**Northwest Ag Supply, LLC Partners Exclusively With Channel Seed**

A prosperous harvest starts with the right seed, which is why Northwest Ag Supply, LLC is excited to announce their exclusive partnership with Channel Seed. As harvest season approaches, the team of agronomists is ready to continue providing top recommendations and believes this partnership will only increase the potential of each field they work with.

"We've decided to partner with Channel Seed because they understand what it takes to grow a great crop, and are wholeheartedly devoted to each individual field by way of Seedsmanship," said Kyle Vogt, Vice President of Operations at Northwest Ag Supply, LLC.

According to Channel Seed, the heart of Seedsmanship is doing right by you and your farm, beginning with customized service and ending with elite seed products to best match your fields and your needs.

"Our dedication to your fields mixed with Channel Seed's dedication to Seedsmanship is the perfect combination for success," said Vogt.

Also amidst this new partnership, Northwest Ag Supply, LLC is in the process of building a new fertilizer plant, set to be completed at the end of September, and are hosting an open house on Friday, September 30, from 10:00am-4:00pm for anyone to tour the plant and enjoy a complimentary lunch from 11:00am-1:00pm.

## View From The Bench

by John Adams, Jr.

### Hawkeyes Humbled

I tried to warn my Hawkeye friends of the dangers of playing North Dakota State all last week, as two years ago I watched the Bison fall behind Iowa State 14-0 before totally dominating the second half on their way to a 34-14 victory. Granted, that was not a very good ISU team, that NDSU team that year had first round NFL draft pick Carson Wentz at quarterback along with several other key players who are no longer with the team, and this Iowa team was ranked #11 and appeared to be every bit as good as last year's 12-2 team. It apparently doesn't matter when you're playing the Bison, as this team expects to win, having won five straight (I was mistaken last week when I wrote they had won three straight) FCS National Championships, and they are not intimidated by any FBS team, having now won their last six meetings with Power 5 teams. Iowa's worst nightmare came true this past Saturday as NDSU kicked a last second field goal to shock the Hawkeyes 23-21.

Those who watched the game (I watched most of it as the ISU/TCU game was over by halftime) know that this win was not a fluke, as NDSU was definitely the better team on Saturday. The Bison were able to beat Iowa at their own game, playing hard-nosed football while dominating the line of scrimmage, especially in the second half. How about these for 2nd half rushing numbers; NDSU 203, Iowa -7, yes that's actually minus 7 rushing yards for a team that prides itself on running the ball down your throat. NDSU won every main statistical battle on Saturday; first downs (21-12); rushing yards (239-34); total yards (363-231) and time of possession (36:40-23:20). The scary thing for Iowa is that NDSU did not appear to be the dominant FCS team coming into this game that they have been, playing with an inexperienced sophomore quarterback while winning home overtime games against FCS opponents. The Bison, however, apparently grew up a lot during those first two games as they came into this game fully expecting to win and executed perfectly most of the game.

The good news for Iowa is this loss doesn't hurt you regarding the BIG race unless they don't learn from it. It does knock Iowa out of the BCS Playoffs, but did any of you really think that they would make it that far? Iowa still has a very good team that is capable of winning 8-9 games this season but they can't play like they did Saturday or they will be looking at a 7-5 season. The Hawks can't get predictable with their play calling like they did in the second half, especially in the fourth quarter where they totally played to just not lose the game once they got the lead. Iowa should bounce back with a road win at Rutgers and home win against Northwestern before a huge road game against Minnesota. Iowa can't hang their heads from this loss, as FCS teams often beat or compete with Power 5 teams (ask Iowa State or Wisconsin, who had to rally to beat an 0-2 Georgia State team). North Dakota State is FCS in name only, as for some reason they get players who are overlooked by their neighboring state's main programs (Minnesota, Iowa, Iowa State) and fit these players into Division I FBS caliber teams. The Hawks just can't let this loss turn into more losses down the road, which will be coach Kirk Ferentz's main job these next few weeks, as he will have to earn some of that \$49.5 million that Iowa just gave him to coach through the 2025 season. For those fans who want to see another great college football game, the Bison will return to Iowa on October 29th to battle it out in the UNI-Dome with the Panthers at 7:00PM in a game that will feature two FCS teams who are 2-0 against the State's Power 5 teams.

## LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

### To The Editor:

It was nice to see the picture and article about Tim Fairchild, a candidate for Dickinson County supervisor this November, in last week's shopper. Although I am not in Tim's district, I want to comment on his candidacy. I have known Tim and Julie and their family, socially, since 1991. Their kids were 2, 4, and 6 when I first met them, and now all three are successful adults with families of their own—lots of good examples and parenting skills from Julie and Tim. I am a Spirit Lake Kiwanian and have been to the Terril Kiwanis meetings. Many times one of them, or both of them, were in some type of leadership role. The Lakes News Shopper told us many things Tim has been involved in or leading as a member of the Terril community. As friends sometimes do, I totally missed their move to Milford. Normally, I stopped to see them at their shop in Terril, where Julie and I could have a great conversation. Sometimes Tim, if he wasn't busy, could join us for a little while. At other times, Julie and I could meet, accidentally, at some shop in this area. I know they are both dedicated adults, no matter what the project, goal or dream. They are caring partners, not only for each other and family, but for the common good of all people. Tim will make a great supervisor. Please vote for him—he will make his constituents proud.

