Not One, But Three Venues

Northwest Iowa's Artisans Road Trip members invite you to attend the 13th annual open studio tour on Saturday, October 8, from 9:00am to 5:00pm and Sunday, October 9, from noon until 5:00pm.

Along with the open studio tour, everyone is encouraged to see and purchase original art at the two collective (group) shows sponsored by Arts on Grand and Pearson Lakes Art Center. "There will be one or two pieces from almost all of the artists," states chairperson, Haley Tardiff. "It's impressive

to see the range, quality and diversity of each artist's work and as a collective group.'

- Artisans Road Trip's Open Studio Tour: October 8 9
- Arts On Grand, Spencer: September 13 to October 29

• Pearson Lakes Art Center, Okoboji: October 8-December 31 Planning your personal A.R.T. tour is easy. To learn all about the 2016 Artisans Road Trip, preview artists' work and begin planning your personal tour we encourage you to use these tools:

- Brochure: You can find brochures at local art centers, participating artist locations, banks, libraries and gathering places in your community.
- *Website:* www.artisansroadtrip.com
- Blog: http://artisansroadtrip.blogspot.com/

"I love it when people come to my studio, see what I do and ask questions - I learn a lot from this exchange! And people learn something too, in a fun way. I believe (that) the interchange between the artist and public fuels the act of creativity. The biggest barrier to any artist is the issue of 'exposure'. A.R.T. gives the artist a venue for interaction and the potential for the purchase of the work. It also opens the world of 'creativity' to the public." – Bruce Morrison, photographer/painter

"Oh, the freedom and flow of watercolor and just as the brush takes control; the painter begins a journey and that's when the fun begins. For ten years now, A.R.T. has opened our home studio to the fun bunch that just stops in. And I so enjoy meeting all of these outstanding artists. Each year is richer, better - it's a good time." - Linda Fries, watercolorist

"Sharing my work with the public is something I love to do," says Hank Hall. "I create to satisfy my sense of aesthetics, and if someone else gets a kick out it then it just doesn't get better than that!" – Hank Hall, pottery, drawings, painting

There will be a lot to see and do - be sure support your local artists!

USA, USA! The sports experts say that the Ryder Cup is one of the top five sporting events in the world to witness, and after attending the final round on Sunday I would have to agree. I've been fortunate to see a lot of Final Fours while I coached at Wyoming, have been to a Game 7 of the World Series, and went to the Masters a few years ago, and I would definitely put the Ryder Cup atmosphere right up there with all of them. To make things even better on Sunday, we got to see Team USA win their first Ryder Cup since 2008 in dominating fashion over Team Europe 17-11 in front of a definite home course advantage at Hazeltine Country Club in the Twin Cities.

What makes the Ryder Cup so special is that it turns what is normally an individual sport into a team event where the top golfers in the world compete for their country, all wearing the same uniform instead of their normal sponsorship shirts and hats, and all playing with a passion you don't normally see during golf tournaments. Another unique experience with the Ryder Cup is the crowd and how rowdy they are throughout the tournament. The atmosphere feels like you are at a college football game between two rivals, as there are constant "USA, USA, USA" chants roaring through the course after big shots by the Americans, or the common European cheer "Ole" after Europe would win a hole. Not only are the crowds loud, but they even cheer against the opponent, a site never seen in golf but common in every other sport. It took a while to get used to that as we were a bit surprised at how loud the American crowd cheered on the very first hole, where we watched much of the day, when Rory McIlroy sent a wedge shot over the green and into the backside bunker. The players also respond to the crowds, playing with energy and enthusiasm not normally seen on the golf course. It was so much fun seeing professionals who are normally very reserved with their emotions get so excited and interact with the crowd throughout the day.

The golf on Sunday was also amazing, as both teams matched big shots throughout the day. Perhaps the best match was Phil Mickelson and Sergio Garcia, who ended up even after 18 holes with each golfer birdieing the last two holes under extreme pressure. Team USA was sparked by Patrick Reed's passion, as the Texan would fist pump and cheer with the crowd after big shots. The highlight of the match was on the eighth hole when McIlroy drained a 60-foot putt for birdie and then cupped his ear to taunt the American crowd; Reed then drained a 35-foot birdie putt to halve the hole and then charged the crowd and shook his finger at McIlroy, the two then fist bumped each other with big smiles and moved onto the next hole. Reed would end up winning the tough match 1-up and propel Team USA to the long anticipated victory.

