Obituaries

Robert Richard Hoffman, the son of John and Mardelle Hoffman Jr. was born January 16, 1943, in Waterloo, Iowa. Robert passed away on Monday, September 5, 2016, at his home in Estherville, at the age of 73 after a long courageous battle with cancer.

Bob was the youngest of four children. He received his education in the Waterloo, Iowa schools. Bob served in the United States Navy in San Francisco, California.

On December 15, 1979, he was united in marriage to his best friend Sandy Gathman. Throughout his life Bob was employed as a salesman selling mainly farm machinery and cars. Bob owned Fairmont Lawn and Sports in Fairmont, Minnesota. He later worked at Okoboji Motor Company in Spirit Lake where he was employed until his death. He can best be remembered as the deal making man. Anyone who came into his office as a customer left as a friend.

Bob was a member of Estherville Lutheran Church. For hobbies, he enjoyed woodworking, fishing and riding Harleys.

Left to cherish Bob's memory are his wife, Sandy; children, Robert (Jessica) Hoffman, Jr. of Savannah, Georgia; Theresa Hoffman-Rivera (Hugo) of Muscatine, Iowa; Bradley (Cyndi) Johnson of Fairmont, Minnesota; Jennifer (Mark) Jensen of Evely; and the blessing of many wonderful grandchildren and great grandchildren; his mother, Mardelle Akin and sister Meredythe Munson of Golden City, Missouri.

Preceding Bob in death were his father; sister Karen Potter and brother John (Jack) Hoffman.

Obituaries

A funeral service for Rosalie Hoyt, age 88, of Milford, was held Friday, September 9, 2016, at 11:15 am at St. Joseph Catholic Church in Milford. Burial was at Calvary Cemetery in Milford.

Rosalie Irene (Duhn) Hoyt was born October 17, 1927, in Graettinger, Iowa, to Soren Walter Duhn and Marie Genevieve (Mahan) Duhn. Rosalie spent her childhood years on the family century farm in Graettinger where she met the love of her life, George, while working at the movie theatre. Rosalie graduated from Graettinger Public School in 1946 then went to Mankato Business School in Mankato, Minnesota. Following graduation she worked at Federated Mutual Insurance in Owatonna, Minnesota. She was so proud of her children's business careers and often gave reasons that it was because of her schooling!

On April 21, 1948, she was married to George Carl Hoyt in Graettinger. They began their life together in Graettinger where Rosalie became a homemaker. They moved to Ringsted where they operated their own meat locker for several years before moving to Milford to raise their family. Upon George's retirement they once again went into business together owning and operating George's Can and Bottle Redemption Center in Milford, Iowa. After the passing of her husband in 2007, she left her home of 40 years and relocated to Golf View condominiums in Spencer where her children could help care for her.

She was a member of St. Joseph Catholic Church in Milford and Sacred Heart in Spencer. She was a 50 year member of Catholic Daughters, where she often volunteered to quilt for the missions. Rosalie enjoyed fishing with George, gardening, embroidery, playing cards and doing puzzles. The cookie jar was never empty when grandchildren came to visit. She dearly loved her babies. She had a fabulous collection of music boxes and decorative cats and we cannot leave out her love for chocolate, especially 3 Musketeer candy bars!

Rosalie died peacefully Tuesday, September 6, 2016, at the Longhouse Nursing Home in Spencer, Iowa.

She is survived by her children: Michael (Dianne) Hoyt of Okoboji, Iowa; Marilyn Napp of Fort Dodge, Iowa; Marcia (Marvin) Gamble of Vermillion, South Dakota; Martin Hoyt of Lake Park, Iowa and Marie (Tom) Johnson of Spencer, Iowa; nine grandchildren, David (Cristy) Napp, Andrew Hoyt, Mark (Val) Gamble, Jennifer (Adam) White, Carl (Stephanie) Napp, Timothy Gamble, William (Melanie) Gamble, Heather (Mike) Dean and Jessica (Jon) LaCroix; eleven great-grandchildren, Adam (Courtney), Anthony, Noah, Mara, Hayden, Emmalie, Ethan, Justin, Rhys, Matthew, and Eliana. She is also survived by her brother, Ray (Evonne) Duhn of Spirit Lake, Iowa, sister, Betty (Jim) Kane of Livermore, California, sisters-in-law, Dema Janssen and Harriet Duhn.

Rosalie was preceded in death by her parents; her husband, George; brothers, Walter, Richard and Ronald; sister, Dorothy; son, Mervin, and son-in-law, Lorn Napp.

Turner Jenness Funeral Home was in charge of arrangements.

Healing Through GriefShare

The Okoboji Bible Conference is welcoming a new 13 week session of GriefShare this fall, beginning Monday, September 19, 2016, in hopes of helping people of all ages with their grieving process. It will continue on the following Mondays through December. This program was founded in 1998 by Church Initiative, a group that helps people start support groups. GriefShare is currently being used in the United States and 10 other countries. Each GriefShare meeting has a DVD on a different topic, starting with a DVD titled "Living with Grief." Some of the other weeks include "Complicating Factors", "What Do I Live for Now?", "Stuck in Grief", and "Why?"

After watching each video, there is a group discussion on the topic. There is additionally a book that people can buy for \$15 that follows each of the video lessons. If someone can't afford the book but wants one, there are scholarships available. Exercises in the book go along with each video that people can do when they go home - to help them through their grieving.

GriefShare is facilitated by a group of well-trained mentors who have all gone through grief themselves. They then decided that they wanted to help other people through the grieving process, too. "GriefShare is a tool that helps individuals who have gone through the loss of a loved one through death," says group facilitator Jo Winkowitsch. "GriefShare can help grievers find a place of support and healing." The group aims to help people of all different religions and beliefs through grief, through instruction, discussion and support. The loss can be recent or in the distant past.

"Often when a person is ready to start talking about their grief, or needs help and support to find their way in their new life, there may not be many people who are available to listen or to help. The mission statement of the group is "From Mourning to Joy" which helps to symbolize the journey people take when grieving since there is not a formula for grieving," says Winkowitsch, "and everyone's journey is different. It is important not to compare yourself with anyone else.

Sometimes people come to GriefShare before they are ready, or it just doesn't feel right. We encourage those people to consider trying again later in time. The timing needs to be right for the person attending. Though it is often scary to attend a group at first, in giving it time often the group can bond because of the commonality of loss and grief. Jo says, "GriefShare has been offered in the area since 2006, and many have been helped by the program. It is rewarding to see how people grow and heal as they attend."

GriefShare meets every Monday night from 6:30 to 8:30pm, at the Okoboji Bible Conference. It is meant to be a warm, caring environment and is designed to be an "oasis" on a journey through grief. Each week has time for grief experts and fellow grievers to share about a different subject, and a time for discussion. The group is very confidential and people don't have to speak if they don't want to.