## Citizen of the Years Nominees Needed

Kiwanis is looking for deserving people in the community that have dedicated years of volunteer service to others. This is a very distinguished honor that the Spirit Lake Noon Kiwanis has bestowed upon area residents, every year, since 1949. To nominate an individual, this person must have given of themselves tirelessly and unselfishly to make this a better community. Please remember this award is open to any resident that has these attributes of volunteerism. If you know of someone that you would like to be considered, please contact Susan Clark at 320-2939 or email: [sloonkiwanis@gmail.com](mailto:sloonkiwanis@gmail.com) for a nomination form. Deadline is November 10.

ALL SMILES—Sophie LaDoux of Spirit Lake, with a 12 pound Walleye caught on September 10, 2016. It measured 24 inches long.

## OSHA 10 Hour Industry Update Course Being Offered Through ILCC

The Occupational Safety and Health Administration (OSHA) was created in order to assure safe and healthful working conditions for working men and women by setting and enforcing standards and by providing training, outreach, education and assistance.

This program provides the information required for compliance with OSHA. Its purpose is to promote workplace safety and health and to make workers more knowledgeable about workplace hazards and their rights. ## DAR to Meet In Estherville

The September 27 meeting of the Ladies of the Lake Daughters of the American Revolution will be held in Estherville. A carpool will leave from the United Methodist Church parking lot at 10:30 for the noon luncheon.

Guest speaker at the 1:00pm program will be Estherville Post's Gilbert Amdahl who was named "Outstanding Veteran Volunteer" by the state organization of the Daughters of the American Revolution in 2014. His wife Bonnie is an Honorary Regent of the Ladies of the Lake DAR and has been recognized by the Chapter for her many patriotic and civic contributions. Also on the Estherville program will be a presentation by the Estherville Public Library Staff on the library's Genealogy Project to which the DAR Chapter contributed. # Help Wanted: APPLY WITHIN

Once again we are amazed to see Christmas merchandise in retail stores in September — at pretty much the same time most of the Halloween candy and costumes are on the shelves, almost two months early, as well. So it must be that time again, too, when area bands and choruses begin rehearsals for their upcoming holiday concerts.

By the time you see this, the first rehearsals for *The Northwest Iowa Concert Band and Jazz Band* will already be in the books. But we're betting that Rich Nicklay and Scott Benjamin would welcome you starting next Monday night, should you have some experience and an instrument that might otherwise be gathering dust.

Rehearsals for the jazz band begin at 6:30 each Monday night, with the concert band beginning an hour later, each week through the Pre-Holiday Concert on November 14th. While there are no December or January rehearsals, both bands will get ready for their April 17th spring show beginning February 13th.

All sessions are held at the Estherville Middle School - High School on 15th Street. Enter under the canopy through the gray door (Not Jim Lowe's Green Door) to the classroom — instead of through the main building.

Similarly, the *Many Voices Choir* will begin practices for its Christmas concerts next Monday, the 26th. These will be held in the ILCC music room in Estherville, starting at 6:30 each Monday night.

Either way, you might want to plan on a brief 'social session' following the rehearsals — as well as the concerts...

**The numbers are 5, 2 and 3.** The rest of the story is that Spirit Lake High School band director Tyler Pedersen says congratulations are in order for *The Force*, the SLHS marching band, following Saturday's Marching Classic in Waseca, Minnesota.

*The Force* placed 5th overall in Class AA, with the Color Guard placing second overall. And the ensemble's marching execution score placed them 3rd overall.

The season for *The Force* continues this Saturday, at Sioux City's Starfest, then skips a week before doing two competitions in one day on Saturday, October 8th, in Sheldon and Orange City. The marching season concludes with an indoor marching concert on Tuesday, October 18th.

**Glenn Henriksen should be sufficiently recovered** from nine very full days at the Clay County Fair to resume his Tuesday night Spirit Lake house concerts this week.

Next week he'll be on the road to what is billed as "Pure Scandimonium!," the Norsk Hostfest, in Minot, North Dakota, for three shows each day. Then Glenn will make another stop for a community concert in Stanley, North Dakota, on the return trip. Glenn will also be appearing as a part of the Leif Erikson Festival at the Danish Cultural Center in Minneapolis, on Sunday, October, 9th...

**The ever-busy Itty Bitty Boji Band** will be taking the stage at Table 316 in Arnolds Park Wednesday night, from 7 - 9:00.

