# BEWARE THE USEFUL MISLED

To the Editor:

I would like to remind everyone about eight rules written possibly by Saul Alinsky. Saul died on June 12, 1972 and was educated at the University of Chicago. One of his books was "Rules for Radicals, Reveille for Radicals."

Anyone who thinks that this stuff isn't happening today in the United States has their head in the sand. These eight rules are in play today:

How to create a social state by Saul Alinsky:

- 1. Healthcare** - Control healthcare and you control the people.
- 2. Poverty** - Increase the poverty level as high as possible; poor people are easier to control and will not fight back if you are providing everything for them to live.

**3. Debt** - Increase the debt to an unsustainable level. That way you are able to increase taxes and this will produce more poverty.

**4. Gun Control** - Remove the ability to defend themselves from the government. That way you are able to create a police state.

**5. Welfare** - Take control of every aspect of their lives (Food, Housing and Income).

**6. Education** - Take control of what people read and listen to - take control of what children learn in school.

**7. Religion** - Remove the belief in the God from the government and schools.

**8. Class Warfare** - Divide the people into the wealthy and the poor. This will cause more discontent and it will be easier to take (tax) the wealthy with the support of the poor.

It is time for the misled to wake up in this upcoming election.

**"After reading this, think about where our country was prior to 1972 and where it is today when you go to vote."**

Dear Friends,

I extend my thanks to the people of Lincoln County and the surrounding areas who have trusted me to provide surgical care to you and your families over the past 32 years. It has been an honor for me to be your surgeon.

I thank my medical and surgical colleagues for their support over the years. I appreciate the entire Lincoln County Health System family, especially the surgical and anesthesia departments at the Lincoln Medical Center.

I have always been blessed with a wonderful office staff that has worked tirelessly in an effort to meet the individual needs of each patient. I will never be able to adequately express my gratitude to my nurse, Sylvia Plunkett, who has been so loyal to me in my practice. She has been compassionate toward our patients, treating them in such a lovely manner for the entire 32 years. I thank Arlinda Vess, Dot Watkins, and Bert Watkins for their diligent work and integrity as well.

My office will continue to be open to assist with medical record or insurance needs and to address account responsibility for services that have been provided. Hours will vary. Please call the office at 931-433-2488 before stopping by to be sure someone will be available to help you.

**Sincerely,  
Ted Cobb, M.D.**
