Introducing our new Spirit Lake Fareway Meat Manager
Bryan Odendahl

I started my Fareway journey 14 years ago, in Fort Dodge, Iowa. My next move was to Cedar Falls, where my wife, Lisa, was going to the University of Northern Iowa. This is also where our oldest son, Sam, was born. Our next transfer was to South Des Moines, followed by a big move to Bettendorf, Iowa. This is when our second son, Zac, was born. After our time in the Quad Cities, we then were relocated to Osceola, Iowa, where our daughter Liz was born. After almost 3 years there, we got transferred to Worthington, Minnesota. On Monday, July 25, we found out the amazing news that I was promoted to manager of the Spirit Lake Meat Market. My wife has been coming here since she was a baby and we continued her family traditions and spent our family vacations here with our own children every year. It kind of feels like coming home. We have been able to experience some of the great things Spirit Lake has to offer and couldn't be more excited or happy to live and grow in such a great community. When you get a chance, I'll be in the Fareway Meat Market, stop by and say "Hello!"

Spirit Lake Fareway • 1906 Keokuk Avenue • Spirit Lake

Please help us welcome Bryan to our store. He is looking forward to serving our customers in the lakes area!

Fisher Named YMCA Interim CEO

YMCA Program Operations Director Andrew Fisher was appointed interim CEO by the YMCA of the Okoboji's Board of Directors on Monday, July 25, during the board's monthly meeting.

Barry Sackett, President of the YMCA of the Okoboji Board of Directors said, "We are very happy to have an individual of Andrew's caliber available to act as our interim CEO during this transition. Andrew optimizes the mission and character of the YMCA and commands respect from the staff, YMCA members and community leaders. We are proud of the tremendous team employed at the Bedell Family YMCA and Camp Foster and look to each of them to rise to this occasion as we move a great organization forward. The Board and Andrew will rely on Josh Carr to manage Camp Foster to another record setting year of campers. We feel Andrew's ability to partner with our local school districts and communities will leverage our facilities to reach as many residents and visitors as possible."

Fisher has been with the YMCA in varying capacities since 2007 and currently oversees many program areas including Kinship, Youth/Adult Sports, Aquatics, Wellness and Fitness, and Before and After School Childcare.

With the appointment of Fisher in the interim capacity, the YMCA Board will continue the search for a permanent replacement for former CEO Norm Johnson, who left the lakes area to take a new position with the YMCA of Greater Louisville.

Bridge Between Minnewashta and Gar Lake

Stepping Back in Time by Jerry and Irene Clark of the Clark Museum of Okoboji and Iowa History

Isn't this a nice old photo? I think of my father, Art Clark, telling about the large fish that would pass under this bridge and go to Spring Run to spawn. Notice how small the trees are on the shoreline and the trail on the opposite side. There are two row boats tied to the bridge. I bet there was no thought that this bridge would be replaced for a bicycle and trail ride. The Henderson and Clark families walked this trail many years before 1900.

Starting this season, the Clark Museum visitors can view over 5,000 pictures and stories from the largest historic collection of Iowa Great Lakes and surrounding areas, representing many towns and over 99 counties. We have unique items of all types and sizes including over 20,000 original memorabilia and business advertisements. Visitors can be seated as they view photos of their county, the lakes area and the amusement park in organized books. This is a great addition. The air conditioned museum is located 1 mile west and 1/2 mile north of the Catholic church in Milford. Call 712-338-2147 or email ijclark1@msn.com for any information.

Farm Market News

Located at Dickinson Co. Fairgrounds
 15th Street & Peoria Avenue, Spirit Lake, Iowa 51360

First things first... It's *Breakfast Day* at the Farmer's Market this Saturday, August 6. Come join us for samples of breakfast foods like muffins, egg bakes, pancakes and sausages. We hope you'll join us, sampling days are always a great way to see and taste what vendors have to offer. Come hungry!

Speaking of breakfast, lets mention maple syrup. Pure maple syrup is packed with nutrients, lower on the glycemic index than refined sugars (and only a step higher than honey). It is lower in calories and sweeter than white sugar so you use less to get the desired sweetness. In the U.S. there is a grading system for maple syrup which is based on the color of the syrup. This grading system recently changed but rather than explain the old system, lets explain the new. All syrups are now Grade A with details reflecting the syrups color and taste. The lightest of these is "Grade A Golden Color, Delicate Taste" then "Grade A Amber Color, Rich Taste" followed by "Grade A Dark Color, Robust Taste" and finally "Grade A Very Dark Color, Strong Taste". Look for these grades when you are buying maple syrup so you get what's suited to your taste buds. At the Market, there are a couple of vendors selling maple syrup, and if you get a chance, sample the infused maple syrup - a gourmet spin on an already delicious product. Maple syrup is not just for your pancakes, it is a healthier alternative to white sugar that you can use in iced coffees, on oatmeal, on yogurt with fruit, on ice cream, in homemade granola or anywhere you want that maple syrup goodness.

In vegetable news, the sweet corn (and it is so poppingly sweet) is well and truly here. Nothing says summer in Iowa like sweet corn so come early and get your corn for your weekend BBQ. If you are planning to preserve your corn, the Farmer's Market is the perfect place to get it. It is picked the same day and in the early morning which helps retain the natural sugars in the corn. The longer the corn sits, the more the sugars break down so store in the refrigerator if you aren't preserving right away. And if you're wondering how much to buy, according to the USDA an average of 3 1/2 pounds (in husks) is needed for a 7-quart canner load of whole-kernel corn.

Cucumbers are abundantly upon us and you can find delicious varieties at the market. Salad varieties are always a pleaser and make a delicious Midwest Cucumber Salad. For that you'll need to pick up 2 pounds of cucumbers and a red onion. See our Facebook page at www.Facebook.com/LakesAreaFarmersMarketIowa for the recipe.

Finally, newest to the market this year are fair-trade coffee beans. They smell wonderful and the coffee tastes even better. Ground on the spot to your requirements or buy the whole beans, this is coffee we are excited about.

See you Saturday!

Iowa Home Sales Increase by 3.8%

posted by Mark Gavin | Jul 21, 2016 | www.iowarealtors.com
 Home sale prices rose 2 percent in June 2016 and homes sold were up 3.8 percent when compared to June 2015.

According to the Housing Trends Report by Iowa Association of REALTORS®, the median sale price for June 2016 is \$156,000 as compared to \$153,000 in June of last year.

The number of homes sold in June rose 3.8 percent from last year. 4,998 homes were sold in June of this year, while 4,817 were sold during June 2015.

The year-to-date numbers were higher with 4.6 percent more homes sold than last year at this point.

The days on market (DOM) increased by 6 days from last year. The average days on market in June 2016 was 75 compared to 69 DOM in 2015.

"Home sales and prices across Iowa continue to be consistent with seasonal real estate trends. Regions across the country experience high highs and low lows, but Iowa continues to increase in value and popularity," stated IAR President Ken Clark.

The information used to create the IAR June 2016 Housing Trends Report was current as of July 18th, at 8:45 a.m. The information is subject to change due to the dynamic nature of the IAR's housing statistics system, which is updated hourly based on information present in local participating MLS (multiple listing service) systems.