Again we note that Estherville is apparently the place to be, as the *IBBB* will be performing at the Good Samaritan Society in Estherville, for the Annual Benefit Dinner to be held at the Elks Lodge, next Thursday, September 29th.

In addition to playing from 5 - 6:00, before a brief program, Bill and Mel will play during the dinner hour. Reservations are required, and can be made by calling Good Sam at 712-362-2070...

**One more once...** Estherville's VFW Auxiliary supper the night before (Wednesday, September 28th) will feature *The Side-Kicks* — Susie Jensen and Gene Kaltved — with a selection of traditional country and Gospel music. The event runs from 5 - 7:00...

**The well-known band TBA** is returning to the Little Swan Lake Winery Thursday night. What we learned just before deadline is that the band will be playing music with a Mexican flavor, as the menu for the Thurs-Thursdays is Bison Tacos.

We have to wonder if the bison spoke Espanol...

Things should revert to a more normal situation Sunday, when Dave Rowley and Ryan Sather return to the stage in the barn from 4 - 6:00.

(On second thought, there's nothing "normal" when Dave and Ryan are on stage.)

Stagerat Stan tells us that Ryan Kisor and his band should be returning to the Winery on at least one Thursday in each of the next three months — October 20th, November 17th, and December 22nd...

**While many people probably won't remember Gogi Grant's 1956 hit Wayward Wind** (is a restless wind), research director RD explained in an email this week that the song was at the top of the charts 60 years ago.

This all came about after RD found that Gogi was born on this day in 1920. You can listen to many versions of *Wayward Wind* on YouTube. Gogi's is the classic.

For whatever reason, much of RD's work for this week dealt with cartoon characters. J. Troplong Ward, whose name is probably as unfamiliar to many as Gogi Grant's, was born just a day after Grant. Ward created and produced several animated television cartoon shows, including characters such as Crusader Rabbit, Rocky & Bullwinkle, Dudley Do-Right, Peabody and Sherman, Hoppity Hooper, George of the Jungle, Tom Slick, and Super Chicken.

Jay Ward Productions even designed the trademark characters for the Cap'n Crunch, Quisp, and Quaker breakfast cereals and made TV commercials for them.

Dumbo is another cartoon character of note this week, as RD says Thursday is Elephant Appreciation Day. One of Disney's most successful animated efforts of the day, the *Dumbo* cartoon was released in the fall of 1941, with some great music.

Recalling Victor Borge's phonetic punctuation routine, which is also available on YouTube, RD reminds us that Saturday is National Punctuation Day, the day set aside to salute the unsung and under-appreciated heroes of our lives — teachers.

NPDday founder Jeff Rubin wants you to write a thank you note, "to a teacher who changed your life, someone who brought into focus a subject you hadn't previously understood, or introduced you to something that became your passion."

Rubin encourages you to enter your note expressing your gratitude -- in no more than 250 words -- in a contest for which the deadline isn't Saturday, but October 31st. While you have plenty of time, don't wait 'til Halloween.

Make your entry personal. Identify the teacher, subject, school, grade and community. Winners will be announced before the end of the year. Emails should be sent to: Jeff@NationalPunctuationDay.Com Check out Jeff's website, NationalPunctuationDay.Com

**All the news that fits we print.**

## Farm Market News

Located at Dickinson Co. Fairgrounds  
15th Street & Peoria Avenue, Spirit Lake, Iowa 51360

Souper Saturday was enjoyed by all. Eight vendors made soup and around 75 voted for their favorite. The winner of the traveling trophy was Terri at T. J.'s Hen House with her Italian Vegetable with Sausage Soup. Congratulations to her. This week, the Lakes Area Farmer's Market features our baking vendors. We currently have 5 vendors who make baked items. Two baking vendors, Baked by Paula (gluten free and sugar free treats) and Cindy's Cookies (decorated cookies) have ended their season but will return next year and Paula will be at our Winter Market in December. Other bakers are still active this year. The Bread Man has a variety of yeast breads and beer breads, as well as zucchini, banana, and other quick breads. Diana Heins makes a large selection of items from pies to bars. Check out her variety. The Kookie Lady has many different cookies, quick breads, and snack treats. She will even let you mix varieties in your dozen of cookies. Terri, at T. J.'s Hen House uses their farm fresh eggs to make delicious angel food cakes and desserts created from angel food. Mr. and Mrs. Fudge combine to bring you cinnamon rolls, pies, cookies, and, of course, award-winning fudge. The Popcorn Man treats us each week with caramel corn and soda cracker toffee. Try some, it is sure to please. June Bruns makes delicious pies from her own fruit and Rowaida at Proper Delicious may have rolls, cookies, or bars. ### Superior Marsh

It was May 20, 1996, when the Dickinson County Conservation Board decided to purchase a 40-acre piece of property quite a distance from its headquarters.

