

## Ulmer speaks to Kiwanians about upcoming World Series

By Linda Cranford  
 "We do things around here a little different than other places that hold the World Series," exclaimed Laurel Parks and Recreation Director Elvin Ulmer when speaking to Laurel Kiwanis Club last week. "We take care of all of the small things in the big picture of things." His goal is to give the young players of the 60 teams an experience of a lifetime. "We call it the 'WOW' series, the World Series of World Series," exclaimed Ulmer.

United States, from Virginia to Texas, to say "WOW" as they walk through the gates of The Laurel Susan Boone Vincent Sportsplex. He said when he placed the bid in 2014 for the 2016 Dixie Youth World Series games to be held in Laurel, the other cities withdrew their bid. "They all wanted to come back to Laurel," said Ulmer smiling.

By this Friday, July 29, the Sportsplex will have been transformed into Ulmer's World Series environment, with local sponsor's logos decorating the fences and the World Series logo painted on the most beautiful green grass baseball fields that most of the young

Ulmer has had to erect temporary fencing for these young players. The maximum fence distance from home plate to center field allowed for AA is 200 feet, and the fields normal fencing is at 220 feet.

Festivities for the AA World Series will begin on Friday, July 29, with a skills competition at 3:30 p.m.; the young players will compete in a homerun derby, base running competition and an infield around the horn competition. At 7:30 p.m., the AA World Series opening ceremonies will be held inside the Magnolia Center, and the games will begin on Saturday morning at 9:30. The tournament will end on Tuesday, August 2, and Ulmer will have two days to prepare the fields for the next three World Series, which include the "O" Zone, Majors and AAA divisions.

The festivities for these World Series will begin on Friday, August 5 with the skills competition at 3:30 p.m. The opening ceremonies will begin at 7:30 p.m. and will also

# First State Bank chosen in the “Top 200 Healthiest Banks” by DepositAccounts.com

*Submitted*

Joel C. Clements, Chairman, CEO and President of First State Bank and First State Bank Corporation, has announced that First State Bank, headquartered in Waynesboro, has been named to the Top 200 Healthiest Banks in America by DepositAccounts.com. The bank excelled in all of the primary evaluation categories, including Texas Ratio, Loan Growth, and Capitalization. First State was number 125, with the only other Mississippi bank named in the top 200 being Jefferson Bank in Fayette at number 130.

“We are proud and humbled to be recognized as one of the 200 Healthiest Banks out of more than 6,100 banks in America,” said Joel Clements.

First State Bank scored an A+ for its Texas Ratio of 0.66%, which is excellent. This ratio is an indicator of how much capital a bank has available compared to the total value of loans considered “at risk”. The Texas Ratio for First State Bank decreased dramatically from 4.41% as of March 31, 2015 to 0.66% as of March 31, 2016, resulting in a positive change of 85.10%. This indicates that the balance sheet and financial strength for First

State Bank has improved dramatically in recent periods.

In the past year, First State Bank has increased its total loans by \$60,000,000, resulting in 13.0% growth for the year. This strong track record of growth is an indicator of consumer confidence and the bank’s ability to strengthen its balance sheet. The growth

First State Bank has shown is above average.

First State Bank also scored an A+ in the Capitalization category. Higher capitalization allows for a greater buffer to cover loans that may fail in the future. First State Bank has \$778.27 million in assets with \$103.64 million in equity, resulting in a capitalization level of 13.32%, which is excellent.

First State Bank is headquartered in Waynesboro. According to DepositAccounts.com it is the 13th largest bank in the state of Mississippi and also the 928th largest bank in the nation. It was established in 1934 and, as of July of 2016, it has grown to 178 employees with seven full-service locations. For additional information visit FirstStateBnk.com.

## Eight O Four opens new location in Ellisville

*By Kevin Williamson*

Ellisville has a new business on Front Street. Eight O Four Boutique is now doing business right across the street from Ward’s Pharmacy in downtown Ellisville.

The boutique, which is owned and operated by Luci Hearn and Tara Piper, was originally opened across town on August 22, 2015. As the business began to grow, and when the new location in downtown became available earlier this summer, Luci and Tara decided the timing was right for a move.

“We are so excited about the new location, not only for us but also for our customers,” noted Luci. “We have some unique products that we think shoppers in Jones County will really enjoy.”

Eight O Four carries a myriad of items, including clothing, soy candles, Restoration Design statement jewelry, giving keys and much more. The Hym Co. and Southern Cross shirts are very popular items, along with Restoration Bath House bathing products.

