Milford Open House Invite

Milford American Legion, Post #384, on 1709 Okoboji Avenue in Milford, will be hosting an Open House to introduce people to their latest venue for meetings, parties, receptions and more.

The updated Legion building will be open Tuesday, August 16, from 5:00 to 6:30, when they will be serving snack size fish and fries until they are gone. "Come and see what we have changed!"

IBBB Appearances This Week

Summer isn't winding down yet. There are still lots of opportunities for your dancing and listening pleasure. Ms. Mel is back from vacation so one of the Lakes area's top party and dance bands, the Itty Bitty Boji Band, has a full slate of events scheduled during the upcoming week.

On Tuesday, August 16, the Itty Bitty Boji Band returns for the third consecutive year to the Prairie Heritage Center just west of Peterson, for the annual Bison Burger Picnic and Lawn Concert. This fundraiser for the O'Brien County Conservation Board is open to the public and features a full meal for a nominal cost, followed by a lawn concert featuring the Itty Bitty Boji Band. The event runs from 5:00pm to 7:30pm.

On Thursday, August 18, the Itty Bitty Boji Band returns to the Lakes area's newest venue, the Rolling Oaks Barn, just off Highway 71 in Okoboji. From 7:30-9:30pm, they will be rocking the barn with all your favorite rock and roll songs. Come on out for a great time at a great new location.

Then, on Friday, August 19, you can get the weekend started when Bill and Ms. Mel return to The Inn of Okoboji. Come on out and see why they consistently pack the lounge at The Inn. They'll be playing from 6:00 to 8:00pm so you can enjoy the dining specials and start the weekend off with a great meal and a great time.

Then, on Saturday, August 20, you can cap your weekend off with a dance at the VFW in Spirit Lake. This will be the final dance for the VFW. Let's make it a great one. The Itty Bitty Boji Band will be playing from 7:00 to 10:00pm and there's only a \$5.00 cover charge for this great evening of dancing.

Bridal Shower

A community come and go bridal shower to honor Kayla Rohwer, bride-elect of Joey Reiser, will be held Saturday, August 20, 9:00-11:00am in Nazareth Hall at St. Joseph Catholic Church, Milford. The couple is registered at Mary's Gifts, Menard's, Kohl's and Bed, Bath and Beyond.

Kayla is the daughter of Jerry and Judy Rohwer, of Milford, and Joey is the son of Dean and Susan Reiser, also of Milford. The couple will be married Saturday, September 10, 2:00pm at St. Joseph Catholic Church, Milford. The shower is hosted by the couple's aunts.

Plein Aire Program at WildWood

All are welcome Sunday, August 21 at 2:00pm for a hands on art experience. Plein aire is a French expression meaning "in the open air", and refers to the art of painting outdoors with the artist's subject in full view. You will work with Karess Knudson in the field as you create your own plein aire painting.

All levels and mediums are welcome, this will be a casual and enjoyable approach. Participants are encouraged to bring their own supplies (in chosen medium) or work in watercolors which will be provided. If working with provided watercolors, please bring any brushes you have and paper towels. A sketchbook and pencils are also useful.

Participants should dress for the weather and sun with a good hat and a jacket if it is cool. Water will be available, but a personal water bottle is strongly recommended.

All ages are invited to participate in this free art program. WildWood is located at 11175 240th Avenue, Spirit Lake - just north of Marble Beach. Call Tom Maser at 712-540-8025 with any questions.

Iowa Land Records e-Filed

Iowa Land Records has reached a significant milestone - one million documents have now been electronically filed in Iowa. Iowa real estate professionals are able to electronically file deeds, mortgages, liens and many other legal documents with Iowa County Recorders. The system has proven to be faster and more efficient than traditional paper filing. Paper filing can take days or weeks, but electronic filing typically results in a recorded document the same business day.

Use of the Iowa Land Records service has grown steadily. In 2014 over 25% of all documents recorded were e-filed. Participation grew in 2015 when 32% of all documents were e-filed. E-filing continues to grow in 2016. Through July 31, 2016 E-Submission volume is up 5% compared with the same period in 2015.

"In 2015, 17.52% of all documents in Dickinson County were electronically recorded using the Iowa Land Records system and we've seen a steady increase throughout 2016 thus far" notes Dickinson County Recorder Ann Ditsworth.

The very first electronically filed document was recorded in Allamakee County on December 22, 2005.

"A decade ago we could not have imagined the recording of one million electronic documents. This is a big accomplishment for the Iowa real estate industry and Iowa County Recorders," said Allamakee County Recorder, Deb Winke.

Iowa Land Records is a collaborative project of all 99 Iowa counties, and is managed and governed by Iowa counties and the Iowa County Recorders Association through a statewide intergovernmental agreement. "With the test of time and increasing success, Iowa county government has demonstrated that we can be technology leaders and provide great service to our customers and citizens," said Sue Meyer, Clayton County Recorder, and Chair of the governing board for the Iowa Land Records system.

Iowa Land Records serves all segments of the real estate industry, such as financial institutions, title companies, real estate attorneys and other government agencies. In addition to the electronic filing service, Iowa Land Records provides online access to nearly 16 million public records for all Iowa counties. See <https://iowalandrecords.org>. "Iowa Land Records is a major resource for those who provide title research services and anyone in the real estate industry who needs easy access to public records. We are proud to serve Iowans in this important aspect of their lives - the acquisition of homes and property," said Kim Painter, Johnson County Recorder and President of the Iowa County Recorders Association. All records posted online are checked for personally identifiable information, and such information is redacted before records are posted online.

To learn more about E-Submission with Iowa Land Records register to attend an upcoming E-Submission seminar near you at <https://ilrseminarsseries.eventbrite.com>.

Located at Dickinson Co. Fairgrounds
15th Street & Peoria Avenue, Spirit Lake, Iowa 51360

The Salsa Taste-Off was a big success. Nine vendors made fresh salsa and around one hundred twenty people tasted it and voted for their favorite. Competition was fast and furious and everyone had a good time. The trophy winner will be announced at a later date. Be sure you join us in September for Souper Saturday, when you can taste various soups and vote for your favorite. Be watching this column for details.

