### Parks Marina Uses Annual Events To Raise Money For Local Community

Parks Marina embodies being a strong partner in the Iowa Great Lakes Area. Numerous events this summer have helped local charities and organizations. More specifically the Crownline Rendezvous held in June, and the Fireman's Auction held Labor Day Weekend were two social events that were tremendously successful in raising funds for local organizations.

For 17 years now Parks Marina of Okoboji has used its annual Crownline Rendezvous as an opportunity to give back to the Iowa Great Lake Community. Crownline Rendezvous is a weekend of boating, games, food, music and kids activities. Parks Marina holds the largest Crownline Rendezvous in the nation and has been named the #1 Crownline dealer for 9 years running. Through a traditional lakeside "Poker Run", Parks Marina donated half of the total entry fees to the Humane Society. The June 24th & 25th events also featured a "Pet-and-Play" put on by the Humane Society at the Barefoot Bar, where the public was welcome to view and play with a variety of animals available for adoption. The 2016 event was able to raise and donate over \$1,240 and brought awareness to over 600 attendees about The Humane Society of Northwest Iowa.

The Barefoot Bar and Parks Marina were proud to host the 31st Annual Labor Day Auction benefitting the Arnolds Park/Okoboji Fire & Rescue Crews on Monday September 5th. Donations were dropped off and accepted at the Parks Marina location all week. Attendees were invited to bid, donate items, or just come relax and have fun during the auction. Parks Marina and Aqua Lily Pad donated a Maui Mat and Parks Marina donated another \$300 of miscellaneous items. Patty Zalabowski with Lakes Area Rescue wants to give Butch, Debbie, all of the staff, and especially the community a huge thank you for continued support. The event was able to raise close to \$10,000 in support of the local volunteer team.

Parks Marina continues to not only be dedicated to the service and care of its customers, but also to the support of Iowa Great Lakes Region and its surrounding communities.

**The Artisans Road Trip Returns**

Everyone is invited to travel Iowa's scenic byways and back roads looking for one-of-a-kind creations. The 13th annual Artisans Road Trip will be held on Saturday, October 8, from 9:00am - 5:00pm, and Sunday, October 9, from noon - 5:00pm.

This year they have 41 artists participating from Estherville to Storm Lake (and all over in between). The Artisans Road Trip is a self-guided art studio and gallery tour. Free for visitors, the Road Trip is a great way to spend a weekend with friends and family exploring the work of local artists.

Participating artists this year include: Joanne Alberda, Tim Arand-McIlrath, Sue Biederman, Kathryn Buckley, Danielle Clouse Gast, Cherie Courter, Crystal Cross, Mary Jo Daniels, Avis Davis, Joleen Dentlinger, Glenda Drennen, Mitch Eveleth, Kathy Evert, Linda Fries, Hank Hall, Connie Hankens, Pam Harp, Ken Harskamp, Judy Hemphill, Linda Hopkins, Tammy Hoppe, William Lieb, Irene McCoy, Barbara McGee, Sarah Morphew, Bruce Morrison, Mel Myers, Ron Netten, Anita Plucker, Perry Polson, Gene Polson, Lissa Potter, Tootie Powers, Lee Rainboth, Karen Ruddy, Marisa Sidles, David Strom, Haley Tardiff, Judy Thompson, Roberta Williams, and Holly Zinn. These artisans will offer a rare glimpse into creative processes as they demonstrate their craft in personal and unique work spaces.

The mission of the Artisans Road Trip is to promote a venue for established artisans to demonstrate their skills, exhibit and sell their original fine art via a self-guided studio tour through scenic northwest Iowa, thereby encouraging education, diversity, tourism, economic growth, and art appreciation.

2016 marks the 13th year for the annual Artisans Road Trip. For more information, pick up a brochure at one of many local businesses, galleries, or art studios - or check out the official website and blog 24/7 at [www.ArtisansRoadTrip.com](http://www.ArtisansRoadTrip.com).

The committee would like to invite any, and all people in Milford to come to the meeting and share/discuss ideas on planning the town celebration. ### LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:  
I am supporting Tim Fairchild for Dickinson County Supervisor 3rd district. Tim is a "hands on" individual. He will ask the questions that need to be asked and will listen to what others have to say. He has business experience, farming experience, and public office experience, and he has raised 3 sons with his wife, Julie. He is dedicated to public service as a past mayor of Terril, member of the Terril Fire Department and has served on other committees and boards. I served with him on the St. Joseph Parish Center Building Committee and have observed his dedication as a fellow Kiwanis member. With Tim's background of public service over many years and as a successful business man he is an outstanding choice. He is my choice to serve the people of Dickinson County as the Supervisor of the 3rd district.

Sincerely,  
Bob Moore, Milford

## IGL Area Children's Fall Festival

We have officially reached fall, so let the festivities begin! All are welcome on October 8, from 11:00am - 1:00pm in the Arnolds Park Roof Garden for a day oozing with fun. Arnolds Park Amusement Park and the Iowa Great Lakes Area Chamber of Commerce are partnering to host this fun-filled event for children 12 and younger. Chamber members will have booths with all kinds of fun games, activities, and treats. There will also be a costume contest at noon, so be sure to come dressed in your best. The first 1,200 children will get goodie bags provided by AIA Branding Strategies that are filled with fun prizes donated by Spirit Lake Noon Kiwanis, Milford Electric, and Central Bank. Weather permitting, rides in the lower amusement park will be open exclusively for your children to have one last heyday for the year. ## Free Child Car Seat Safety Check

How certain are you that your child is the safest they can be while riding in the car? With car crashes being a leading cause of death for children 1 to 12 years old in the United States, it's very important to make sure your child is in the correct safety seat to accommodate their growing bodies. Spencer Hospital is partnering with the Spencer Police and Fire Departments to offer free car seat safety checks on Saturday, October 1 from 9:00am - 12:00pm at the Spencer Fire Department, 10 Grand Avenue, Spencer. Child Certified Passenger Safety Technicians will check child car seats for recalls and damage; best fit for weight, height, and age; and will teach installation techniques. A small supply of booster seats will be available for families in need of a safe seat. Freewill donations are appreciated by anyone who receives a new safety seat, yet are not required. The wide range of car seat models on the market today leaves more than a few parents confused. A National Highway Traffic Safety Administration study revealed that nearly 75 percent of parents don't know how to use child safety restraints properly. "The goal is to make sure all parents and caregivers are correctly securing all children in the right car restraints for their ages and sizes," said Colette Rossiter, RN, BSN, Child Passenger Safety Technician of Spencer Hospital. "Safety seats prevent serious injuries and could save your child's life." For more information call Clay County Public Health of Spencer Hospital at 712-264-6380.