The term Realtor® is a registered trademark, which identifies real estate professionals who follow a strict Code of Ethics as members of the National Association of Realtors®.

The Iowa Association of Realtors® is the state's largest real estate professional organization representing over 6,700 members and affiliates. The IAR releases a Housing Trends Report each month. Data is collected from local Realtor® boards through their multiple listing service (MLS), which tracks sales activities in the board area. IAR compiles all of the local board data into the statewide report each month. Reports are available online to IAR members and affiliates with a login and password. LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:

As full time residents in the City of Okoboji for several years, we know what to expect when May rolls around each year. Our little town and the surrounding area welcomes thousands of weekend visitors, vacationers, and those who own homes here for summertime use. Most of these people are great, and it's exciting to see what Iowa's Premier Vacation Spot will have to offer each year. Does the car traffic increase dramatically? Yes, but it is usually bearable, especially if people keep up with the traffic flow and use their turn signals. Do the lakes fill up with thousand of boats? Yes, but again it is bearable, even exciting, if the boaters know how to safely pilot their vessels and obey the rules (i.e. - inside 300' is 5mph or less).

So what is our biggest complaint? *Bicyclists!* We walk our dog 2-3 times daily on the official trail near Mau Marine, and over the last 2-3 years we have noticed how rude the cyclists are becoming. The biggest issue is when they come up from behind us and just whisk by without a warning. What happened to the common courtesy of announcing their pass by saying "On your left" or "On your right"? I am surprised one of them has not run into me or run over my dog! And when this happens they'll be falling a lot harder than me. Many of them seem to have the attitude of "Look at me, I'm on a bike and I own the road". Guess what guys, no one is impressed that you're on a bike, and if anyone "owns the road" it is the pedestrians. I guess I reached my boiling point this past weekend when a cyclist told my wife, "If you're not on a bike, you shouldn't be on the trestle" (The trestle is the old railroad trestle that crosses the water between East and West Okoboji Lakes. It is often busy with people and their kids watching boats go by below). Cool guy, huh? He motivates me to again, try to get a rule requiring people to walk their bikes across the trestle, so thanks for your comment! So please cyclists: *show some class, announce your pass!*

Camp Okoboji to Auction off Building and Contents

On Sunday, August 14, starting at 3:00, Camp Okoboji will be auctioning off their Crafts Building in order to make room for their new DISCOVER Activity Center. Camp Okoboji is located at 1531 Edgewood Drive, Milford. Take Highway 86 and turn at the Crescent Beach sign. The goal is to recycle, reclaim and repurpose as much of the Crafts building as possible. It has many old windows and doors, benches, work tables, wood flooring, tongue and groove siding and paneling, exhaust fans, bathroom fixtures, etc. If you ever made a craft project in Crafts, this is a great keepsake opportunity. If you are looking for materials in which to make crafts, this building is a craft project in itself. If you like to repurpose old building materials, there is a bunch of it. Check out the Camp website: www.campokoboji.org or call the camp office- 712-337-3325 for more information. Berger Auctioneering will be conducting the auction.

Construction on the new DISCOVER Activity Center is scheduled to begin in September.

Camp Okoboji has served the lakes area for over 75 years. An outdoor ministry site of the Lutheran Church - Missouri Synod; Camp Okoboji offers summer programs for youth and families, as well as retreats year-round. The camp is nearly surrounded by the waters of Emerson Bay and Breezy Point. This unique setting provides many opportunities for relaxing and enjoying God.

Lake Patrol Band at Table 316 and The Ritz This Week

The popular Lakes Region band the Lake Patrol will be performing at two different Okoboji venues the first week of August.

Wednesday, August 3 from 7:00 to 9:00 pm at Table 316 and Thursday, August 4 at The Ritz from 6:30 to 9:30. Both places are located in Arnolds Park/Okoboji on highway 71 north.

Lake Patrol co-founder Mick Buckley says, "Music at Table 316 and The Ritz are Iowa Great Lakes Region traditions on Wednesdays and Thursdays. The food is excellent, the atmosphere is friendly and the crowds are fun."

Co-Founder Tim Horsman comments "This will be our first time at Table 316. We're looking forward to hooking up with some of our friends that we don't get to see much of in the summer." He adds, "this year is our fourth at The Ritz. We are on the waterfront deck every Thursday from mid-May into the fall - until the cold weather prevents us from playing outside."

Spirit Lake HS Class of 1966

The class of 1966 would like to invite other Spirit Lake Alumni to join them on a cruise on the Queen. The cruise begins at 7:00pm, Saturday, August 13, 2016. Light refreshments will be provided as well as a cash bar. Cost is \$14 per person. Checks and reservations can be sent to Marci Stoller, 1608 Nichols Avenue, Okoboji, IA 51355 or call 712-330-7718.

Pioneers 2nd at Great Four State Tournament

The Okoboji Girls incoming Freshman team finished in 2nd place at the Pacesetter Great Four State Basketball Championship Tournament held July 10 at the Target Center in Minneapolis. It included the top two school teams from Iowa, Minnesota, South Dakota, and North Dakota. The Okoboji 8th grade girls qualified to compete in this tournament after winning the Pacesetter Iowa State Basketball Championship held in Des Moines back in March. The Okoboji team represented Iowa well, winning their first round game over Dupree, South Dakota, 50-33 and their semi-final game over Triton, Minnesota, 47-39, which put them in the championship game. The championship game went into overtime and was an exciting well-played game by both teams with Okoboji losing a hard-fought battle to Eden Valley, Minnesota, in OT 35-31. THE NATURE CENTER CHALLENGE

Family Nature Night

Look at the trees on the east side of the Westport Schoolhouse in Kenue Park; what kind of fruit do they produce?

Come to the Dickinson County Nature Center's next Family Nature Night 6:00pm Monday, August 8, and see for yourself. During The Nature Center Challenge, compete with other families to answer all the questions and to finish the tasks that will take you on a tour through Kenue Park. At each location, you will also gather letters to solve a final word scramble.

"I think our Nature Center Challenge is a fun way to get the whole family engaged in nature by working as a team and enjoying the beautiful scenery along the way," said naturalist Mary Petersen.

The Nature Center Challenge will take about an hour, and families can stay as a group or split up into smaller configurations to compete against each other. The race will take people to the prairie, osprey nest, glacial kame, wetland, rock sculpture and schoolhouse in Kenue Park.

"I hope they experience some of the beauty we have right here in Kenue Park," Petersen said. "The views from the observation tower and from the top of the kame are really quite stunning, and I don't know that most people have taken the time to check them out."

Challenge questions will require observational and math skills and will challenge you to know the cardinal directions, the history of the area and more. Each group that finishes the challenge will earn a ticket to be entered into a prize drawing.

"I hope families have fun at the event and learn a little bit more about Kenue Park and Iowa's history," Petersen said. "I also hope families see how fun and important it is to take time out of our hectic lives to spend time with each other."

Family Nature Night is a free event for all ages. For more information on this or other Dickinson County Nature Center programs, visit www.dickinsoncountynaturecenter.com or call 712-336-6352. You can also keep up with the latest happenings on Facebook, Instagram and Twitter.