Lakes Area Farmers Market will be open for about two more months, with October 15 as the last day. Sweet corn and tomatoes are still plentiful and fall vegetables will be arriving soon. There are always lots of extras besides produce, but some vendors will be ending their sales in a few weeks. Be sure you visit your favorite ones before they leave.

Arnolds Park Market is winding down its season, too and will end on September 15. Until then the selection of items remains good. We hope to see you soon.

Walter's Words of Wisdom: "It is when we forget ourselves that we do things that are most likely to be remembered."

We Are the Class of 1941

by Vergene Donovan

Most of us were born in 1923 or 1924, when Calvin Coolidge was president! Our country was prosperous, and safe. In 1929, we became the Great Depression "kids". We heard about President Roosevelt and things like the CCC's and the WPA. We went barefoot to save our shoes for school and Sundays in church, but we never went hungry, and we never knew we were poor.

We were taught to be honest and to work hard. Our parents and our teachers gave us a good moral and religious background, mostly by example. We had tremendous school spirit. We loved sports, the arts, learning and our teachers. We lived near a beautiful blue water lake, Okoboji, where we learned to swim. We learned to dance at a place by the lakeshore called the Roof Garden. We danced to orchestras like Glen Miller, Tommy Dorsey and Woody Herman.

We graduated from Spencer High School into the tumult of World War II. It was our class, our generation, who got pushed into that war effort for nearly five years. Nearly all of the "boys" from our class were in some branch of the Service or defense work. Many of the girls headed west to California to work in defense plants, some were followed by their entire families. Some girls joined the WACs or went into Civil Service. We are the generation who gave birth to the "Baby Boomers" 1946-1961.

We've had good times and bad, tragedies and successes. For 75 years, our class of '41 Spencer, Iowa, High School has gathered to relate our unique stories of life. 113 "friends" graduated from high school and remained friends through all the years. We have reached our 75th reunion! We will touch one another's lives again this year in our ever changing course of life. Classmates will come from Iowa, Minnesota, and Georgia, and even though there are only 17 left, we are the class of '41! Only those with health problems will not be with us, but we will have letters, photos, e-mails and phone calls! This year, children of the classmates have been invited and several will attend.

Saturday, August 20, 2016, we will meet at the Hy-Vee Party Room in Spencer, at 12:00pm.

Attending from Dickinson County will be Ted Carpenter, who owned the first Nutty Bar Stand in Arnolds Park; Verne Hansen, retired farmer; and Vergene Donovan from Spirit Lake.

Summer Care Program

Sacred Heart Catholic School in Spencer implemented a new Summer Care Program that started in May and will go through August 19. The summer care program was a result of a survey of parents and hard work from the program administrators, Mrs. Kristie Carlson (PreK Teacher) and Mrs. Amanda Woodall (Lead Teacher), as well as several other Sacred Heart teachers that developed and worked to provide care to over 30 children during the summer.

According to Mrs. Woodall, "The program has been going great! The kids are having a lot of fun and getting to do many exciting things." A typical week is filled with: crafts, games, snacks, and other activities centering on the theme. Examples of weekly themes we have had so far: beach, camping (there was even a camper for the week), nature, Dr. Seuss, and 4th of July. The Child Care kids went swimming at the Spencer Pool (1st-4th graders) and water days for the younger kids happen weekly. They attend the library twice a week for story time and activities, and go to the weekly free movie shown at the Spencer Theater in the mall. On top of all of that excitement, they have attended plays at Treasure Village in Okoboji, watched a Magic Show, saw a juggler, and got to visit with the Clay County Naturalist. One parent, Janelle McEntee shared, "We have been blessed with a great summer child care program at Sacred Heart! Avery and Alayna look forward to each day and the atmosphere and activities provided by a wonderful staff. We're thankful for the trips to the aquatic center, Treasure Village, the movie theater and the library...providing safety and great opportunities for learning during the days spent at child care."

Sacred Heart School also operates an After School Program during the school year on school days.

For additional information, please contact Sheriffa Jones, Director of Stewardship and Development at sjones@spencersacredheart.com, 712-580-6348 or Amanda Woodall, Lead Teacher at awoodall@spencersacredheart.com, 712-262-6428.

Olympics Must See TV
 In an election year when our country has been anything but unified, the 2016 Rio Summer Olympics have been a breath of fresh air where Americans have come together to cheer for OUR country. To steal the phrase from NBC, the 2016 Summer Games has definitely been some "Must See TV" action. While the talk leading up to the 2016 Summer Games was mostly negative for the host city Rio De Janeiro in Brazil, the games themselves have been absolutely thrilling to watch. One thing that I love about the Olympics is that I enjoy watching sports that I don't normally engage in on a day to day basis. Gymnastics, swimming, track and field and beach volleyball are not sports I would sit down and regularly watch, but I have found myself turning to them at night, even staying up well past my bedtime to catch the non-stop action.

As we go to press on Monday afternoon the United States has dominated the early Olympic action with 69 overall medals, including 26 golds, the next closest competitor is China with 38 medals and 15 golds. The heroes for the USA have been numerous and in many sports, with Michael Phelps redeeming himself from what he called a poor performance in the 2012 London Games, and continuing his dominance in the pool with 5 golds and 1 silver medal to add to his amazing record setting 28 overall medals, including 23 golds; fellow swimmer Katie Ledecky has also been remarkable with 4 golds and 1 silver. A pair of Simones have captured the hearts of the USA with swimmer Simone Manuel becoming the first female African-American to medal while piling up 4 overall medals and gymnast Simone Biles being dominant in gymnastics with 3 gold medals with a great chance at 2 more. While he's not an American, it is always entertaining to watch sprinter Usain Bolt perform, and he didn't disappoint on Sunday, winning his third straight gold medal in the 100M dash with 34-year old American Justin Gatlin winning the silver. The team performances for the USA, especially on the women's side of things has also been impressive with the "Final Five" in gymnastics dominating the team gymnastics event for a gold, and the USA women's basketball team rolling through the qualifying rounds with an average margin of victory of 42 points. While the men's basketball team is also undefeated, they have had some very close calls and will have to figure out that team basketball will be what gets them the gold medal rather than one on one play. While there have been some disappointments for Team USA (women's soccer), that is what makes competition so great, you never know for sure who is going to win and sometimes the pressure of the biggest stage of the world gets to even the highest profile athletes.