## George Engebretson in the Gallery

Local area songster, George Engebretson, will be presenting the final performance of his "Delusions of Grandeur, Fall Colors Tour" Thursday night, October 6, at 7:00pm at Arts on Grand as part of their "Music in the Gallery" series. George has been a lifetime resident of Northwest Iowa with the exception of youthful expeditions to Colorado, a stint in the military including a visit to sunny Southeast Asia, and a few years in Mankato, Minnesota, finishing college and starting a family. "I guess I've always appreciated music and storytelling," George relates. "There always seemed to be music around our home in Rembrandt. My mother and her sisters were piano players--when they got together they often lit up the keyboards with "Boogie Woogie" tunes. My dad's family also had quite a bit of musical ability. There were two or three record players around the house and a bunch of radios so there was always some sort of music in the background. My sister, brothers, and I all had some sort of musical instrument during the school years. When the early '60s hit, everyone wanted to become a Beatle or Beach Boy and learning some guitar was mandatory. I think I had one lesson on guitar then self-taught. The guitar has stayed a part of my life through thick and thin. I've had a lot of fun playing tunes and writing my own stuff." "I have a bunch of tunes I've written over the years which are fun to do, as well as a mixture of familiar Folk, Blues, Country and Rock tunes. Music in the Gallery concerts are open to the public. Everyone is welcome to enjoy the evening. Further information is available by calling Arts on Grand at 712 262 4307.

# Fall music season begins for Kent Tritle

The next few weeks will see what Spirit Lake native - turned New Yorker Kent Tritle calls "an extraordinarily rich season." Kent's concerts include *Musica Sacra*, *Great Music in a Great Space* at the Cathedral of St. John the Divine, and the *Oratorio Society of New York* - along with a working trip to Florida.

Putting things in chronological order: Fans who may be traveling near Orlando or Daytona Beach could hear Kent perform an organ recital at Stetson University in DeLand this Thursday.

Next Wednesday, October 5, *Musica Sacra* presents *The Savior of Church Music and the Mystics*, a program ranging from Palestrina's masterpiece *Missa Papae Marcelli* to music of Arvo Part and Sir John Tavener, composers whose work refracts medieval style through a modern lens.

October 13 will see Kent back on the road for another organ recital at St. Peter's Episcopal Church, in Savannah, Georgia.

October 25 brings *The Glory of Constantinople*, the sixth collaboration of the *Cathedral Choir of St. John the Divine* with the wonderful early/world music group *Rose of the Compass*: chants and motets from Christian and Muslim traditions and modern-day arrangements of indigenous Turkish music.

And on November 3, Kent will lead the *Oratorio Society of New York* at Carnegie Hall, for a grand program of Mozart's "Great" *Mass in C Minor* and Bruckner's *Te Deum*, with a terrific cast of soloists: Jennifer Zetlan, soprano; Helen Karloski, mezzo-soprano; Alex Richardson, tenor; and Philip Cutlip, baritone.

We were also reminded in an email last week that services at the Cathedral of St. John the Divine are open to all. More information can be found on Kent's website, [www.kenttritle.com](http://www.kenttritle.com) You'll also find Kent on Twitter and facebook...

**RAMBO-ling**  
BOB RAMBO

Armstrong's very-own Glenn Henriksen is also on the road this week in Minot, North Dakota, where he will be playing several shows each day at *Norsk Hostfest*. Hence, there will be no house concert tonight in Spirit Lake...

Terry Klein is sticking close to home with his Wednesday night performance, from 7 - 9:00, at Table 316 in Arnolds Park...

And *The Side-Kicks*, Susie Jensen and Gene Kallvedt, will be entertaining in Estherville Wednesday night, at the VFW Auxiliary's supper, from 5 - 7:00. The party will be at the VFW just south of town...

Thursday night will see Mark and Rowaida Lair returning to the stage in the barn at the Little Swan Lake Winery, from 6 - 8:00. Sunday afternoon the *Kris Carr Band* will be performing on the same stage from 4 - 6:00...

Multi award-winning blues and roots artist Sue Foley will be featured Thursday night, from 7:30 - 9:00, at the Pearson Lakes Art Center. Foley's music has been featured in major motion pictures, television shows, and has been featured in major print publications, including *The New York Times*...

Thursday will also see the *Itty Bitty Boji Band* performing at the Good Samaritan Society's annual benefit dinner at the Elks Lodge in Estherville. Bill and Barb will begin performing at 5:00, and perform through the dinner hour at 6:00. The public is invited. Call 712-362-2070 to make your reservations...

And Sofia Talvik is coming a long distance from her island home just off the coast of Sweden to perform at the Red Rock Center in Fairmont, Friday night, from 7:30 - 9:00. Sofia's gentle, melodic acoustic guitar folk music is said to take on "delightful twists" in her concerts...

We noted here last week that *The Northwest Iowa Concert Band and Jazz Band* have already started rehearsals for the holiday concert in November, but both bands might still have seats for newcomers. Concert band director Rich Nicklay was quick to respond, "any time!"

Email Rich for more details at: [nwconcertband@gmail.com](mailto:nwconcertband@gmail.com)  
This is year 32 for the concert band, and year 31 for the jazz band...

On what Spirit Lake High School band director Tyler Pedersen described as, "a very rainy Saturday in Sioux City," *The Force*, the SLHS marching band, received 5th place in Class 3A and 12th overall. The band students scored a 150 in Marching Execution. That's the highest caption area score so far this season... *The Force* has this weekend to prep for two events the following Saturday.

Research director RD has come up with several nonsense songs to celebrate this week. It was this day in 1954 that *Steve Allen's Tonight Show* made its premiere on NBC-TV. Ten years later Allen earned a Grammy for his instrumental *The Gravy Waltz*, to which Mel Torme later intoned words.

While it's not really nonsense, the very sexy Brigitte Bardot turns 82 on Wednesday. In addition to her movie acting, BB was also something of a singer. Her rendition of *Bubble Gum*, which she sang in English with a delightful French accent, fits the nonsense genre.