Wigs for Kids Donor

8 year old Okoboji student, Victoria Gomez-Mitchell, was inspired by the story of Charly Godfredsen, of Spirit Lake, and her donation to Wigs for Kids. She asked her parents if she could make her own donation. Victoria donated 15 inches of her hair to Wigs for Kids in honor of her cousin Joslin who lost her battle with cancer a few years ago. Even after donating 15" she still has a lot of hair left.

Mary Jo "Rocks" at the Spirit Lake Public Library

The artwork of Mary Jo Daniels, a Spirit Lake native, will be on exhibit for the month of August at the Spirit Lake Public Library. Her art features natural materials gathered from around the Iowa Great Lakes area - each three-dimensional, one-of-a-kind piece made with combinations of driftwood, stones, found objects and other natural materials. A selection of her delightful miniature paintings on stones will be included in the exhibit.

Mary Jo is a new member of the Artisans Road Trip, this year, which has a group exhibit showing at Red Rock Center for the Arts in Fairmont, Minnesota, for the month of August.

All artwork shown at the library will be available for sale at Bijou Gallery and the Pearson Lakes Art Center in Okoboji, after August 31. And many other pieces are on display and available at Bijou Gallery throughout the year.

For information on pricing, and to see additional pieces for sale, visit Mary Jo's Facebook page at Daniels Naturals.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

Mr. John Adams, Jr.,
 I have always enjoyed your articles; but, I have to take offense to your article, "Shine Your Light", in the July 12, 2016, The Lakes News Shopper.

Your 1st sentence, of "a very tough week for America with the senseless shootings in St. Paul and Baton Rouge", and your statement of "police killing innocent people of color", is totally inappropriate. You were not there in any of these situations. The Media making prejudgment statements like these is what is wrong. Until the situation is completely investigated; and, it will be, you do not have the remotest idea of what happened. Seeing a video and making a statement like you did is wrong.

You need to do a ride-a-long, both day and night shifts, with officers in your area. With the Police, Sheriff, State Patrol to see what it is like to pull up on a situation. Whether you are answering a radio call (in Baton Rouge, the call was a man with a gun) or pulling up behind someone you just stopped. See what it is like to have to make decisions at that given moment.

If you have a concealed weapon, you had to take a class. You learn that you are not being stopped for that weapon. The officer does not know you have one. You comply with what the officer is telling you. If you or your vehicle is going to be searched, once you are out of your vehicle, complying with the officer, then you tell about your weapon and the officer takes care of removing it, whether on your person or in your vehicle. But, first, you comply.

You also need to sit down and research your statements: Research all officer killings in America. Research the full facts, including color of the officer and suspects involved, with officer consequences. After many of the investigations and the officer being found justified, I did not hear the media apologizing to the officer(s) and the family for their prejudgments. As for the "political situation" that you referred to, I did not hear the President apologize to the officers for his interference in the cases, before there was an investigation. Even after he had the Dept. of Justice investigate Ferguson and found the officer justified, no apology.

And as you can see now, in the "massacre of police officers", the color of their skin does not matter. And, until you yourself, have to make a split decision in saving your own life or those around you, you do not know if "the senseless shootings" were, in fact, senseless or not. And, as with anyone, the officers involved deserve a full and complete investigation, with all of the facts, including eye witnesses, officer statements and all your videos, before you make statements of "senseless shootings".

Regardless of our color, we all need, Law Enforcement Officers-First Responders and they all need to know "we have their backs".

Police Shine Bright

One of the great things about our country is that we can have discussions back and forth and respect each other and differing opinions. There were a few people who contacted me regarding my July 12th editorial "Shine Your Light" that felt like some of the verbiage in my editorial was taking attacks at the police. I had great conversations back and forth with these people but it made me think that if others feel like this that I needed to write something and make sure everyone understood the point I was trying to make. I want to make it 100% clear that I fully support and respect the police, paramedics and fire and rescue departments, and the jobs that these brave people do. We are so blessed to have these brave men and women risking their lives every day to keep us safe and allow us to enjoy the freedoms that we are afforded every day. I can't even imagine the anxiety a police officer feels when they make a traffic stop that could end up being a life and death situation. Sadly, there are a lot of bad people out there, and when a police officer pulls someone over they are putting their life at risk every time, as they don't know what is awaiting them in that vehicle, whether they work in the inner city or rural Iowa. The police forces in our reading area are simply the best, and do a fantastic job of not only keeping the Iowa Great Lakes a safe place to raise a family, but they also do a great job of getting out in the community and giving their time and talents to make this an even better place to live. My editorial was definitely NEVER meant to make it appear that I don't support our police officers or that I undervalue what they do on a daily basis. The intent of my article was to urge people, ALL people to not focus on the negativity in the world but to shine their light to make this world a better place, one light at a time. Our community took a step in this direction on Friday with the "Celebrate, Don't Hate" campaign that saw hundreds of Iowa Great Lakes residents come together to create a sense of unity in our small section of the world. This is exactly what I was talking about with my July 12th editorial and a big step in the right direction of how a small group can make a big difference, one light at a time!

Tales of Tails

by MaryAnna Hubbard

Did you see the Humane Society of Northwest Iowa's accomplished actor at the Okoboji Summer Theater last week? Simon, the black cat on loan from the shelter, was totally calm and well-behaved playing his part in the scene between Anne Frank and Peter, the young boy also confined in the annex. He did almost have his tail caught in the basket cover at the Saturday matinee, but even that didn't disturb his fine acting.

Simon is only one of many cats at the shelter who are hoping for forever homes. Only this week did a compassionate young man bring in a tiny fluffy grey kitten he had rescued from the middle of a busy highway. The poor kitten's blue eyes were barely open, and we would surely have been "road kill" had it not been for his rescuer's concern.

That young man and others like him are people the shelter appreciates and depends on for support. There's another fellow who brings in a good quantity of pet food nearly every week, and a young lady who brings in a \$10 check on a regular basis. And we can't say enough about the young boy who came in with \$40 he had earned doing chores for his parents. These good people and others who have donated items for our silent auction at the fundraiser, Thursday, August 4, deserve our deepest gratitude as do all of you who have adopted pets and those who are buying tickets for the fundraiser at Rolling Oaks.

At the August 4 fundraiser, you will have a chance to show what you know about the shelter and be rewarded with prizes for your expertise. For example, can you answer these questions...

- How much support does the local shelter receive from federal and state taxes?
- How much does it cost the shelter to have a dog neutered?
- How many cats are at the shelter now?
- What does TNR mean?
- In two years how many kittens can a pair of fertile cats have in their "extended" family?

You will be surprised by these answers. Do your research, buy a \$65 ticket to the fundraiser either at the door or by calling the shelter, and you will realize just how important each \$65 is towards supporting the compassionate work of the Humane Society of Northwest Iowa.

Remember... "In a perfect world every animal would have a home, and every home would have a pet."

Call the Humane Society of Northwest Iowa at 712-338-2738 or come see the animals at 607 28th Street, just north of Milford - open Thursday through Sunday, noon to 6:00pm.

Okoboji Summer Theatre Presents The Odd Couple

The Okoboji Summer Theatre is pleased to present its eighth production of the summer: The Odd Couple by Neil Simon.

This funny classic takes place in New York City. The production runs from Tuesday, August 2 through Sunday, August 7 and is generously sponsored by Ginny and Sue Peterson and Steven J. Graeber and the Glass Family.