Bee & Butterfly Festival

There was standing room only in the Dickinson County Nature Center lower level last year when Marlene Boernsen began to speak.

The local beekeeper had the public enthralled as she showed just how honey is extracted from the honeycomb in her hives.

Boernsen will return to repeat her fascinating demonstration at 6:00pm Friday, September 2, during the annual Bee & Butterfly Festival Friday, September 2, at the nature center in Okoboji.

"People often see the white hive boxes in fields throughout the area, and we see honey for sale in stores, but we miss the process in between," said Kiley Roth, community relations coordinator for the Dickinson County Conservation Board. "Adults and children alike were so excited to see exactly how honey makes its way from the hive into the bottles we're familiar with, so we wanted to bring this demonstration back to the Bee & Butterfly Festival this year for people who didn't get to see it in 2015."

The Bee & Butterfly Festival will begin at 4:00pm Friday, September 2. Stop in the outdoor tent for bee and butterfly crafts as well as vendors 4:00 - 7:00pm. Monarch tagging will take place inside the nature center at the same time. Pollinator Paradise will be open for people to tour, and there will be a variety of lawn games to enjoy as well.

Children will get to visit with Sweetie the Bee, who will hand out lollipops and will pose for pictures. Fun door prizes will be given out throughout the event.

The Iowa State University Insect Zoo will hold a large group program at 5:00pm in the outdoor amphitheater. Educators will talk about their live critters and will walk through the crowd to allow everyone a great view.

The Farm to Fork food truck will be on site during the festival so families can take a dinner break during the festivities.

The evening will culminate with a magic show by master magician Nathan Nassif at 7:15pm in the outdoor amphitheater. Bring a blanket to sit on and prepare to be amazed.

"The festival is going to be an exciting event that you won't want to miss," said naturalist Mary Petersen. "We are so excited about the fun things planned for this year, and we are certain that all ages will have a great time at the event. On top of being an enjoyable outing for all, the festival is a great way to learn more about the importance of pollinators and the struggles bees and butterflies are facing."

For more information on the Bee & Butterfly Festival, visit www.dickinsoncountynaturecenter.com or call 712-336-6352. You can also keep up with the latest happenings on Facebook, Instagram and Twitter.

Old Favorites, New Blue Ribbon Fun Acts Join Free Entertainment

New and exciting acts will bring Blue Ribbon Fun to literally every corner of the fairgrounds during the 2016 Clay County Fair, September 10-18.

"Our goal each year is to bring experiences to our fairgoers that they can't experience every day in the upper Midwest," said Fair Manager Jeremy Parsons. "Our free entertainment lineup definitely will deliver that opportunity this year."

Sea Lion Splash, presented by EuroCast, will bring an ocean of Blue Ribbon Fun to the 2016 Clay County Fair. Featuring both California and South America sea lions, the amphibious animals will showcase talents and skills, even teaching audience members how to recycle. Sea Lion Splash will be a fun show sure to entertain kids of all ages. The show will be located north of Gate A daily at noon, 3:00pm, and 6:00pm.

The Ag Partners Discovery Stage once again brings the Awesome Ag Magic Show back to the Fair. Fairgoers can laugh while they learn. Audience members might even find themselves participating in all the family-friendly fun, teaching the importance of agriculture. Also on the Ag Partners Discovery Stage will be the World of Robots, showcasing what technology can do with science, math, language and art daily at 9:00am, 11:00am, and 1:00pm. Don't miss the Awesome Ag Magic Show happening daily at 10:00am, noon, 2:00pm, and also at 4:00pm on weekends.

A new act to the Clay County Fair, Matt's Family Jam, will bring all styles of music to fairgoers on the family Beat Bus as they roll on their movable stage. Fairgoer favorites, Rock-it the Robot and Hillbilly Bob with Old Ruthie, return for a stroll around the fairgrounds. The nine-foot-tall robot will bring lights and sound effects with his music and special dance abilities. Hillbilly Bob has his trusty 1929 Model A Ford, Old Ruthie, loaded with antique fishing and camping equipment fit for a master outdoorsman.

These acts, plus many more, make up the \$150,000 worth of free entertainment that can be found at the 2016 Clay County Fair. For a complete listing, please visit www.claycountyfair.com.

Mara Groom, D.O., Joining Avera Medical Group

Mara Groom, D.O., a family practice physician joining Avera Medical Group Spirit Lake Medical Center, will begin seeing patients on September 1, 2016.

Dr. Groom recently moved to the lakes region after completing her family medicine residency in Sioux City. Prior to that, she received her undergraduate degree in Biochemistry in 2009 from Wartburg College in Waverly, Iowa and her medical degree from Des Moines University in 2013. She is a member of the American Academy of Family Physicians, the Iowa Academy of Family Physicians, the American Osteopathic Association, the Iowa Osteopathic Medical Association, and the American Medical Association.

Dr. Groom joins Zachary Borus, M.P.H., M.D.; Jeff Goerss, M.D.; Brett Olson, M.D.; Marsha Haar, A.R.N.P.; and Jessica Kelley, N.P.-C. at Avera Medical Group – Spirit Lake Medical Center. Dr. Groom will provide family medical care to patients of all ages, with an emphasis on prenatal and full-spectrum obstetrical care, pediatrics, and women's health.

Dr. Groom wanted to become a physician since childhood. She said, "I grew up in a military family and moved every three years. While I still love to travel, becoming a family physician in a small community makes me excited to put down roots in the community. I graduated from high school in Ramstein, Germany before moving to Iowa to go to college. I fell in love with the state and the people, as well as small town life." She chose family medicine as her specialty because she enjoys developing relationships with her patients and families and providing the whole spectrum of care.

In her free time, Dr. Groom enjoys biking, home brewing, gardening, and Hawkeye football.

Those who would like more information or who would like to schedule an appointment with Dr. Groom can call Avera Medical Group – Spirit Lake Medical Center at 712-336-2410.

Badlands House Band Live In Okoboji

Rock N Roll Cowboys Headline Boji Bike Rally Saturday, August 20.