Like any sporting event, you always have some fans who act like idiots and give the rest of their team a bad name, and that was the case over the weekend as several fans were removed from the course for vulgar remarks hurled at the Europeans. Fortunately, on Sunday, we didn't see any of this, as the crowds around us were very loud but were also respectful of the Europeans. At a time when the country unfortunately seems to be divided with politics and social issues, it sure was refreshing to see over 50,000 people come together for and cheer for the good old USA!!

FORNEYSNAMED GRANDMARSHALS - Greg and Julie Forney have been named the Grand Marshals for the upcoming Okoboji High School Homecoming Parade. The Parade will be held on Friday, October 7th at 2:00pm and then the Pioneers will battle Unity Christian on the football field at 7:00pm.

Iowa Lakes UU Fellowship Sunday Program Anthropomorphism: Scientific Roadblock or Source of Em-

pathy and Spirituality?

On Sunday, October 9, 2016, author Corrina Carter will present to the Iowa Lakes Unitarian Universalist Fellowship at the Arrowwood Conference and Convention Center in Okoboji, Iowa, on the ethical dimensions of anthropomorphic fiction, or literature that features feeling, thinking, and even speaking animals. Such work generates controversy in spite of its popularity with readers of all ages. Does such literature impede scientific progress by encouraging us to explain animal behavior in human terms? Or does it foster compassion for our fellow life forms? Can we expand our spiritual self knowledge through our empathy with the non-human? Carter will provide an informative and insightful overview of the history and examples of this literary form. Post presentation, participants are invited to reflect and discuss if and how this literary form can enhance practice of the UU 7th Principal "Respect for the interdependent web of existence of which we are a part."

Carter is the 2016 Lakeside Autumn Writer in Residence. This position, sponsored by the Friends of Lakeside Lab, gives emerging authors the opportunity to pursue their writing in a quiet, natural setting. Carter holds an MFA in Environmental Creative Writing from Iowa State University, a program for writers whose work is either place-based or environmental. She also holds a BA in English from UC Irvine. Her prose has appeared or will appear in such journals as About Place, Alligator Juniper, The Fourth River, The Kenyon Review Online, and Permafrost Magazine. Carter also served as a Summer Writer in Residence at Lakeside in 2014; her stay inspired a Pushcart Prize-nominated essay called "Turkey-Watching in Dickinson County." UU Fellowship is at 10:30 and service begins at 11:00. An optional lunch (\$10) is served after the program. Visitors are always welcome. For more information, check out the UU website uuokoboji.com

St. Alban's

Several weeks back we noted that Spencer's Arts On Grand was planning to bring Music in the Gallery back to the venue. That will happen twice this month.

Rembrandt-native George Engebretson will open the season and close his Delusions of Grandeur, Fall Colors Tour, in the main gallery, Thursday night at 7:00

This should be a most interesting evening with a variety of music, as in the early 1960s George wanted to become either a Beatle or a Beach Boy ...

Trombonist Tom Rutt and his Brass Buddies will entertain in the main gallery on October 25th. Tom's 'buddies' include trumpet players Rod Shedenhelm and Sarah Jackson, along with fellow trombone players Julie Forney and Corbet Butler.

Stephen Baker and Lois Morris will be the pianists with the brass players who will be performing a wide range of selections, from baroque for brass to standards and music from Broadway and Hollywood.

Since we're out of town and thinking of the holiday season, the Many Voices *Choir* Christmas concerts will start in Bancroft on Sunday, November 27th, and possibly conclude with two more concerts in Estherville and Spirit Lake on Saturday, December 3rd. We say 'possibly,' as there's some discussion about a fourth concert...

