## **SILVER LAKE STATE PARK LAUNCH NOW OFFERS MORE CONVENIENT PAYMENT OPTIONS**

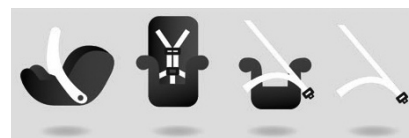

Castile, NY: To provide more payment options for park visitors, the Genesee State Park Region announces that an automated vehicle use fee collection system has been installed at the Silver Lake State Boat Launch. Visitors may pay their vehicle use fee of \$6.00 with exact change, credit cards or debit cards.

The Empire Passport, Access Pass and Golden Park programs will be accepted at this location. Participants in these programs should call the Letchworth Park offices for information on how to use these programs at the facility. Call (585) 493-3600 (Letchworth State Park) for Silver Lake State Park information.

The New York State Office of Parks, Recreation and Historic Preservation oversees 180 state parks and 35 historic sites, which are visited by 65 million people annually. A recent study found the New York State generates \$1.9 billion in economic activity annually and supports 20,000 jobs. For more information on any of these recreation areas, call 518-474-0456 or visit: [www.nysparks.com](http://www.nysparks.com), connect on Facebook, or follow on Twitter.

## New Regulations to Mandate Lead Testing in New York Schools

On September 6, 2016, Governor Andrew M. Cuomo signed landmark legislation (S.8158/A.10740) mandating that schools across the state test drinking water for lead contamination. Lead is a toxic material that is extremely harmful to young children and can result in lowered IQ, behavioral problems and brain damage. The state Department of Health also issued emergency regulations pursuant to the new legislation, requiring that school districts test their water for lead contamination and report results to parents, the state Department of Health and local government officials. For schools serving children in pre-kindergarten through grade 5, sampling must be completed by September 30, 2016; schools grade 6 through grade 12 must complete sampling by October 31, 2016. These new regulations will reduce the risk for exposure to this dangerous substance and ensure all New York's students have access to clean, drinkable water.

The Livingston County Department of Health is working to support local schools with this new regulation. Several school districts have already tested their drinking water for lead contamination and those that encountered elevated lead levels are implementing a lead remediation plan.

"The Livingston County Department of Health applauds the Governor's efforts to ensure safe and clean water for schoolchildren throughout New York State", stated Jennifer Rodriguez, Public Health Director.

For more information on how to protect children from lead exposure, please call the Livingston County Department of Health at 243-7299 or visit [www.livingstoncounty.us/doh.htm](http://www.livingstoncounty.us/doh.htm).

The Livingston County Suicide Prevention Task Force, a sub-committee of the Genesee Valley Health Partnership, held their 2nd Annual Vigil for Suicide Prevention on September 8th at Livingston County Mental Health Services in Geneseo. The event coincided with World Suicide Prevention Day, which is observed annually. This year's theme was Connect, Communicate, and Care.

As the rain came down on the close to 70 attendees, members of the community rejoiced in the "Tears from Heaven" and came together to support each other, remember those lost to suicide, and most importantly, to make it known that stigma will no longer silence our community. Stigma is what keeps those in need quiet, and afraid to seek help.

The event included members of our community who were willing to share their personal stories conveying the importance for people to understand that mental health issues are treatable and that suicide is preventable. For one speaker, it was her own struggle with addiction, suicidality and hospitalizations. Another, who is a father, husband, and respected community member, shared the heartache of losing a family member to suicide. A single mom shared what it was like for her to be struggling with a mental illness. A high school student reminded us in song that "What the World Needs Now is Love." Each presenter underlined the need for compassion, understanding, and hope. As the evening drew to a close, individuals embraced each other as candles were lit sending a light (or even just a spark) of hope, compassion, and understanding home with them.

## **Baskets or Pallets for Farmer Veterans: Scaling up to meet your market channel**

Cornell Cooperative Extension will be offering Baskets or Pallets for Farmer Veterans: Scaling up to meet your market channel, Tuesday evenings from 6:30-8:30 PM at Genesee Community College Arcade Campus October 4 through November 8, 2016. To aide in hands-on learning two field trips have been arranged to accompany the Tuesday in classroom trainings. The first field trip will be to Grizzly's Custom Cutting in Hunt, NY on Saturday October 15th. The second field trip will be to the Genesee Valley Produce Auction in Centerville, NY on Friday, October 21st. Both trips will be from 9:30am until noon.

During this training, authors of the brand new "Baskets to Pallets" Curriculum will introduce a series of lectures, discussions, activities, videos and other teaching resources designed to prepare small and mid-sized farmers in NY to enter new wholesale markets.

The Curriculum, which consists of 10 hours of instruction, targets farmer veterans of all enterprises. The Training begins by introducing two Case Study Farms, based on an actual produce and livestock farm currently operating in NY. Over the course of the Training, trainees will deepen their understanding of the farms' management, production, and promotion strategies through the lens of marketing.

The training is open to 20 veteran farmers in New York State on a first-come, first-served basis. Trainees should be ready to engage in 'active learning' via role-play, small group discussion and activities. There is no fee to attend however preregistration is required by September 27, 2016. For more information or to apply contact Lynn Bliven, CCE Allegany County at 585-268-7644 ext. 18 or email [lao3@cornell.edu](mailto:lao3@cornell.edu)

## PUT LIFE BACK INTO YOUR LIFE

### Consider a Living Healthy Workshop.

Are you an adult with an ongoing health condition?

You'll get the support you need, find practical ways to deal with pain and fatigue, discover better nutrition and exercise choices, understand new treatment choices, and learn better ways to talk with your doctor and family about your health.

If you have conditions such as diabetes, arthritis, high blood pressure, heart disease, chronic pain, anxiety, the **Living Healthy** workshop can help you take charge of your life.

**Classes are free.**

To Register: 585.335.4358  
 or Email: [livinghealthy@noyeshealth.org](mailto:livinghealthy@noyeshealth.org)

*"In just a few weeks, I got back to feeling better and back to being the kind of person I like to be."*

*"Now I have more energy than I've had in years. I'm calmer and more confident about my health."*

*"The workshops put me back in charge of my life, and I feel great. I only wish I had done this sooner."*

### Sign Up Now. Spaces Are Limited.

- Learn from trained volunteer leaders with health conditions themselves.
- Set your own goals and make a step-by-step plan to improve your health – and your life
- Join a 2½ hour Living Healthy workshop, held each week for **six weeks**:

### MMFD Greetings Fire Prevention

October brings many great things: Pumpkins, apples, colors, cool crisp air and Fire Prevention Week! Since 1922, Fire Prevention Week has been commemorated on the Sunday thru Saturday that October 8th-9th falls within. This is in remembrance of the Great Chicago Fire, which we will talk about more in next weeks column. This year it is Sunday October 9 thru Saturday October 15. This year's theme is "Don't Wait—Check the Date! Replace Smoke Alarms every 10 Years." To find out how old your smoke alarm is, just turn it over and check the date it was manufactured. It should be replaced every 10 years. Let's refresh our memories of other Fire Prevention tips:

- Have a meeting place outside the home for everyone to meet in case of fire.
- If you awaken to the sound of your smoke detector or the smell of smoke: Get out and call for help from the outside meeting place or another location OUTSIDE the house.
- Practice E.D.I.T.H - Exit Drills In The Home - with your family. Really practice! Rehearse leaving the house - Where is the closest exit? What if that's blocked? Where is the secondary exit? Meet at your pre-planned location, call for help - don't try to put the fire out yourself.