The sound of Guns, Gold & Rock 'N Roll is spreading like wildfire as the Badlands House Band, the musical voice of Badlands Pawn, continues to add significant notches to their barrel.

In just over six months, BHB has performed to large crowds in seven states, backed up an impressive (and ever-growing) list of legendary rockers, and released their debut single and music video worldwide. The rockers will perform live in concert at the Saturday, August 20, 2016, Boji Bike Rally, 7:30pm. The concert will take place at Preservation Plaza Arnolds Park, 37 Lake Street.

"It has been one hell of a ride," confesses lead singer Ron Keel, aka The Metal Cowboy. "We certainly have a lot to celebrate and be thankful for. The response we've gotten has been beyond positive, and we're still just getting started."

BHS is comprised of world class musicians: DC Cothorn (guitars/vocals), Doc Purcell (guitar/vocals), The Rev (drums/vocals), El Diablo (bass/vocals), Dakota Scott (keyboards), and Keel (lead vocals/guitar).

The foundation is built upon classic songs that echo the American values and hard work ethic the members live by; a high point of the show is always "The American Medley" which weaves together sections of "American Pie," "Born In The USA," "American Girl," and "Free Bird." The musical style stretches from hard & heavy (AC/DC mashed up with Keel's 1985 hit "The Right To Rock") to beefed-up versions of country classics like "Folsom Prison Blues" (which brings The Rev out front for lead vocals) and "Mamas, Don't Let Your Babies Grow up To Be Cowboys."

THE LAKES NEWS SHOPPER Auctions

BIG SMILES! – Davis Cooper, of Ankeny, with a 2.54 Largemouth Bass caught in West Okoboji Lake on July 13, 2016. It measured 16.5 inches long.

Tales of Tails

If you missed the Humane Society of Northwest Iowa's fundraiser, you missed a good time and an opportunity to enjoy the newest event venue in the area. The dining space was upstairs with brand new tables, seven of which were only made that morning by the Rolling Oaks staff. The twenty long tables were all decorated with flowers and country "ditch" grasses in keeping with the Hoedown theme. The glittering huge chandelier was definitely the focal point of the hayloft.

Those who probably enjoyed the night the most were the cats and dogs that attended. Shelter employees made the extra effort to bring some of the kittens and dogs to the party. The kittens in their enclosure not only loved the attention but the chance to see the "real" world and be on "real" grass was a new experience for them. The largest dog who attended was a freckled rust and cream Australian hound named Sammy. He was on a leash and made the rounds to greet everyone. Four small dogs also had a good night watching people and getting out of their enclosure in turns on leashes. Ghost, one of the small dogs, even got off his leash and escaped to join those making S'mores around the fire pit. He didn't want to run away, but just wanted to return to his new "friends" by the fire.

For those of you who read the questions in this column last week or who attended the fundraiser and read the questions on each table, here are the answers:

1. How much support does the local shelter receive from federal and state taxes? *None . . . That's why the fundraiser is so important to pay for shelter expenses!*
2. How much does it cost the shelter to have a dog neutered? *On average about \$95, and right now the shelter has almost thirty dogs!*
3. How many cats are in the shelter now? *Would you believe 80? The spring kitten "crop" means more every day; the shelter is really at capacity right now.*
4. What does TNR mean? *Trap-Neuter-Release which is the shelter program that is attempting to control the number of stray and feral animals in our area.*
5. In two years how many kittens can a pair of "un-neutered" cats produce in their extended family? *In just two years, about 67, but by eight years that family line would number 2,072,514. This is obviously why shelter animals are spayed/neutered and why the TNR program is so important.*
6. How many days will a \$65 fundraiser ticket pay to feed 50 cats or to feed 20 dogs? *The cats will be able to eat for about two or three days since some cats need special diets; the dogs are primarily large dogs and the food will last about four or five days.*
7. How many forever homes did the local shelter find for homeless animals last year? *There were nearly 250 successful adoptions last year, and presently this year's number so far is about 150.*

The animals, the staff, and the volunteers of HSNWIA were incredibly grateful to have so many attendees and donors for the fundraiser. The staff at Rolling Oaks made every effort to make their brand new facility a welcoming place for all – animals and people! Some changes will be made for another year; for example, with the outside area for the animals, children should come so prices will be set to make that economically possible. Next year do come and support the animals who are helpless without your support . . . And do bring your children and grandchildren for a fun evening!

Remember . . . "In a perfect world every animal would have a home, and every home would have a pet."

Call the Humane Society of Northwest Iowa at 712-338-2738 or come see the animals at 607 28th Street, just north of Milford -- open Thursday through Sunday, noon to 6:00pm.

Blood Donation Opportunities

The American Red Cross urges blood donors to give in the final weeks of summer to help overcome a critical blood shortage.

The summer months are among the most challenging times of year to collect enough blood and platelet donations to meet patient needs. Many regular donors delay giving while they take vacations and participate in summer activities. The need for blood doesn't take a summer break though.

Two summers ago, Kelly Griswold was involved in a life-threatening jet-ski accident while vacationing. She was airlifted to a hospital and underwent three surgeries over the course of two days. Griswold, a blood donor prior to the accident, suddenly knew what it was like to be on the receiving end of blood donations. "Without the support of people that can give blood, the ones who have needed it would not be here today – myself included."

Donors of all blood types are urgently needed to give now to help ensure blood is available for patients in need. Those who donated blood earlier this summer may be eligible to donate again. Blood can be safely donated every 56 days, and double red cells can be donated every 112 days. In appreciation for helping to save lives, those who come to donate blood or platelets with the Red Cross now through Aug. 31 will receive a \$5 Amazon.com gift card claim code.

Schedule an appointment to give blood by downloading the free Red Cross Blood Donor App, visiting redcrossblood.org or calling 1-800-RED CROSS (1-800-733-2767). To help reduce wait times, donors are encouraged to make appointments and complete the RapidPass online health history questionnaire at redcrossblood.org/rapidpass.

- Upcoming blood donation opportunity:
- Estherville, August 16: 1:00pm - 6:00pm, Crossroads Church, 2015 S. Third Avenue
 - Milford, August 17: 1:00pm - 6:00pm, Community Center, 9th and Okoboji
 - Spirit Lake, August 18: 1:00pm - 6:00pm, Grace Lutheran Church, 801 Hill Avenue

How to donate blood: Simply download the American Red Cross Blood Donor App, visit redcrossblood.org or call 1-800-RED CROSS (1-800-733-2767) to make an appointment or for more information.