We also celebrate "Ask a Stupid Question Day" on Wednesday. Something like, *Does your chewing gum lose its flavor on the bedpost overnight* certainly qualifies.

Better than bedposts or bubble gum is Thursday's Biscotti Day. For the record, RD tells us "Biscotti" is the plural of "Biscotto." Whether you say "Biscotti" or "Biscotto," we'll bet you can't eat just one of the sweet cookies created by a double baking process...

Friday is the last day of September, and drummer Buddy Rich's natal day (1917-1987). Singer Johnny Mathis will celebrate his 81st birthday on Friday as well.

Saturday is not only the first of October, but Julie Andrews' (Think *Mary Poppins* and many other great singing roles) 81st birthday, and International Coffee Day. Irving Berlin wrote the song *Let's have another cup of coffee* for the 1932 musical *Face The Music*. More than two decades later the song was used in the very international Nescafé coffee commercial on both radio and television.

The nonsense part of this is that Nestlé's used ventriloquist Jimmy Nelson's dog puppet Farfel to tag Nestlé's Quik commercials with the word "chocolate." "N-E-S-T-L-E-S, Nestlé's makes the very best... 'chawc-late!'"

Saturday also begins national "Popcorn Popping Month." It was 44 years ago that the musical group *Hot Butter* had a hit with its synthesized instrumental *Popcorn*. Once again, we're getting hungry...

**All the news that fits we print.**

## Farm Market News

Located at Dickinson Co. Fairgrounds  
15th Street & Peoria Avenue, Spirit Lake, Iowa 51360

It is always good to bring cash in small denominations to the Farmers Market, but many vendors also accept checks and credit cards. One vendor, Iowa Supreme Meat, can accept EBT cards to purchase your meats. There is also a large number of vendors who accept WIC and Senior checks. Now is the time to use those remaining checks before we close on October 15. WIC checks must be used for produce only but Senior checks can also be used to purchase honey. Boersens's Bees and Stranksy's Honey are two vendors from which you can purchase local honey. They are just two of our vendors with more unique products. Two more are Rissy's Rubs and Proper Delicious. Rissy's Rubs are seasoning mixes and rubs to use on meats or to flavor other dishes. At Proper Delicious you will find infused maple syrup in several flavors, flavored vanillas, and pancake and other mixes. Another vendor with unique products is Pampered Chef. Terri has all sorts of seasonings, kitchen, and household items. Pat's Garden Produce and Jams and Jellies by Marilyn offer a large selection of jams, jellies, and fruit butters along with their garden produce. Read more about other vendors in columns next spring. In the meantime, shop at Lakes Area Farmers Market on Wednesday and Saturday mornings from 7:30am to 12:00 noon. The Farmers Market is located on the fairgrounds in Spirit Lake. We hope to see you soon.

**Glen Edmund Naber** was born on May 24, 1944, in Spirit Lake, and passed away on September 2, 2016, in Kirkland, Washington.

Glen was preceded in death by his mother Delores and father Roman Naber of Spirit Lake, Iowa, his infant sister, Kathleen and by three brothers Richard, David and Warren.

Glen is survived by his wife Diane of 48 years, son Shawn, daughter Tammy, two grandchildren Sydney and Jack. He is also survived by his 6 remaining brothers Gordy, Paul, Noel, Joel, Gene, Greg and many brothers and sisters-in-law, their families and so many friends he called family.

Glen was born in Spirit Lake, and worked on the farm till he joined the Navy in the '60s. He was on the USS Blueback submarine, where he traveled the world and making his way to Bremerton, Washington. He fell in love with this place. Returning home from the Navy, Glen and Diane married and left their family and friends behind and made their way to the Pacific Northwest where they lived for the next forty five plus years, making friendships that have turned into family.

Glen loved to hunt and camp, but he loved working in his shop most of all. Woodworking was not just his hobby, it was his passion. He had made birdhouses, planter boxes, and many other things. If you needed something to be made, he would do it, but it was cribbage boards that made him the happiest, a game that he and his family shared to this day.

Services were held on Saturday, September 17, at his home in Bothell, Washington.

**Discovery House News**  
Julie Scheib, Director  
www.mydiscoveryhouse.com

It is a heart warming experience to move back home. Thank you to the Board of Directors and residents at Discovery House for the warm welcome back dinner, and to each person who calls or I see who smiles and greets me, shakes my hand, or offers a hug. It means more than words can express.

Psalms 119:6 has held special meaning since hearing Amy Grant sing it back in the 1980s. "Thy word is a lamp unto my feet and a light unto my path." (KJV) Starting the day by spending time in the word, praying and meditating is the way for me to get on track. It takes discipline, but helps to put the Bible in plain sight and make it part of a daily routine and the rewards are life changing.

Now that Porch Party season is over, we will be gearing up for our major fundraiser of the year, the "No Show Charity Ball." Before that, though, there is much work to be done. Fall around Discovery House means getting the yard cleaned up outside, and tidying up, cleaning, and painting inside. We always need volunteers to help us with our efforts, so please call if you are inspired to lend a hand at 336-5340.

Our House Manager, Earl Bice, has resigned his position after 8 years and will be moving on in early October. We want to wish him the best and pray that things go well for him in the future.

Our current census is 7 males. After working on annual reports for 2014 and 2015, it comes as no surprise that our monthly average census has remained consistently at 8 residents per month, just as it has over the past 23 years.

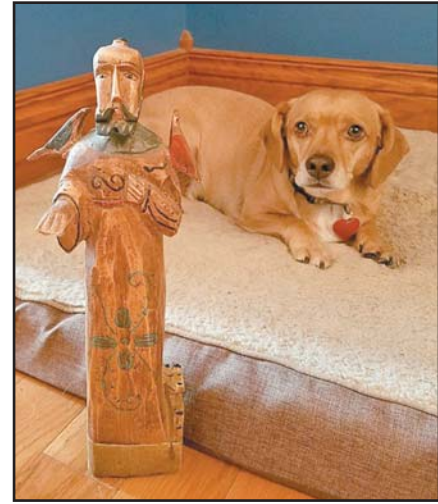

When you drive by Hill Avenue and 15th Street, check out our brand new Discovery House sign. The old, wooden sign was rotting and had to be replaced with one that should be good for the next 23 years, God willing.