The Okoboji GriefShare meets at the Okoboji Lakes Bible Conference Community Center at 45 S Highway 71, Arnolds Park. For more information, call Jo Winkowitsch at 712-330-7091. Or go to www.griefshare.org and put your zip code in.

Celebration of Life for Larry Chapman of Spencer, Iowa

SATURDAY, SEPTEMBER 17 • 12-4

Lunch Will Be Provided.

at Oneota Park

420th 10th Ave. South East, Spencer

In lieu of flowers the family asks that you plant a tree in memory of Larry!

Larry Arnold Chapman of Greenville - Spencer, Iowa area passed away at the age of 73, on August 21, 2016, surrounded by loved ones in Rochester, Minnesota.

Larry is survived by his wife Ina Chapman of Spencer and five children:
Tim (Jennifer) Chapman of Spirit Lake
Tiffany (Sam) Lammers of Spirit Lake
Darin (Sarah) Chapman of Spencer
Westly (Sheila Besaw) Erb of Spencer
Jaden (Tracey) Erb of Spencer
 13 grandchildren and 3 great grandchildren

Donnie Fausch, Jerry Behnkendorf, Mark Kurseth, and Glenn Henriksen performed at the Clay County Fair Sunday as the '50s-'60s rock 'n' roll band *Galaxy*. Henriksen will be appearing at the fair with several configurations through Friday.

It's all at the Fair

Either the tourism season has slackened off considerably, or everyone is at the Clay County Fair this week. The first few fair days saw exceptionally great weather and great crowds to match. Fair manager Jeremy Parsons said last week that in addition to a huge grandstand schedule, there is more than \$150,000 of free entertainment at the fair again this year.

Where the fair's usual free entertainment bookings are three day runs, Glenn Henriksen is part of that 'free' mix for an unprecedented six days, with different acts each day.

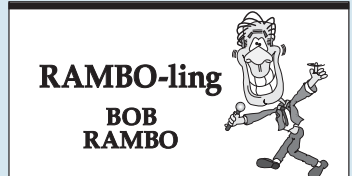

Glenn will be recreating his regular Tuesday night house concert on the Dish stage at 2 and 5 p.m., today - as he won't be appearing at the house tonight. His fair shows today will feature vocalist Ed Hendrickson, along with Larry Sattler and Jack Ryan.

Simon Floss will be joining Glenn on Wednesday, along with Denise Shipman, and Mel Kimblad. Floss will return on Thursday along with several other 'youngsters,' for Young People's Day at the Fair. While the Tuesday, Wednesday and Thursday shows will be performed each day at 2 and 5 p.m., Friday's Gospel Day performances will be at 11 a.m. and 2 p.m., featuring Lyndon Roseler, pastor of the United Methodist Church in Armstrong, joining local entertainer Terry Klein.

For the record, Glenn will resume his Tuesday night house concerts on the 20th, but will be entertaining at the *Norsk Hostfest* in Minot, N.D., on the 27th...

Wednesday will see *The Senders* on stage at Table 316 from 7 - 9 p.m...

And Justin Kisor and company will be returning to the Little Swan Lake Winery, Thursday night, from 6 - 8:00...

If you're not going to be at the Clay County Fair, maybe you'll be in New York, where Marilyn Maye will be doing two shows a day, Friday through Sunday, at Dizzy's (as in 'Gillespie') Club Coca-Cola, at Lincoln Center. These shows will be part of the *Generations of Jazz Festival*. Check Jazz.Org/Dizzys for details...

The closing weekend of the fair will feature *Three Dog Night* (with *Kory and the Fireflies*) in front of the grandstand at 7:30 Saturday night. Then *Lynyrd Skynyrd* (with Ryan Hurd) will close the fair, Sunday night at 6:30...

The Winery will host *Beyond Blue* Sunday afternoon from 4 - 6:00. While *Beyond Blue* is usually billed as the Debbie Ankeny and Mike Springer duo, Sunday's show will include Jolene Krussow, who is also from Blue Earth. A vocalist, Jolene is part of the *Mankato Symphony*, and plays keyboard and violin. You might have seen her with Debbie and Mike in the Lakeview Room at The Inn earlier this summer.

Research director RD - the blonde with a sweet tooth - tells us that Milton Hershey, the man behind the famous chocolates of the same name, was born on this day in 1857. Not only that, RD reminds us that Mr. Hershey was mentioned in the song *They All Laughed*... "at Hershey and his chocolate bar."

Today is also Mel Torme's natal day. It was Melvie, who, on a very hot day in August of 1945, worked in Los Angeles with Robert Wells to write the holiday classic best known as *Chestnuts Roasting Over an Open Fire*...

Even more important is Jon Hendricks' Friday birthday, when he'll turn 95. Nicknamed "The Poet Laureate of Jazz," it was Jon who wrote the lyrics for *RAMBO*, the theme song we used for some 30 years...

Professor A. Good Outlook is adding to RD's treasure trove of information this week with songs that should be played at the Clay County Fair's Smokey Mountain Central Railroad display - songs like *Atchison, Topeka and the Santa Fe*, the *Chattanooga Choo Choo*, and *Tuxedo Junction*, a song bandleader Erskine Hawkins wrote to commemorate an old depot in his Birmingham, Alabama hometown.

As they say in the per inquiry ads on television, "Wait. There's more!" How about John Coltrane's *Blue Train*, or *Folsom Prison*, Pet Clark's *Don't Sleep in the Subway*, Peggy Lee's *Waitin' for the Train (to come in)*, and a song that might have been written about a small town in Eastern Iowa, *Last Train to Clarksville*.

No one who grew up in the fifties or sixties could forget the Kingston Trio's *MTA*, or Gladys Knight's *Midnight Train to Georgia* - or Buddy Morrow's hit version of Jimmy Forrest's *Night Train*.

But the best train song of all time still has to be Duke Ellington's *Take the 'A' Train*. All aboard! Chugga, chugga, chugga, chugga - choo, choo...

The Bierstedt family from Whittemore - Jody, Cassidy, Natalie, and Tasha - eye the Smokey Mountain Central Railroad's 76-car ethanol train at the Clay County Fair this weekend.

The fair continues through Sunday.

Food Safety Certification Class

Iowa State University Extension and Outreach - Dickinson County is offering a food safety training for food service managers Tuesday, September 27, at the Spirit Lake Community Room in Spirit Lake.

"Certification in ServSafe® meets the Iowa Food Code requirements to have a certified food protection manager in all establishments," said Renee Sweers, class instructor and ISU Extension and Outreach Nutrition and Wellness Specialist. "We live in a time when food safety hazards and risks are prevalent. Serving safe food is mandatory. This eight-hour program aims to train food service professionals about food safety requirements and best practices to meet them."