Schmidt Family Breaks a Record

The Schmidt Family of West Bend, Iowa, gathered for a massive family reunion at the Clay County Fairgrounds and Events Center in Spencer on Saturday and Sunday (July 30th and 31st). Their event reunited hundreds of cousins who all descend from a shepherd named Hans Schmidt who lived in proximity to the towns of Nentershausen and Machtlos, Germany, in the late 1500s and early 1600s.

"Our event boasted a headcount of over 1,000, with 678 of those attendees having direct descent, by blood or marriage, from Hans Schmidt, the family patriarch," said Josiah Schmidt, a professional family history researcher, and the lead organizer for the reunion. "This weekend, the Schmidts officially surpassed the 1980 Osterhaus Reunion at Dyersville, which had a total headcount of 900, as the largest family reunion in the history of the state of Iowa."

Attendees at the Schmidt Family Reunion came from 31 states and 3 countries. They enjoyed authentic German food and drink, live German music, German language classes, German bingo, a marketplace of 30 crafters and vendors, a classic car show, carnival games, a German language church service, family history presentations, and a 21 foot written family tree that dominated one of the walls of the Events Center.

Josiah Schmidt says that this success only represents the beginning for his family: "We are already planning an even bigger reunion for just a few years from now. The record for largest family reunion in America is 2,500, and the record for largest family reunion in the world is about 4,500. We'll aim to break one or both records the next time we reunite."

The Schmidt Reunion was financially sponsored by the Clay County Convention & Visitors Bureau, Great Harvest Bread Company, Harris Financial Services, J&L Trucking, Kansas City Creations, Morton Buildings, Schmidt Roofing, and TDJ Construction.

Coin, Postcard, And Paper Money Show Slated

Final details are in place for the 37th Annual Iowa Great Lakes Coin, Stamp, Paper Money, and Postcard Show. This year's show will be held at the Community Building in Spirit Lake, and promises to be a great event, featuring 25 dealers from the Midwest who will have extremely interesting and rare items for sale or trade. Many will also be interested in purchasing material from the public. The two day extravaganza opens at 9:00am on Saturday, August 20, and runs until 5:00pm, with Sunday's, August 21 bourse scheduled to be open from 9:00 - 3:00.

It's Doo Wop tonight with The Alley Cats

Whether or not you're a Doo Wop music fan, you will enjoy the music of *The Alley Cats*, tonight (Tuesday), at the Pearson Lakes Art Center. *The Alley Cats* perform a blend of '50s and '60s hits with a sense of humor. After all, Doo Wop was (and still is) a fun sound.

The show begins at 7:30. And since there's no big band tonight, what else do you have planned?

Here's an alternate suggestion... If you can get out of town a bit earlier and make the trek to the O'Brien County Heritage Center, you'll find the *Itty Bitty Boji Band* performing at the annual Bison Burger Picnic and Lawn Concert — the show that got rained out and postponed last year.

The Center is located at 4931 Yellow Avenue, which is less than a mile west of Peterson, then another half mile north. Both the burgers and the *IBBB* will be good!

The fun begins about 5 p.m., and continues 'til about 7:30, on what Professor A. Good Outlook is forecasting to be a cool night with less than a 20 percent chance of precip. Bring a lawn chair and enjoy!

Rain or shine, the *IBBB* will also be performing in The Lounge at The Inn at Okoboji, Friday night, from 6 - 8:00...

And as Count Basie was often heard to say, "One more once..." we have one more suggestion for Tuesday night. Glenn Henriksen's Tuesday night house concert is to include a trumpet trio featuring Jack Ryan, Ron Arndt, and Rod Shedenhelm. With the exception of Clay County Fair week, when Glenn will be on stage from September 11 - 16, his Tuesday night events will continue through mid-October. The Wednesday night solo shows will conclude August 31...

This Wednesday night will see Jessie James and The Outlaws playing for listening and dancing at Table 316 in Arnolds Park, from 7 - 9:00...

The Little Swan Lake Winery will have Kris Karr returning to the stage in the barn from 6 - 8:00, Thursday night. Then Dave Rowley and Ryan Sather will be back on the same stage on Sunday, from 4 - 6:00...

Big Bad Authority will be the 6:00 opening act for the *Badlands House Band*, Saturday night, in the Greenspace at Arnolds Park's Preservation Plaza. *Badlands...* will take the stage at 7:30...

Depending on your point of view, the *Dick Bauman Big Band* returns to the Pearson Lakes Art Center's Pomerantz Hall, Monday night at 7:00, to either end or begin the entertainment week. There will be just two more performances by the band this season, including Labor Day...

And on a personal note, the remarkable 91-year-old singer Millie Kittleson broke her hip at a wedding over the weekend, and had surgery Sunday in Mankato. She's expected to be home in Sherburn with family this week...

Research director RD tells us that Thursday's full moon is known as the "Sturgeon Moon," so named by some Native American tribes because they knew that the sturgeon of the Great Lakes and Lake Champlain were most readily caught during its appearance.

Another alternate name is the "Full Green Corn Moon." We'll let you figure that one out!

It's tough to put a song with a sturgeon anything. Somehow *Sturgeon Moon* and *Empty Arms* just doesn't cut it.

But *Full Moon and Empty Arms* is a popular song written in 1945, by Buddy Kaye and Ted Mossman. Based on Sergei Rachmaninoff's *Piano Concerto No. 2*, the song was a hit for a very young Frank Sinatra, with an instrumental reprise by the *Erroll Garner Trio* a year later — and many other musicians and singers in the last 70-some years...

Thursday is also the 144th anniversary of the first mail order catalog being published by Montgomery Ward — which RD notes was started in her home town, Redwood Falls, Minnesota.

Friday, she reminds us, is "Photography Day," perhaps a day to plan — with thousands of others — your participation in the Clay County Fair's photo competitions...

Details are available at the Fair's website, claycountyfair.com

We celebrate William James Basie's 112th natal day on Sunday. It was not until RD's research that we knew the 'Count's' middle name was "James." One of Basie's biggest hits was the mid-1950's recording of *April in Paris*, of which "One more time," was an integral part...