You may recall that 2015 was the year for Spencer's triennial community sing

of Handel's Messiah. This is the year for the Festival of Lessons and Carols, which will take

Glenn Henriksen was driving back from the Norsk HostFest in Minot, North Dakota, with nonagenarian Millie Kittleson Sunday night, but took a moment to let us know that following hip surgery a month back "Millie stood right up on stage like the real trouper she is.

"I did," Millie quickly cut in on the speaker phone, adding that *Chicago* and Neil Sedaka, also performed through the week at the State Fairgrounds that hosted the week-long event. No, we're not sure if Sedaka, whose grandparents emigrated to the United States from Constantinople, claims any Scandinavian heritage. Nor will we guess the national origin of the members of Chicago ...

But we do know that Glenn is supposed to be back in Spirit Lake in time for his Tuesday night house concert this week – and each Tuesday night through the end of October — although he will be appearing as a part of the *Leif Erikson Festival* at the Danish Cultural Center in Minneapolis, on Sunday...

Also this week, Jessie James and The Outlaws will lead off the Wednesday night October performances at Table 316. The fun will run from 7 - 9:00. The Lake Patrol, Itty Bitty Boji Band, and John Senn and Friends will round out the remainder of the month.

In a change of plans, Charlie Leissler will take the stage in the barn at the Little Swan Lake Winery, Thursday night, from 6 - 8:00. And Scott Larsen will be performing on the same stage, Sunday, from 4 - 6:00...

Spirit Lake High School's marching band, *The Force*, will be involved in two shows, Saturday — at the *Dutchmen Field Championship*, in Orange City; and also at the Iowa High School Music Association Marching Band Festival in Sheldon. We wish them well in the final scored events of the season.

Research director RD takes us to the Big Apple and Hollywood this week with some great music from the stage, screen, and television. Damon Runyon was born on this day in 1880. The Broadway show and

movie Guys and Dolls, was based on two of his short stories. One of the best songs from those shows, Luck Be A Lady, was written by Frank Loesser, and was sung by Frank Sinatra. Dr. No, the first James Bond motion picture, was released on this day in 1962,

with Sean Connery sort of in the lead role. The picture and several later Bond films opened with a gun barrel sequence that saw Bond shooting an assassin. That sequence featured stunt man Bob Simmons as Bond before Connery came on the screen.

Earlier incarnations of Ian Fleming's Bond books heard Barry Nelson's voice in a radio production of *Casino Royale* in 1954. Bob Holness provided Bond's

voice in the 1956 South African radio production of Fleming's *Moonraker*... Al Martino, who was born on October 7, 1927, was the voice behind the hit theme from *The Godfather* motion picture.

And it was also October 7 – but in 1961 – that the Broadway musical Bye Bye Birdie closed after 607 performances. One of the hits from that show, Put on a Happy Face, was sung by Tony Bennett and is being used in a current television commercial for Michelob Ultra.

That almost fits well with Wednesday being "Do Something Nice Day." RD suggests the song Make Someone Happy, from the Broadway musical Do-Re-Mi

