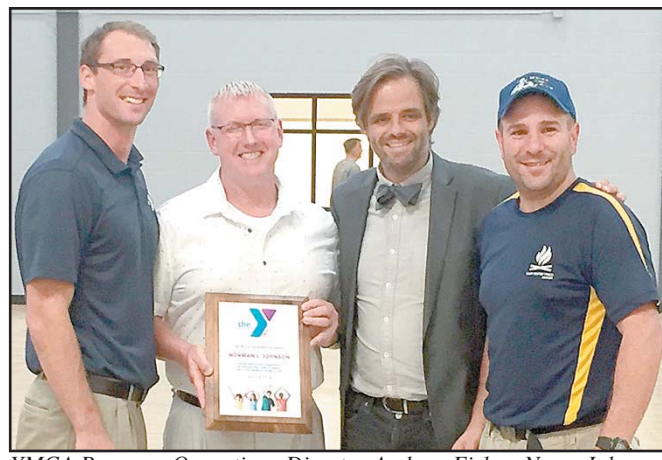

The Iowa Great Lakes Rotary Club has contributed \$175,597.99 to the Rotary Foundation over the past 100 years of the Foundation. The Rotary Foundation is celebrating its 100 year anniversary this year. The money has supported efforts of the foundation, including PolioPlus, a Rotary project that has resulted in the near eradication of polio worldwide.

"Local Rotarians have been very generous in supporting these worthwhile projects around this community and around the world," said Coloff.

"It demonstrates the quality type of people you have in this town that have come together as Rotary members to do good in the community."

The donations by individual Rotarians have also supported numerous community projects and international humanitarian projects like building water wells, providing medical services in third world countries and educating children worldwide.

The Rotary Foundation also supports Youth Exchange, which sends Iowa high school students overseas for a year of study abroad while hosting incoming students in local homes, Rotary Youth Leadership Awards (RYLA) and Ambassadorial Scholarships, which allow Iowa students to attend graduate school college classes abroad.

YMCA Program Operations Director Andrew Fisher, Norm Johnson, YMCA Board President Barry Sackett, Camp Foster YMCA Executive Director Josh Carr.

Community Says Goodbye To YMCA Of The Okobojis CEO

A farewell reception was held for outgoing YMCA of the Okobojis CEO Norm Johnson on July 20, in the YMCA Character Center.

A number of community and YMCA members stopped by to wish Johnson well in his new venture, YMCA Board President Barry Sackett gave a short speech thanking Norm for his service to the Y, and also presented him with a plaque to commemorate that service.

Johnson then took the microphone and gave a short speech thanking community members, the YMCA Board, and his staff for their help advancing the YMCA's mission. In his address to the audience, he stated, "Although I'm moving on to bigger, I can't say I'm moving on to better."

Johnson announced in early June that he had accepted a new position with the YMCA of Greater Louisville. With Johnson's departure, the search for a new CEO will commence.

The Y is one of the nation's leading nonprofits strengthening communities through youth development, healthy living and social responsibility. Across the U.S., 2,700 Ys engage 22 million men, women and children – regardless of age, income or background – to nurture the potential of children and teens, improve the nation's health and well-being, and provide opportunities to give back and support neighbors. Anchored in more than 10,000 communities, the Y has the long-standing relationships and physical presence not just to promise, but to deliver, lasting personal and social change. ymca.net

Prairie Lakes Conference

Jared Herbert and his wife, Mary, began implementing conservation practices on their Lake Park farm in the 1990s. Hear Herbert and his son Spencer, a soil scientist with the Minnesota Department of Agriculture, speak about the agronomic practices on the family farm at the Prairie Lakes Conference Field Day Tour 5-7:30pm, Wednesday, August 10, at the Lake Park farm.

NEW LISTING!

Beautiful custom built family home in a sought after Spirit Lake location! \$264,900

Herbert uses a variety of conservation practices in his farming, from no-till to one-pass tillage to strip till and even cover crops. From that, he has seen a variety of changes in the amount of time he needs to work to needing to purchase less machinery to improved nitrogen levels in the soil.

Spencer Herbert is excited to have people come out to the farm to learn about the reduced tillage and cover crop practices so they can see what it looks like on a working farm instead of just hearing or reading about it.

The Prairie Lakes Conference Field Day Tour is a free event for all those who register at www.pcliowa.com, and includes a meal as well as several other presentations by professionals advocating for soil health and farmers who can testify to what improved soil health has been to their farming businesses.

The field day is being presented by the Dickinson Soil and Water Conservation District, in partnership with Iowa Learning Farms and the Clean Water Alliance. To register, people can also contact Iowa Learning Farms at 515-294-5429 or e-mail ilf@iastate.edu.

The Prairie Lakes Conference will then be held Thursday-Friday, August 11-12, at the Arrowwood Resort & Conference Center in Okoboji. Speakers will address a variety of issues that will impact and interest professionals in the field as well as students and Iowa Great Lakes residents. The \$100 registration cost for the conference includes the two-day conference, meals and an evening social on Aug. 11. Registration is open at www.pcliowa.com.