Spirit Lake Library News

TRACES Center for History and Culture is pleased to bring its newest BUS-eum exhibit, "At Home in the Heartland: Forgotten Stories of How Iowans Got to Be 'Us'", to the Spirit Lake Public Library on Friday, September 2, 2016 from 2:00-5:00.

The BUS-eum exhibit *At Home in the Heartland: Forgotten Stories of How Iowans Got to Be "Us"* examines how the Midwest developed in ways different from other regions, how Iowa's settlement distinguished it from its neighbors, and what both blesses and burdens us today. While the exhibit supports visitor discovery and interpretation of Iowa history and culture, rather than trying to provide stock or "right" answers, it seeks to stimulate effective reflection on essential questions.

Visiting all counties in Iowa during three regional tours between September 2015 and the November 2016 election, it tells little or unknown and forgotten stories of who we have been in the past, how we got to be who we are now, and who we might yet become.

The exhibit's period-piece artifacts and relics displayed in four vitrines support the panel narratives and images. In the auditorium in the BUS' back, three looped video documentaries feature little-known Iowa stories tell stories that distinguish the Midwest from other U.S. regions.

The exhibit and related programming respond to questions like:

- Who bestowed the name "Iowa" to the region between two great rivers — and why?
- What is the legacy of the ethnic groups who then settled the Hawkeye State?
- Why did Iowa (15 years after statehood!) send the most soldiers to the Civil War, per capita?
- Why did minorities usually fare better in Iowa than in some neighboring states? Why did the Underground Railroad operate in a state that had no slaves? What motivated that effort?
- Why did the Ku Klux Klan flourish here in the 1920s, despite generally tolerant conditions?
- How did "Penny Auctions" help save thousands of farmers during the Great Depression?
- How did Iowa Quaker farmers and college kids bring 185 refugees from Nazi-occupied Europe to the American Heartland, and how did they offer them a new life in the US? Why does it matter?
- What motivated Iowans to treat the 20,000 German POWs here in WWII so well during WWII?

During the BUS-eum exhibit, TRACES staff will provide a program at 3:00 focusing on doing family genealogy work. This program will be held in the library's community room. Find more information (including teaching materials) at <http://roots.traces.org/at-home-in-the-heartland>. The BUS-eum tour and genealogy program are free of charge, provided by the Friends of the Spirit Lake Public Library. For more information, visit the library or check out our website at slpublib.weebly.com.

It's Threshing Bee Time in Butterfield!

Saturday and Sunday, August 20-21

The Butterfield Threshermen will hold their 50th annual Steam and Gas Engine Show Saturday and Sunday, August 20-21 at Voss Park on the west edge of Butterfield, Minnesota, just off Minnesota Highway 60 in southwest Minnesota. In the past this two-day event featuring antique tractors, engines, cars and machinery as well as pioneer town and crafts has drawn upwards of 25,000 people.

Admission is \$10 for adults (good for both days) with children under 13 free. Parking is free, and the shaded Voss Park campground along Butterfield Lake is available for camping.

Several steam engines and antique tractors will thresh about 10 acres of wheat and oats during the show. Over 250 antique tractors from Rumleys to Hart Pairs will be on display and parade each afternoon at 2:15 p.m. along with classic cars and trucks.

This year's special attraction at the antique auto exhibit is commercial vehicles from 1974 and earlier. Visitors will enjoy seeing the vintage delivery trucks, vans and more.

The show's many attractions include wood cutting by a saw mill, lathe mill, shingle mill and much more. The Voss Park grove will be loaded with antique gas engines big and small, not to mention scale models. The steam building houses a permanent display of stationary steam engines. There will be a stock antique tractor pull held on Friday evening at 5:30.

The pioneer town replicates early Butterfield with a school, general store, church, homestead, grist mill, print shop, saddle shop, livery and more. Each has working displays showing how early Butterfield thrived. Pioneer crafts like spinning, weaving, doll making and broom making are on-going, and the many antique collections will delight all.

Back for its second year is the Swap Meet being held on Saturday, August 20. People with cars, tractors or parts are encouraged to participate. The gates will open at 6:30 a.m. for anyone interested in taking part in this event either as a seller or buyer. Interested parties may contact Tom Anderson at 507-381-2834 for more information.

Continuous entertainment on stage from Friday night through Sunday will feature outstanding bluegrass bands. The audience can watch in shaded comfort with a variety of foods available on the grounds. Sunday morning the 9:00 a.m. open air church service will feature some of the bluegrass groups.

Help DAR Honor Members

Family and friends are invited to join with Ladies of the Lake Chapter of the Daughters of the American Revolution in honoring local DAR members.

At the scheduled chapter meetings in August and September, four will be honored for their years of service and contributions.

They are Carolyn Storm of Archer, and Paula Zenor, of Arnolds Park, who will be recognized for 30 years of service. Mrs. Storm will be honored during the chapter's visit to the Prairie Arts Council Heritage Park in Sheldon on August 23. Mrs. Zenor is being honored at a meeting at the Landings on Tuesday, August 9 along with Mari Stewart of Arnolds Park, who will be recognized for her 10 years of contributions to the Chapter including art work. At the Genealogy Workshop on Tuesday, September 13, 10:00am at the Spirit Lake Library, Diane Lavender, pictured, of Estherville will be honored for 20 years of service.

Mrs. Lavender, who currently serves as Adviser to the new chapter of the Children of the American Revolution, will be introduced as the new Registrar for the Ladies of the Lake. She succeeds Bobbie Lea Holden, Okoboji. Mrs. Holden is credited with the research which recently increased the local chapter to 72 members and 11 Associates. The Ladies of the Lake DAR serves all of northwest Iowa and includes those who come to the lakes area from various parts of the country for summer visits.

Also introduced at upcoming meetings will be three new members: Margaret McCombs, Cedar Falls, Natalie Kelly (Mrs. Mikal) Brown, Granada, MN; and Linda (Mrs. John) Higgins, Okoboji.

Newly elected Secretary Tanna Lair of Estherville will also be introduced at upcoming events. She succeeds Ruth Ann Donslear of Milford who has contributed to the chapter in a variety of ways since 2006.