Show Overview: After their wives leave them, new bachelors Oscar and Felix decide over a game of cards to live together. Of course, their personalities clash as the neat-freak and the slob attempt to make lives of their own. Watching these bachelors build their nest is wildly and irresistibly funny.

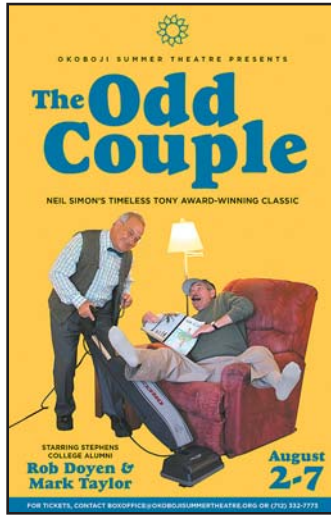

Directed by New York based Bernard Monroe, the cast features professional actors, including Mark Taylor and Brett Olson, long-time company members Rob Doyen and Herbert Moore, and local favorite Jim Kennedy, with talented students from Stephens College.

Certain times are Tuesday through Saturday at 8:00pm; Saturday matinee at 4:30pm, Sunday evening at 6:00pm. Tickets are \$18 and may be purchased at the OST box office at 2001 Highway 71 North, by calling 712-332-7773, or by email at: boxoffice@okobojisummertheatre.org.

Spotlight Series: On Friday night, August 5, from 7:30-7:45pm will be the spotlight series that highlights the talents of the OST company and provides some preshow entertainment. For the second week, OST will celebrate its new outdoor bar, featuring local beer and wine! They also offer free babysitting during the Friday night show. Call the Box Office to reserve a spot for your child.

Special Ticket Discounts: Two students, 13 and above (including college students), will be admitted for the regular price of one on Wednesday and Thursday evenings. Two senior citizens, age 60 or older, will be admitted for the price of one on Saturday matinees (4:30pm) and Sunday evenings (6:00pm). ALL Saturday evening (8:00pm) performances are now available at the two-for-one ticket price for all ages. All Active and Reserve military may purchase two-for-one tickets for any 8:00pm performance.

Owned and operated by Stephens College, Okoboji Summer Theatre is proud to celebrate its 59th season in the Iowa Great Lakes region. Please 'Like' us on Facebook, and follow us on Twitter at @ExperienceOST to learn more about the exciting productions this summer.

County FSA Committee Nomination

The election of agricultural producers to Farm Service Agency (FSA) county committees is important to all farmer operators and agricultural land owners, whether they be a beginning or longtime producer, or whether they have a large or small operation. Every eligible agricultural producer whether they own or operate a farm, should participate in the FSA Committee election process because FSA county committees are a link between the local agricultural community and the U.S. Department of Agriculture (USDA). Farmers who serve on FSA county committees apply their judgment and knowledge to help with the decisions necessary to administer FSA programs in their counties, ensuring the needs of local producers are met. FSA county committees operate within official federal regulations so that local input is provided on federal programs such as:

- Income safety-net loans and payments
- Conservation programs
- Incentive, indemnity and disaster payments for some commodities
- Emergency programs
- Payment eligibility

Farm Service Agency Executive Director, Larry Lago wants to remind Dickinson County FSA Local Administrative Area 3 farm operators and land owners from the townships of Silver Lake, Excelsior, Diamond Lake and Lakeville, that the opportunity to nominate themselves or a representative of their choice to serve a three year term on the local Farm Service Agency COC is quickly coming to a close. The COC nomination period runs through August 1, 2016, for any qualifying individual from those townships who would be interested to run for the County FSA Committee position. Current FSA Committee member Vince Elser has served on the Dickinson County FSA Committee for the last six years and is eligible for re-election in the 2016 election process.

Agricultural producers who participate or cooperate in an FSA program may nominate themselves or others as a candidate for election to the County FSA Committee by filing with the County FSA office by the nomination deadline. Additionally, organizations representing underserved (minority and women) farmers may nominate candidates. Nomination forms are filed for the county committee election at the office that administers a producer's farm records. To become a nominee, eligible individuals must sign nomination form FSA-669A. The form includes a statement that the nominee agrees to serve for a three year term if elected. This form is available at the FSA county office and online at www.fsa.usda.gov/elections. Nomination forms for the 2016 election must be postmarked or received in the local FSA county office by close of business on August 1st, 2016.

To be nominated to be on the election ballot as a potential FSA county committee member, a person must meet each of the basic eligibility requirements of:

- Participate or cooperate in a program administered by FSA.
- Be of legal voting age & eligible to vote.
- Reside in the FSA LAA in which the person is a candidate.
- A person must not have been removed for cause from any public office or have been convicted of fraud, larceny, embezzlement or any other felony or dishonorably discharged from any branch of the armed services.

USDA relies on the local leadership of farmers that are elected to the Farm Service Agency's County Committee system. Farmers know their communities best, and the Farm Service Agency draws from their local knowledge to make national farm programs work here at the county level. FSA County Committees operate within official regulations designed to carry out federal

Shooting Club News
by Tony Petersen

So by now I am in hopes you have checked out the Izaak Walton trap ground! It is a facility that the area should be taking advantage of for their shooting sports recreation.

The topic this week is I am hoping you have seen some ads in this paper, heard some buzz on the radio and have seen the flyers floating around the area about the Demo Day! Yes we are sponsoring the area's first ever Demo Day with the support of Southern Archery and Guns. On August 6, Southern Archery is bringing up to the trap ground, demo guns from both Browning and Berretta for the public to shoot. So how does this work? Well on August 6th we are opening the gates at 9:00am and for a \$10 donation to the trap club you get access to the grounds and all the fun. Southern Archery will have a booth set up for Browning and one for Berretta firearms. You get to look at, choose and shoot the gun of your choice for only the cost of the targets and ammo. So if you ever wanted to shoot a Browning BT99 or wonder how a Berretta A400 Multi Target kicks? Well, at this event you get to grab it, pay for the targets and shells and shoot it. The best part is you do not have to purchase any guns! You can shoot either 5-stand sporting clays, trap or fire some rounds off at the pistol range. Here is a short list of some of the guns that will be there for you to try or look at. From Browning: 725 - Field, Sporting, BT-99, Maxus - field, waterfowl, sporting, A5.BPS, Buckmark Pistols, 1911-22, 1911-380 and Hi-Power. On the Berretta front there will be guns like: A400 Action in 12ga, 20ga and 28 ga, A400 Xtreme, A400 Multitarget and Silver pigeon 1. We are excited to bring this "first ever" event to the area and we are in hopes of bringing in other brands in the future. We want to make sure the public knows that all the money raised from this event stays with the club and is going to be used for suitability of the grounds for future generations to enjoy. Southern Archery isn't getting anything from the donation or shooting. Southern Archery is doing it to support us and to support the shooting sports. They (Southern) will have some specials there if you are interested but there is no obligation to purchase a gun. The only obligation you have is to have fun! If you have any questions you can check out everything on our Facebook page at <https://www.facebook.com/dickinsontrapclub>. We look forward to seeing you there!