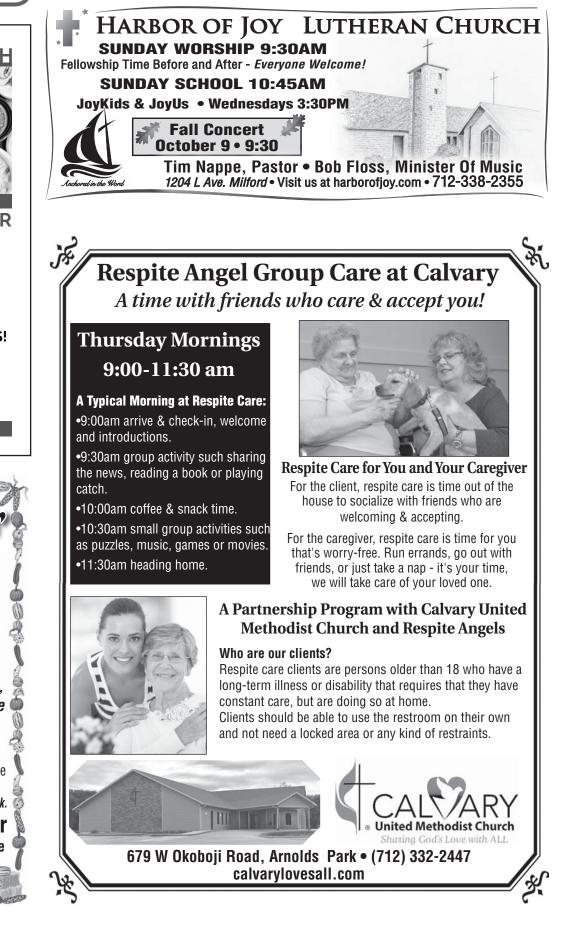

best sung by Jimmy Durante. We agree! With RD's help we recently noted the premier of Steve Allen's NBC television program and made a singular mention of Gravy Waltz, one of some 8,000 songs he penned. We ran out of ink when it came to explain that some of those 8,000 songs included the Broadway production of *Sophie*, based on the life of "the last of the red hot mamas," Sophie Tucker.

You can enjoy a medley of songs he wrote for that show on a YouTube video from a Judy Garland television program in 1963: https://www.youtube.com/watch?v=5WFp9mBvtQ4

Steve was one of the few true gentlemen in show business. He made many people happy...

Pre-Game Kick-off Party

IGL Construction teams up with H&N Chevrolet Buick for Pre-Game Kick-off Party IGL Construction and H&N Chevrolet Buick have teamed up to offer a unique experience to the region. On Saturday, October 8 from 9:30 until 11 a.m. the two locallyowned businesses will host an open house and auto show. This exciting event will feature 2016 and 2017 model-year vehicles from H&N at the Gateway by IGL housing development in south Spencer. Visitors will be able to tour newly constructed homes in the development while getting an up-close look at next year's model vehicles throughout the neighborhood.

"We had such a great turnout at our last block party with the Young Professionals that we wanted to throw another one for the community. It's a unique event to get the family outside, walking and to learn about the newly developed neighborhood - with the added bonus of checking out next year's vehicle models," said Kellie Beneke, founding member of IGL Construction. "With the Iowa State and Iowa games out of state that weekend, we thought it would be fun for visitors to wear their team colors for a little competition before the games. Bragging rights will go to the team with the most supporters at this event.'

Gateway by IGL is located west of the Spencer Municipal Golf Course, south of 13th Street SW. It is situated on 7 acres in south Spencer with convenient access to Highways 18 & 71. Eleven homes have already been sold and the number is expected to grow significantly during the fall sales period. Priced from \$193,000 to \$199,400 the 23-unit housing development features homes with open floor plans with two- and three-bedrooms available. Between grants and tax abatement opportunities, potential homeowners can capitalize on over \$22,000 of incentives. These energy-efficient homes will also save the environment and new home owners some money.

IGL Construction staff will be on-hand during the open house to answer any questions individuals may have about the properties. Potential homebuyers and the general public is welcome to tour the homes and learn more about development projects by IGL Construction.

Likewise, H&N Chevrolet Buick staff will be on hand to show nd offer test-drives for their vehicles. Guidance for Medicare Recipients

It can cost you money not to review your Medicare Part D drug coverage annually. In one hour a Senior Health Insurance Information Program (SHIIP) counselor can complete a review and let you know if you can save money and make sure you have access to the medications you need.

Lakes Regional Healthcare (LRH) is designated as a SHIIP sponsor site. SHIIP counselors Jim Hitchcock and Milo Kindwall are available to help anyone newly eligible for Medicare or already on Medicare:

- Check current Part D or Medicare Advantage plans to make sure medications are covered at the lowest cost and with the least amount of restrictions.
- Review employer drug coverage and compare to other Medicare options.
- Check eligibility for Part D Extra Help.

Understand options if currently not enrolled in a drug plan. This is a great opportunity for people on Medicare to review and choose what coverage they want for 2017. Every year Medicare Part D and Medicare Advantage plans can change their premiums, deductibles, co-payments, benefits, and the drugs they cover. To avoid costly surprises on January 1, a free, confidential counseling appointment with a SHIIP volunteer may be beneficial.