Regent Mary Thunhorst, Spirit Lake, has issued a call to all family and friends of DAR members to join them in reading the Constitution aloud at Spirit Lake Library from 10:00am to 1:00pm on Saturday, September 17. In participating, they will be sharing in the national observance of Constitution Week September 17-23. For information on this and other DAR activities, contact Regent Thunhorst, travelinmary15005@q.com, 712-336-0240.

Hi Everyone! Wow, I cannot believe summer is almost over. Where did it go? I've got to tell you about the awesome time I had the other weekend. God blessed me with the opportunity to spend time with my little grandson. Even though I was busy with the house, something deep down inside of me told me to make time for him. During that time, I was reminded how precious family time is. I was so blessed and refreshed during my family time. Being an ex-alcoholic, I can remember pushing my family away during my addiction. But, by the grace of God, they never did that to me. I know I could not have made it through without God and my family. I believe God and family should be our cornerstone of sobriety. Also, I remember our residential house manager saying that family is very important to sobriety. There might be times when families show tough love to the person facing addiction, but in the end, family comes back around and our residential house manager is living proof of that. Not only does he have God in his life but also his family after 34 years of addiction. He reminds the residents how important family is to the healing process of life. So not only is God very important, but also family. I am so thankful and blessed that Discovery House puts God and family first. Have you hugged a family member today and have you told them you love them? Thanks for all you do for the Discovery House. Thanks everyone for being a blessing to the Discovery House. Be Blessed.

ILCC Convocation Schedule

They will also demonstrate how to play wheelchair basketball and will invite people from the crowd to give it a try.

Andy Hall will perform in the Emmetsburg Campus gymnasium on Tuesday, October 25, at 10:00am and in the Estherville Campus gymnasium on Thursday, October 27, at 9:00am. Andy will present the history of bass playing through the ages during his presentation entitled "All About the Bass". Andy will be accompanied by Tony Gulizia, keyboards and vocals, and Joey Gulizia, percussion.

Dr. Damani Phillips and guests will be here on Wednesday, February 8. They will be performing in the Estherville Campus gymnasium at 10:00am and in the Emmetsburg Campus gymnasium at 1:00pm. Dr. Phillips and guests will help us honor Black History Month by presenting "Jazz in the Fight for Civil Rights". They will discuss specific examples of how jazz music was used to highlight and speak out against social and cultural injustices during the '40s, '50s, and '60s. There will be musical examples to demonstrate the music discussed.

We are very excited about the performers coming to Iowa Lakes to share their experiences and talents.

Canning Is Making A Comeback

Want to learn the fine art of canning, freezing and drying fruits and vegetables? Iowa State University (ISU) Extension and Outreach in Dickinson County is offering a program that will benefit both beginning and experienced preservers. Food Preservation 101 will be held Wednesday, August 24 from 6:00 – 8:00 p.m. at the Dickinson County Community Building, 1602 15th Street, Spirit Lake.

"Canning, drying and preserving food is an old art that is making a comeback," said Renee Sweers, ISU Extension nutrition and wellness program specialist and program presenter. "It's all part of the trend to know where your food comes from, what is in it, and to eat fresh, local foods."

The class will include food safety information, guidelines for canning, freezing and drying, an overview of equipment and utensils for canning and freezing and up to date resources and recipes for safe and tasty food preservation. Participants will also learn about Preserve the Taste of Summer the food preservation course available from ISU Extension.

First time preservers are encouraged to attend this class as well as anyone who would like to update their canning, freezing, and dehydrating skills.

"Canning the way grandma did it may not be safe," said Sweers. "Everyone needs to be using up-to-date canning and food preservation processes and recipes."

Pre-registration for the Food Preservation 101 workshop is requested and cost is \$10. Participants should register for the class by calling ISU Extension-Dickinson County at 712-336-3488 or find the registration form online at www.extension.iastate.edu/dickinson.

To The Editor:

Renewable Fuel Standard is Vital to Iowa's Growth

In a highly charged election season, it's difficult to find many issues that both Republicans and Democrats agree on. However, one thing that we can all agree with is that the Renewable Fuel Standard is critical to Iowa's economy and long-term growth.

According to a recent report, the RFS supports more than 43,000 jobs throughout Iowa and generates \$2.3 billion worth of income for Iowa households. The RFS also accounts for more than \$4.6 billion of Iowa GDP, which is about 3.5% of the state's economy. With agriculture being the heart of rural Iowa, ethanol production and the RFS has grown our communities and strengthened families.

Not only does the RFS contribute a great deal to Iowa's economy and rural communities, it also helps to reduce America's dependence on foreign oil. Ethanol has shown through the RFS, that it's a viable source to cut down on the amount of oil that we use in fuel and other products.

We're lucky to have an ethanol plant, right here in both Ashton and Superior, that employs many of our friends and neighbors and pays them a good wage. It is a vital part of our local economy.

That's why I was so disturbed to hear that Hillary Clinton, the Democratic nominee for President, is seeking alternatives to replace the RFS. Reports have shown that Clinton is considering replacing the RFS with a low carbon fuel standard, effectively killing Iowa's ability to export ethanol.

A strong RFS leads to a strong economy, good-paying jobs, and more tax revenue for things like education and public safety.

I'm proud to support the RFS and I encourage our leaders and candidates at the federal level to continue to protect this crucial piece of Iowa's economy. Iowa families and businesses are counting on a strong RFS.

LETTERS TO THE EDITOR

To The Editor:

On April 1, Governor Branstad oversaw the implementation of Iowa's Medicaid Modernization plan. The new system relies on managed care organizations to mitigate the risk of loss associated with fraud and abuse, and provide greater oversight and transparency. Approximately 560 thousand poor or disabled Iowans will benefit from the new structure in the form of greater access to benefits and medical professionals.

The Governor's plan is far more outcome focused than the old Medicaid system, and places far greater importance on preventative measures. For example, patients will now have access to pregnancy and pre-natal care programs, a 24 hour nurse hotline, weight management protocols, and tobacco cessation plans. According to Lt. Governor Reynolds, this type of preventative care will produce positive outcomes in the form of reduced emergency room visits, hospitalizations, and surgeries.