What is now known as Superior Marsh is located 1.5 miles northeast of Superior and 1.5 miles east of Swan Lake and originally included 31 acres that was part of the Conservation Reserve Program. The approximately \$20,000-purchase also received a Wildlife Habitat Stamp Fund grant for \$5,689 and major contributions from Dickinson County Pheasants Forever.

A land management plan was put together, and the Dickinson County Conservation Board's new property was accepted into the Natural Resources Conservation Service's Wetland Reserve Program. Work began in 2001 with shallow water excavation --- removing surface material to create a shallow pool --- and continued with the seeding of a mix that included natives such as big bluestem, sideoats grama, black-eyed Susans, gray-headed coneflower, purple prairie clover and more.

With both wetland and upland areas on the small parcel, Superior Marsh makes for wonderful habitat for a variety of species including amphibians, turtles, songbirds, waterfowl and small mammals.

The park is open to public hunting and is a great place for avid birders to check species off their bird lists. The different habitats on the land also offer spectacular photographic opportunities, from capturing avian species in flight to flowers blooming and the vibrant sun shining down on native grasses.

Superior Marsh is the perfect place to hike off the beaten track. Prairie and wetland vegetation flourishes in the area, so make sure to wear a pair of waterproof boots when traipsing across the land.

To find Superior Marsh, located at 3380 130th Street in Superior, take Highway 9 east of Spirit Lake and turn north onto 340th Avenue just east of Superior. Drive for about two miles and the park will be at the corner of 340th Avenue and 130th Street with the parking lot located just west of 340th Avenue.

With eight parks and even more public areas, the Dickinson County Conservation Board has a variety of gems for the public to explore to help foster an appreciation of the natural world. Learn about each of these parks at [www.dickinsoncountynaturecenter.com](http://www.dickinsoncountynaturecenter.com) and see a new series of Youtube videos on each park, coming out periodically in 2016. Check out the Superior Marsh video on the DCCBNaturecenter Youtube channel.

# Obituaries

A Mass of Christian Burial for John Halbur, age 67, of Milford was held Friday, September 16, 2016, at St. Joseph Catholic Church in Milford. Burial was at Calvary Cemetery in Milford.

John Joseph Halbur was born November 17, 1948, in Milford, to Clarence and Lenora "Jo" (Lowry) Halbur. He spent his childhood attending school in various districts around the area until he graduated from Milford High School with the class of 1966. He attended Iowa Lakes Community College and graduated from there in 1969. He then proceeded to get a job with the elevator in Corwith, Iowa where he met the love of his life, Loretta Johnson. They were married at St. Mary's Catholic Church in Corwith on February 5, 1970, while John was on leave from the Army.

John was drafted into the Army in September of 1969. He served as a cook stateside during the Vietnam War until April of 1971. From his union to Loretta they were blessed with six children and later the addition of two nephews, David and Bruce. In June of 1980, John started his own business, John's Tire Service, in a barn located on the north side of Milford. He later moved to his current location next to Jowaco in November of 1980 and worked this business until he became ill.

John was a member of the St. Joseph Catholic Church and was a very active volunteer. He also belonged for many years to the Knights of Columbus serving as Grand Knight for a time. The job he enjoyed most was training altar servers. Some of John's interests were enjoying his grandkids and family, watching the Chicago Cubs and playing Scrabble. He often volunteered at St. Joseph Catholic Church with funerals, making cinnamon rolls for various fundraisers and their Thanksgiving dinners.

John passed peacefully in his sleep on September 9, 2016, at Spirit Lake Hospice.

He is survived by his wife of forty-six years, Loretta; children, Tony (Jamie) Halbur of Rock Valley, Iowa; Drew (Jeremiah) Halbur of Chicago, Illinois; Anna (Larry) Dash of Des Moines, Iowa; Faith (Jesse) Garcia of Milford, Iowa; Alex (Nicole) Halbur of Des Moines, Iowa; Mary (David) Schaefer of Chicago, Illinois; David (Amanda) Halbur of Estherville, Iowa; and Bruce (Amber) Halbur of Ames, Iowa; grandchildren, Morgan, Kailie, Darin, Hayden, Cameron, Jay, John, Aaron, Ben and Alisha; brothers, Richard Halbur of Palm Bay, Florida, Gerald (Ann) Halbur of Hilliard, Florida, and Earl (Tinna) Halbur of Hartley, Iowa; sisters, Carol (Tim) Kester of Clearwater, Nebraska and Florence Taplin of San Antonio, Texas; numerous nieces, nephews and in-laws.

John was preceded in death by his parents, Clarence and Jo Halbur; brother, James Halbur; sister-in-law, Yvonne Halbur and nephew, Steffen Taplin. Turner Jenness Funeral Home was in charge of arrangements.

## Women's Faith Event Coming to Sioux Center

Three well-known area women will bring their humor, inspiration and heart to Sioux Center this fall to bring a message of hope, healing and understanding to women interested in cultivating their spiritual lives.