According to Sweers, the program is based on the National Restaurant Association's ServSafe® certification program and the Iowa Food Code. The class is beneficial for foodservice managers from all areas such as schools, restaurants, convenience stores, child care, senior meal sites and health care. Participants will receive a copy of the ServSafe® Manager training manual and will take the ServSafe® certification exam.

For more information about the program, contact ISU Extension and Outreach - Dickinson County, 712- 336-3488.

Artisans Road Trip 2016 exhibit is on display at Arts on Grand. Over thirty artists involved in this year's exhibit represent the full range of artistic expression from ceramics to oils, from textiles to wood. The exhibit opening September 13th runs until October 29, so the show will be up during the weekend of the actual road trip on Oct 8 and 9 when we will host Perry Polson, Karen Ruddy, Glenda Drennen and Judy Hemphill.

The artists' reception for the Road Trip 2016 show will be at Arts on Grand on September 22nd from 5:00pm to 7:00pm. The reception sponsor is SPACE (Spencer Alliance for a Creative Economy) and will include delicious savories and sweets and wine and gourmet coffee. ILCC Receives Grant to Strengthen Education

A nearly \$1.7 million grant has been awarded to Iowa Lakes Community College which will help the institution to strengthen education through technology, curriculum and faculty development. The college learned Wednesday that its grant proposal entitled 'Raising Collaboration and Student Engagement through updated Technology, Redesigned Curriculum and Flexible Course Options' was approved by the U.S. Department of Education. "We feel this grant will help us provide updated technology as well as flexible teaching methods for students to learn in an improved environment which, in turn, will increase enrollment, retention, completion and success rates of students," said Valerie Newhouse, President of Iowa Lakes. "This grant also offers great opportunities for professional development for our faculty."

The Title III - Strengthening Institutions Grant specifically looks for Institutions of Higher Learning which can use the funds to become self-sufficient while improving and strengthening academic quality, institutional management and fiscal stability. "Iowa Lakes has been in the forefront in technology within specific programs, such as the nationally recognized Wind Energy Technology Program," said Scott Stokes, Vice President of Administration. "Students expect the most up-to-date technology. This grant will help us to eventually expand cutting edge technology to all of our academic programs and classes."

In addition, more professional development opportunities will help impact everything from course curriculum design all the way to graduation.

"This is an investment in the future to continuously improve and seek new ways to impact student learning," Stokes said.

The five-year grant starts with piloting newer technology into the college's Agriculture and Nursing programs. Those two programs will start with infusing active learning and flexible course options within the coursework. Project years three through five will serve as a collegewide opportunity to provide faculty with the latest technology while incorporating adaptive learning into classrooms and developing improved flexible course options to recruit, retain and engage students.

Another unique feature is that students will be able to link their email and cloud storage to one user interface, which quite often is a smart phone. And, more than 90 classrooms have been identified to receive upgraded technology.

Iowa Lakes Community College serves the citizens and businesses of Clay, Dickinson, Emmet, Kossuth and Palo Alto counties. The college has a student-centered environment that focuses on reaching all students in the manner in which they learn, helping to elevate them to the next level of preparedness for transfer - or to enter tomorrow's workforce.

Sustainable Energy Resources & Technologies (SERT) Scholarship

Due to the generosity of employees of Iowa Lakes Community College, the Sustainable Energy Resources & Technology (SERT) scholarship was established in 2015. This scholarship is the direct result of the Iowa Lakes Foundation's "We Believe in Us" Annual Giving Program. Iowa Lakes' employees and alumni, community businesses and individuals annually donate to the program for the betterment of the college and its students through scholarships or improvement in programs.

Eligible candidates for this scholarship must be enrolled full-time in one of the following programs: Electrical Technology, Wind Energy, Engineering Technology, HVAC or Environmental, and display financial need as determined by the FAFSA form.

The 2016-17 recipient is Dakotah Schmid of Worthington, Minnesota.

To contribute to this scholarship, or to establish a new scholarship contact the Iowa Lakes Community College Institutional Advancement/ Foundations Office at 712-362-0491 or 800-242-5106 ext. 4491. To apply for scholarships visit www.iowalakes.edu.

Elevators and C.&N.W. Depot at Ringsted, Iowa – 1913

Stepping Back in Time by Jerry and Irene Clark of the Clark Museum of Okoboji and Iowa History

On May 12, 1911, the purchase of the Western Elevator was completed. Bill Kirkwood was hired as manager at a salary of \$64 per month. Besides purchasing grain, it was decided to sell twine, salt, mill feed, flour, coal, clover and grass seeds, fence posts, machine oil, kerosene and gasoline. During the year 1919, the Grain Dealers Association purchased the G.S. Livermore Elevator. During the year 1899, the C.&N.W. Railroad was built from Burt to Fox Lake, and Ringsted was placed on the map. This is a wonderful early photo of Ringsted's past history. This will be our last picture and story for this season. Please thank our sponsors: Farmers Savings Bank and Great Lakes Insurance. The Clark Museum will stay open until cold weather comes, so plan a visit. We are located 1 mile west and 1/2 mile north of the Catholic church in Milford. Call 712-338-2147 or email ijk1ark1@msn.com for any information.

Lakeside Writer In Residence To Offer Public Workshops

Iowa Lakeside Laboratory is pleased to announce Corrina Carter as the 2016 Autumn Writer in Residence. This position, sponsored by the Friends of Lakeside Lab, gives emerging authors the opportunity to pursue their writing in a quiet, natural setting. Carter was selected from a competitive pool of applicants. She holds an MFA in Creative Writing from Iowa State University and a BA in English from UC Irvine. Her prose has appeared or will appear in such journals as About Place, Alligator Juniper, The Fourth River, The Kenyon Review Online, and Permafrost Magazine. Carter also served as a Summer Writer in Residence at Lakeside in 2014; her stay inspired a Pushcart Prize-nominated essay called "Turkey-Watching in Dickinson County."

During the fall, she will revise her MFA thesis, a young adult novel called Talus: A Mustang's Story. The first draft of the book received a Research Excellence Award from the ISU Graduate College in 2016. In addition, she will lead a series of environmental writing workshops for adult members of the public. These events, described below, are free and will take place at Lakeside on Sunday from 3:00 to 5:00 p.m. To register for one—or all three—workshops, email Carter at ccarter@iastate.edu.

September 18: Anthropomorphism: Scientific Roadblock or Source of Empathy?: Anthropomorphic fiction—literature that features feeling, thinking, and even speaking animals—generates controversy in spite of its popularity with readers of all ages. Do such novels impede scientific progress by encouraging us to explain nonhuman behavior in human terms? Or do they foster compassion for our fellow life forms? After a discussion of the above questions, participants will compose a short story from the perspective of one of the many organisms that frequent the Lakeside campus. Volunteers may share their work with the group.

