Help for Heavy Periods

Say Goodbye to Limitations

We offer answers and helpful solutions.

The pain and disruption of an overly active or prolonged menstrual period is a reality for nearly 10 million American women, from teenage girls to premenopausal adults. This sometimes painful condition can interrupt sleep and normal daily activities. But there's good news! Treatment is available. So let the compassionate and caring team at Ottumwa OB/GYN Clinic listen, evaluate, diagnose and help you understand the many causes and possible solutions. Inspired medicine, extraordinary care.

For more information or to schedule an appointment, visit us online or call