"Overcomer" is a new event and will take place on Saturday, September 24, from 9:00am to noon at the Dordt College Auditorium. The morning-long format will accommodate busy fall schedules, giving women a strong dose of reality-based spirituality in a short time, leaving the rest of the day free.

Leading keynote speaker will be Pat McGill, founder and president of McGill Speaking and Training Resources. A former middle school teacher and adjunct professor of human relations, she holds a master's degree in education from St. Mary's University in Minnesota. She's convinced, however, that her talents are rooted in her Midwestern upbringing, Irish heritage and an early adventure in pageantry.

"Before being named Miss Congeniality in the Miss South Dakota Pageant, I tripped upon entering the judging room, then fell down," she said. "...but I got up and asked if they wanted to see more. They did, and I've been tripping up ever since—learning lessons and passing them on."

Next up will be Joleen Frideres, owner and manager of Courageous Life Coaching in Emmetsburg, Algona and Clear Lake. A therapist and life coach from Wesley, Iowa, she has been helping people live happier lives for 30 years. Living her passion and life purpose, she counsels individuals, couples and families all over the nation via Skype.

She is an inspirational writer and speaker, university instructor and life-long learner who will inspire attendees to "live life more fully...by overcoming fear."

Closing keynote speaker will be Karen Schwaller, owner of Schwaller Agri-Stories. Schwaller is a farm wife and mother, author and speaker who takes her farm story on the road, sharing stories of humor and womanhood, tragedy and triumph.

"I think people need to be uplifted—to have hope—and hope is best served through humor and real-life stories that show other people they are not alone when life places them in tough situations or uncertain circumstances. A farm is a great teacher of life," said Schwaller.

"Overcomer" is open to women of all ages. Cost for this event is \$20 per person, and light refreshments will be served. To pre-register for this fun and faith-filled women's event, please email any of the speakers with the number attending from your group. Those emails are as follows: [patmcgill5@gmail.com](mailto:patmcgill5@gmail.com), [kschwaller@evertek.net](mailto:kschwaller@evertek.net) or [liveyourbestlifeflow@q.com](mailto:liveyourbestlifeflow@q.com).

**Aktion Club Encourages Participation**  
Aktion Club of Spirit Lake will be reorganizing their club in hopes of making the meeting time and place easier for past members and encourage new members to participate. The next meeting will be held Friday, September 23, from 4:30 - 5:30pm at the Bedell YMCA conference room. Aktion club is a community-service group composed of adult citizens who live with "special" abilities.  
Aktion Club doesn't only give these adults the opportunity to participate in giving back to their community but also helps to develop mechanical, creative, and intellectual abilities. It helps develop social interaction, improve self-esteem, develop leadership skills, and achieve personal and service goals.  
Aktion Club will have advisors from Spirit Lake Noon Kiwanis and the Bedell YMCA to ensure that they will be successful in conducting their meetings, setting up service projects, planning fundraisers, and making decisions on the disbursements of the funds they raise.  
The goal is to meet once a month unless we should have a special project that we are working on.

## Mass for Theodore Christensen

Theodore James Christensen, originally from Milford, passed away on August 22, 2016, in California. A memorial mass will be held at St. Joseph Catholic Church on September 24, at 10:30 am with a luncheon to follow.

## Anonymous People: Many Faces One Voice

September is National Recovery Month. It is a time to let people know prevention works, treatment is effective, and recovery is possible. For the estimated 23 million American adults, about the population of Texas, that are in recovery from addiction it is a time for celebration and reflection.

Recovery is not easy. For some people it is a constant battle but it is important to acknowledge recovery is possible. And with recovery there is hope. Recovery does change lives. That is encouraging news for the individuals, families and communities who are touched daily by alcohol and drug addiction.

Compass Pointe Behavioral Health is hosting an event in honor of National Recovery Month. The movie "Anonymous People" will be shown at 4:30pm on Sunday, September 25, at the Riviera Theatre in Emmetsburg. The ninety minute documentary film shares personal stories of the many millions of Americans living in recovery. The once silent voices and hidden faces of recovery step out of the shadows "to fuel a passionate new public recovery movement that will transform public perception, and ultimately the response to the addiction crisis...Forever".

Following the movie, there will be a light lunch, discussion and celebration. Join us at the Bethany Lutheran Church, 703 Broadway, 2 blocks north of the movie theatre. The event is free and open to anyone who cares to learn more about the recovery movement and join the discussion to increase community support.

Would you like to learn more about recovery as told by the people who live it every day? Would you like to join the discussion on how communities can offer support for the recovery process?

All are welcome at the Rivera Theatre, 2209 Main in Emmetsburg at 4:30 on Sunday, September 25. The door is open to all interested persons from Northwest Iowa communities. Questions please contact Compass Pointe at 712-262-2952 or email [preventioninfo@compass-pointe.org](mailto:preventioninfo@compass-pointe.org)

## Many Voices Choir To Practice For Christmas Concert

The Many Voices Choir of Estherville, will begin practices for Christmas concerts, September 26, at 6:00pm, at Iowa Lakes Community College Music Room, in Estherville.