October 16: Extinction: A Literary Afterlife: In The Bird: Its Form and Function, naturalist William Beebe writes, "When the last individual of a race of living things breathes no more, another heaven and another earth must pass before such a one can be again." In this age of ecological crisis, his words are more urgent and eloquent than ever before. Yet vanished species will never disappear completely, not as long as we immortalize them in words. Carter will lead a close reading of Aldo Leopold's famous essay "On a Monument to the Pigeon" and supervise a workshop in which participants will create their own tribute to an extinct animal.

LETTERS TO THE EDITOR

God's Work, Our Hands Weekend At The Font

On this day of service we remember especially those who live out their baptismal vocation in service to the community as Emergency Medical Care Providers, Fire Fighters and First Responders, Sheriff Deputies, Police Officers and Communication Center.

It is their ministry to protect and serve us in moments of danger, crisis and uncertainty.

Care for these your servants, O Lord, as they run toward these situations while the rest of us move steadily away from them: keep them from all harm, give them courage and wisdom for stressful situations, and help them to serve your people in their need, knowing that they have our full and strong support.

IGL TeleConnect Expands into Everly Area

IGL TeleConnect, the area's fastest growing internet service provider, today announced that it now offers high speed internet access to those residing in the Everly, Iowa area. IGL TeleConnect's network technicians invested the better part of this year building a first-class network structure. The new location will provide residents and businesses with fast and affordable internet service from a company that boasts exceptional customer service.

"Many small town and rural residents are frustrated by limited choices and poor support when they purchase internet services," shared local owner Josh Nelson. "IGL TeleConnect is committed to each and every area we service by employing local people, providing extensive support to our installation and customer service representatives and offering a friendly personal touch. We are committed to keeping costs affordable and being transparent with our customers about problems and issues."

IGL TeleConnect's complete technology portfolio in the unlicensed spectrum is Line of Sight (LOS) and Near Line of Sight (NLOS) environments, and NLOS (Non Line of Site environments) with specialized accessories to connect hard-to-reach locations. IGL TeleConnect's wireless access networks provide multiple layers of encryption that ensure information is protected throughout the system.

The family-owned, Spencer-based company provides internet services to the Iowa communities of Milford, Lake Park, Spirit Lake, Spencer, and areas of Okoboji, Arnolds Park, Superior, Langdon, Greenville, Gillett Grove, Webb, Linn Grove, Sioux Rapids, as well as some southern portions of Jackson and Nobles counties in MN. IGL TeleConnect also provides telephone service to Milford, Lake Park and Spencer.

IGL TeleConnect is asking interested area residents to call the customer service line at 1-800-281-1072 to establish internet coverage. A free site survey may be needed to check the signal strength from the resident's location. Installation and the first month's internet service is free of charge for Everly customers during the month of September.

IGL TeleConnect technician Duane Harris was the first "customer" to install the equipment at his home in Everly and began receiving internet services through IGL TeleConnect last week.

Nature Tots

The laughter spewed forth as we read the book "Everyone Poops" in preparation for the next Nature Tots 10:30am Wednesday, September 14, at the Dickinson County Nature Center in Okoboji.

The popular program for ages 2-5 continues year-round and has some unique themes coming up, including Everybody Poops, September 14, Super Seeds for the October 12 program, Turtle Power for the November 9 class and Paw Prints for the December 14 event.

Parents and guardians are invited to stay with their toddlers for the hour-long program to help them with the hands-on activities and to share in these fun outdoor experiences together. The naturalists enjoy spending this time with the younger generation to see their faces light up as they learn.

To participate, simply call 712-336-6352 to register your toddler.

Power Zone Gearing Up for Fall

The mid week kids' program, Power Zone, is powering up for a second year at New Journey Community Church in Milford. Power Zone will meet on Wednesday evenings at 6:30, and will kick off on September 14. That night will feature registration, short stories, prizes, and root beer floats. Parents should be present to help register the kids, so that we have the necessary contact information. Kids and parents will have the opportunity to visit each Zone together.

This program will once again be using a curriculum called *The Story*. This year, the focus for the most part will be on the exciting New Testament stories. Each week, the story will be presented in an interactive way, and there will also be fun games, crafts, and a light snack, all happening in ZONES prepared especially for kids. Kids preschool through sixth grade will move from zone to zone throughout the night to participate in age appropriate activities.

The program is called Power Zone because knowing the stories of the Bible and understanding their significance will lead to a deeper relationship with Jesus, the power source for life.

Power Zone is not just for kids. There will be a special life group available for adults. Parents are invited to study the Bible, pray together, and encourage one another as their children are engaged in their activities for the evening.

The Power Zone Team at New Journey is working hard to have an engaging program in place for kids and adults who would like to join in, and they are excited to have another opportunity to share the love of Jesus. New Journey has had a commitment for many years to share the good news of Jesus with kids because kids matter to God. They believe that families matter to God as well, so they invite you to check out Power Zone and see what their excitement is all about.

For more information, contact Marsha at kdwilson@verttek.net or 712-320-0979 or New Journey Church at newjourney@igtel.com or 712-338-4740.

Fairchild Receives Democratic Supervisor Nomination

Rural Milford resident Tim Fairchild, garnered the Democratic nomination for the District 3 Dickinson County Board of Supervisors seat on August 27.

The seat was previously held by Democrat David Gottsche of Milford, who passed away August 15.

Fairchild was nominated by District 3 Democrats in special convention in Lake Park. His name will appear on the general election ballot November 8.

Fairchild brings business and governmental experience to his supervisor bid. He and his wife Julie founded Fairchild Welding and Manufacturing in Terril in 1981. Tim served on the Terril City Council for 23 years and also served as mayor for 4 years. He was a fireman for 20 years and an EMT for 10 years. His governmental experience also includes presently serving on the Dickinson County Planning & Zoning Board.

Fairchild stated, "My entire professional career has been anchored by listening to people and finding solutions to their needs and wants. Everything is important to someone, and telling the truth, no matter how hard it is - is a requirement. I look forward to visiting and listening to the voters of District 3."

Tim, a Terril native, and his wife, Julie, moved from Terril in 2012 to the Nature Trails development. The couple have three sons and five grandchildren, all who still reside in Dickinson County.

Tales of Tails

This is a tale of a "tail" named Lucky - a dog who's been lucky at times but now feels a little "unlucky". He was "lucky" when he was a stray taken in by a kind couple on a farm, but they soon realized that at their age caring for a dog and still meeting their other responsibilities took more energy than they could muster. Lucky was then surrendered to the Humane Society of Northwest Iowa where he's "lucky" to have a soft bed, good care, and a regular supply of dog food, but he's hoping his "luck" will eventually find him in a forever home with people to love him.