Although counseling services are available year round, the open enrollment period for Part D drug coverage and Medicare Advantage plans runs from October 15 through December 7. Those interested in scheduling an appointment can call 712-336-1230 Monday through Friday from 8:00 am until 4:30 pm. Counseling sessions are available weekdays.

A Medicare Part D information form is an important document to complete before the appointment. Medicare Part D information forms can be found at LRH's Patient Registration Desk. It is best to complete the form and return it to LRH's Patient Registration Desk a couple of days before the appointment. The form will remain confidential and will be given to the SHIIP counselor that will be at the appointment.

Timothy J Arand-McIIrath ART 2016

Tim Arand-McIlrath, a mixed media artist from Okoboji Iowa will welcome visitors at the Pearson Lakes Art Center

during his display for Artisans Road Trip, Saturday, October 8, 9:00am - 5:00pm and Sunday, October 9, from 12:00- 5:00pm.

For over 50 years Tim has been making fiber art in a variety of fiber media. He is a very prolific artist. The decision to move to Arizona has caused the need to find homes for a lot of his artwork. He will be be selling many pieces at reduced prices of 50% and 75%. He will showing printed textiles, felted works, three dimensional mixed media sculptural forms as well as his two dimensional mixed media work. His hope is that many will take advantage of this inventory reduction to add a piece of his to their collection.

He has found himself being really attracted to the many different approaches that are used to create fabric for clothing. This led him to recycling fabric from garments as backgrounds and creating new environments using crocheted yarn over the fabric backgrounds.

Everyone is invited to travel Iowa's scenic byways and back roads looking for one-of-a-kind creations! This year we have 41 artists participating from Estherville down to Storm Lake (and all over in between)! The Artisans

Road Trip is a self-guided art studio and gallery tour; free for visitors, the Road Trip is a great way to spend a weekend with friends and family exploring the work of local artists.

Along with the open studio tour, everyone is encouraged to see and purchase original art at the two collective (group) shows sponsored by Arts on Grand and Pearson Lakes Art Center. "There will be one or two pieces from almost all of the artists," states chairperson, Haley Tardiff. It's impressive to see the range, quality and diversity of each artist's work and as a collective group.'

In addition to Arand-McIlrath showing his artwork at the PLAC, Joanne Alberda, Kathy Evert, David Strom and Linda Hopkins will also be showing work at the art center.

For more information, contact Tim at 712-330-2497. A brochure of the Artisans Road Trip with a map showing the location of the 41 participating artists is available at the PLAC as well as art www.artisansroadtrip.com.

It has been an amazing ride and we would like to thank you for support and loyalty over the years. Those years at The Hen House have gone by swiftly.

My work has brought many extraordinary people into my life, above all are my talented team of women who have played such a significant role in making The Hen House what it is today. I have treasured the opportunity to get to know so many of you personally and it has been my joy and pleasure helping you make your gift and home decorating choices over the years.

Kent and I sincerely thank you for your support and love of The Hen House. We will miss seeing you on a regular basis.

I now stand at the head of a new path. Where that will lead me, I do not know. I hope to reconnect with friends, interests and hobbies

In the future, you will get to know the new owners of the store. They are so excited to take The Hen House into the future. They love the store and plan to continue so many of the things that you are used to.

The Hen House will be closed October 10 and 11, for the transition.

Thank you again for your friendship for all of these years. This has been a huge part of our life. Thank you for the many years of doing what I love.

With all our best wishes, Sandy and Kent Thiesen The Hen House • Spencer, Iowa

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper. Letter to the Editor:

In district 3 lives a man who has what you are looking for in a County Supervisor. He was born and raised in Dickinson County, went to school here and learned his values and work ethics growing up on a family farm. His roots are here and here is where he married and raised his family. Let me introduce Shane Bush. You have read his impressive resume in an earlier addition of this paper, so you already know he is qualified. What you may not have heard about Shane are some facts I would like to share with you.

Shane is a Christian man who lives out his faith through caring, sharing and his loyalty to his commitments and people in his life. In the time my husband and I have known Shane, we have learned to respect him, trust him and count on him. He is a great problem solver, fair and always truthful. Shane is a team player, who thinks before he speaks and speaks to the solution. He is always willing to help where he can by listening and being a part of the solution. Shane has the professional and personal abilities to make a very positive addition to the Board of Supervisors. He is willing to make a full-time commitment to the board and the district he will be elected for.