Blessings,  
Julie Scheib, Director

## Blessing of the Animals at St. Alban's

On Sunday, October 2, at 2:00pm, St. Alban's Episcopal Church will hold a Blessing of the Animals service. Weather permitting, it will be on the grassed area south of the church to celebrate Saint Francis's Day; if it is raining, the service will be indoors. You may bring your pet or a photograph of your pet to the service. Pets may also be blessed by simply naming them during the service. The Rev. Elliot Blackburn will lead the service and perform the blessing. Saint Francis of Assisi lived in the 12th and 13th centuries. He was a monk, who founded the order of Franciscans. He is known for his vow of poverty and his special connection to animals. He was canonized in 1228. His feast day is October 4th and a service of blessing the animals is traditionally held on that date or a Sunday close to that date. The current pope chose Francis as his papal name in honor of Saint Francis.

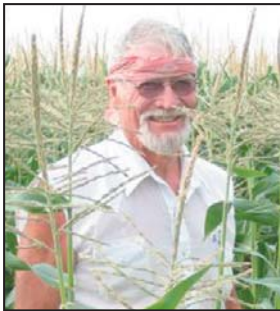

In addition to the Blessing of the Animals service, Father Elliot will lead the Holy Eucharist service at 10:00am on Sunday at St. Alban's church. Father Elliot has been a priest for over fifty years. He helped found and organize the Hawkeye Harvest Food Bank in Mason City that serves all North Central Iowa. Although officially retired and living in Mason City, he continues to serve a variety of small churches and act as a supply priest. Following the service, we will have our usual coffee hour which will provide an opportunity for fellowship.

St. Alban's is located at 23rd and Zenith just east of Lakes Regional Healthcare.

For more information, please contact the church office at St. Alban's (712-336-1117), or check the church's website at [www.stalbanepiscopalchurch.org](http://www.stalbanepiscopalchurch.org) or Facebook page at [www.facebook.com/stalbanspiritlake](http://www.facebook.com/stalbanspiritlake).

# Obituaries

Funeral services for **Norman Davis Winter**, 84 of Milford, was held Monday, September 26, 2016, at 11:00 AM at First Lutheran Church in West Okoboji with Rev. Bob Vaage and Rev. Perry Aalgaard officiating. Norm died Wednesday, September 21, 2016, at his home in Milford surrounded by his loving family.

Norman Winter, the second oldest of six children, was born December 23, 1931, at Lakota, South Dakota, to Claus P. and Audrey (Lloyd) Winter. He was raised on a farm in rural Milford, graduating from Milford High School in May of 1950. Norm served his country in the United States Air Force from 1950-1954.

On October 22, 1953, Norm married Stella Courtney at St. John's Newfoundland. The couple moved to Milford in December of 1954, where Norm worked as a truck driver and at farm related jobs such as baling hay until he eventually farmed his dad's farm southwest of Milford on a full-time basis until his retirement in 1994. He continued to help on the farm right up until his death with his long-time friend and tenant, Dean Reiser.

Law enforcement interested Norm as he worked as a part-time and full-time Milford Police Officer before joining the Dickinson County Sheriff's Office in 1982. Norm also enjoyed gardening and especially growing sweet corn. Norm became the "Sweet Corn Man of Milford" and along with Stella they enjoyed many hours of sweet corn sales on the corner while visiting with friends and neighbors.

Throughout his life, Norm was involved with many local organizations, including serving as Commander of the Milford American Legion, a 32 Degree Mason, Shriner, a member of the Milford Fire Department and First Lutheran Church. Norm found pleasure in presenting the Mason Scholarship to a graduating senior each year during Awards Night.

Helping others was foremost for Norm. He and Stella enjoyed attending and working at the Shrine Circus each spring in Sioux City and working at the Shrine Club food stand at the Clay County Fair each fall. Norm made over 90 trips to the Veteran's Hospital in Sioux Falls providing much needed transportation for disabled veterans.

Pilot, Norm learned his skills in the Air Force and owned and flew several airplanes over the years. Many people experienced their first airplane ride at the helm of Norm Winter. Active in the Milford Fire Department, Norm was one of the first members to get the Jaws of Life extrication equipment to Milford. In his day, he would tell about driving the first ambulance in Milford, also.

Survivors include his wife of 63 years, Stella; three daughters, Sonya (Jeff) Johnson of Spirit Lake, Sharon (Doug) Koch of Milford and Lavonne Winter of Madison, Wisconsin; five grandchildren, Sarah, Lindsay, Dillon, John and Tyler; four great-grandchildren, Christian, Cheyenne, Nicholas and Isaiah; one sister, Anne Scarff; brother-in-law, Hal Mills; sister-in-law, Jeannine Winter of Fostoria; many nieces, nephews, relatives and a host of friends.

He was preceded in death by his father, Claus; mother, Audrey; brother, Clifford Winter; sisters, Phyllis Beving, Dorothy Parks and Marlene Mills; and daughter, Linda Wallace.

Interment was in the Little Sioux Lutheran Church Cemetery, just down the road from the farm in rural Milford.

Turner Jenness Funeral Home was in charge of arrangements.

## Tales of Tails

Are you a male with time to enjoy the companionship of a female "tail" who would worship you? If so, the Humane Society of Northwest Iowa has just the "girl" for you - Hazel, an eight and a half year old black and brindle shepherd mix who's been waiting for a guy like you.

Hazel is a big gal who has come many miles originating in Cheyenne, Wyoming and being passed from shelter to shelter as her owners' lives changed. She's been here at the local shelter since last Christmas. Because of all the changes in her life, she has a little separation anxiety or fear of being abandoned or left alone. At no time has her being surrendered been her fault, for she's a smart, well-behaved lady full of love to give to her owner. She is calm, house-broken, knows basic commands, and loves being walked and petted. She even likes to snuggle!

As a smart dog she seems to perceive that her size may be dangerous to small children so she avoids such, preferring larger humans. She also doesn't like cats. Teen-agers are okay, but adult males are her preference. She would be happiest with a fenced yard and a man who would be available to walk her and be a companion whenever she needed him.

Hazel is a real "sweetie" who's been waiting for a special guy who needs a little love and friendship. She'll be a loyal companion right by your side and loving every minute of it!

Remember... "In a perfect world every animal would have a home, and every home would have a pet."

Call the Northwest Iowa Humane Society at 712-338-2738 or come see the animals at 607 28th Street, just north of Milford - open Thursday through Sunday, noon to 6:00pm.

**HUMANE SOCIETY DONATION** - Andrew Sullivan, Megan Sullivan and Grace Jones held a lemonade stand in early August and donated the profits of \$60 to the Humane Society of Northwest Iowa.

