Need Help with Heating Bills?

The 2016-2017 Low-income Home Energy Assistance Program (LIHEAP) was established to help qualifying low-income Iowa homeowners and renters pay for a portion of their primary heating costs for the winter heating season.

This program is not designed to pay household's total energy costs. The program will provide supplemental assistance based on several factors. Those factors include total household income, household size, dwelling type and type of heating fuel, among others.

Applications will be taken October 1, 2016 to April 30, 2017 for elderly (60 and over) and/or disabled households. All other household can apply November 1, 2016 to April 30, 2017.

If you have already applied and have been approved this winter season, you can not re-apply. For guidelines and an appointment in Dickinson County, call Upper Des Moines Outreach office at 712-336-1112. The UDMO is located at 1575 18th Street, Spirit Lake.

Milford All-School Reunion

The quasiquintennial committee is planning to have an all-school reunion during Milford's 125th birthday party in July of 2017. In conjunction with this undertaking, we would like to update the All-School Reunion Chronicle that was printed in 1992 for the centennial and also add information for the 25 years that have passed since 1992. We would like any alumni who have been involved in planning class reunions in the recent past to volunteer to share their updated information with us. If you are or have been a committee reunion chairman sometime in the past ten years and have some updated information on your fellow classmates that you would be willing to share with us, please contact us at milford125th@gmail.com or call Mary Dannatt at 712-338-4421.

Petrick Re-certification

Photographer, and Iowa Lakes Instructor Dave Petrick, has successfully completed his 15 continuing education credits allowing him to maintain his Certified Professional Photographer status.

Professional Photographers of America (PPA) and the Certification Committee commended Petrick on his ability to maintain his quality of excellence as a Certified Professional Photographer. Certification through PPA requires passing a written test and review of images.

"It is always a bit of work to get re-certified, but it is worth it," stated Petrick. "It keeps me up on new techniques and ideas in the industry. I enjoy going to the workshops, it helps me connect with other photographers from Iowa and around the country," Petrick added.

After joining PPA in 1984, Petrick earned a certification in 1996 and has continued to attend continuing education events in order to maintain it. He receives a re-certification certificate and pin as part of the designation. Petrick will remain certified for the next three years.

Spencer Rotary Fall Book Sale

The Spencer Rotary Club has started collecting books for the 2016 Rotary Book Sale set for Wednesday, November 2 through Sunday, November 6, at the Clay County Regional Events Center. The 25th annual book sale is expected to feature approximately 30,000 used books ranging from fictional classics to romance novels and nonfiction selections to rare first editions.

"The Events Center provides a great venue for our annual book sale," commented Mike Heffernan, Book Sale Committee Chairman. "The atmosphere is welcoming and we have plenty of space to display the large volume of books available for sale." Bob Rose, long-time Rotary officer, added: "Our club's annual book sale provides so many benefits as it offers a way to reuse books for others to enjoy, provides people affordable reading materials, and serves as a great fund-raising project for our club, then in turn those dollars are used for a variety of community projects."

Currently, the Rotary Club is actively seeking donations of used books for the sale. Contributions of books can be dropped off at Spencer Municipal Utilities, 520 Second Avenue E., Spencer, during business hours. If a donor has a large number of books to contribute, he or she can contact a Rotarian to have the books picked up, and a receipt will be furnished for tax deduction purposes. Anyone who needs books picked up can call 712-262-7098, 712-580-4840, 712-240-0047 or 712-262-1068.

The book sale kicks off on Wednesday, November 2, with the traditional "First Choice Party" from 5:30-7:30 pm. Admission for the First Choice Party is \$5 and provides an opportunity to get the first selection of books and refreshments. That evening hardcover books are \$3 each and paperbacks are \$1. Sale hours on Thursday and Friday are 10 a.m. to 7 p.m. both days with \$1 admission and the book prices remain \$3 for hardcovers and \$1 for paperbacks.

On Saturday, November 5, book sale hours are 10 a.m. to 5 p.m. Admission is free and the price of books drops to \$1 for hardcovers and 50-cents for paperbacks. On Sunday, November 6, the hours are noon to 4 p.m. All books are \$5 for a bag or \$25 for a shopping cart load of books. Bags are provided or customers can bring their own bag.