Lucky is basically a black, medium-sized dog with a white chest and at least one white toe. His coat is medium-length making his tail even fluffy. He's neutered, kennel-trained, but not house-trained. Right now he'd be best as an outdoor dog, but he's a smart dog and could learn more "civilized" manners. He would make a great watch dog, for he's very sensitive to "unexpected" sounds and barks when strangers approach.

Being a friendly dog, Lucky is good with children, cats, and other dogs. He already knows "stay" as a command and would easily learn more. He adapts well to new situations, but is a little scared until he feels comfortable in new surroundings. Life as a stray has had an impact on Lucky. He has developed a fear of tall, heavy men - perhaps having been beaten or mistreated by someone meeting that description. He likes car rides, to play and be petted and held. He's curious but cautious. Right now Lucky is hoping his "luck" will hold and he will find a forever home. After living "on the road" and trusting to his "luck" for food and shelter, he's ready to be loved and to give love in return.

Remember... "In a perfect world every animal would have a home, and every home would have a pet."
 Call The Northwest Iowa Humane Society at 712-338-2738 or come see the animals at 607 28th Street, just north of Milford - open Thursday through Sunday, noon to 6:00pm.

Hawkeye State, Big Time!

This was the JV, scratch that, the 9th Grade team trying to play the Varsity on Saturday night in Iowa City as Iowa blew out Iowa State 42-3 in front of a maze of black and gold in an electric Kinnick Stadium. The 39 point margin of victory was the largest in the series since a 63-20 Iowa route way back in 1997. Sadly for Cyclone fans, the margin of victory could have been larger as Iowa had their 42 points after three quarters but pulled their starters for the final stanza as their reserves kept things even with the Cyclones mostly starters.

Let's start this article with the good of the game, and that's all Iowa. It's early and Iowa State is not very good, but this Hawkeye team appears to have picked up right where they left off with last year's undefeated regular season. Quarterback C.J. Beathard is simply a stud and is now 15-0 in regular season games as a starter, which is an amazing stat for a Power 5 quarterback. Beathard did what he wanted to on Saturday, throwing for 235 yards with 3 touchdowns while also rushing for a TD. Wide receiver Matt Vandenberg had 7 catches for 129 yards; running back LeShun Daniels ran through and over the Cyclones for 112 yards and a TD, and the offensive line owned ISU all game. On defense the Hawkeyes also owned the line of scrimmage, holding the struggling Cyclone running game to 125 yards while keeping the Cyclones out of the end zone. Iowa kept ISU in third and long all night long, holding the Cyclones to 3 for 15 on 3rd down conversions while limiting the meager ISU offense to 4.2 yards per play. Iowa's play calling was also excellent, mixing in the pass and run with play fakes that got receivers and running backs wide open while also throwing in a reverse to Vandenberg. Coach Kirk Ferentz is showing again this year that he's not so conservative, even going for and getting two fourth down conversions.

Now to the ugly, and that's all Iowa State. The Cyclones were really bad against what I thought was just an average UNI team last week while losing to the Panthers 25-20, but I held out hope they would improve greatly in week two, which as we know definitely didn't happen. Iowa State can't run the ball even though they have Mike Warren who rushed for over 1,300 yards as a freshman, and they can't consistently throw the ball even though they have one of the best wide receivers in the nation in Allen Lazard. Lazard was the only Cyclone player who looked like he even belonged on the field against Iowa, catching 7 passes for 111 yards. Iowa State's defense was blown off the ball by a superior and tougher Iowa offensive line and the Cyclones consistently missed tackles and assignments all night long. There will be a quarterback competition this week in Ames as starter Joel Lanning, who had four turnovers last week against UNI, was inconsistent at best against Iowa, while Georgia transfer Jacob Park showed a strong arm while throwing for 79 yards in just over a quarter. The 0-2 start is definitely not all Lanning's fault, but unfortunately in football the QB gets the blame when your offense is struggling.

This Iowa team appears to be set for another run at a BIG West Division title and a shot at a BCS Bowl game. Iowa is really good on offense and the defense improved greatly from week one to week two, and Iowa is taking care of the ball as they are yet to turn it over in the young 2016 season. The Hawks' schedule is again favorable in 2016, and they look like they are every bit as strong as last year's 12-2 team. Iowa will get tested next week against FCS three time defending national champion North Dakota State, and will have a tough game October 8th at Minnesota, but other than that their two toughest games are both at home against #10 Wisconsin and #5 Michigan. As for the Cyclones, I'm not going to lie, I drank the Matt Campbell Kool-Aid this summer and was very excited for the 2016 season. I still think that Campbell was a great hire and he will turn this program around, but he's got more work to do than I thought as the talent gap between these two programs right now is enormous. ISU will be lucky to get to the three win mark they had in 2015. The motto for the Iowa State social media campaign this summer was "A Storm is a Brewin'", sadly to say right now the only storm brewing out of Ames is one that is another word for crap.

Downstairs At Downton: The Reality of Running a House Like Highclere Castle, the Real Downton Abbey. Friday, September 23rd at 2:00 at the Spirit Lake Public Library.

The Friends of the Arnolds Park, Milford Memorial, & Spirit Lake Public Libraries have invited Kathy Wilson from Historical Perspectives to present a program about the reality of running a house like Downton Abbey. Highclere Castle in England is the setting for the wildly popular Downton Abbey TV series. The castle is the home of Lord & Lady Carnarvon. The TV program presents the actual operations of an English country house from the servants' perspective.

A professional historian and educator, Kathy Wilson believes learning about the past can be fun as well as interesting. To prove that point, she draws on more than 20 years of experience to create programs that engage and entertain as well as educate her audiences.

Ms. Wilson received her BA in History from Bemidji State University in Minnesota, before traveling to England where she completed her Masters at the University of York. She is currently a PhD candidate at the University of Iowa and specializes in 18th and 19th-century British-American social history. Her dissertation investigates the role of kinship networks in the social transformations of Catholic families, 1760-1850.