## Annual Breast Cancer Walk Brings Hope and Awareness to Spencer

One in every 8 women in the United States is at risk to be diagnosed with breast cancer, according to statistics provided by the American Cancer Society. In an endeavor to create awareness of the importance of taking healthy steps that can aid in prevention, to performing exams that can lead to early detection, and to provide support for those undergoing treatment or are breast cancer survivors, the public is invited to join the Spencer area annual Breast Cancer Walk for Awareness. The walk is set for Sunday, Oct. 2 at 4 pm with registration beginning at 3:45 pm in Spencer Hospital's Grand Avenue Park.

The walk is a 5k route that runs through the highly visible area of downtown Spencer which helps create higher awareness of tremendous support for breast cancer detection and treatment. In the case of inclement weather, the walk will take place in the Southpark Mall. Please watch Spencer Hospital's Facebook page or listen to KICD radio for weather-related announcements.

"It is so heart-warming to see the hundreds of people of all ages who join us for our awareness walk each October," commented Jeannette Hasley, Spencer Hospital Women's Health Director. "This event is strictly for fun and awareness so people can walk or run as far or as little as they'd like and at any speed."

Mindy Sylvester, Women's Health Coordinator, added: "This year our theme for our walk is 'Words have the power to bring healing and hope.' Recently I was visiting with a patient who was newly diagnosed with breast cancer. She was listening to me with such intensity and she commented that she was carefully taking in each word I said. I was struck with how important and how empowering words can be. With this walk we wish to focus on those words which have special meaning for those who have been touched by breast cancer."

Sylvester said that while anyone is encouraged to attend and walk, a special invitation is extended to breast cancer survivors who will be recognized during a brief ceremony prior to the walk.

Thanks to the generosity of sponsors, there is no cost to participate. T-shirts are provided as supplies last. In sponsoring the walk, Spencer Hospital is joined by Abben Cancer Center of Spencer Hospital, More 104.9, Northwest Iowa Surgeons, P.C., and Avera Medical Group Spencer. Walkers who are interested in making a freewill donation to the Spencer Regional Healthcare Foundation for Women's Health Services or the Abben Cancer Center will have an opportunity to do so at the event.

## Women's Retreat: Let's Get Real

Are you tired of the perception that Christians' lives are somehow perfect? Do you think you'll be genuinely happy when you get that perfect new house, car, spouse, whatever? Join us at Lakeshore Center at Okoboji (formerly Presbyterian Camp) to hear Jill Miller, singer/songwriter, as she takes an honest and often humorous look at life and dispels some of the myths of the "perfect" life! Be inspired and encouraged to "get real" with yourself and others, and with God, as we learn how to find true peace and happiness through living in authentic community with God, ourselves, and others.

Register now for this retreat: Saturday, October 8, 9:00am to 3:30pm at the camp. Lunch and snacks are included, and childcare is available. Cost is \$35 for the day, or \$30 if registration is received by September 30. Register online at [www.lakeshorecenteratokoboji.org](http://www.lakeshorecenteratokoboji.org) or by calling the camp at 712-337-3313. Come and enjoy a day of inspiration, learning, and good conversation with other women!

Want to extend your experience? Join us on Friday, October 7, for dinner and a movie and a fun girls' night! Spend the night in our comfortable and beautiful Lodge guest rooms. Have dinner at 6:00pm followed by a viewing of the movie *While You Were Sleeping*. After the movie, we will share our thoughts and discuss the Christian themes in the movie. It is a great pre-event to our theme of Get Real!

Cost for the Friday and Saturday event together is \$75 if registered before September 30 and \$80 beginning October 1.

## LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

**To The Editor:**  
 I would like to encourage the voters in District 3 to support Tim Fairchild for the County Supervisor position. I have known Tim for over 20 years and did business with him during that time. He is a hard working, honest man. He has ties to the agriculture community and has had business and governmental experience. He has no agenda but to be an ear to the needs of the county. Get out and vote for Tim!

Thank you,

## Iowa YMCAs Celebrate Groundbreaking Reciprocal Membership Program

Y members can access most facilities in Iowa for free.

YMCAs across Iowa are celebrating the launch of the "My Y is Every Y" program, a reciprocal membership initiative that enables members to use most YMCAs across Iowa for free.

"Since this program began in 2010, thousands of Y members have taken advantage of what Ys across the United States have to offer. Beginning in September, Y's across Iowa joined 32 other states in the US who have statewide or regional membership reciprocity. We're very excited to offer our members the opportunity to continue to improve their health when they are traveling or if they work in a city different from where they live," said Andrew Fisher, Interim CEO. "No matter where our members travel across the state, they'll be able to stay connected to the local community and improve their health and well-being."

Through "My Y is Every Y", full facility/full privilege members bring their membership card and photo ID to enjoy access to Ys across Iowa. Benefits of access include use of YMCAs' pools, wellness facilities and classes.

Some restrictions apply. Members should call or visit the website of the Y they plan to visit for schedules. For more information about the "My Y is Every Y" program, contact Kristen Mueggenburg, Member Engagement Director, at 712-336-9622.

## Book Fair at OHS Volleyball

Your purchases will support both the Okoboji High School and Okoboji Middle School libraries.

## 2nd Annual UV Splash is Back

The Bedell Family YMCA is once again teaming up with Arnolds Park Amusement Park and the Iowa Great Lakes Chamber of Commerce to bring the UV Splash 5K back to Arnolds Park on Saturday, October 8.

This 5K run/walk is an untimed event where participants are doused with color at each kilometer. Under the black lights that surround the color stations, the color will glow! Registrations can be completed online at [www.cd5k.com](http://www.cd5k.com). Registrations will be taken up to the start of the event, 6:30pm on Saturday evening (walk-up registrations accepted).

Without our valued local sponsors, events like these wouldn't be possible. Please support these UV Splash local sponsors: Overhead Door Sales and Service, The Boonedocks, Beer Can Alley and Northwest Bank.

For more information, please contact Andrew Fisher at 712-336-9622 or [andrew.fisher@okobojimca.com](mailto:andrew.fisher@okobojimca.com).