Shane has lived in Milford for 10 years. Shane is available to you. Sound judgement – Vote Bush – District 3.

Tales of Tails

Do you know what munchkins are? Yes, they are small people, characters in The Wizard of Oz, but they are also "tails," cats with short legs recognized only in 1995 as a specific breed by the International Cat Association. The first reported munchkins were four generations of such documented by a British veterinarian in the 1940s. This line disappeared during World War II, but in the 1970s munchkins were identified in both the U.S. and in Russia. In1983, a music teacher in Louisiana rescued two pregnant cats being chased by a bulldog. One eventually gave birth to short-legged kittens and as cats do through generations of reproduction, the breed evolved.

Today the breed is comparatively rare but sought after because of their appearance as kittens even when mature. They are "sweet-natured, playful, outgoing, and intelligent cats"

according to Wikipedia. Now on Pet Finder on the internet only a few munchkins are available for adoption ... and two of them are here in Milford, IA at the Northwest Iowa Humane Society!

Cissy with Siamese markings and Zita, a totally grey cat, are both mature female munchkins having been surrendered when their mistress went into a nursing home. They have lived together for

eight or more years so being separated would be traumatic for them. Their caretakers have had to find low dishes for their food and water since with their short legs they can't reach the usual pans attached to the cages. It's been an adjustment for Cissy and Zita to be at the shelter, and it's a new experience for the shelter employees as well - but definitely a fun one, for these munchkins are adorable.

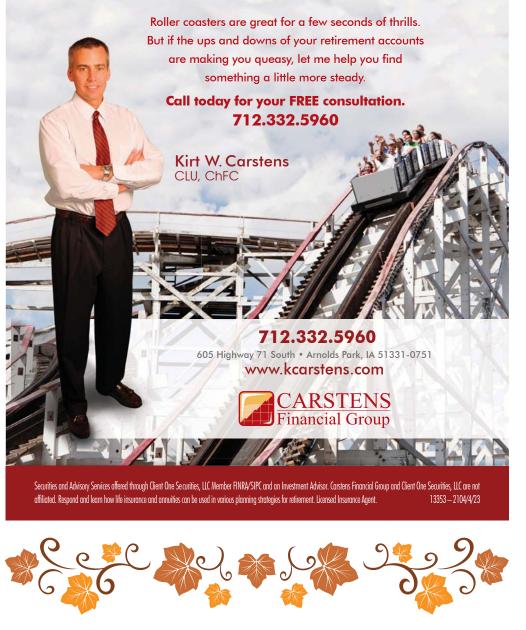

Come to see these unusual "tails" at the Northwest Iowa Humane Society, and if you'd enjoy having two loving munchkins, here's your chance!

Remember... "In a perfect world every animal would have a home, and every home would have a pet."

Call the Northwest Iowa Humane Society at 712-338-2738 or come see the animals at 607 28th Street, just north of Milford. They are open Thursday through Sunday, noon to 6:00 p.m.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper. Letter to the Editor:

I am writing to show my support for Tim Fairchild, Dickinson County Board of Supervisor District 3 candidate. Tim served on the Terril City Council from January 1986 to May 2009 when he was appointed Mayor. After filling that term, he was elected and served as Mayor of Terril for another two year term.

In my 22 years of working with Tim in city government, he demonstrated leadership in our community by promoting paved street projects, drainage improvements, water plant upgrades the north-side housing development, lagoon upgrades and much more, while still being mindful of Terril's limited budget. Tim is a hard worker with a strong desire to get things done. The election is only a few weeks away and I think Tim Fairchild would be a great Dickinson County Supervisor. I urge residents of District 3 to vote for Tim Fairchild on November 8, 2016.

Need Help with Heating Bills? The 2016-2017 Low-income Home Energy Assistance Pro-

gram (LIHEAP) was established to help qualifying low-income Iowa homeowners and renters pay for a portion of their primary heating costs for the winter heating season.