“Ellisville is growing, and we wanted to add to the shopping experience here with something a little different, something special,” said Tara. “We think we’ve done that, and we invite everyone to come by and see our growing line of products.”

Eight O Four is open Monday through Friday from 10 a.m. - 6 p.m. and on Saturday from 10 a.m. - 3 p.m.

# SCRMC Kids Health Fair

Photos by Linda Cranford

South Central Wellness Center Director and Sports Medicine Certified Athletic Trainer Kirk Landrum measured the growth of 9-year Deziya Smith who measured 4'9" tall.

Pediatricians with Ellisville Pediatric Clinic (doctors Ali Naqvi, Shilpa Shukla, and Achyutha Pujari) were on hand to help with the SCRMC Kids Health Fair. Dr. Pujari said that this event is important to give the children an opportunity to experience things in a fun environment, such as having their blood pressures and temperatures taken, before having to experience them in clinical setting.

"That was definitely an eye-opening experience," said Jake Carlisle, center, after he completed the distracted driver simulator provided by Greg Smith, seated far right, with MDOT. The simulator simulates what happens when driving and texting or making a phone call. "I was texting when someone pulled out in front of me and I plowed into

the side of them," added Carlisle. As Carlisle got up from the simulator, the video showed a medical helicopter landing at the scene of the accident. Standing behind Carlisle are family members, L-R, 4-year Addison, wife Heather, and 10-year old Isabella.

There was a long line, as usual, waiting to have the great balloon artist Mr. Silly Socks (Johnny Riley) make the kids a balloon flower, sword, lady bug or turtle.

# Sertoma of Laurel thanks local law enforcement officers

By Linda Cranford

In light of the recent attacks on law enforcement officers around the country and as a way to say "Thank You," members of the Sertoma of Laurel invited officers of the Jones County Sheriff's Department and the Laurel Police Department to join them for lunch at their weekly meeting on Thursday, July 21.

"Words cannot really express our gratitude for what you do for us on a daily basis," exclaimed Sertoma of Laurel President Chris Ishee.

Attorney and Sertoma member Dennis Bisnette spoke to the officers about what they are facing as law enforcement officers in today's society and the job they do on a daily basis. During his comments, Bisnette, in his own words, repeated a statement that was made recently by the police chief of Atlanta, who was complaining about needing 300 officers but who can only get about 100 applications. "If you don't like what's happening in law enforcement," said Bisnette, "get a job in law enforcement and change it from the inside if something is going wrong. If something is not

going wrong, then you'll see that from the inside."

"This is an honor," noted Jones County Sheriff's Deputy Jack Armstrong, "for people to recognize the work we do and take the time out to invite us to an event like this. It helps morale. A little 'thank you' goes a long way."

Attorney and Sertoma member Dennis Bisnette spoke to the officers and thanked them for their service.

be held at the Magnolia Center. Ulmer said they have surprise entertainment planned for both opening ceremonies.

The three World Series will be played on six fields with two games from each division being played simultaneously. The first games will begin on Saturday afternoon at 3:30 p.m. In the "O" Zone division the first two games are South Carolina vs. Alabama on the Howard Industries field and Louisiana vs. North Carolina on the Powerade Field. The first two games in the Majors division are Texas vs. Alabama on the Coca Cola Field and Tennessee vs. South Carolina on the Howards Field. The first two games in the AAA division are Tennessee vs. Georgia on the Metal Masters Field and South Carolina vs. Virginia on the Laurel Ford Field.

Dixie Youth Baseball will also hold their National Board of Directors conference during the World Series (August 5-11). Ulmer said this convention brings in over 100 officials and

their companions who will take up the rooms of two hotels in Laurel. They will hold their meetings at Life Church.

At Life Church on Sunday, August 7 at 12:30 p.m., former New York Yankee All-Star Bobby Richardson, who according to Ulmer was the first player from a losing team to be awarded an MVP Award, will speak to the young players.

"It takes the whole community to put this on," said Ulmer. He thanked all who will be participating and said that in addition to the entire Parks and Recreation Department, it takes approximately 200 volunteers and about 15 different committees to make the World Series happen.

Ulmer invited everyone to come out and see the transformation of The Laurel Susan Boone Vincent Sportsplex to the "WOW" series and to enjoy the games of the best youth baseball teams from across the Southeast.