## View From The Bench by John Adams, Jr.

**Cyclones Show Progress**

The Iowa State Cyclones picked up the first win in the Matt Campbell era over San Jose State 44-10 in Ames on Saturday. While beating a 1-2 Mountain West Team is no cause for a huge celebration, Cyclone fans were desperate for a win, considering the most positive thing we could say about the first three games of the season was that ISU covered the spread in a 41-20 loss at TCU. The Cyclones continued to use a "tag-team" approach at quarterback with Joel Lanning and Jacob Park both seeing significant time leading a very efficient offense Saturday. Both QBs had their best days of the young season, with Lanning going 5-8 for 136 yards and 2 TDs while Park was 15-19 for 165 yards and 3 TDs. While playing two QBs doesn't often happen, it appears that Lanning and Park have bought into this system while both being totally supportive of the other. The Cyclones finally got running back Mike Warren over the 100 yard mark (103) and standout Allen Lazard continued to dazzle at receiver with an acrobatic TD catch in the first quarter. The Cyclone defense also played well on Saturday, aided by facing a back-up freshman quarterback for the Spartans as starter Kenny Porter was injured in their game last week against Utah. ISU forced 5 Spartan turnovers, including four interceptions by four different defenders. Iowa State even "looked" better on the field, breaking out some brand new impressive gray uniforms for the game, something totally new for the Cyclones. As we all know, Campbell's rebuilding project will take time, and the Cyclones will see how much they have improved on Saturday when they face #15 Baylor at Jack Trice Stadium, but it sure was nice to see ISU players and coaches having fun for a change.

**Greater Is a Great One**

We don't often get away to a movie but had the chance to see the film "Greater" this past weekend and we were very glad we went! The movie is based on a true story about former Arkansas walk-on offensive lineman Brandon Burlsworth. Burlsworth worked his way from a player barely making the team to an NFL Draft pick but was tragically killed in an automobile accident 11 days after being selected in the third round by the Indianapolis Colts. The film begins right before Burlsworth's funeral and works back in time with flashbacks to Marty Burlsworth, Brandon's much older brother. "Greater" is an awesome film that demonstrates how one person can leave an impact on so many lives by simply giving 100% every day while having incredibly strong faith and doing the right thing even when the right thing may be the hardest thing. "Greater" is also another example of the positive impact that sports can have on people, which is something we need right now with all the negative and divisive things going on in our country. While "Greater" has some very sad moments, you will be glad you went and find yourself wanting to be better in your life by doing things the "Burlsworth Way"!

## Spirit Lake Library News

### 1000 Books Before Kindergarten Honor Celebration and Fall Family Storytime

Lisa Laird and her "Pockets Full of Fun" puppets entertained preschool through 4th grade students at the Spirit Lake Elementary School last week to celebrate and honor those kindergartners who reached the '1000 Books Before Kindergarten' goal.

The Spirit Lake Library, sponsored by the 'Friends of the Spirit Lake Library' group offers the '1000 Books Before Kindergarten' self-paced home literacy program. Simply by reading books to your child they will gain skills that prepare them for learning to read independently by increasing reading readiness, vocabulary, and building background knowledge while building a positive relationship with books and the library. It's also good snuggle time!

Literacy is one of the best gifts you can give a child. Whether you are a parent, grandparent, or other caregiver and have a child that you would like to participate, please stop by the library and get signed up. Keeping track of the books you read is easily done with a log that is provided or with a free app that scans the ISBN barcode on the book and keeps track for you.

Congratulations to this year's group on reaching 1000 books!

During September, October and November Family Storytime meets at the library on Thursday mornings at 10:30. We've been having some "Fall Fun" reading about fairs, school buses, apples and leaves. All children and their caregivers are welcome to attend any or all storytimes.

Reminder: The Spirit Lake Public Library will be closed on Wednesday, September 28 for staff in-service.

## Four Artists Featured at Art on 16th during Artisans Road Trip

Owner Lissa Potter invites the public to stop at Art on 16th in downtown Spirit Lake during the Northwest Iowa Artisans Road Trip to see "four very different Lakes area artists and their work." Crystal Cross, Hank Hall, Lissa Potter, and Tootie Powers will display a variety of work Saturday, October 8, 9-5 and Sunday, October 9, noon to 5. Art on 16th is located at 709 16th Street next door to Wilder Thymes Natural Foods.

A Boy and His Dog by Lissa Potter

Participants on the 13th annual A.R.T. self-guided, open-studio tour are invited to travel through-out scenic NW Iowa looking for one-of-a-kind creations. Most participating artists will be present where they work or display, and road trippers can visit with them and see the art available for purchase.

New to the A.R.T. scene, Crystal Cross from Spirit Lake uses acrylics on canvas or watercolor to create sea life, mermaids, and women. She explains, "Bright colors have a pull on me, and in art when something has a face it seems to be alive." Cross is excited about her first time sharing her work with the A.R.T. audience.

Hank Hall, a retired Spirit Lake High school art teacher, will display his clay and mixed media work at Art on 16th, instead of at the location listed in the A.R.T. brochure. Hall will entertain visitors by throwing on the potter's wheel or using his special drawing assistants. Hall says, "Sharing my work with the public is something I love to do. I create to satisfy my own sense of aesthetics, and if someone else gets a kick out of it, then it just doesn't get any better than that!"

Lissa Potter will feature her own wheel-thrown, hand-built and altered, functional stoneware. She explains that she likes to "make art that makes me laugh," and her large pottery pieces with intricate drawings such as "A Boy and His Dog" (pictured) show her humor. She says, "The A.R.T. is a great opportunity for meeting new people every year who are interested in artwork and the process of making art."

Tootie Powers, a resident of the Lakes area for over forty years, will display her hand-crafted ceramics with decal work of Okoboji and paintings of the Lakes area. She explains, "My work is inspired by our surroundings...our lake and its history and the people within. Powers adds, "We have such a good community of artists in our area. I am pleased to be part of it!"

The artists also have work in two A.R.T. group exhibits running alongside the October 8 and 9 road trip. The current Arts on Grand exhibit in Spencer runs until October 29; the Pearson Lakes Art Center exhibit in Okoboji opens October 6 with a free reception from 5-7 pm and runs through November 26.

For more information, contact Potter at 712-336-6881. A brochure of the Artisans Road Trip with a map showing the location of the 41 participating artists is available at [www.artisansroadtrip.com](http://www.artisansroadtrip.com).

All persons operating must have a valid motor vehicle license, provide current proof of financial responsibility, and provided proof of registration as required by the Iowa Code Chapter 3211.