There will be a social gathering at Mother Natures restaurant, after the practice.

Come and join this fun group, if you like to sing. They welcome any new members.

## Retired Nurses Get Together

These retired nurses got together to talk about old times: Jan Frisbee from Lake View, Pat Fedders from Milford, Bonnie Bright Crisman from Sioux City formerly from East Okoboji, Donna Cargin from Worthington, Minnesota, Joyce Walker Boles from Spirit Lake, Twila Cleveland from Lake View, Iowa, and Colleen Clevering Lemkuil from Spirit Lake. Many of the class of 26 gather every year. There has been a round robin letter going for 52 years with 20 nurses in the envelope that arrives with pictures and letters around every 9 months. We are happy to get together. Yes, we are all 73 years old and graduated in 1964. At the time we went to nurses training we were affiliated with Morningside College. We have a lovely lunch at Miner's. We were expecting a few more nurses; some live far away in Spokane, Washington, etc.

## Tales of Tails

Remember when Dickinson County had numerous Terril Tigers before rural economical change resulted in fewer students necessitating school reorganization? The Tigers of Terril were known for their academic and athletic achievements. Now the Humane Society of Northwest Iowa has two Tigers waiting for adoption. They may not have come from Terril, but they are intelligent and healthy "tails."

The male Tiger is a large grey and black tabby whose loving owner could no longer adequately care for him. He is a house cat with his front paws declawed. This Tiger loves to be held and enjoys sitting on window sills watching the great outdoors. He is good with small dogs but hasn't been tested with larger ones. Being a little self-centered he's not always okay with other cats. He prefers to be the center of his owner's attention. Here's a Tiger that would make someone a loyal companion enjoying attention and cuddling.

Tiger, the female, is more appropriately colored, a large orange tabby, that also loves to cuddle. She gets along with everyone enjoying both human and feline companionship. She's actually sort of a "nosy neighbor" for she likes to explore and share everyone else's food and cage here at the shelter. This Tiger is a very social animal who is extremely easy to get along with. She readily bonds with everyone appreciating attention and reciprocating with love. Both these Tigers are patiently waiting for forever homes...and they don't have to be in Terril!

Remember... "In a perfect world every animal would have a home, and every home would have a pet."

Call the Northwest Iowa Humane Society at 712-338-2738 or come see the animals at 607 28th Street, just north of Milford - open Thursday through Sunday, noon to 6:00pm.

## Jeff Plagge Appointed to Federal Reserve Council

Jeff Plagge, President and CEO of Northwest Financial Corp. in Arnolds Park, IA, has been appointed to the Federal Reserve's 2017 Community Depository Institutions Advisory Council.

The Community Depository Institutions Advisory Council (CDIAC) was established in 2010 by the Board of Governors to provide input to the Board on the economy, lending conditions, and other issues of interest to community depository institutions. Unlike the Federal Advisory Council, CDIAC is not a statutory body, but it performs a parallel function in providing first-hand input to the Board on the economy, lending conditions, and other issues. Members are selected from representatives of banks, thrift institutions, and credit unions serving on newly created local advisory councils at the twelve Federal Reserve Banks. One member of each of the Reserve Bank councils is selected to serve on the CDIAC, which will meet twice a year with the Board in Washington. Plagge serves as Chairman of the Chicago Federal Reserve CDIAC.

Jeff Plagge is President and CEO of Northwest Financial Corp., and is responsible for leading 2 bank charters within the Northwest Financial Corp. organization. This includes Northwest Bank of Spencer and First National Bank in Creston, IA. The two banks collectively hold \$1.6 billion in assets and have 23 offices throughout Iowa eastern Nebraska. Northwest Wealth Management, LLC is also a part of Northwest Financial Corp. Plagge has been very involved in the banking industry and recently completed his role as the Chairman of the American Bankers Association (ABA).

Northwest Bank is a \$1.4 billion community bank that offers a full line of business, agricultural, mortgage, consumer deposit and lending services as well as wealth management services. Northwest Bank has offices located in Algona, Arnolds Park, Ankeny, Estherville, Fort Dodge, Humboldt, Le Mars, Milford, Sioux Center, Sioux City, Spencer, Spirit Lake, West Des Moines, Iowa and Omaha and La Vista, Nebraska.

## People For Pets Hosts PETOBERFEST

People For Pets invites community members to join in the fun at PETOBERFEST, a night of cheers to support and celebrate the shelter and saving local animals.

PETOBERFEST will be an Oktoberfest event at the Spencer Community Theatre on Saturday, October 1, 2016, from 5:30pm to 8:00pm. Guests will enjoy German-style food, West O beer, a wine bar, live entertainment, door prizes, and photo booth fun. There will be many live auction items to bid on including a sunset cruise for 8 on a classic boat, a plane ride date around the lakes, handmade quilts, an outdoor fire pit, a golf package, and more. Event T-shirts and commemorative beer and wine glasses will also be available for purchase.