Complimentary coffee will be available throughout the event. Tables will be set up where shoppers can take a break, enjoy a cup of coffee and peruse an interesting book, or simply use an empty table to stack their future purchases.

Transportation Forum

The Spencer ADA Council, with the support of the Northwest Iowa Care Connections, will be presenting a "Rural Transportation Forum Connecting People to Services" on Tuesday, October 18 at 6:30pm. The meeting will be held at the Spencer Community Schools administration building. The event is free and the public is invited to attend.

As part of the ADA Council's mission to "eliminate barriers and build community understanding," they recently surveyed organizations in the area who assist persons with disabilities with utilizing safe and affordable transportation. Based upon those responses, it was felt there was a need to bring together all parts of the "transportation puzzle."

"Our area of the state has always been supportive of persons with disabilities," stated Tom Rutt, chair of the Spencer ADA Council. "This forum will connect people needing assistance with community resources, transportation providers, their funders and the policy makers who monitor the access to these vital services," added Rutt.

Kim Wilson, Northwest Iowa Care Connections CEO, Clay County Community Services Director and a member of the ADA Council shared the results of the Council's survey. "A survey conducted in the past few weeks of regional service providers (10 respondents or 41 percent) reported to the council that transportation affected their clients' access to services. It should be noted that Sixty (60) percent of these providers serve over 200 clients in our region. Of these providers surveyed, 40 percent of them reported access issues between 26 percent and 50 percent for the clients they serve. Twenty (20) percent of them said access difficulties were experienced by over 20 percent of their clients. In addition, 25 percent of these service providers reported that clients struggled particularly with access to transportation 26 to 50 percent of the time. Over 51 percent of the time, clients of 37.5 percent of the providers reported transportation access difficulties.

"The goal of our forum is to bring persons with disabilities along with their support system partners to develop awareness, address access, and encourage advocacy to meet their transportation needs," said Eric Erickson, case manager at Seasons Center for Behavioral Health and also a member of the ADA Council. "It's our hope that with the dialog started at the forum, we will connect providers, resources, and management to integrate transportation into a seamless responsive service to promote better health in our rural region."

Prior to the forum, a presentation will be provided by Rik Shannon from the Iowa Developmental Disabilities Council in Des Moines focusing on better ways for persons with disabilities to advocate for themselves so they can lead happier and more healthy lives. This event is also free and open to the public. This meeting will be from 4:00 to 5:30pm. A light lunch will be provided between both events. An RSVP to kwilson@co.clay.ia.us is requested for those planning to attend the meal.

"We are hoping this forum will foster greater understanding of the important role transportation has in making life better for all persons with disabilities and that our friends and fellow Iowans will join us in the conversation to identify gaps and seek solutions," added Wilson.

The Spencer ADA Council is supported by the City of Spencer, Iowa.

Sanford Worthington Held Rural Health Conference

Two representatives from Sanford Worthington presented at the Minnesota Rural Health Conference on Sanford Worthington's comprehensive discharge planning program and its effects on reduction of readmissions within 30 days. Erica Berger, MSW, LICSW and Laura Hoffman, MSN, BA, RN, CNML, discussed the approaches they used and the challenges they encountered. The action plan included rounding, interdisciplinary team involvement and post hospital contact.

- learn about effective, evidence-based programs and best practices around the state;
- share local and state solutions to challenges, while encouraging informed and visionary leadership for the future
- develop and access a network of colleagues and partners to engage in crucial conversations and share innovations.

"It was a great honor to be chosen to present at the Minnesota Rural Health Conference," said Hoffman. "We were able to share best practices and offer tools to other rural health facilities that we have found helpful here at SWMC. We have an excellent interdisciplinary team of nurses and healthcare professionals working at SWMC and we are very proud of the work we are doing to help every one of our patients."

600 people attended the conference this year in northern Minnesota.

Participants will learn how to set themselves apart by going beyond the usual quick scalp and neck rub, and becoming the expert in this area. Learn how to carefully explore the anatomical structures of the head and neck, focusing on trigger point patterns and fascial lines of tension.

