## STYLE TIPS

From Terri

Terri Baird  
My Chic Boutique

Recipe for me to live by: What you think, how you act, the words you speak and what you do determine whether you live in your problems or move forward. Be determined to think positive, live forward not backwards and seek God for answers. It's a recipe for happiness and success. Doing the same thing over and over expecting change is insanity.

Come see me at My Chic Boutique, Ottumwa's hometown consignment store for some summer clothes, shoes, jewelry or maybe a purse.

**Drive  
safely.**

You may not encounter many traffic hazards when operating farm machinery, but driving safely should still be your first priority. Especially when equipment is near power lines.

Any contact between farm machines and electric lines is potentially lethal. Plan your path to be sure you will clear power lines by at least 10 feet, especially when making turns and when entering and leaving the job site. This institution is an equal opportunity provider & employer.