## POLICE DEPARTMENT

Fall has arrived and the new school year is well under way. In an effort to keep all of our kids safe, we are asking that everyone use caution when approaching a stopped school bus from either direction. When the warning lights are flashing and the stop arm is extended, you

MUST stop and allow the children to enter or exit the school bus safely. Whether a school bus is picking up or dropping children off on either a two-lane road or three-lane highway, you must stop when the warning lights are activated. We appreciate everyone's cooperation in keeping our school children safe.

Winter is coming! We would like to take this time to remind everyone of a few things:

- Keep your sidewalks free of snow and ice. This is the responsibility of the property owners in both the residential and business districts.
- During snow removal, do not park, abandon, or leave unattended vehicles on any public street, alley, or City owned off-street parking area unless the snow has been removed or plowed from said street, alley, or parking area and the snow has ceased to fall. Any vehicles left on City streets following a snowfall of 2 inches or more will be ticketed or towed at the owner's expense whether or not a snow emergency has been declared by the City.
- Keep a winter emergency kit in your car. You never know when or where you may become stranded.
- Drive Carefully. Please allow extra time to reach your destination and use caution when traveling on wet or snow covered roads.
- Please be courteous when on your snowmobile. Do not cross through private properties or drive ways. Doing so may result in a ticket.

Any resident of Arnolds Park that is leaving for an extended amount of time this winter may come to the Arnolds Park Police Department and fill out a House Watch form. This will allow the police department to contact you or an emergency contact should there be an incident that involves your residence.

If you have any questions or concerns, please contact the police department at 712-332-2227.

## AUTOMATED GARBAGE

The carts for the City's new automated garbage system will be arriving at the end of September. The first day of pick up with the carts will be **October 3rd**. Please have the carts curbside by **7:00 a.m.** to ensure your garbage gets picked up.

We understand this is a new system and will take some getting used to. Please be patient as we work through any issues that may arise. If you should have any questions or concerns about the new garbage system, please contact City Hall.

Reminder that garbage pick-up switches back over to only being picked up on Mondays after the Labor Day holiday.

## YARD WASTE & OPEN BURNING

The City has proper disposal methods for yard waste and we ask that it never be blown onto or placed on the streets, public roads, or neighboring lots.

Yard waste is collected on Tuesdays. If you wish to have your yard waste picked up it must be placed in City bags, tied shut, and placed at the **curbside by 7:00 a.m.** on collection days.

If you choose to burn your yard waste, please be courteous to neighbors and use good judgment based on weather conditions. All fires must be attended by a person 18 years of age or older at all times. Any yard waste you burn on your property, must originate on your property.

The burning of garbage, rubber, or anything of a toxic matter is strictly prohibited. Yard waste cannot be burned on City property.

## WINTER UTILITY SHUT DOWN

Every winter there are homes that have water lines freeze up and break. In addition to water issues, we have seen sewer back-ups over the past several years. If a homeowner is leaving for a period of time, the water to the house should be shut off. If for some reason there is a power outage, or the heat should go off, a flooded lower level might be avoided. In addition, it would be wise to have someone check the house periodically.

## EMERGENCY NUMBER

If you have a water or sewer emergency on weekends or holidays, please call the Dickinson County Communications Center at 712-336-2525.

## Sanford Governing Board Members Honored for Service

Ten members of Sanford Health's operating boards of directors were recognized for their outstanding service, community involvement and civic leadership at the system's Regional Board Education Retreat in August. Directors from all of Sanford's 11 operating boards were eligible for nomination. The Chairman's Award recipient and outstanding directors were selected by the Sanford Board of Trustees executive committee.

Dave Jueneman

Dave Jueneman, chair of the Sanford Health Network Board of Directors, was the 2016 inaugural recipient of the Chairman's Award for Excellence in Governance. Jueneman was awarded for his leadership and guidance related to the future of rural health care. Jueneman serves on the Sanford Worthington Advisory Board.

The following individuals were honored as outstanding directors: Dave Austad, chair of Sanford USD Medical Center Board of Directors; Dick Bohy, chair of Sanford Health Foundation Board of Directors in Sioux Falls; Marilyn Guy, Sanford Medical Center Fargo Board of Directors; Claire Anne Holmberg, Sanford Medical Center Bismarck Board of Directors; David Muhs, M.D., Council of Governors; Dean Thompson, vice chair/treasurer of Sanford Medical Center Bemidji Board of Directors; Mark and Claudia Thompson, Sanford Health Foundation Board of Directors in Bismarck; and Sylvia Wildgen, Sanford Health Foundation Board of Directors in Bemidji.

Sanford's operating boards are comprised of physicians as well as community and business leaders from a variety of areas who volunteer their time in service. Their varying backgrounds bring diversity and knowledge from many perspectives, and the expertise of each individual is used to guide the health system to fulfill its mission.

**Car Seat Safety Checks**

Checks to be held at Arnolds Park/Okoboji Fire Department from 1:00-4:00pm on Saturday, October 1

Motor vehicle crashes are the number one cause of unintentional death in children. Also, 60 percent of car crashes involving children occur 10 minutes or less from home. Therefore, Dickinson County Public Health, Dickinson County Endowment Fund, Arnolds Park/Okoboji Fire Department, and Okoboji Police Department have teamed up to provide child seat safety checks on Saturday, October 1 from 1:00 until 4:00 pm at the Arnolds Park/Okoboji Fire Department next to Arnolds Park City Hall on Highway 71. Certified Child Passenger Safety Technicians will check the child safety seats of infants to school-age children. There is no cost or appointment necessary to attend the event; parents and caregivers can attend as their schedules allow. Event attendance is also encouraged for expectant parents.

Those planning on attending the car seat safety check are encouraged to:

- Be prepared to learn, not just watch the technician install the car seat. Technicians are trained to teach others how to properly use child car seats.
- Install the seat in your vehicle before coming to the event.
- Bring the car seat instructions and the vehicle owner's manual with you to the event.
- Know your child's height and weight, and bring your child with you. If possible, also bring another adult to help watch the child while you talk with the technician.