In addition, participants will review some of the causes of head and neck pain, and how to educate clients to minimize recurrence. Cost for this session is \$169 for registrations on or before October 14, using course #68054, or \$189 for registrations after October 14, using course #68052.

Lunch and refreshments are provided for both workshops. Individuals are asked to bring their own table linens and blanket, face rest cover, hand towel, lotion/oil, pen and paper. Continuing Education units for each of these seminars can also be used for National Certification. Education Destinations is approved by the National Certification Board for Therapeutic Massage and Bodywork (NCBTMB) as a continuing education approved provider.

There are some physical requirements for participation in these workshops, such as: the ability to physically get on and off a massage table, and to walk around the massage table. Participants must be able and willing to give and receive massage techniques as directed by the instructor. This may include massage techniques such as deep tissue and compression work, stretching, and long effleurage strokes.

If participants are absent for a portion of the workshop, they are not eligible to receive a Certificate of Completion, full attendance is mandatory. No certificates or refunds will be issued for partial attendance.

To register for workshops, contact the Continuing Education office at 800-252-5664, or visit www.iowalakes.edu/ce. For more information, contact Emily Fontenot, Industry Training Programmer, at 712-336-6579.

GRIT Collaborative Presents Water: Our World

Join GRIT Collaborative at the Pearson Lakes Art Center on Thursday, October 13 at 7 p.m. for Water: Our World, an exciting event of music and visual art! Water-inspired work will be presented from internationally renowned composers and visual artists, including Edna Cantoral Acosta, Reenie Charriere, Yotam Haber, Robert Fleisher, Teresa Leung, Joshua Marquez, J. Poulos, and Suzanne Sorkin. Live music by Iowa-based performers Rose Bishop (flute), Andrew Gentsch (violin), and Christina Craig Gentsch (cello) will be performed in Pearson Lakes Art Center's beautiful Pomerantz Hall in front of, next to, and incorporating the visual art. The 70-minute Water: Our World performance is family-friendly and free-and-open to the public. There will be an artist panel discussion, also free-and-open to the public, directly before the performance at Pearson Lakes Art Center on October 13 at 6 p.m.

GRIT Collaborative is a 501(c)(3) nonprofit that serves a platform for interdisciplinary conversation. Formed in 2015 by Dana O'Malley (visual artist) and Dr. Joshua Marquez (composer), the organization seeks to build accessible opportunities through open calls and collaborative events for artists and communities to collectively engage with global issues (www.gritcollaborative.com). What better place to investigate our perceptions of water than right here in the Iowa Great Lakes Region, where water serves as a precious habitat, natural resource, and part of the economy? GRIT Collaborative is thrilled to travel to Okoboji and present Water: Our World with Pearson Lakes Art Center. Water: Our World would not be possible without the support of the Iowa Lakeside Laboratory and Pearson Lakes Art Center.

Founded in 1965, the Pearson Lakes Art Center has focused on broadening horizons through the arts for more than 50 years. For more information or to become a member, please contact the Art Center at 712-332-7013, by email info@lakesart.org, or visit the website at www.lakesart.org.

Estherville's Ladies Night Out

For the past 9 years, the Ladies Night Out Fundraiser of Estherville has been held every fall in efforts to raise money to help women in Estherville and surrounding communities who have encountered unexpected expenses due to illness or family tragedy. In total, the group has been able to help fifty different women totaling close to \$25,000.

This year's Ladies Night Out Fundraiser will be held on Thursday, October 27, at the Estherville VFW from 6:00 to 9:00 pm. The event hosts various vendor booths such as Rodan & Fields, Pink Zebra, Perfectly Posh, Scentsy, Connie's Craft Mart, Advocate, Pampered Chef, Premier Jewelry, Tastefully Simple, DoTerra Essential Oils, Beach Body, Nerium and more. There will also be a style show featuring fashions from the Style Loft, Ilene and Lisa's Vintage Treasures, and LulaRoe.

In addition, local businesses and individuals generously donate to the event to provide over 20 different silent auction items to bid on. The support given by our communities for this event has been amazing. All of the money raised through the auctions and at the door goes directly to help women in our area.