Current shooting schedule:
• Open trap shooting for the public - Tuesday nights (weather pending) from 5:00pm until dark, every week.
• Browning Days - August 6 from 9:00am to 4:00pm
• Southern Archery Gun Show Day - September 17 from 9:00am to 4:00pm

Williams Family Reunion

One hundred two guests and family members of early area residents Thomas and Mary Brett Williams converged on the lakes area from 17 states for the 9th pentannual reunion July 22-24. This group began meeting every five years back in 1976. Since that time many have gone to their heavenly reward but the group still goes on. Of those attending this year, there were 5 grandchildren of the original couple, 22 great-grandchildren, 25 great-grandsons, and 12 great-great-grandkids.

The weekend kicked off Friday with a ladies' lunch at Mill-creek Restaurant. A party barge ride out of Okoboji Boats cooled off around 70 reunion attendees. Finally they all gathered at the Pelican Ridge Community Room for pizza from Picadilly's.

Saturday was not for the faint of heart as they met early at Horseshoe Bend Park in their lime green reunion t-shirts to begin the Williams' version of the 'Amazing Race'. Thirteen teams of 5 members each participated. Each team got a clue and began the three hour trek around the lakes area in search of more clues and various items. The event was created to be a mixer of the generations and to spawn great conversation and memories. This year the clues were especially difficult leading to several teams seeking to cool off with refreshments at places such as Spudnuts, Perkins, Casey's and Walmart before returning to Horseshoe Bend for lunch. Sunshine Foods provided the chicken dinner. There were games for the little ones and water and cooling fans in the shelter house for the older ones. Mid-afternoon many met for tours of the Okoboji Classic Cars Museum and appreciated the cool temperatures there.

The evening was spent at the Wendell and Chris Williams farm which was the original family farm. Grilled hamburgers and hotdogs kept the group fed while waiting their turns at the photo booth, complete with props, planned and run by Chris' family. These instant photos were then attached to a family tree poster for the benefit of the younger generations. A brief memorial time was held for family members who had passed away in the last 5 years followed by a sky lantern launch.

Those still in the area Sunday gathered at Pelican Ridge for a delicious brunch provided by Sisters Catering of Spencer and a last chance for hugs and well wishes until they gather again in 2021.

If you happened to see someone streaking past in a lime green T-shirt proudly announcing that their story began in Milford, now you will know what was going on over the weekend.

Winner of the IGLA T-Shirt Design Contest

With 12 designs submitted, it was no easy task for the Iowa Great Lakes Association team to choose a winner, yet in the end it was Patrick Davison's, of Ames, design that incorporated so many facets of our extraordinary community that won over the committee.

When asked what inspired his design, here's what Patrick had to say: "For the design I wanted to make something on first impression it was obvious it is about Iowa. So I started with the shape of our state for the outline of the art. After that, I wanted to fill it full of everything that comes to mind when I think of the Iowa Great Lakes. I have been to Okoboji numerous times and wanted to include elements of amusement park, fireworks, boating, etc.

I am a big fan of fishing, and have a tradition of visiting every November to test my luck with walleye. I am a strong supporter for anything we can do to help our environment. I believe if we can continue to respect the lakes and land, future people will get to enjoy the great experience like we have."

Patrick understands the significance of preserving, protecting and enhancing our Iowa Great Lakes and his design speaks to our mission.

Patrick receives the following prizes for his winning design:

1. Overnight Stay & \$50 gift certificate to The Inn at Okoboji
2. Jacket & \$50 gift certificate from the Okoboji Store
3. \$50 gift certificate from Prairie Chick
4. Dozen cookies from Hey, Good Cookies
5. Large Godfather's pizza
6. Hat & T-shirt from the new Okoboji Indian/Victory/Slingshot
7. University of Okoboji blanket from The Three Sons

The shirts will be available during the Okoboji Blue Water Fest, a festival in which IGLA is a proud sponsor on Saturday, August 13, on Preservation Plaza in Arnolds Park. A performance by world-class artist, Boz Skaggs, will be an amazing end to a day of protecting, preserving and celebrating the Iowa Great Lakes.

Earn Your Blue Ribbon Fun by Entering Photographs for the Fair

With beautiful sunsets and fun activities throughout the summer, it's a perfect time to think about entering memorable prints as photography exhibits at the 2016 Clay County Fair, September 10-18.

Hobby photographers may enter up to 12 photographs of people, places or landscape, things, plants, or animals/ insect world.

A separate class for creative photography allows a photographer to use different techniques to alter the photograph. The different techniques include computer manipulation, multi-images into one photo, camera filters and trick lenses. A separate lot is available for people who have altered an image other than the three categories.

"Each year we get more entries; the quality and interpretation of our themes is better every year," said Dana Metcalf, head of the Photography Department.

Exhibitors entering special classes have the opportunity to be creative and win higher cash prizes in each class. All classes include a youth section for those under 18. Each photograph entered into the special classes must be 8x10 inches in size and the top three places in both youth and adult divisions will receive cash prizes.

The Concepts Class, presented by Campbell, Higgins, Mumert, PC, will showcase the similarities or differences of the "Young and Old".

The Spencer Daily Reporter is sponsoring the Photojournalism class. The theme "Working 9 to 5" will capture the daily workday activities of the photographer.

The Beautiful Iowa class presented by Clay Mutual Insurance will look at "City and Town Life". Photographs in this class must identify the specific location in Iowa where the photo was taken.

"Feet on the Street" is the theme for the Objects class sponsored by Commstock Investments in Royal. Capture anything that clip clops, hops, steps, shuffles or prances.

Clay County Soil Conservation Service presents the Conservation class. The theme "Helping Wildlife" will show how Iowans coexist with animals in the area. Photographs entered into this contest must be identified by the specific location in Iowa where the picture was taken.

"I am Here" is the theme for the IGL Communications Cell Phone class. This picture must be taken with a cell phone and allow the viewer to know where the photographer is, and selfies are welcome.

Complete details for the Photography Department can be found within the Photography Exhibitor Handbook on claycountyfair.com or by picking up a handbook at the Clay County Fair Administration Building.

About the Clay County Fair: Have "Blue Ribbon Fun" September 10-18, 2016 in Spencer, IA! The Clay County Fair, "The World's Greatest County Fair" since 1917, attracts more than 300,000 people each September for unique experiences including the world-class Grandstand entertainment, daily livestock and horse shows, more than \$150,000 in free entertainment, thousands of competitive exhibits, the thrilling GoldStar Amusements Midway, every imaginable type of fair food, hundreds of commercial vendors, and the largest farm machinery display at any fair in the United States! Everyone will have "Blue Ribbon Fun" at the 2016 Clay County Fair. Visit www.claycountyfair.com for more information.

Thomas Fortner returns to The Arts at St. Joseph

The month of August will see two presentations as a part of *The Arts at St. Joseph* concert series at St. Joseph Church in Milford. Both concerts are a part of the third annual *Iowa Lakes Music Festival*.

In this Sunday's 4:30 concert, cellist Thomas Fortner will be returning for the third time in three years, along with pianist Amy Zanrosso, violinist David Brubaker, and violist Thomas Elliott. The quartet will perform selections from Joaquin Turina, Johannes Brahms, and Antonin Dvorak. A reception will follow in the parish center.