The check typically takes 20-30 minutes, depending on the car seat and vehicle. During the check, the technician will:

- Complete a form to note a variety of information, including the car seat type, location in vehicle and misuse observations, if any.
- Ensure that your car seat is appropriate for your child's age, and size, and review factors affecting proper use.
- Review the car seat instructions and the vehicle owner's manual to ensure that both are being followed correctly.
- Ensure that an appropriate seating position in the vehicle is being used.
- Check the car seat for recalls, visible damage, and an expiration date.
- Watch you install the car seat(s) correctly using either the seat belt or LATCH system.
- Discuss the next steps for each child, such as when to graduate to the next type of car seat.
- Discuss the benefits of everyone riding properly buckled in, including all adults.
- Discuss safety in and around the vehicle.
- Answer any questions you may have.

Those with questions are encouraged to call Dickinson County Public Health at 712-336-2682.

**325,011 Had Blue Ribbon Fun at 2016 Clay County Fair**

Strong programming mixed with beautiful weather gave 325,011 fairgoers the perfect excuse to have "Blue Ribbon Fun" at the 2016 Clay County Fair. The attendance mark was the fifth highest in history for "The World's Greatest County Fair," a remarkable number considering the Fair closed at 6:00pm on Thursday, Sept. 15 due to torrential rains.

Weather was sunny and completely dry throughout the Fair except for the heavy rains, which forced the cancellation of the Elite National Outlaw Truck and Tractor Pull.

"Truly the only negative aspect of the 2016 Fair was closing early on one night due to heavy rains," said Fair Manager Jeremy Parsons. "Otherwise, it was nearly a perfect Fair - our grounds looked better than ever, our programming was better than ever, and our fairgoers seemed to be enjoying themselves more than ever."

Despite the cancellation of the truck and tractor pull, 21,962 fairgoers attended events in the U.S. Cellular Grandstand, including six concerts and six dirt event performances. Dirt track enthusiasts were especially pleased as 103 IMCA-sanctioned cars and 36 World of Outlaws sprint cars (both record numbers) raced around the CCF Speedway on Sept. 14 and 16.

Food was center stage at the 2016 Fair thanks to the introduction of "The World's Greatest County Fair Food" Contest. Spam Curds (CAD Concessions) took home top prize for the best new food at the Fair, topping four other finalists including mini chocopie (Original Minneapolis Pie), the Terranza sandwich (Spencer Dream Center), the breakfast bowl (Julie's Diner), and jumbo stuffed crab tots (The Shrimp Shack). In total, 17 new foods were introduced at the Fair.

New foods represented only a fraction of the shopping experiences found at the 2016 Fair, which again boasted the largest farm machinery and agriculture equipment show at any fair in the United States. Winners of the commercial exhibits awards for best displays went to New Frontiers Garden Furnishings (best indoor exhibit), Screen Builders (best outdoor exhibit) and Duke's Poutine (best food/beverage concession).

Fairgoers found new ways to have "Blue Ribbon Fun" through the introduction of several new events and activities including the Blue Ribbon Scavenger Hunt; hands-on STEM experiments during Science Saturday; and a fairgoer re-creation of Grant Wood's artwork "Spring in the Country." Fairgoers of all ages also enjoyed Mutton Bustin' on Family Night (September 13) as more than 60 kids attempted to ride a sheep in the rodeo-style event.

**People For Pets Hosts PTOBERFEST**

People For Pets invites community members to join in the fun at PTOBERFEST, a night of cheers to support and celebrate the shelter and saving local animals.

PTOBERFEST will be an Oktoberfest event at the Spencer Community Theatre on Saturday, October 1, 2016, from 5:30pm to 8:00pm.

Tickets are \$40 each and include all food, drinks, and entertainment. Tickets are available now at the SCT box office and Farmers Bank in Spencer, and can also be purchased online via [www.peopleforpets.org](http://www.peopleforpets.org). All proceeds benefit People For Pets and help their rescue and outreach efforts to place homeless dogs and cats in their loving forever homes.

## "One World - One Week - One Festival" You Be the Judge!

Filmgoers in the Lakes Region will unite with audiences in over 250 cinemas spanning six continents to view and judge the work of the next generation of filmmakers from around the world when the 19th Annual MANHATTAN SHORT Film Festival screens at Pearson Lakes Art Center on Friday, September 30, at 6:30pm.

From 844 entries received from 52 countries MANHATTAN SHORT selected 10 short films as finalists. Each film is 20 minutes or under in length. Countries represented this year include the USA, France, Australia, Norway, England, Germany, Russia, and the Netherlands. With past finalists achieving the ultimate in recognition by being nominated and even winning the Oscar in the short film category, MANHATTAN SHORT is known as a breeding ground for artists worldwide.

These 10 short films will not only entertain a global audience but will be judged by them as well. Filmgoers will be handed a voting card upon entry and asked to vote for the one film they feel should win, as well as best actor. MANHATTAN SHORT headquarters will announce the winner in New York City as well as on the Internet ([www.ManhattanShort.com](http://www.ManhattanShort.com)) on Monday, October 3.

Be a part of a Global Film Celebration. These are the 10 best - not just random picks from the hundreds of entries. They will be shown across the world during one week only. For more information contact the Pearson Lakes Art Center at 712-332-7013. 10 FILMS - 2 HOURS - 8 DOLLARS - DON'T MISS IT!

## Lake Park Library News

### Lake Park Public Library Receives Accreditation from The State Library of Iowa

The State Library of Iowa has announced that the Lake Park Public Library has met the conditions for state accreditation as outlined in "In Service to Iowa: Public Library Standards Sixth Edition."

Achieving accreditation requires a significant, ongoing local commitment to high quality library services. The Lake Park Public Library has been recognized for its efforts in all areas of library operations including governance and funding, staffing, library collection, services, public relations, access, and facilities. The accreditation is valid through June 30, 2020.

"The director and board of trustees of the Lake Park Public Library and the city of Lake Park are to be commended for this achievement and their commitment to excellence in public library services for their community," said State Librarian Michael Scott.

Of Iowa's 544 public libraries, 349 - including the Lake Park Public Library - are accredited. Iowa's accredited public libraries are recognized for being responsive to their communities and for exhibiting excellence in their provision of library services. More than two-thirds of all Iowans have active public library cards. Iowa libraries play key roles in workforce and economic development, lifelong learning and e-government activities. Iowans use their libraries to find jobs, do homework, locate a good book to read, research medical conditions, access government information, and more.

Accredited libraries receive a higher rate of compensation through the State Library's Enrich Iowa program. They also receive a Certificate of Accreditation signed by Governor Terry Branstad, Lieutenant Governor Kim Reynolds, State Librarian Michael Scott, and Iowa Commission of Libraries Chairperson Dale Vande Haar.
