## Are you a MEDICARE patient with a CPAP?

Do you feel like this poor guy looks? If you can't wear your CPAP because of its bulkiness or discomfort, it's definitely not helping your sleep apnea. Dr Timothy Smith offers a comfortable and convenient alternative: a custom designed oral appliance to move the jaw forward and open the airway. Many of our patients report feeling better and more rested than they have in years. Call us at (256) 287-1250 about a sleep apnea consultation today.

**BLUE TAG SPECIALS:**  
 We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.

**NO LIMITS:**  
 Our competitors also have advertised specials. The difference is, in most cases, they have a limit on how many of an item you can buy at the sale price...we don't have any limits to family shoppers.

*A message from the District Manager*

It is with such pleasure to recognize the men and women that put their lives on the line to protect and care for us on a daily basis. Having served in the military for 10 years and my wife has been a nurse for 15years, I personally understand the importance and the value that each of you mean to the community. It is with great pleasure that Coast Gas dedicate this day to show our appreciation for what you do for Cullman and the surrounding communities. We Thank You !!!!!

## PLEASE HELP ... McBrayer Family Faces Tragic Loss

On the morning of August 16, fire broke out at the McBrayer family home in Jones Chapel.

Before it was extinguished, Martha McBrayer, 46, had lost her life as she tried to save the family's dog.

Her brother, Don McBrayer, was severely injured in an attempt to reach his sister. He is currently in the burn unit at Vanderbilt Hospital.

Her mother, Allene McBrayer, and brother, Scott McBrayer, were both admitted to Cullman Regional Medical Center, but were later released.

A fund has been set up at Wells Fargo Bank to assist with funeral costs and medical bills, as well as other needs for the family.

Thank you for your help.

A new report has presented the latest findings on positive user-reported outcomes of the repurposed drug dipryridamole in treating pterygium and related dry-eye symptoms. Dipryridamole is a cardiovascular drug, used for the past 55 years for treating angina and preventing stroke. It also has wide applicability for eye disorders, having been researched for various eye ailments over the past four decades, including diabetic retinopathy, ocular hypertension and retinal hemorrhage Pterygium, or Surfer's Eye, is a benign growth that affects 10% of the population worldwide. It is more prevalent with older age. An early-stage pterygium is known as a pinguecula, and affects 50% of the population. Besides being unsightly, pterygium and pinguecula often become inflamed and cause dry eye. Eventually, they can completely obstruct vision. Researchers found that there was a maximum reduction in OSDI scores averaging 52.4% during the course of treatment for 25 patients. Some patients reported a complete resolution of symptoms.

For people with prediabetes who are overweight or obese, adding 3.0 mg of liraglutide (Victoza, Saxenda) for three years to a diet and exercise plan may lead to major health improvements, new industry-sponsored research presented at the annual meeting of the Endocrine Society suggests.

Low levels of total vitamin D and bioavailable vitamin D can help predict a person's risk of major adverse cardiovascular events such as a heart attack, stroke, heart failure or death, according to a first-of-its-kind study presented at the American College of Cardiology Scientific Sessions.

The devil tempts others, as he did Eve in the garden of Eden (Gen 3:1-5). Almost 2000 years ago The Word (Jn 1:14) was sent to save the world (Jn 3:16), said to repent, be born again (Jn 3:3-7) and sin no more (Jn 5:14, 8:11) and did not change the law (Mt 5:17-19). Why then do most so called Christians believe in a different doctrine than what Christ Biblically taught (Jn 3:16)? Why do some teach Christ changed at the cross (Heb 13:8)? Why do they call Christ Lord (Lk 6:46), then teach willful sin is forgivable (Heb 10:26, 1Jn 3:1-24)? Why do they trust in their church more than in Christ's Word? Why do churches have Bible study, then deny any verses that do not support their religion? Why are there 250 so called Christian churches in Cullman that cannot agree as one body, yet say they believe in one God and do what He saith? Why? It was given unto the beast to think to change times and laws (Dan 7:25). Why then do the worshippers of changed times and laws (lawlessness called grace) not understand the mark of the beast (Rev 19:20, 20:10-15)? So Be It!

**Cullman Before John Cullmann**

DID YOU KNOW ... Col. John Cullmann and his European immigrants were not the first settlers in what is now Cullman County?

DID YOU KNOW ... there were many Georgians and Tennesseans who had lived here over 40 years before the German settlement was established?

DID YOU KNOW ... you can find out a lot more about this if you come to the Cullman County Historical Society meeting Sunday, August 28, at 2 p.m. at the North Alabama Agriplex?

George Spear will present a program entitled "Cullman Before John Cullmann". It is a story of the "hardy group of pioneers" it took to tame an area once known for its bears, wolves and outlaws.
