Overloaded...
I've been gone from writing for a few weeks, and to tell the truth I have been on overload. So, I had to decide what was more important, stress myself out further or take a break. The break won out. Are you on overload? Then it's time to step back and let go of some of those things that are keeping you awake at night. Life has far greater value if we keep it all in perspective. Take some time for you, kick back read a book, go on a vacation, and definitely take a nap. I did. The other things will wait.

A Parent Meeting for Incoming Preschool Students Will be Held On Thursday, August 13th, 2015 at 6:00 pm in Middle School Commons

Please bring any paperwork you still need to turn in

Many changes are underway for the Davis County Preschool Program for the 2015-2016 school year. In an effort to provide the best possible preschool program for all 4-year olds in our community, a team of school personnel and community members have come together to best utilize resources and expertise while strengthening the partnership with the Davis County Daycare.

This year preschool will be held each Tuesday - Friday in accordance with the school calendar and includes seats for 92 students allowing DC Schools to serve each and every child turning 4 years old by September 15, 2015. As Davis County Schools continues their partnership with the Davis County Daycare they are interested in building relationships with other community members and providers as we work together to best serve our children. Please join us on August 13 at 6:00 pm in the Middle School Commons to learn more about the upcoming preschool year and many great changes to this program making us the best that we can be for our kids!

Please plan to attend!