Books and resources that you may also enjoy regarding Downton Abbey include:

DVDs of each season of the TV series and the DVD "Manners of Downton Abbey"

Book titled: "Upstairs & Downstairs: the Illustrated Guide to the Real World of Downton Abbey"

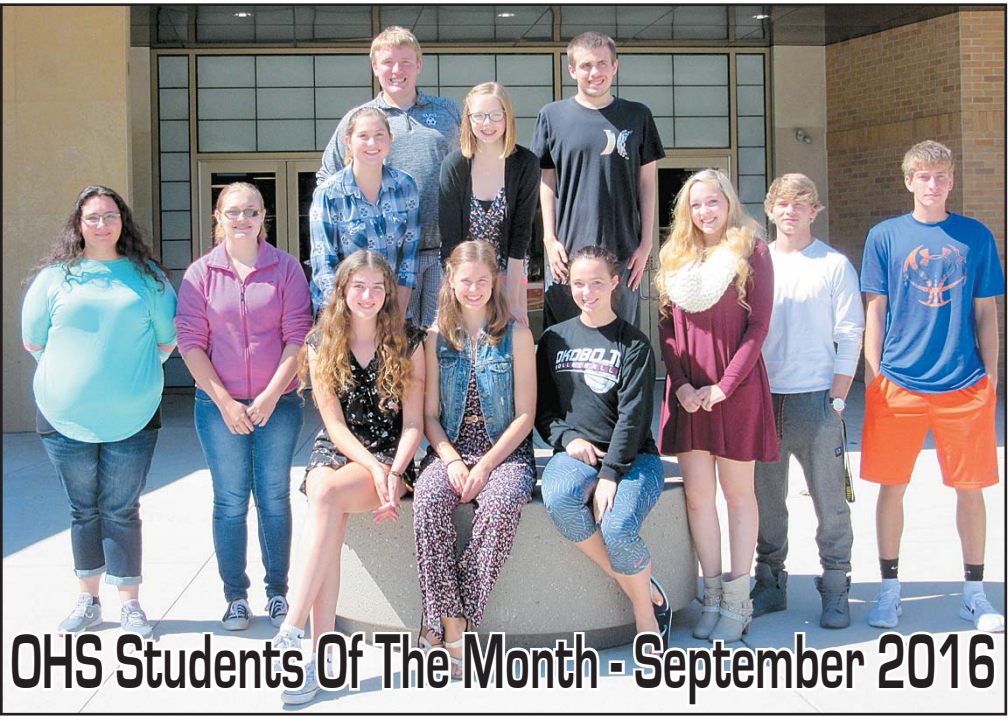

Book Titled: "Below Stairs: the Classic Kitchen Maid's Memoir that Inspired Upstairs, Downstairs and Downton Abbey" by Margaret Powell

Book Titled: "Lady Almina and the Real Downton Abbey: the Lost Legacy of Highclere Castle" by Fiona Carnarvon

Book Titled: "The World of Downton Abbey" by Jessica Fellowes

A variety of these titles and more are also available as ebooks on BRIDGES

For more information about the program, call your local library. You may also visit Historical Research & Consulting Services at www.historical-perspectives.com or email: info.historicalperspectives@gmail.com

Discovery House News
Julie Scheib, Director
www.mydiscoveryhouse.com

When you read this article, the 2016 Discovery House Porch Parties will be history. We want to thank all of our wonderful entertainers who shared so generously of their time and talents, our donors who gave food and beverages for our guests, our guests who attended, brought a dish to share and gave a free will donation, our Board of Directors who help in so many ways, and last, but not least, to our residents who are always willing and able to help set up and tear down and make these events so imperative. The goal of these parties is to bring the public to Discovery House, educate them about our mission while we provide some good eats and great music. Sure hope to see old and new friends again next spring.

It was announced at the last Porch Party that Director of Discovery House, Carol Elliot, resigned and former Director, Julie Scheib, has returned. A Bible verse that fits these events unfolding so perfectly is Proverbs 16:9, "A man's heart deviseth his way; but the Lord directeth his steps." (KJV) I am grateful and blessed to have been asked to return to a job that God laid on my heart many years ago, and that I was passionate about doing for 10 years. This past year away has given me a different perspective and some new ideas to continue to help Discovery House residents help themselves.

Stop by and say hi and have a cup of coffee, or join us on Monday at 5:30 for our house meal followed by Bible Study with Chaplain Warmke. Please call ahead if you would like to join us at 336-5340 so we can set a place for you at the table.

Blessings,
Julie

Prairie Fire Children's Theatre's "Wizard Of Oz" Here This Weekend

Follow the yellow brick road! Join local children in a wonderful journey through the Magical Land of Oz as they take the stage this weekend along with two professional actors in Prairie Fire Children's Theatre's original musical production of "The Wizard Of Oz"!

Performances are scheduled for Saturday, Sept. 17 at 4 and 7 pm at the Pearson Lakes Art Center. Tickets are \$7 and just \$3 for ages 3-18. Tickets are available at the door.

Featuring original music and script by Daniel Nordquist, "The Wizard Of Oz" continues Prairie Fire Children's Theatre's tradition of presenting classic tales as you've never seen them before.

Based on L. Frank Baum's classic American fairy tale, Prairie Fire's version is set in contemporary America at the beginning, and it is from there that the tornado takes Dorothy over the rainbow to Oz. "The Wizard Of Oz" features set and costume design by Deborah Pick.

Prairie Fire Theatre professionals will play the role of The Wicked Witch Of The West And The Scarecrow, in addition to directing the production.

This Prairie Fire theatre residency is being sponsored by Great Lakes Physical Therapy, Northwest Bank, Pizza Ranch, Smith RV, and Treasure Village.

Laker Scramble Golf Outing

The Laker Scramble Golf Outing generates scholarship funds for student athletes. The event will be held on Friday, September 16, at Brooks Golf Course, one of the area's premier golf courses and home course to the Iowa Lakes Golf Teams. Iowa Lakes has over 300 student athletes competing collegiately for the Iowa Lakes Lakers in 16 different sports programs.

Golfer registration will begin Friday, September 16 at 8:00am, with a 9:00am shotgun start. The event will feature an 18-hole four-person best shot tournament format. Entry fee is \$100 per golfer or \$400 per four-person team and includes green fees, cart (if requested), lunch, Laker Athletic T-shirt and a scholarship fund donation.

Come and meet some of the student athletes, who will be greeting participants at various locations on the course. Participate in fund raising games that can lower your score and further support our athletic scholarships.

Raffle tickets are on sale for four tickets to the Iowa / Michigan football game on November 12 at Kinnick Stadium in Iowa City and include two night's accommodations. Tickets are \$5 each or 3 for \$10. For more information or to purchase raffle tickets contact the Foundation office at 712-362-0425, the Iowa Lakes Athletic Dept. at 712-362-7907 or the Dean of Students office at 712-362-7969.

To register, sponsor or purchase raffle or meal tickets contact Iowa Lakes Foundation Office at 800-242-5106 ext. 4425 or events@iowalakes.edu or visit the Iowa Lakes Website at www.iowalakes.edu/foundations.

Fair Attendees Invited to Visit the Iowa Lakes Corridor Innovation Pavilion

Iowa Lakes area residents know about this area's high quality of life, notable job opportunities and stunningly beautiful outdoor scenery. Put simply: We've got a lot to brag about.

So let's brag about it! This year at the Clay County Fair, September 10-18, the Iowa Lakes Corridor is looking for Community Champions to help us not only brag about the region, but also to convince others to move here.

Community Champions will serve as brand ambassadors in the soon-to-launch Five by Five Campaign, an initiative seeking to increase the region's population by five percent in five years.

