Dear Neighbor,

I am running for Livingston County District Attorney because we need common sense and integrity in the D.A.'s office. I was born and raised in Mount Morris where my father, Raymond L. Sciarrino, practiced law for 54 years. His tireless work for our fellow citizens inspired me to attend law school. After earning my law degree from Cornell, I joined my father's law practice.

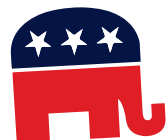

I have **personally handled thousands of criminal cases** in Livingston, and surrounding counties. In addition to **over 20 years** in private practice, I had the privilege of **serving as the Leicester Town Court Justice** for more than 11 years.

Constitutional principles and my father, a former District Attorney, taught me that **the District Attorney's job is not to have a record number of prosecutions or indictments, but to seek justice and truth.** I have dedicated my career to ensuring that justice is rendered fairly and impartially as both a trial attorney and judge.

As your District Attorney, **I will use my experience, dedication and common sense to protect and serve the long term interests of our community.**

I would appreciate your support in the election November 8th.

Yours Truly,