A native of Houston, Fortner earned a masters degree in cello performance at McGill University in Montreal. He is the founder and artistic director of the *Iowa Great Lakes Music Festival*.

And, there's a local connection. Fortner's grandparents are Lois and John Rute, of Arnolds Park.

An active conductor, chamber musician and soloist, Fortner performs concerts in Europe and North America. He is also the assistant conductor of the *Baltimore Symphony Youth Orchestra*, and serves as assistant conductor for the *Martha Graham Dance Company* at the Library of Congress.

Fortner will be the assistant conductor of the *Peabody Concert Orchestra* this fall. The second concert, at 7:00 p.m., Friday, August 12, will see Fortner, Brubaker, and Elliott perform with London-based violinist Sean Riley as a string quartet performing selections from Debussy, Glass and Dvorak.

We noted here last week that *Jazzed Up Big Band of Okoboji* leader Rick Ayres said he would decide late last week on whether or not the *JUBBO* season would end earlier than planned after falling short of sponsorships.

Here is what Rick posted on his band's facebook page on July 28: "What a great final night of our 2016 season at Arnolds Park on Tuesday! The audience was wonderful! We all have had a great time playing for you, again, this summer! Please mark Tuesday, June 13, 2017 on your calendars for our opening night for next summer! We're going to align our season with Rock the Roof's Season next year!"

"It's been fun seeing larger crowds and more young people coming and enjoying the musicians and music!"

Six exclamation points! 'Nuf said 'til next June... In addition to his regular house concerts, entertainer Glenn Henriksen will be the featured entertainment at the Ingham Okoboji Lutheran Bible Camp Friday night, starting at 7:30. Glenn's appearance is part of a fund raising weekend that will also include a Scandinavian feast — read that Lutfisk Supper — prior to Glenn's show, which could even include a hymn sing...

The 3 Ks will be performing Wednesday night, in the Lakeview Room at the Inn, starting at 7:00. Friday night will see 'Boji' Bill Carpenter with Barb Johnson sitting in for the still vacationing Mel Kimblad in The Lounge at the Inn, from 6 - 8:00, then in the Barefoot Bar, Sunday, from 2 - 6:00 — after 'Boji' Bill does his solo thing aboard the Diamond Lady Cruise, from 6:30 - 9:30, Saturday night!

And the Lake Patrol Band is scheduled to be at Table 316 in Arnolds Park, Wednesday night, from 7 - 9:00...

The featured entertainment for Spencer's Mainstreet Farmers' Market this Thursday night will be Amber Norgaard. *High Crest* will be at the Little Swan Lake Winery Thursday night from 6 - 8:00. And the *TJ Express* will be the opening act for *Elvis Night* at the Iowa Rock 'n' Roll Music Association's Thursday night Rock the Roof concert in the Roof Garden at Arnolds Park. The show begins at 6:00...

The Expressions will be the opening act for *The Ripchords*, of *Hey Little Cobra* fame, Friday night, on the new stage at Boji Bay Legacy Park, starting at 7:00...

Alan Morphew and *Rock a La Carte's* tribute to *Queen* will open for *Foghat*, Saturday night, on Preservation Plaza, starting at 7:30... And the aforementioned Amber Norgaard will be performing at the Little Swan Lake Winery in a Sunday afternoon doubleheader that will also see the *Blue Note Jazz Collective* on the stage in the barn, from 4 - 8:30...

Jessie James and the *Outlaws* will be adding to the fun at the Discovery House in Spirit Lake, Monday night. The grilling begins at 5:30 — the music at 6:00. Then, of course, *The Dick Bauman Big Band* will be performing at the Pearson Lakes Art Center, from 7 - 9:00, Monday night...

The recent summer heat wave must have left research director RD wiped out. Still she was able to tell us that vocalist extraordinaire Tony Bennett — who is also an amazing watercolorist — will become a nonagenarian on Wednesday, and that we have two even more important summer days to mark this week.

In addition to being Tony Bennett's natal day, tomorrow is also Watermelon Day — celebrating the fruit that is perhaps most aptly named, as 90 percent of the content of a watermelon is... water!

And in another cooling thought RD explained that Saturday is Root Beer Float Day. Both are comforting thoughts. One is even low in calories...

All the news that fits we print.

Please send your music-related announcements or comments to RAMBOLING@mindspring.com or P. O. Box 676, Okoboji, Iowa 51355-0676

Humane Society of NW Iowa Hoedown New Theme for Annual Fundraiser

Everyone is invited to come out for this very fun event that will take place at 5:30pm on Thursday, August 4, (at the Rolling Oaks Barn) to help support the care of animals at our community's Humane Society.

A Hoedown, including barbecued pork with all the fixings is included in the plans for this year. The event will be catered by Farm to Fork and Family Diner. There will be appetizers, a cash bar, and s'mores plus the annual silent auction.

The shelter hopes to bring some of the animals to share the evening's fun giving everyone there a chance to see the available pets. If you are looking for a pet to adopt, you might find that special dog or cat and "fall in love."

For the animals and employees at the Humane Society of Northwest Iowa it's a very special and important event. The funds raised at the Hoedown will provide food, shelter, and continuous care for rescued animals who definitely need your help. Tickets are \$65 and can be purchased at the door or in advance by calling the shelter at 712-338-2738.

Backyard Bach and Blues

Arts on Grand (AOG) is proud to present our annual Backyard Bach and Blues fundraising event on the evening of Saturday, August 13, 2016. Backyard Bach and Blues is a concert performance featuring local musicians in a backyard environment. This year's BBB will be hosted at Rolf and Valerie Mosbo's residence at 1703 Kristin Drive in Spencer, from 6:00pm to 10:00pm.

This year, AOG presents John Senn and Friends. Mr. Senn was inducted into the Iowa Rock 'n Roll Music Hall of Fame in 2001. He has spent all of his adult life involved in Iowa's music industry. Over the last forty years, Senn has been a musician, vocalist, songwriter, promoter, recording studio engineer/owner and bandleader (IRRMA). Mr. Senn has played venues all across the country.

The evening's menu will feature BBQ hog wings sponsored by the Clay County Pork Producers and many sides and a variety of themed miniature cupcakes. The meal starts at 7:00pm with John Senn and Friends starting at 8:00pm.

AOG would like to thank their local supporters of Backyard Bach and Blues: Community State Bank, DermUs Skin Care, Denison Drywall, Cotton-Graves Farm Management, Graham Tire, RE/Max of Spencer, Doll Distributing, Winther, Stave and Co., Edward Jones (Jeremy Eller), and Spencer Office Supply for providing the table and chairs.

Backyard Bach and Blues is truly an evening of great food and entertainment. Tickets can be purchased online at www.artsongrand.org, or calling 712-262-4307. Tickets are \$40 for members and \$50 for non-members of Arts on Grand.

LaFoy Named Iowan of the Day

Aubrey LaFoy, Arnolds Park, has been selected by the Iowa State Fair Blue Ribbon Foundation as a 2016 Iowan of the Day. His day of recognition at the Iowa State Fair will be Friday, August 12, with an award presentation at 2:15 at the Anne and Bill Riley Stage, use of a golf cart for the day, Grand Stand tickets, and a complimentary stay at the Des Moines Marriot downtown hotel.

