STYLE TIPS
From Terri

Terri Baird
My Chic Boutique

Are you wordy?

When we leave this world we leave the legacy of our words. Did my words say that I was faithful? Did my words say that I was kind? Did my words inspire others to be better? Did my words heal a broken heart? Did my words change someones day? Your words count; it's what you leave behind, so make the most of them. Choose to inspire, it matters to those around you, it's what they will remember.

Come see me at My Chic Boutique, Ottumwa's hometown consignment store for some summer clothes, shoes, jewelry or maybe a purse.

QLF Quality Liquid Feeds

- Where Quality Comes First -

Supplementation of pasture and stored forage is vital to production and profitability of your cattle. Forage alone doesn't provide all the needed nutrition. QLF can help with a quality liquid supplement in lick tanks or for bale treatment! QLF liquid supplements provide supplemental protein, vitamins, and trace minerals in an energy-rich Louisiana cane molasses base. Supplementing forages with a QLF supplement improves forage digestibility and intake; thus boosting animal performance and profitability.

- Provides supplemental protein and energy
- Enhances rumen function
- Increases forage digestibility
- Improves body condition
- Convenient lick tank feeding