As we head into a particularly heated presidential election season, the healthcare debate will continue to inspire partisanship. I give Governor Branstad a lot of credit for doing what is best for Iowans, despite criticism from those more comfortable with the status quo.

Women's Faith Event Coming to Sioux Center

Three well-known area women will bring their humor, inspiration and heart to Sioux Center this fall to bring a message of hope, healing and understanding to women interested in cultivating their spiritual lives.

"Overcomer" is a new event and will take place on Saturday, September 24 from 9:00am to noon, at the Dordt College Auditorium. The morning-long format will accommodate busy fall schedules, giving women a strong dose of reality-based spirituality in a short time, leaving the rest of the day free.

Leading keynote speaker will be Pat McGill, founder and president of McGill Speaking and Training Resources. A former middle school teacher and adjunct professor of human relations, she holds a master's degree in education from St. Mary's University in Minnesota. She's convinced, however, that her talents are rooted in her Midwestern upbringing, Irish heritage and an early adventure in pageantry.

"Before being named Miss Congeniality in the Miss South Dakota Pageant, I tripped upon entering the judging room, then fell down," she said. "...but I got up and asked if they wanted to see more. They did, and I've been tripping up ever since—learning lessons and passing them on."

Next up will be Joleen Frideres, owner and manager of Courageous Life Coaching in Emmetsburg, Algona and Clear Lake. A therapist and life coach from Wesley, Iowa, she has been helping people live happier lives for 30 years. Living her passion and life purpose, she counsels individuals, couples and families all over the nation via Skype.

She is an inspirational writer and speaker, university instructor and life-long learner who will inspire attendees to "live life more fully...by overcoming fear."

Closing keynote speaker will be Karen Schwaller, owner of Schwaller Agri-Stories. Schwaller is a farm wife and mother, author and speaker who takes her farm story on the road, sharing stories of humor and womanhood, tragedy and triumph.

"I think people need to be uplifted—to have hope—and hope is best served through humor and real-life stories that show other people they are not alone when life places them in tough situations or uncertain circumstances. A farm is a great teacher of life," said Schwaller.

"Overcomer" is open to women of all ages. Cost for this event is \$20 per person, and light refreshments will be served. To pre-register for this fun and faith-filled women's event, please email any of the speakers with the number attending from your group. Those emails are as follows: patmcgill5@gmail.com, kschwaller@vertelk.net or liveyourbestlifewomen@q.com.

Spirit Lake Knights of Columbus Hosts Breakfast in the Park

Motorcycles will rumble through town August 20 for the Bike Rally and serving breakfast in the green space near Arnolds Park Amusement Park will be the Iowa Great Lakes Knights of Columbus Spirit Lake Council 5043.

Riders and non-riders are welcome to enjoy pancakes, scrambled eggs, ham, sausage and beverages from 7 a.m. until 11 a.m. Saturday, August 20, all for just \$8.00.

The pillar of the Fourth Degree Knights is Patriotism, and the weekend's proceeds are dedicated to the Military's Honor Flight program, providing funds to help veterans travel overseas to visit places where they heroically served our country. Several thousand dollars were provided in years past and nearly 500 were served last year.

All are welcome to support this great annual cause, honor our heroes, enjoy a delicious breakfast, and take in the stunning view of West Lake Okoboji.

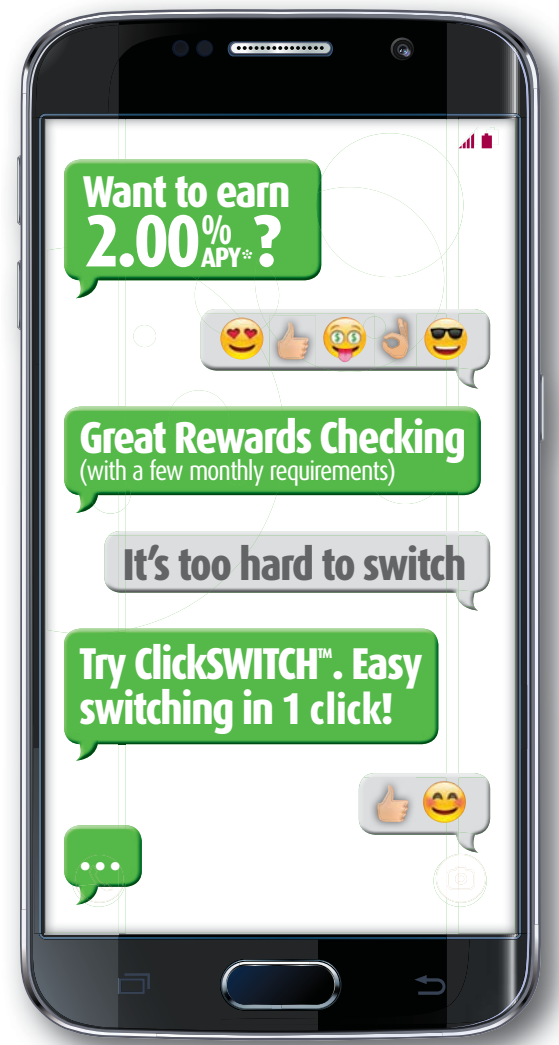

Tickets are available from members of the Knights of Columbus Iowa Great Lakes Council 5043, or call 712-336-0728.

Iowa Great Lakes Council 5043 is one of the most active in Iowa, in the past year contributing more than \$18,000 to local community needs, including ECHO Plus, Iowa Helping Hands Fund, American Wheelchair Mission, the Grotto of the Redemption, Cherish House, Lauren Schell's India Mission, Women of the Well Project, Honor Flight for Veterans, as well as to local family, community and parish needs. Local Knights sponsor annual youth events including the Free Throw Competition and the Knights of Columbus Spelling Bee. They also run the Tootsie Roll Drive for Persons with Intellectual Disabilities coming up soon – Labor Day weekend – benefiting local organizations.

The Knights of Columbus is an international Catholic family fraternal service organization with 1.8 million members in more than 14,000 local councils. Last year, Knights donated more than 71 million volunteer hours and \$173 million to charitable and benevolent causes, sponsoring projects to benefit their church, councils, communities, families and youth.