The mission of Community Champions is to convince friends, family members and acquaintances that the job they've been looking for is here, the housing they've been searching for is here and the quality of life they've dreamed about is here -- and only here -- in the Iowa Lakes region.

Anyone interested in becoming a Community Champion is invited to check out the Innovation Pavilion, which is located in the southwest portion of the fairgrounds, just south of the Outdoor Arena. The pavilion will be open from 9:00am to 6:00pm.

Other businesses and organizations that will have presences at the Innovation Pavilion include: Advance Services, Adventure Staffing, Boji Custom Metal Works, Breezy Mills Wind Bubbler, Box Park Concepts Container Apartments, Demco/Maurer Manufacturing, Employment Connections, GrapeTree Medical Staffing, Habitat for Humanity, Ice House, IGL Construction, Iowa Workforce Development, Krull's Creations, Monsanto, Precision Planning, Rosenboom, Shine Bros. Corp. and Tyson Turkey.

The population of rural northwest Iowa grew between 1850 and 1950, but has been flat to falling since. Iowa Lakes Corridor Development Corporation is taking a leadership role in building public-private partnerships needed to plan and executing the Five by Five Campaign, an effort to reverse this chronic population loss and drive a 5 percent increase in population over a five-year period of time, 2017 to 2021.

Learn more about the Five by Five Campaign and the Iowa Lakes Corridor at www.lakescorridor.com.

Be one of the 100,000 film loves who unite in over 250 cinemas, museums, universities, and more, across 6 continents for one purpose—to view and vote on the Finalists' Films in the 19th Annual Manhattan Short Film Festival.

This year, Manhattan Short received 844 entries from 52 countries from which 10 finalists were selected. These 10 short films will screen more than 800 times in over 250 cities on six continents during the week of September 23 – October 2. And the judges of these films are you, the audience. On entry to each venue, you will be handed a ballot card that allows you to vote for the best short film at the conclusion of the program. You'll also be asked to cast a ballot for the best actor on the same card. Votes will be sent to Manhattan Short's headquarters and the winner will be announced at ManhattanShort.com on Monday, October 3 at 10am EST. The world's directors and actors anxiously await your decision!

All are welcome Friday, September 30 at 6:30pm at the Pearson Lakes Art Center to see the Manhattan Short Film Festival in the Lauridsen Performing Arts Theatre. Sue Foley Performs at the PLAC

Sue Foley is a multi-award winning musician and one of the finest blues and roots artists working today. She spent her childhood in Canada, mesmerized by her father's guitar and started her professional career at sixteen. By twenty-one, she was living in Austin, TX and recording for Antone's—the esteemed record label and historic nightclub founded by blues aficionado, Clifford Antone. Foley's first release, Young Girl Blues, quickly rooted her out on the road—working and sharing the stage with legendary artists such as BB King, Buddy Guy, Koko Taylor, and Jimmy Rogers. She won the prestigious Juno Award (Canadian equivalent of the Grammy) for her CD, Love Coming Down in 2000 and holds the record for the most Maple Blues Awards (seventeen) as well as three Trophees de Blues de France. Foley also garnered several nominations at the International Blues Music Awards in Memphis, TN.

Foley is an accomplished and award winning songwriter. Her music has been featured in the major motion picture You Can Count On Me, and she contributed the theme song, "Two Trains," for the internationally syndicated television series Just Cause. She has been featured numerous times in major print publications including The New York Times, The Los Angeles Times, The Toronto Globe and Mail, The National Post, Downbeat and Mojo Magazine, and has performed and been featured on nationally syndicated radio shows: House Of Blues, Sirius-XM's BB King's Bluesville, CBC's Saturday Night Blues, NPR's Mountainstage, West Coast Live, Kentucky Woodsongs and Beale Street Caravan.

In 2001, Foley started a project called Guita Woman based around dozens of interviews she conducted with the world's leading female guitarists. For eight years she wrote articles, organized and promoted concerts, and worked on a book—fueling her passion for gender studies in music and her desire to bring the work of great women guitar players to light. Guita Woman entered a period of dormancy from 2009-2015 while Foley pursued several musical collaborations and returned to university to get her graduate's degree.

When she's not recording or performing internationally, Foley is an Assistant Professor of Music. Her specialty is teaching courses related to the roots of American music, creativity, musician entrepreneurship, and empowering women musicians. In her spare time, she studies the cello, reads voraciously, continues to work on Guita Woman and is pursuing her PhD.

All are welcome Thursday, September 29, at 7:30pm at the Pearson Lakes Art Center to see Sue Foley perform live on the Lauridsen Performing Arts Theatre stage. Tickets are available for purchase, and more information can be found by calling our box office at 712-332-7013 or by visiting us on the web at www.lakesart.org.

Founded in 1965, the Pearson Lakes Art Center has focused on broadening horizons through the arts for more than 50 years. For more information or to become a member, please contact the Art Center at 712-332-7013, by email info@lakesart.org, or visit the website at www.lakesart.org.

Clay County Fair Kicks Off Nine Days of Blue Ribbon Fun

The Clay County Fair kicked off nine days of Blue Ribbon Fun on Saturday, September 10. Bringing more than \$150,000 in free entertainment, as well as more than 500 vendors that bring new and unique items to fairgoers, a variety of Grandstand acts, the world's largest ag show and more, the Clay County Fair will provide something for everyone.

Visitors to the Fair will enjoy discounted admission after 5:00pm every day except Tuesday, September 13 when admission is free for all fairgoers. This second annual Family Night, sponsored by the Spencer Chamber of Commerce, gives everybody the opportunity to see the Fair. Kids Day, sponsored by Medica, will give fairgoers under 18 free admission Friday, September 16. Other days throughout the Fair give different fairgoers opportunities for free or reduced admission.

The Fair will have Blue Ribbon Fun for all ages throughout the barns, including Grandpa's Barn, which will give fairgoers a chance to get up close and personal with animals from around the farm and other animals not often seen in Iowa.

Free entertainment can be seen throughout the grounds as different shows will begin every half hour 9:00am to 6:30pm. Shows will offer fairgoers all genres of music, as well as magic shows and local talents. Antique tractors and classic cars will also be on display for all fairgoers to see.

U.S. Cellular Grandstand entertainment will bring big-name performers to the area as well as three nights of dirt event excitement. Tickets are still available and can be ordered by calling 515-244-2771, going online to midwestix.com/organizations/clay-county-fair/ or going to the Grandstand Ticket Office, which opens at 10:00am every day.

The Blue Ribbon Scavenger Hunt will give returning and new fairgoers something to look for as they stroll around the grounds. People can take pictures with the banners around the grounds and take the photos shared on social media to have the opportunity to win a prize from the sponsor Sleep Number.