In addition to the conference, several other Clean Water Week events will be held. The annual We Pedal Clean Water conservation bike ride will be held 8:00am-noon August 13. Registration is available at www.dickinsoncountynaturecenter.com.

Following the bike ride, the Okoboji Blue Water Festival will take place at Preservation Plaza in Arnolds Park. Check out booths promoting water quality, take part in family-friendly activities and fishing clinics and enjoy live music by local artists in the afternoon and Boz Scaggs at 9:00pm. You can find out more at www.okobojibluewaterfestival.com.

3K's to Appear at The Inn

A popular and entertaining musical group will be performing in the Lakeview Room at the Inn Wednesday, August 3 from 7:00 – 9:30pm.

Millie Kittleson, Billye Jane Kruse, and Bryon Kittleson are a talented trio who are no strangers to being on stage... in fact, Millie has had the honor of Mid American Music Hall of Fame. Bryon and his sister Billie have also performed for many years all over both locally and around the United States; including Nashville, and with the Okoboji Summer Theater's "Always, Patsy Cline" production.

Be sure to catch them this Wednesday, August 3, at the Inn located at 3301 Lakeshore Drive, in Okoboji.

DAR to Feature Award Winning Author

Lakes area residents are invited to hear award winning author Joel Arnold when he speaks to the Ladies of the Lakes, Daughters of the American Revolution (DAR) on Tuesday, August 9. The program will take place at 11:00am at the Landings Club House, 29698 Nautica Drive off Highway 86 at the corner of Landings and Nautica.

Arnold will talk about his historical novel "Ox Cart Angel" which won the Midwest Book Award for Young Adult Fiction. Published in 2011, it is available in libraries and historical museums and is enjoyed by adults as well as young people.

DAR Vice Regent Colleen Lemkuil credits Dickinson County Historical Museum Director Cindy Schubert for introducing her to the author. Schubert, who has often partnered with the DAR Chapter in historical preservation projects, suggested Arnold as an appropriate author for a DAR program. Lemkuil says that in keeping with the DAR goal of preserving history, Arnold has "spoken to every DAR Chapter in Minnesota. Now we welcome him to Iowa."

Although Minnesota has 10,000 lakes, the author, who resides in Savage, MN, is an Okoboji fan. He has a time share in Vacation Village and frequently visits the Dickinson County Museum for research.

An entertaining and informative speaker, Arnold shares tales of the ox cart caravans driven by the Metis people to transport mainly furs from the Red River region to St. Paul, MN (and other places along the way) for trade goods. They were used from around 1820 until trains took over in the 1880s.

In addition to his historical work, Arnold has written horror and suspense novels. His short stories and articles have appeared in numerous magazines. He has received both the Minnesota Artists Initiative Grant and the Speculative Literature Foundation's Gulliver Travel and Research Grant. In 2014, he took a road tour with his daughter Paige. He says that he "left a trail of Ox Cart Angel books throughout North Dakota, South Dakota, and Montana". Readers are encouraged to contact him via the Internet. He maintains a blog, a newsletter, and answers questions.

Arnold is currently Literary Director for the Savage, MN Arts Council and conducts writing workshops. The August 9 event will include a potluck. Lemkuil notes that "the Ladies of the Lake are known for their great salads and casseroles." RSVP to stancoleen37@gmail.com, 515-229-4619. For DAR information, contact Regent Mary Thunhorst, travelinmary15005@q.com, 712-336-0240.

Region 1 Centers of Hope Receives Donation From Milford 4-H Club

by Misty Wolff
 The Milford Pioneers 4-H Club, co-led by Dave and Karen Schwaller and Mary Weaver, presented Misty Wolff, Sexual Assault Advocate for Emmet and Dickinson County who works for CAASA (Centers Against Abuse and Sexual Assault) the beautifully refurbished doll house you see pictured. This doll house is the finished product of roughly 54 man power hours of combined dedication, love, philanthropy, and social conscience by this group of 43 members. This magnificent service learning project was managed by Rachel Schoelerman with the combined assistance of Haley Hallengren, Cassie Hinshaw, Amy Martin, Clare Schoelerman, and Kate Schoelerman. The club voted to spend their Club monies to refurbish the house and provide all the furnishings as a team by delegating the work, staying within a budget, asking community businesses for donations to the project, and pouring themselves into completing the doll house all for the benefit of others. Club Leader Karen Schwaller stated that the members believed this house should be donated to CAASA and FCC to help comfort the children who enter their doors frightened and afraid to speak of the abuse they have endured. The club members agreed that by having the doll house available for the children seen by CAASA and FCC it would pre-occupy their minds and bring some joy into their lives when so much turmoil exists.

