Marinated Grilled

Shrimp

Ingredients

3 cloves garlic, minced
1/3 cup olive oil
1/4 cup tomato sauce
2 tablespoons red wine vinegar
1/2 teaspoon salt
1/4 teaspoon cayenne pepper
2 pounds fresh shrimp, peeled and deveined
(Shrimp Cooked)

"A very simple and easy marinade that makes your shrimp so yummy you don't even need cocktail sauce!"

Directions

Prep 15m Cook 6m Ready In 55m 273 Cal

1. In a large bowl, stir together the garlic, olive oil, tomato sauce, and red wine vinegar. Season with basil, salt, and cayenne pepper. Add shrimp to the bowl, and stir until evenly coated. Cover, and refrigerate for 30 minutes to 1 hour, stirring once or twice.
2. Preheat grill for medium heat. Thread shrimp onto skewers, piercing once near the tail and once near the head. Discard marinade.
3. Lightly oil grill grate. Cook shrimp on preheated grill for 2 to 3 minutes per side, or until opaque.

Tip

Aluminum foil can be used to keep food moist, cook it evenly, and make clean-up easier.

Recipe By: Chef John

"Since the weather is warming up two things come to mind: what am I going to make with all those sweet berries and how can I avoid turning on my oven?"

This dessert is so fast and easy and looks cooked because we brulee sugar on top of the mascarpone."

Ingredients

1 pint whole strawberries, stems removed
1/2 pint fresh blackberries
1/3 cup white sugar
1/2 orange, juiced
1 (8 ounce) container mascarpone cheese
1 teaspoon lemon zest
1/2 teaspoon white sugar
3 drops vanilla extract, or to taste (optional)
2 shortcakes, halved horizontally
4 teaspoons white sugar, or as needed

MASCARPONE BRULEE with **Fresh Berries**

Prep 15m
Ready In 2h 15m

Directions

- 1. Mix strawberries, blackberries, 1/3 cup sugar, and orange juice together in a bowl. Cover the bowl with plastic wrap and refrigerate, 2 hours to overnight.**
- 2. Stir mascarpone cheese, lemon zest, 1/2 teaspoon sugar, and vanilla extract together in a bowl.**
- 3. Spread mascarpone mixture over the top of each shortcake half; sprinkle about 1 teaspoon sugar over the top to cover. Caramelize the sugar using a kitchen torch, 20 to 30 seconds per shortcake. Place each shortcake in a shallow bowl and surround with berries and accumulated juices.**

Message From James Vacca
NYC Councilman 13th District

CLEARING UP THE MISINFORMATION!

Recently, there has been a lot of misinformation regarding DOT's safety improvement project on a portion of E. Tremont Ave. First, I would like to mention that the proposal will only affect a small portion of E. Tremont Ave. between Waterbury Ave. and Bruckner Blvd. The modifications will NOT go east of Bruckner Blvd. The stretch between Waterbury Ave. and Bruckner Blvd. is one of the most dangerous in my district. Over 100 crashes have occurred since 2012. There have tragically been two deaths in the past few years. For the safety of my constituents, we must act to make the road safer for everyone.

The project will reconfigure E. Tremont Ave by reducing traffic from four lanes to three lanes, with one thru lane in each direction and add left turn bays at each intersection. Many people are concerned about double parking, bus stops, emergency vehicles access, and congestion. The plan addresses all of these factors. First, the left turn bays will actually improve traffic flow, as you are less likely to get stuck behind someone making a left turn. The new parking lane will be up to 14 feet wide as opposed to the current 8 feet. This will give plenty of room for busses to pull over at their existing stops, for people to drop someone off and for people to continue to illegally double-park, which they shouldn't be doing anyway. The plan involves a painted center median, there will be no concrete medians as part of this project. This will allow emergency vehicles to continue utilizing both sides of the road to get to an emergency. There have traffic studies analyzing the traffic flow on these blocks, and it simply will not divert traffic to the side streets. The side streets are mostly single lane or one way, with stop signs and speed bumps. Zig-zagging though them will not get you from Waterbury Ave. to Bruckner Blvd. faster than simply continuing on E. Tremont Ave. Many alternatives have been suggested, but are simply not feasible. Speed bumps are not installed on bus routes in NYC. Speed Cameras are limited in number by state law and can only be placed within a school speed zone. This plan is simply the most effective way to make E. Tremont Ave. safer for all of us.

SUMMER CONCERT IN PELHAM BAY PARK

Every year I partner with the Bronx Arts Ensemble to sponsor a summer concert series in parks throughout my district. The next performance of the concert series will be held on Friday, August 12th at 6:00 PM in Pelham Bay Park. The stage will be set up near the Middletown Road and Stadium Avenue entrance. The band will be performing a number of classic New Orleans Jazz hits. If you have any questions or need to verify the location due to rain please call the Bronx Arts Ensemble at 718-601-7399 or my office at 718-931-1721.