Aubrey is well-known in this area as the author of "Memory Lane" articles where he has composed more than 900 articles of memories and Iowa Great Lakes history including Smoke Over the Waters, a recently published history of the steamboats that plied the Iowa Great Lakes from 1883-1973.

Aubrey, who celebrated his 90th birthday last summer, was raised in Milford. He served in military service during World War II in India, Burma, and China, including driving a truck on the 1500 mile Ledo-Burma Road.

After World War II, Aubrey met his wife, Connie, at the University of Northern Iowa. They were married 68 years ago on March 27, 1948. They lived and taught school in Mason City where they raised their 3 sons - Randy, Ray, and Carl. While living in Mason City, they continued to return to their cottage on West Okoboji every summer.

They moved back to the lakes area in 1970. Aubrey taught in the Estherville School District for 8 years before retiring, after which he became the lakes area historian, researching and writing articles to preserve this history.

In recognition of this valuable research, Aubrey LaFoy was nominated to be Iowan of the Day by Sandra Sykes, Spirit Lake, who had become acquainted with Aubrey when they both taught school in Estherville.

His selection was announced July 19 by Audra Kincart, Public Relations Intern, Iowa State Fair Blue Ribbon Foundation.

Museum's "Historic Images of Dickinson County" Project

Dickinson County Museum staff is currently in the process of assembling the first phase of a new project entitled "Historic Images of Dickinson County." With funds received from the Dickinson County Endowment Fund, the museum was able to begin work on this addition to their display of county history. L.F. Williamz, known professionally as "The Yankee Photographer," had a genuine flair for visually capturing the essence of the people and the lifestyle of the Iowa Great Lakes during the first quarter of the 20th Century. His son, Evard, gifted several photo albums of his father's work to the Dickinson County Museum in 1979. With grant money received from the Dickinson County Endowment Fund, the museum was able to purchase a flip page poster-size display and to have scans and enlargements made of a number of L.F. Williamz's lakes region images to share with museum visitors on this display. The Dickinson County Museum is interested in borrowing images of country schools in the county and county railroad images that they could have scanned for inclusion in the next phase of the historic images project. If you would be willing to share such photographs from your personal collection or photo albums, please contact Teresa Garvey, museum board president, at 712-336-2040, or stop by the museum Tuesday-Saturday from 12:00-4:00pm and visit with museum curator Cindy Schubert.

Panel Discussion on Water Quality to Take Place During Okoboji Blue Water Festival
By Steve Weisman

Here we are pushing the end of July and we're only two weeks away from the Okoboji Blue Water Festival. What a day Saturday, August 13, promises to be with fun and educational opportunities for all ages. It's the perfect place to take the entire family on a West Okoboji Saturday afternoon.

Joe McGovern, president of the Iowa Natural Heritage Foundation. (photo by Steve Weisman)

So many things to do and to see! That's why the Festival activities run from 10:00am to 5:30pm with the Claudettes taking the stage at 7:00pm and the great Boz Scaggs highlighting the evening's festivities at 9:00pm.

One of the most meaningful events of the day will take place from 3:30-5:30pm with a panel of distinguished guests discussing a most important topic: Water Quality. The event will take place under the big tent in the green space next to Bob's Drive Inn. Joe McGovern, president of the Iowa Natural Heritage Foundation will be the moderator for the panel discussion. Here is the list of speakers:

- Chuck Gipp, director of the Iowa Department of Natural Resources
- Sean McMahon, executive director of the Iowa Agriculture Water Alliance
- Jennifer Terry, Des Moines Water Works
- Keith Schilling, University of Iowa hydro-science engineer
- Susan Heathcote, Water Program Director for the Iowa Environmental Council
- Jonathan Gano, Des Moines Public Works Director

The format: McGovern will introduce the panelists, who will each have three to four minutes to give some background information about themselves. After introductions, McGovern will set the stage for the discussion.

Obviously, the topic will be clean water, and the panel will discuss their thoughts on the big picture: why water quality matters in Iowa today. What is each panelist's view on water and water quality? Is there a tug of war about this topic?

In a recent interview, McGovern shared his excitement for the panel discussion. "Thanks to this diverse group of panelists for coming together to talk about this important topic. I think this will be a meaningful discussion and is very important for all Iowans. I hope that we get a lot of people to take the time to not only come, but to participate and share their thoughts. When we talk water quality, everybody has a different view, and everybody plays a part. To succeed, however, we need to work together and develop a comprehensive solution."

According to Greg Drees, organizer of the Okoboji Blue Water Festival, "We are so fortunate to have such a diverse group of speakers comprise our panel to discuss the most important water quality issues facing us in the Iowa Great Lakes and across the state. They will tackle vital and often controversial subjects, yet the emphasis is on how we bring urban and rural partners together to face water quality challenges."

Artists Of All Levels: We Want You!

On Saturday, August 13, Creative Spirits Okoboji, Kurio Kastle: Pottery Painting Palace and The Okoboji Blue Water Festival will be hosting the sixth annual ChalkStock, a one-day family-oriented sidewalk chalk festival that will bring Art out of the gallery and onto the pavement.

The 2016 theme is *Clean Water*. This exciting family oriented event is free and open to the public on Saturday, August 13, 2016. The major sponsor for this year's events is the Okoboji Blue Water Festival.

ChalkStock will take place alongside and together with the many other activities offered at the Okoboji Blue Water Festival. The festival is a day-long celebration to raise public awareness of water quality issues in the Iowa Great Lakes and across the state.

The Sidewalk Drawing Competition will take place on the sidewalk that runs from Broadway Street, near the Emporium in Arnolds Park, to the Waters edge near the State Pier. Look for us again next year in Olde Town Spirit Lake.

Participants will be assigned 4' x 4' sidewalk squares. Approximately 50 squares will be available. Pedestrian traffic will be relegated to the other side of the sidewalk. Public viewers will be able to stay on the other side of the sidewalk as well as the grass to view the art works in progress and the finished product.

All contest participants will receive a box of 48 chalk pastels. If participants know they will be using a predominant color in their design, they may want to pre-order an additional supply.

Participants are prohibited from using any materials for their drawings except for the provided chalk pastels.

Sidewalk or street art is an art form that began in the 16th century in Italy. A painter would draw his artwork on a busy street corner and hope to collect coins from people walking by on the street. These street artists were commonly known as "Madonnari" because many times they recreated images of the Madonna.

Artwork for ChalkStock must be appropriate for public viewing by all ages. No words, pictures, nudity or symbols of any vulgar nature will be permitted. Multiple participants may work on a single space.

Participants must stay within the dimensions of their designated space. Most spaces will have no shade. Therefore we recommend participants bring their own shade (umbrella, canopy, etc.) and an ample supply of water.

ChalkStock and its sponsors reserve the right to photograph and reproduce the sidewalk/street paintings in any manner. The artist(s) has no ownership right to the photo/reproductions of their sidewalk drawing/painting image.

- Cash awards:
- \$300 – Grand Prize (Grand prize will be chosen from all completed drawings/paintings)
 - \$150 – First Place (First place will be awarded to the drawing/painting that represents the main theme of the Okoboji Blue Water Festival, which is *Clean Water* for our future)
 - \$100 – Most 3-Dimensional
 - \$50 – Most Original (16yrs +)
 - \$50 – Most Original (10-15yrs)
 - \$50 – Most Original (9yrs and under)

Independent judges will complete judging for all awards. Judges will take into account concept, originality and finished product as well as age of participant.

