1992 FORD F-150, 155,000 miles, a good truck for parts or for fixing/rebuilding. Decent body condition except for damage to the right rear of the vehicle. The pickup bed, the right end of bumper, and the right end of the tailgate are all damaged, but the cab, doors, and front end looks good. Straight six engine needs minor work. There's a small radiator leak, but the engine has never overheated. Small transmission leak also. Interior is in fair condition with a decent headliner, no dashboard cracks, and only slight wear and tear on the seat fabric. A full-width toolbox is included in the price. The heat and air conditioner were still working the last time it was driven. The vehicle will not start because of a bad fuel filter or possibly a bad fuel pump. It will need to be towed or hauled. Title is clean and clear, \$800. Call, (931)636-9606.
