**National Child Support
Awareness Month
AUGUST 2016**

Children thrive in all areas of their lives when they are able to maintain meaningful relationships with both parents. During this month and throughout the year, Livingston County is dedicated to the ongoing nationwide effort acknowledging the vital role both parents have in providing emotional and financial support to their children.

Livingston County Social Services is firmly committed to helping children receive the financial support they need. Ensuring that children's basic needs are met is our ultimate goal. Child support services are available to any parent, guardian, or caretaker of a child for whom child support is needed, regardless of income.

Notes from the NUNDA VILLAGE BOARD

ANIMAL SAFETY

Each year there are several calls to the Police Department with public concern of dogs or other animals left in a vehicle on the street, in a parking lot, or at a sporting/public event. On just a 78 degree day - the temperature inside a parked vehicle can become between 100 and 120 degrees in just a few minutes.

On a 90 degree day - the temperature can rise to above 160 degrees in less than 10 minutes. Animals can develop or die from complications of heat stroke within this time frame or can sustain brain damage as a result of this exposure.

For these reasons, the Police Department is advising to never leave your animals in an unattended vehicle for any reason.

Town Justice - 4 year term

Gary Moore, Chairman

Dear Dog Owners of Nunda,

On August 9th, 2016, there will be a public hearing regarding a proposed change to our dog licensing law.

The proposed change would require all renewals to be due between July-September of every year. This new timeframe would follow the Livingston County Free Rabies Clinic for Nunda held in June.

The main purpose of this local law is to create more convenience for dog owners. It would help those who may have two or more dogs that are on different renewal due dates by putting them all on the same timeline. It would also eliminate the extra trip for some when it comes to having to update your dog's rabies information before or after your dog license renewal date.

This law would also provide the clerk's office with complete and timely information for reports due to the county and the state.

Your dog renewal letters would still be mailed out beforehand and payments would still be accepted through mail and in person.

The dog license local law is set to be reviewed on August 9th, 2016 at 7:00 PM at the Nunda Town Board Meeting at the Nunda Government Center, located at 4 Massachusetts Street. If passed, the new dog renewal law will take effect in 2017.

If you have concerns or questions about this new dog license renewal law, please don't hesitate to contact me at the Nunda Town Clerk's office in person or by phone or e-mail. As your town clerk, your opinion is of utmost importance to me.

Office Phone Number: **585.468.5177.**

Town Clerk e-mail: **Clerk@town.nunda.ny.us**

BRUSH UP YOUR SKILLS SERIES

Placement Test & Re-Test
Prep Courses in
Math, Writing and Reading

Reading Placement Test Review (4 afternoons, plus re-test)

For incoming or continuing GCC students who need to brush up on their reading skills. This 12-hour course is offered to students who have tested into REA 101, but are close to being able to meet the college reading requirement. This course will give students a chance to review and improve basic reading concepts to (1) improve their original reading placement score and (2) enhance effective and efficient reading skills needed for academic work at a college level. Test-taking strategies are covered. This course will offer students who are close to completing the college's reading requirement, a chance to improve their reading skills and then re-test to show competency at a college reading level.

**Are you struggling
balancing life with
caregiving for a loved one?**

This **six-week** educational program, which focuses on the **needs of the caregiver**, is for family and friends who are caring for older adults suffering with long-term conditions. The class provides you with the skills and confidence you need to better care for yourself while caring for others.

Caregivers develop a wealth of self-care tools to reduce personal stress, change negative self-talk, communicate their needs to family members and healthcare providers, communicate more effectively in challenging situations, recognize the messages in their emotions, deal with difficult feelings, and make tough caregiving decisions. Class participants also receive a copy of [The Caregiver Helpbook](#), developed specifically for the class. **Classes offered spring and fall.**