All registration forms are due August 8. Check in and receive drawing area assignment, chalk, and T-shirt at Kurio Kastle: Pottery Painting Palace, 709 16th Street, Spirit Lake, on August 12, 1:00 – 5:00pm. Awards will be presented on stage at 5:45pm on August 13. Winners' presence is strongly encouraged.

For more information on registration and participation in the sixth annual ChalkStock, please call Kurio Kastle: Pottery Painting Palace at 712-336-6881 or email info@kuriookastle.com. Find the application on Facebook at www.facebook.com/ChalkStockFestival.

Clay County Chorale Concert

Northwest Iowa has welcomed a new community chorus to the area this summer: the Clay County Chorale. Singers from ages 17 to 70 with a wide array of musical experience have come together to prepare and perform two summer choral concerts.

Morgan Kramer, an alumnus of Spencer High School and the University of Northern Iowa and a current choral conducting graduate student at The University of Texas at Austin, welcomed singers from Spencer and the surrounding communities to audition for the chorus at the onset of the summer. The chorus performed their first concert alongside the Spencer Municipal Band on July 4th and has been working diligently to prepare for their final concert.

The Clay County Chorale's final concert of the summer will take place Monday, August 8 at 7:00pm at Bethany Lutheran Church in Spencer. Free will donations will be accepted in place of an admission fee. The concert will be comprised of contemporary choral music and conclude at approximately 7:45pm. Join us for an evening of wonderful music!

Farmland Leasing Meetings

Farm tenants and land owners are encouraged to attend ISU Extension and Outreach workshops

Iowa State University Extension and Outreach is hosting a farmland leasing meeting on August 17, at the Spirit Lake Community Room, 1602 15th Street, from 6:30pm to 8:30pm. The annual meeting is offered to address questions that land owners, tenants or other interested individuals have about leasing farmland.

Topics will include land values and cash rent trends, cost of production, methods for determining a rental rate, legislative updates regarding leases and communicating with tenants or landlords.

"More than half of Iowa's farmland is rented, and strong landlord/tenant relationships are important for the long-term viability of Iowa's valuable farmland," said Alejandro Plastina, assistant professor of economics and extension economist at Iowa State University. "Cash rent values across the state of Iowa have declined for the third consecutive year, dropping by 6.5 percent from 2015. Every crop reporting district in the state saw a decline in rental prices."

The two-hour workshop is designed to assist landowners, farm tenants and other agri-business professionals with current issues related to farmland ownership, management and leasing arrangements. Attendees will gain a better understanding of current cash rental rate surveys and factors driving next year's rents such as market trends and input costs.

A 100-page workbook is compiled for the programs, with resources regarding land leasing agreements such as surveys, sample written lease agreements and termination forms, along with many other publications.

The leasing meetings being held across Iowa are facilitated by farm management specialists with ISU Extension and Outreach.

For registration information, contact Janet Nepl at ISU Extension and Outreach Dickinson County, 712-336-3488. Pre-registration is encouraged as an additional \$5 fee may be added if registering less than two calendar days before the meeting date.

The Ag Decision Maker leasing section also provides useful materials for negotiating leases, information on various types of leases, lease forms and newly updated Decision Tools.

29th Annual Quilt Auction

Beauty, creativity, craftsmanship and generosity will all be on display August 6, in Wahpeton. The 29th annual Quilt Auction at the Okoboji Lutheran Bible Camp will be held on Saturday, August 6, and will feature many quilts of all sizes, colors and patterns. The camp is located on the west side of West Okoboji Lake at 1203 Inwan Street.

Viewing of approximately 180 quilts will be held on Friday, August 5, from 5:00 - 7:00pm and Saturday, August 6, from 9:30 - 12:00 (noon). Bidding will begin at 1:00pm on Saturday.

For those who wish to place a bid, but are unable to attend, proxy bidders will be provided. Forms may be completed at the viewing or a call may be made to the camp at 712-337-3306 to request a bidder. Proxy bidding requests will close at 11:00am on Saturday. Quilts may also be viewed online at www.okoboji.org.

Additional events that will be taking place on Friday, August 5, will be a Scandinavian Feast from 5:30 - 7:30pm, a Silent Auction of Hardanger doilies from 5:00 - 7:00pm and a Concert by Glenn Henriksen at 7:30pm at which a free will offering will be collected.

On Saturday, August 6, the day will begin with a 5K Fun Run at 10:30am, followed by a lunch in the dining hall from 11:00am - 1:00pm. Pie and ice cream will be served during the afternoon.

A Woman In The Military Tells Her Story

Marilyn Milbrath Means, now of Lakefield, Mn., is the latest of a number of area Vietnam Veterans being thanked for their service during the Vietnam War. She was presented with a pin and certificate specially prepared by the Ladies of the Lake, Daughters of the American Revolution, at the Chapters' July 12 meeting by Collette Travis, Spirit Lake, DAR Vietnam Project Chair. The presentation is a part of the national effort to pay a long overdue tribute to those who served in that controversial conflict.

Mrs. Means, who enlisted in the Air Force at age 22, gave meeting participants many insights as to what it was like to be a woman in the military. She said of her basic training at Lackland AFB, TX, that except for the first three days when they were sleep deprived, "I did just fine. I gained 20 pounds. The Law Enforcement specialty training (my choice) was a different matter. The law enforcement field had just opened up to women and I was in only the second flight to go through the Air Force Academy that included women. I felt that I had to work harder and perform better than my male counterparts. I lost the 20 pounds."

She went on to tell of service at Wheeler AFB, Oahu, HI which "might seem like a dream assignment." However, it had long been an R&R location for all military personnel in the Pacific. It was also the stopover site for those going to and from Vietnam and a point of additional training for the soldiers of many countries who were also fighting in Vietnam. "It was there that I witnessed the toll of combat upon their faces and in their actions." She received the Air Force Commendation Medal for her work.

Means was next assigned to Grand Forks AFB, ND, where the Strategic Air Force Command had the nukes, missiles, and the B-52, the Stratofortress, still in use today. "Security, Security, Security was the order of the day, she recalls. "You were ready at all times for the Official Readiness Inspection. "AF personnel were expected to use free time constructively so she continued college courses. Later, with the help of the GI Bill she obtained a BS in Social Work and a few years later, with the help of a public service fellowship and the remainder of her GI Bill benefits, she obtained an MA in Public Administration. She credits her time in training and service for "instilling me with the value of education for both personal and professional development." She has used her degrees in ongoing years of Iowa public service."

Means says of her ten year total of service - four years of active air force, three in the ND National Guard and three in the Air Force Reserve Standby: "I did not serve in Vietnam proper. I did not leave the service with PSTF nor TBI. Our 13 years in Vietnam was never declared a war, only a conflict, like Korea. Almost 50,000 men and women were killed in action in Vietnam. War may seem like Star Wars or a computer game these days, with the precision bombing, the drone strikes, and the Special Ops., but war or conflict, the results are the same - destruction, death and disability."