This program is not designed to pay household's total energy costs. The program will provide supplemental assistance based on several factors. Those factors include total household income, household size, dwelling type and type of heating fuel, among others.

Applications will be taken October 1, 2016 to April 30, 2017 for elderly (60 and over) and/or disabled households. All other household can apply November 1, 2016 to April 30, 2017.

If you have already applied and have been approved this winter season, you can not re-apply. For guidelines and an appointment in Dickinson County, call Upper Des Moines Outreach office at 712-336-1112. The UDMO is located at 1575 18th Street, Spirit Lake.

Planet Heart Helps Identify Heart & Vascular Disease

Heart disease is the nation's leading cause of death, and statistically affects nearly one out of three people in the United States. Symptoms are often very subtle, progress slowly, and can be as basic as shortness of breath and therefore easily be ignored.

The Planet Heart screening at Lakes Regional Healthcare is an inexpensive series of tests that may seem simple, but when done together can very well save a life. There are actually two screenings to choose from, or both can be done for a more comprehensive evaluation.

The first screen is a heart check and consists of a calcium score CT blood pressure check, body mass index assessment, cholesterol and blood sugar check, education and risk assessment with cardiovascular professionals, a diet quality index, and brief tobacco cessation and nutrition counseling as needed. The heart check also includes coaching on how to change your lifestyle or go over what you're doing right and how you can continue to live a healthier lifestyle.

The second screen is a vascular check and consists of carotid artery screening, abdominal aortic aneurysm screening, and peripheral artery disease screening. These three tests detect the conditions of vascular disease and your risk of stroke, heart disease, and other complications

Lakes Regional Healthcare Imaging Services Manager Nicole Ingvall said, "About one in 10 people who get the screening is found to have heart or vascular problems that require a referral to a cardiologist. It's much better to find this information out sooner instead of waiting until a heart attack or stroke occurs."

Each screen is \$50, but if both are done at the same time, the price is reduced to \$75 total. The screens are recommended for men over age 40 and women over age 45. Ingvall said, "The screening is not covered by insurance, but it's a great price for the extensive evaluation."

A physician's referral is not needed to receive the screening. Those interested in more information or in scheduling an appointment can call 712-336-8658.

Barbara Tagami to Exhibit and Teach at Nature Center

Forager, naturalist, fisherwoman, environmental educator, eclectic nature artist... you can use a lot of words to describe Spirit Lake resident Barbara Tagami, but maybe one of the best words to use is passionate. She is passionate about the outdoors, and she will display some of that passion in her nature art exhibit October-December at the Dickinson County Nature Center in Okoboji.

Legos at The Library is a Creative Hit!

Spirit Lake Public Library's first session of Legos® at the

Library met in September with many young people happily immersed in building Lego creations. Many of the children began the session working individually but became collaborative partners,

pooling Lego resources as they sorted through bricks and shared ideas.

Creative pieces the young creators wished to share after the

session are on display in

would like to participate? This new program for

youth meets the second Tuesday of the month from 3:30 to 4:30 during the school year. All school-age children are welcome to come and join in the fun. No registration is necessary. Our next build is October 11.

Have Legos that your kids aren't using anymore? Why not donate them to the library and share the Lego love? Cash donations to purchase more Lego building materials would also be much appreciated. Thank you again to the many folks who have already donated Legos and funds to get Legos at the Library launched. Stop by and peek in on a session sometime. It's gratifying to observe these kids busy brainstorming and building!

Chess Club, another library program for school-age children meets the third Tuesday of the month from 3:30 to 4:30. Jan Bolluyt our volunteer mentor is willing to work with any youth that has an interest in learning the game. Chess Club will meet next on October 18.

October 24th we'll pop the popcorn and have a no-school Monday movie showing of Goosebumps starting at 1:30 pm in the community room.

to view her origami, earth pigments, fish prints, pencil drawings and scientific drawings.

"I call myself the eclectic nature artist," Tagami said. "It pretty much encompasses anything and everything from nature."

One of her pieces took more than a year to create. She individually folded almost 300 small origami fish that were then strung together to create a giant fish.