Tickets are \$40 each and include all food, drinks, and entertainment. Tickets are available now at the SCT box office and Farmers Bank in Spencer, and can also be purchased online via [www.peopleforpets.org](http://www.peopleforpets.org). All proceeds benefit People For Pets and help their rescue and outreach efforts to place homeless dogs and cats in their loving forever homes.

Director Donna Erickson says, "This is one of a kind event and the staff and volunteers are super excited. Our newly formed fundraising committee has spent months in preparation. There will be specially prepared food by some of Spencer's best cooks, and beer and wine are included in the ticket price... how awesome to have a great time while supporting our pets at the shelter!" PETOBERFEST is sponsored in part by Modern Woodmen/Candice Getting, Farmers Bank, EDP Renewables, and Barn Swallow.

People For Pets is a volunteer-run no-kill animal shelter and rescue. As a non-profit 501(c)(3) organization celebrating over 20 years of finding forever homes for deserving pets, we work with several area law enforcement agencies and vet offices, and network with approximately 30 other rescues, shelters and individuals who help us place our pets in their loving forever homes. Last year, over 170 dogs and cats were adopted. For more information visit [www.peopleforpets.org](http://www.peopleforpets.org).

**Spirit Lake K of C Tootsie Roll® Drive Nets Thousands**

The results are in and those Tootsie Rolls you might have received at Jennings Tow and Repair, HyVee, Fareway, Wal-Mart or Bomgaars Labor Day Weekend were part of a great cause. The local Knights of Columbus again distributed the sweet treats, with good-will offerings benefiting persons with intellectual disabilities.

The Knights of Columbus Tootsie Roll Drive is sponsored annually, with most of the donations distributed to Echo PLUS in Spirit Lake and Esterville. The funds will assist with the Echo PLUS mission of "Empowering People with Disabilities to make choices in their lives, work and dreams." And nearly a third of the funds will be designated specifically for Special Olympics.

Iowa Great Lakes Council 5043 is one of the most active in Iowa, in the past year contributing more than \$18,000 to local community needs, including ECHO Plus, Iowa Helping Hands Fund, American Wheelchair Mission, the Grotto of the Redemption, Cherish House, Lauren Schell's India Mission, Women of the Well Project, Honor Flight for Veterans, as well as to local family, community and parish needs. Local Knights sponsor annual youth events including the Free Throw Competition and the Knights of Columbus Spelling Bee.

The Knights of Columbus is an international Catholic family fraternal service organization with 1.8 million members in more than 14,000 local councils. Last year, Knights donated more than 71 million volunteer hours and \$173 million to charitable and benevolent causes, sponsoring projects to benefit their church, councils, communities, families and youth.

**BOSTON TO SEATTLE**  
Our journey begins September 1, 2016

Merrick and Stephanie McGinnis, a firefighter and Captain with the South King County Fire & Rescue and Port of Seattle Fire, respectively started their "Because Some Can't" journey to bike across the country on September 1st. On Friday, September 23, at 8:00pm the public is invited to a meet and greet at Rolling Oaks Barn in Spirit Lake. Merrick and Stephanie started planning this bike trip from Boston to Seattle 10 years ago and are doing so to raise money for five foundations including the Washington State Association of Firefighters Burn Foundation, the Seattle Brain Cancer Walk, the Pancreatic Cancer Action Network, the Northwest Parkinson's Foundation, and the Evergreen chapter of the ALS Association. "We are so fortunate to be able-bodied to make this trip possible. Many of our loved ones aren't as fortunate, though." The McGinnises contacted fire departments that have stations on their travel route and they plan to let fellow firefighters know about their cause as they travel. To follow their journey, visit their Facebook page "Because Some Can't". Donations are being accepted at www.becausesomecant.com or in person on Friday, September 23, at 8:00pm at the Rolling Oaks Barn in Spirit Lake.

# Local Farmers Help Spirit Lake CSD Win \$10,000 Grant

To feed the world's rapidly growing population and tackle many other global challenges, our country's next generation of leaders will need to be highly-skilled in the areas of science, technology, engineering and math (STEM). That's why the America's Farmers Grow Rural Education Program, sponsored by the Monsanto Fund, has awarded the Spirit Lake CSD with a \$10,000 grant.

The Spirit Lake CSD plans to use the funds to add equipment and materials to MS and HS Makerspaces. Makerspaces will provide additional educational opportunities for students.

"We are extremely pleased to be awarded this grant from the Monsanto Fund. We are thankful for our local support from our farming community that nominated us. Without them and a strong grant proposal written by Nancy Kriener, we would not have received it. The grant will really help jump start our Makerspaces," said Rick Reinking, K-12 STEAM Director.

Earlier this year, farmers in Spirit Lake, nominated the district for con-

sideration. After the nomination, the district developed its submission to enhance its STEM education offering through improving student Makerspaces. A group of science and math teachers reviewed each submission and selected Spirit Lake as a finalist.

