Words or Actions...

What do the words coming out of your mouth say about you? Do you lie, criticize and belittle and wonder why your life is such mess? Don't actions speak louder than words, so let's put that to test... Do you live out what you speak? Do you tell your kids not to drink or cuss, but then you get drunk on the weekends and cuss at them when angry. You expect them to change, what about you? Change starts with new actions and new words. You're responsible for a new and happier you, nobody can do it for you, but you're worth it. Come visit my consignment store