"I have thoroughly enjoyed doing origami since I was very young, because my mom started showing me how to fold paper," she said, adding that she has books that show how to do the most simple creations to those that take more than 100 folds. "It's just been part of my life, part of my entire life."

She will teach youth, second grade and older, to make origami butterflies during a class 10 a.m.-noon Saturday, October 15, at the Dickinson County Nature Center. Registration is \$5 to cover supplies, and people can pre-register by calling Tagami at 712-560-2081.

"It's geometry, and it's helping little fingers be more precise," Tagami said. "It helps with eye-hand coordination, dexterity. It's magic. It's magic to make a flat square piece of paper threedimensional.'

She hopes that once children try origami that they will continue to practice.

"Once you do it, it's like 'Look at what I did," she said. "It's instant gratification."

Tagami will also teach an adult class 1-3 p.m. Wednesday, October 19. For \$20, adults can try their hands at creating a fish print; simply call Tagami to pre-register.

Gyotaku is the name for the ancient Japanese practice of printing fish, and her heritage inspired Tagami to try the art form, as did her love of fishing.

"This was a way they could record the species of fish they caught and also the size of the fish," she said. "Because I fish, I was just attracted to the idea of printing them."

She thinks any adult that enjoys fishing would enjoy trying out this medium.

"If they catch a big fish, wouldn't that be fun to put it on the wall?" Tagami said. "It's a neat way to put your own art on the wall.'

Tagami loves all things nature and her art is inspired by everything around her. Rocks, sticks, fish --- she sees art everywhere.

"Art can be made from a lot of different things in nature. Nature creates such beautiful art, and that's what has inspired a lot of my art," she said, and she will talk about this subject during her exhibit reception October 6. "I think what's most important is people will say that they're not an artist, but there's art all around.'

She finds a sense of peace in nature and in using natural elements for artistic practices and hopes others can find that getaway as well.

"Art is a way of losing yourself in a peaceful place," Tagami said. "There is so much in nature you can create with."

Tagami said it's hard to take a walk outdoors with her because she stops all the time to imagine ways to use whatever is lying on the ground. Her exhibit at the Dickinson County Nature Center will allow people to metaphorically take a walk with her as they experience all the inspiration found in simple items all around.

For more information on Tagami's exhibit, visit www.dickinsoncountynaturecenter.com or call 712-336-6352. You can also keep up with the latest happenings on Facebook, Instagram and Twitter.

The library featured an exhibit of related books which could be checked out.

Spirit Lake and Okoboji Student Council members read the Preamble aloud at their respective home football games.

Regent Thunhorst and DAR members Mary Cornell of Spirit Lake, who is currently recovering at the Hawkeye Care Center, and Anne Bonestroo of Okoboji engaged residents at the Hawkeye Care Center, Spirit Lake, in a game called "Constitution Quest".

Presiding at the District Meeting was newly elected State Regent Cindi Carter who is an associate member of the Ladies of the Lake. She is known here because she and her husband have summered at Cutty's Resort for the past ten years. Mrs. Carter was speaker at the September 13 meeting of the Ladies of the Lake following the DAR Genealogy Workshop at the Spirit Lake Library.

At dinner following that event, Mrs. Carter was able to become acquainted with two members of the local chapter who are transferring to her home chapter, the Abigail Adams Chapter, in West Des Moines. The two young women are the granddaughters of Mrs. Bonestroo. They are Gina Verdoom of West Des Moines and Priscilla Verdoom Gammon of Nevada.

Lemkuil explains that this is an example of a local DAR member bringing family members, in this case, granddaughters, into her local chapter and then giving them an opportunity to connect with a chapter nearer to their residence. The Ladies of the Lake Chapter, which serves all of northwest Iowa, recently transferred six members to other chapters. Transfers can continue here as associate members if they desire.

A highlight of the Sioux City meeting was a tour of the Lewis and Clark Expedition Interpretive Center near Sergeant Bluff. The original commemoration at the site is the monument to Sargent Floyd, the only member lost (due to appendicitis) during the courageous journey. An ancestor of Regent Thunhorst was a member of the expedition.
