PROTECT SENIORS

Take a stand against Elder Abuse.

World Elder Abuse Awareness Day is June 15, 2015

ELDER ABUSE HAPPENS MORE THAN YOU'D SUSPECT.

Yearly 2.1 million older Americans are victims of elder abuse, neglect, physical/emotional mistreatment or financial exploitation. Experts believe that for every reported case as many as 14 cases go unreported.

The Elder Rights Program at Milestones is dedicated to educating, preventing and identifying elder abuse against Iowans age 60 and up. It empowers individuals to sustain their own independence and offers a responsive system that accepts all referrals concerning elder abuse, neglect or exploitation.

If you suspect elder abuse, report it by calling Cindy at ext. 508.