Other Blue Ribbon Fun includes daily competitions for more than 850 4-H and FFA exhibitors and their 2,300 animals as well as increased number to the open class exhibitors. In addition to the livestock are 30 acres of agriculture displays, making the Clay County Fair the largest ag equipment and farm machinery show at any fair in the United States.

The Art Barn will host local artisans, as well as have fairgoers become the artists of this year's Mural Project. Fairgoers can decorate a tile of Grant Wood's "Spring in the Country" and see the pieces of tile become the piece of art.

Saturday, September 17 has become Science Saturday for fairgoers to experience hands-on science experiments and discover different sciences, sponsored by Iowa Lakes Community College.

The GoldStar Amusements Midway will offer Blue Ribbon Fun for all ages. The Midway will open at 10:00am Friday, September 16-Sunday, September 18. It will be open 4:00pm Monday, September 12-Thursday, September 15. Wristbands are available for the nine days, as well as single-day wristbands for Saturday or Sunday. Farm Market News

Located at Dickinson Co. Fairgrounds
 15th Street & Peoria Avenue, Spirit Lake, Iowa 51360

Fall is the perfect time for homemade soup and Lakes Area Farmer's Market has many great vegetables for soup making. On Saturday, September 17, we are celebrating fall with Souper Saturday. Various vendors will be making soup using some of their products. For \$2.00 you can rent a cup and taste the different soups. Then use your poker chip to vote for the soup you like the best. Voting will end at 11:00am and the winning vendor will be awarded a traveling trophy and will have bragging rights for the next year. Many vendors share their recipes so you can make your favorite soup at home using fresh products from the market. The following recipe is for the winning soup from last year.

Squash Soup
 1 (4lb.) butternut squash
 1 small onion, diced
 2 tablespoons butter
 32 ounces chicken broth
 1 cup water
 1 large Granny Smith apple, peeled and diced
 1/2 teaspoon salt
 1/4 teaspoon pepper
 1/3 cup cream
 Halve squash, remove seeds; place in a pan, cut side down, and bake in a 350 degree oven for about 1 hour or until soft. Meanwhile, cook the onion in butter in a frying pan until golden brown. Add chicken broth, water, and apple. Simmer until apple is soft. Scoop flesh from baked squash and add to broth, apples, and onions in a large pot. With a hand blender, blend the soup until creamy. Add salt, pepper, and cream; blend together. Simmer until hot. Serve topped with shredded parmesan cheese, crumbled cooked bacon, or a dab of sour cream.

This recipe was given to the winner by a customer at the Arnolds Park market. This is the last week for the market in Arnolds Park. All of the vendors there would like to thank the loyal customers who showed up each week. We look forward to seeing you next year. In the meantime, visit us in Spirit Lake until October 15. Lakes Area Farmers Market is located on the fairgrounds in Spirit Lake and is open Wednesday and Saturday from 7:30am to 12:00 noon. We hope to see you soon.

Seasons Center Receives Grant to Sponsor Free Kid's Carnival

With funding from the Iowa Department of Public Health, Division of Behavioral Health, Seasons will be joining State and national efforts in support of September - National Recovery Month. The theme for this year is, "Join the Voices for Recovery: Our Families, Our Stories, Our Recovery!" The purpose of Recovery Month is to increase awareness and understanding of mental and substance use issues and celebrate the people who recover.

On Thursday, September 29, from 4:00-6:00pm, Seasons will sponsor a free kid's carnival in Spencer at the Grand Avenue Park on Spencer Hospital's lawn. At the free carnival, Seasons will have information on prevention and treatment, as well as carnival games, an inflatable, popcorn, and more! The carnival is open to the public. Throughout the month of September, Seasons will be publishing educational messages, articles, and resources related to Recovery Month on social media.

"We are appreciative to Iowa Department of Public Health for this grant funding and the opportunity to join efforts across the state of Iowa and the nation to promote recovery," says Kim Scorza, Executive Director.

Sign Up To Read The Constitution

DAR Regent Mary Thunhorst is calling on lakes area residents, including youngsters, to join members of the Ladies of the Lake Chapter of the Daughters of the American Revolution and the library staff in reading the Constitution aloud on Saturday, September 17, at the Spirit Lake Library.

Each reader will take a ten minute turn at reading the document between 10:00am and 1:00pm.

A sign up sheet is available at the library, 702 16th Street. Interested persons can also contact Mrs. Thunhorst, travelinmary25005@q.com, 712-336-0240. The Library has created a display and there is a poster picturing a number of the 2015 readers.

This library "Read" is a part of the National Constitution Week Observance which is held annually from Sept. 17-23. Bells will ring across the country on Saturday at 4 p.m. The local DAR Chapter invites churches and schools to make special arrangements to join in the bell ringing.

"In this election year, it is especially important to know what the Constitution really says about issues that concern us," comments Regent Thunhorst. She will be playing a board game, "Constitution Quest," at Hawkeye Care Center, Spirit Lake, on Friday, September 16, for residents, their family members and friends who are interested. She is also contacting schools to arrange student "readings" at special events.

Today, the United States functions as a Republic under the United States Constitution which was adopted by the 13 original states between 1787 and 1790. It is the oldest document still in active use that outlines the self-government of a people and stands as an icon of freedom for people around the world.

The Daughters of the American Revolution initiated the celebration of the Constitution many years ago and in 1955 petitioned Congress to set aside Sept.17-23. It was signed into Public Law #915 by President Dwight D. Eisenhower in 1956. The DAR is a patriotic, not a political organization, and the week is one of its many projects to encourage appreciation of our history. All Ladies of the Lake programs are open to the public.

Team WAVE Beautification Committee

Fall is in the air and the Arnolds Park Beautification Committee is winding up a very busy summer. Thanks everyone who supported Team WAVE by donating to their fundraiser, pulled weeds and maintained beds, or helped with the youth groups this summer. Also, thanks to Northwest Bank, Cottage Gardens, the Bible Conference, and Forrest Ridge High School who partnered with Team WAVE throughout the year.

Many positive comments were made about the beautiful hanging baskets. One of the new projects for next spring is to add more baskets between the walking and bike paths that go from Broadway down to the waterfront. In order to fund this expansion, individuals and businesses are being asked to sponsor a new basket for \$75. You can call City Hall at 712-332-2341 to sponsor a basket.

Another tree sale will be offered in the spring. Team WAVE has applied for a grant, "The Power of Trees," offered by Black Hills Energy which allows them to purchase good sized trees and sell them back to the community for \$25 each. There is usually a limit of two trees per family. So, when you are working on your yard this fall, plan to add a couple of trees next spring.

Team WAVE still has a lot of maintenance this fall and are always looking for volunteers. If you have some time, just call City Hall at 712-332-2341. It's a great way to make new friends and beautify our City!