Region 1 Centers of Hope incorporates 3 sister agencies to assist victims in our area. Our three sister agencies include CAASA (Centers against abuse and sexual assault), FCC (Family Crisis Centers) and CSADV (Council on Sexual Assault and Domestic Violence). We provide services to victims of either Sexual abuse or Domestic Violence in Buena Vista, Calhoun, Carroll, Cherokee, Clay, Crawford, Dickinson, Emmet, Ida, Lyon, Monona, O'Brien, Osceola, Palo Alto, Plymouth, Pocahontas, Sac, Sioux, and Woodbury Counties in Iowa. Our crisis hotline is answered 24/7 including holidays and weekends. In addition we provide crisis counseling services, individual and group counseling services, medical advocacy, information and referrals, shelter, transitional housing, legal and personal advocacy, mobile advocacy, and public education and awareness to businesses and schools. All services offered by Region 1 Centers of Hope are free of charge to all victims of domestic and/or sexual violence. Violence can manifest itself in many forms and may range from economic abuse, verbal abuse, sexual abuse or physical abuse to rape, incest, hate crimes, stalking, sexual harassment, or human trafficking. If you feel you are experiencing any form of violence please reach out and call our hotline at 1-877-362-4612. We are here to help.

Templar Park, Spirit Lake, Iowa • Picture Early 1900s
Stepping Back in Time by Jerry and Irene Clark of the Clark Museum of Okoboji and Iowa History
 The museum has many photos and stories from this past landmark pictured above, including a light, benches, chairs and bricks. I bet the old car in the photo was the talk of the crowd. In 1885, the deed for twenty-one acres was presented as a gift from the people of Spirit Lake, the railroad and others. The first building at Templar Park was built in 1891 at a cost of \$2,500.00. The new building was first used in 1919 with its furnishings, cost was \$135,000. The area became forty acres in later years with the addition of a golf course and parade grounds. Notice everyone in their fancy clothes, just a wonderful early picture of Big Spirit Lake's past.

Starting this season, the Clark Museum visitors can view over 5,000 pictures and stories from the largest historic collection of Iowa Great Lakes and surrounding areas, representing many towns and over 99 counties. We have unique items of all types and sizes including over 20,000 original memorabilia and business advertisements. Visitors can be seated as they view photos of their county, the lakes area and the amusement park in organized books. This is a great addition. The air-conditioned museum is located 1 mile west and 1/2 mile north of the Catholic church in Milford. Call 712-338-2147 or email ijclark1@msn.com for any information.

Arts At St. Joseph Presents Iowa Lakes Music Festival

The Arts at St. Joseph presents The Third Annual Iowa Lakes Music Festival Concert Series on Sunday, August 7 and Friday, August 12. The free concerts will be held at St. Joseph's Catholic Church, 1305 Okoboji Avenue, Milford. The first concert on August 7, featuring cellist Thomas Fortner, Amy Zanrosso, pianist, David Brubaker, violinist and Thomas Elliott on viola will begin at 4:30pm. The quartet will play selections from Joaquin Turina, Johannes Brahms, Antonin Dvorak. A reception will follow in the parish center. Doors will open at 4:00pm. A free will offering will be accepted.

The founder and Artistic Director of the Iowa Great Lakes Music Festival is conductor and cellist Thomas Fortner. Thomas is an active conductor, chamber musician and soloist performing concerts in Europe and across North America. Presently, Fortner is the Assistant Conductor of the Baltimore Symphony Youth Orchestra, serving as assistant conductor for the Martha Graham Dance Company at the Library of Congress and will begin this fall as Assistant Conductor of the Peabody Concert Orchestra. Originally from Houston, Texas, Thomas completed a masters of cello performance at McGill University in Montreal, Quebec. In 2014 Fortner founded the Iowa Lakes Music Festival, which hopes to bring world class musicians to the Lakes Area. The 'Arts at St. Joseph' has sponsored Thomas Fortner and The Iowa Lakes Music Festival since its inception.

Amy Zanrosso, pianist, is a sensitive and dynamic musician from the Bay Area, California. She is a collaborator much in demand throughout the United States. Amy has worked within a wide range of musical genres, recently specializing in classic tango. Zanrosso coaches chamber music at the San Francisco Conservatory of Music as well as performing with three Bay Area ensembles.

A member of the Pacific, Oregon and Houston Symphony Orchestras as well as the Minnesota Orchestra, David Brubaker is an accomplished violinist. Brubaker also served as acting first associate concertmaster of the Minnesota Orchestra in the 2014 season. Thomas Elliott will complete the quartet playing the viola. Elliott began his professional career at the age of 19 with the Houston Symphony. He has performed and toured extensively with the San Francisco Symphony, playing three seasons with the San Francisco Opera Orchestra during the era of the Three Tenors.

The second free concert of the Iowa Lakes Music Festival, Sunday, August 12, 7:00pm at St. Joseph's, Milford, will present the special blend of the Fortner, Brubaker, Elliott and Sean Riley strings quartet. The strings quartet will perform selections from Debussy, Glass and Dvorak. Performing in the second concert, Violinist Sean Riley maintains a career throughout the U.S., Europe and Asia as a performer, entrepreneur and educator. As a solo artist he has been featured in London, performed for Charles the Prince of Wales and the Sultan of Oman. Riley currently is a professor at the Trinity Laban Conservatoire in London.

"The Arts at St. Joseph" is proud to host the Iowa Lakes Music Festival Concerts as part of their series of sacred arts presentations. We are grateful to our corporate sponsors: The Patrice and Rita Leary Foundation and United Community Bank.
