## THE WALL THAT HEALS

substantial touring exhibition making Geauga debut this September

Gauga Park District and Geauga Veterans' Services Commission are pleased to be bringing a national touring exhibition called The Wall That Heals to Geauga County Fairgrounds Thursday through Sunday, September 8 through 11.

The Wall That Heals was created by the Vietnam Veterans Memorial Fund (VVMF) to travel to communities across the United States. The exhibit features a half-scale replica of the Vietnam Veterans Memorial in Washington D.C., approximately 250 feet in length, chevron-shaped and complete with the 58,249 names of those killed or missing in action from the conflict. Accompanying the wall is also a mobile Education Center, featuring newly upgraded digital displays, telling the story of the Vietnam War era and the Memorial.

This being the first time in its 20-season existence that The Wall That Heals will have visited Geauga County, organizers expect it to draw thousands of people over its four-day stay at 14373 North Cheshire Street in Burton.

Visitors will be welcome free of charge 24-7 during the exhibition. Additionally, groups are invited to schedule visit to The Wall That Heals to gain a heightened awareness of the impact and legacy of the war, as well as leadership, citizenship and character.

For the second year the Destination Geauga Office will be selling "Fall into Savings Passports" to encourage locals and visitors alike to get out and enjoy September & October in Geauga County! The passports cost \$10 and have a value of over \$200 in savings at various local events and merchants. "Our Spring Drive-it-Yourself Tour grows every year" says Destination Geauga Executive Director Lynda Nemeth, "we've asked attendees what they like about it, and what they don't like about it. They like the special offers, they like saving money, they like having a list of places to go & things to do, they like the possibility of being a big winner at the end. The only thing we've heard repeatedly is that people did not like, that the tour is only one day. So with the Fall Passport we are able to give them everything they like, and it is something that goes on for two months!"

Once you purchase your Passport it will be stamped when you use the offer at a location. Use at least 12 of the 25 offers and return your stamped Passport to the Destination Geauga Office by October 27, and you will be in the drawing to win cash prizes! #### White House Chocolates' Exquisite CHOCOLATE CARAMEL APPLES

White House Chocolates – With fall comes the cooler weather and the crisp, juicy APPLE. A delicious fruit on its own, but dip it in caramel, roll it in cashews, pecans, or toffee bits, then drape it in chocolate and it is extraordinary!! We wait until the new crop of apples starts to arrive and then turn them into a mouth-watering delight. One apple is dessert for ..., well we won't tell you with how many you can share it because we know how hard it is to do and we don't want to pile on the guilt:) You can always come back for more ...

Caramel becomes especially popular with the autumn season. We are here to provide you with a gooey selection – caramel on pretzels (with or without nuts), graham crackers, turtles in pecans and cashews, sea salt

caramels, sea salt pumpkin caramels and individually wrapped flavored caramels. Less gooey but oh so good, sea salt caramel truffles and a soft caramel center in dark chocolate. 440-834-3133 | [white-housechocolates.com](http://white-housechocolates.com)

# Sisters of Notre Dame 54th Annual BBQ & Boutique “A Piece of Heaven”

BBQ & Boutique is an annual fall tradition and outreach ministry that combines famous BBQ, delicious apple pie and the opportunity for residents in Geauga, Lake and Cuyahoga Counties plus family, former students and volunteers to support the ongoing mission of the Sisters of Notre Dame. Marking its 54th year, the Sisters of Notre Dame will welcome guests to the campus of the Notre Dame Education Center on Sunday, September 18 and Sunday, September 25, 2016.

“Many don’t realize that the annual BBQ & Boutique is the Sister’s most extensive friend-raising outreach ministry”, states Dean Adler, Director of Advancement. Adler continues, “The BBQ & Boutique provides funding to support critical programs allowing the Sister’s to continue their efforts to participate in ministries that support education, adult literacy, pastoral care, work to end human trafficking and ministering to the poor and marginalized.”

BBQ & Boutique features delicious barbecue chicken or ribs served with sides and a slice of delicious apple pie, “Which is a piece of heaven!” offers Adler. The event takes place on two consecutive Sunday’s, September 18 and September 25, from 12 noon to 5pm. All tickets are available at the door. The BBQ & Boutique is held in the Notre Dame-Cathedral Latin Gymnasium on the Notre Dame Education Center Campus, 13000 Auburn Road, Chardon, south of Mayfield Road and is handicapped accessible. Adler adds, “With over 8,000 guests each year, this event gives our friends, donors, neighbors, and families an opportunity to

visit with the Sisters, reconnect with a grade school or high school teacher, or to simply share a meal and drop in the Boutique, where homemade items from the Sisters are displayed. It’s coming together to share God’s goodness and provident care with each other, while providing a wonderful occasion to support the ongoing missions of the Sisters of Notre Dame. Who knew barbecue was such an important ministry!”

# Mapleview’s goal is to help you return home

Upgrade your care in a beautiful, private suite If you are recovering from surgery, illness or injury, Mapleview Country Villa provides the highest quality care to prepare you to return home.

Opened in August 2015, the state-of-the-art, homelike rehabilitation and skilled nursing facility is just minutes from Chardon Square. It’s the newest location for Legacy Health Services, a family-owned company known for compassionate short- and long-term care for more than 50 years.

Privacy of home, with added comforts

What stands out about Mapleview Country Villa is its enhanced privacy. All 100 suites are single occupancy. Each features:

- Private bathroom and shower
- Individually controlled heat and air conditioning

- Large picture window
  - Telephone
  - Smart television
  - Internet video streaming
- Mapleview Country Villa is 70,000 square feet, but it looks and feels like home — with some added comforts.

Residents eat in a restaurant-style dining room where a registered dietitian plans

meals. Safe and secure outdoor courtyards welcome residents for a breath of fresh air. Activity coordinators plan an array of social, educational and spiritual programs daily.

Qualified, in-house staff All residents are cared for by a team of nurses, social workers, nurse practitioners, physicians and therapists. If needed, the

experienced 24-hour staff can provide:

- Pain management
- Wound care
- Tracheotomy care
- Intravenous therapy
- Respiratory therapy
- Diabetes management
- Restorative therapy

Residents also have access to audiology, dental, optometry, podiatry, psychiatry and psychology services on-site.

Quality Rehabilitation

Another advantage of Mapleview Country Villa is that therapy is available seven days a week.

“If you arrive on a Friday, you don’t need to wait until Monday to start regaining your strength and range of motion,” says Courtney Beard, hospital liaison. “Therapy is especially important after surgery.”

Physical, occupational and/or speech therapists carefully monitor residents’ needs and

progress. They are led by a therapy director with nearly 20 years of experience in restoring people’s function, independence and quality of life.

Most therapy sessions occur in the cutting-edge, 3,000-square-foot therapy gym.

“It’s big — large spacious— and is filled with specialized equipment for building strength and enhancing physical function,” says Beard.

A dedicated speech therapy room helps residents recover from speech, swallowing or cognitive disorders. And a therapy apartment has a full bedroom, bathroom, kitchen and laundry room, where residents can practice activities of daily living before returning home.

Pauline has also reached out in supporting our Auburn Career Center horticultural students by our annual poinsettia sales. Her willingness to try has given us new ways of helping others while fulfilling her commitment to UH Geauga Medical Center. Pauline's energizing spirit adds to the Auxiliary organization as a new pioneer of this generation with anything being possible.