Next, the Program's Farmer Advisory Council, which is composed of approximately 30 farmer leaders from across the country with an interest in agriculture and education, selected Spirit Lake for one of the Grow Rural Education Grants. Grant applications were judged based on the merit of the application, need and community support. The America's Farmers Grow Rural

Education program began in 2011. Since 2011, more than \$11 million has been awarded to over 700 rural school districts to enhance STEM education.

### Milford All-School Reunion

The quasiquintennial committee is planning to have an all-school reunion during Milford's 125th birthday party in July of 2017. In conjunction with this undertaking, we would like to update the All-School Reunion Chronicle that was printed in 1992 for the centennial and also add information for the 25 years that have passed since 1992. We would like any alumni who have been involved in planning class reunions in the recent past to volunteer to share their updated information with us. If you are or have been a committee reunion chairman sometime in the past ten years and have some updated information on your fellow classmates that you would be willing to share with us, please contact us at [milford125th@gmail.com](mailto:milford125th@gmail.com) or call Mary Dannatt at 712-338-4421.

### National 4-H Week 2016

"The leaves may be changing colors for Fall, but Dickinson County and the Lakes area will start to take on a special shade of green as we celebrate National 4-H Week" said Hannah Brockshus, County Youth Coordinator for ISU Extension & Outreach in Dickinson County.

Now is the time of year for youth to join and participate in 4-H, the youth development program of Iowa State University Extension and Outreach. Dickinson County will be celebrating 4-H Week October 2-8.

4-H is active in each of Iowa's 99 counties and empowers youth to reach their full potential through many different types of experiences including photography, music, woodworking, sewing, archery, livestock, and horticulture. Youth have fun while gaining valuable skills in communication and the arts, citizenship and leadership, science, technology, engineering and math, as well as healthy living by being involved in 4-H.

4-H grows confidence, creativity, curiosity, courage, character and much more in youth. 4-H allows youth to use the skills that they learn to go out and make a positive difference in their communities.

For more information about what 4-H has to offer, stop by our 4-H Open House on Thursday, October 6, from 3:30-6:00pm or call us at 712-336-3488.

To learn more about how 4-H youth development is empowering young people in Dickinson County visit [extension.iastate.edu/4h/dickinson/](http://extension.iastate.edu/4h/dickinson/).

**Diabetic Support Group**

The Spirit Lake area Diabetic Support Group will meet Monday, October 3, 2016, at 7:00pm.

Guest speaker will be Lynn Hughes, Certified Diabetes Manager involved in the Diabetic Education at Lakes Regional Hospital for five years, and has been employed at LRH for 29 years.

Lynn will present an informational program on the importance of Diabetic Education. Lynn teaches about diabetes as a disease and its self-management. Understanding diabetes as a chronic disease lends to motivation in the care of the disease by the diabetic, family, care givers, and friends. Diabetes takes self-discipline a non-diabetic doesn't understand.

Diabetes is a controllable disease with education being an important tool in management of the disease. Knowledge is power as motivation for steps taken to a healthier attitude and care of the body. With the power of knowledge, diabetes care can be focused on inspiring, encouraging, and making life better while "taking over the management of the pancreas".

The local diabetic support group meeting led by local patient facilitator, Marcia Young, is open to anyone dealing with diabetes, spouse, family members, or friend.

The presentation will be held Monday, October 3, at 7:00pm in the Big Spirit Room at Lakes Regional Healthcare's Education Center, on the hospital's lower level. Admission is free.

# U of O 25th Annual Oktoberfest Bike Ride, Saturday, September 24

Wow, join in the celebration of the 25th University of Okoboji Oktoberfest Bike Ride, on Saturday, September 24! Over 500 bike riders have been participating in recent years, and Ride Director, Ken Hanson expects to see over 600 cyclists for this landmark event.

This ride is part of the national Rails to Trails Day and commemorates the recognition of the Spine Trail as the 5,000th mile of rails to trails nationally.

No longer is Oktoberfest just for bike riders either. For non-bikers, the favorite Okoboji hangouts will be rockin' with lunch and drink specials, college football contests and live music, starting at Noon. Join in the Oktoberfest event celebration with the bike riders at The Ritz, Okoboji Store, Minerva's, Barefoot Bar and The Gardens.

Bike riders can register on-line by following the link at 3sons.com. Registration includes a famous University of Okoboji long sleeve t-shirt, 27-mile route signage and map, sag wagon, official stops with wristband only specials just for the riders, and the secret rendezvous stop with West O for some Oktoberfest brew (must be 21 years of age). The registration increases from \$30 to \$35 after the 19th, and registration will also be available from 8:00 -10:00am on the day of the ride, at Arrowwood Resort and Conference Center, Highway 71, Okoboji. There is a special website for Oktoberfest bike riders, to learn more about the specials: UofOOktoberfestBikeRide.com.
