NOW HIRING CDL DRIVERS

Liquor By The Drink

The issue is simple.

Petition to Vote

This flyer is an effort to encourage registered voters in Lincoln County to sign the attached petition. This petition authorizes the Lincoln County Election Commission to place liquor by the drink (LBTD) on the November ballot. Then registered voters in the county can make an informed choice. LBTD is already legal in the city and also in the county, if you bring you own liquor in a "brown bag."

Control

Control of mixed drink consumption actually increases when a referendum like this passes. Under current "brown bag" policies, restaurant owners have no control over consumption. But with a mixed drink license, the owner would violate state law and city ordinances if he knowingly sold a mixed beverage to any person who is intoxicated or under age.

Requirements

State law provides that only restaurants and hotels where meals are served and seats 75 or more would be eligible to apply for a mixed drink license.

Tax and License Fee Revenue

Will there be tax and license fee revenue? YES! There is a built-in tax of more than 23% of all liquor sales that goes directly to the school fund plus the regular county sales tax of 9.5%. License fees that range up to \$1,000 each would be collected on each license.

Following are LBTD benefits for our community:

- Lincoln County becomes a destination city.
- Dollars are spent in the community rather than outside in surrounding communities.
- Expanded industrial, commercial, retail and tourism businesses.
- Increased local real estate values.
- Increased tax revenues that can be funneled into essential services for the county.
- Vital recruitment tool for the Fayetteville-Lincoln County Industrial Development Board.
- Shared tax burden with non residents as a result of increased tourism.

Step 1 Sign and fill out card below.

Petition to Vote on the Consumption of Alcohol on the Premises in Lincoln County, Tennessee