Each year the LNO event focuses on a fun theme and they encourage our attendees to come dressed for the theme. The 2016 LNO theme is "Passion for Fashion" so they hope everyone comes dressed in their favorite fashion statement.

Admission to the event is \$5. For more information about the event or to suggest a recipient, please feel free to contact an LNO committee member. Members are: Carol Bernholtz, Denise Christensen, Brooke Johnson, Megan Johnson, Katie Lowe, Krista Lowe, Kim Phillips, Laura Richter, Jen Sievert and Theresa Umscheid. We can also be found on Facebook under Ladies Night Out-Fundraiser. They hope to see you on Thursday, October 27!

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:

In Northwest Iowa we have been afforded great representation. We have our Congressman Steve King; the man with class, competence, conviction and Constitution. We have John Wills representing us amazingly well in the Iowa State House. There are many others. Statewide we have Governor Branstad and Lt. Governor Kim Reynolds, Senator Grassley and Senator Ernst.

Notice what's missing or probably not. Our district has David Johnson whose misguided, self-centered decision to leave the Republican party leaving the constituents of Clay, Dickinson, Lyon, Osceola and Palo Alto counties without an effective representative in the Iowa Senate is "deplorable." He has been stripped of his committee assignments, has no standing within the Senate, does not have a staff and has placed the Republican party in a much more difficult position to regain the majority in the Iowa Senate. Is not that when a gentleman would gracefully bow out?

David Johnson has referred to our Congressman Steve King as a "demagogue;" Senator Grassley's correct decision to not hold hearings on Merrick Garland's Supreme Court nomination "malarkey;" and Donald Trump as a "racist" and "bigot." We won't be forsaken, impugned, and embarrassed by David Johnson.

Zach Whiting is the solution to replace David Johnson as our District 1 Iowa State House Senator. He has fifth generation Northwest Iowa roots. Zach is a full-spectrum, constitutional conservative, meaning he will represent the people of our District. His policy goals include the lowering of taxes/spending, reducing regulations, protecting our natural resources, supporting quality education, school choice and traditional family values. He will serve as our voice for a better Iowa.

October's Good Neighbor Month

October has been designated "Good Neighbor Month." During the month of October the Good Neighbor Fund will be collecting funds to support the non-profit agencies in our community. The good work of these agencies helps enhance the lives of others.

The Good Neighbor Fund has provided funding for local charities since 1958. Without the support of community members, these organizations would be unable to provide services to our neighbors in need. This year's fund drive goal is \$80,500. Seventeen different local charities have been selected as recipients of funds this year.

If you would like to support the Good Neighbor Fund Drive for 2017, please send your contribution to Good Neighbor Fund of the Okoboji and Spirit Lake Territory, P.O. Box 454, Spirit Lake, IA 51360.

Be a "good neighbor" and help support this drive today.

Indian Volleyball Pink Out Night a Success

The AC/DC Team for Relay for Life hosted another successful Pink Out Night at the Indians' volleyball game in Spirit Lake on Thursday, October 6. Thanks to Kuker Trucking, Britt Parriott and the Dry Dock Lounge for sponsoring the food items.

The Team offered taco-in-a-bowl and had pink out shirts available and the volleyball teams did an awesome job of decorating the gym. The student cheering section was dressed in pink and supported the event also.

Between sets during the varsity games, buckets were passed around the crowd to collect donations for the American Cancer Society. Half of those proceeds will go to the Finley Brunsvold Fund to help defray the medical expenses of the Brunsvold Family. Finley, who is 9 months old, was diagnosed with Choroid Plexus Carcinoma Cancer, affecting the brain. Anyone wishing to donate to this fund can find more information on the CaringBridge website for Finley Brunsvold.

Citizen of the Years Nominees Needed

Kiwanis is looking for deserving people in the community that have dedicated years of volunteer service to others. This is a very distinguished honor that the Spirit Lake Noon Kiwanis has bestowed upon area residents, every year, since 1949. To nominate an individual, this person must have given of themselves tirelessly and unselfishly to make this a better community. Please remember this award is open to *any resident* that has these attributes of volunteerism. If you know of someone that you would like to be considered, please contact Susan Clark at 320-2939 or email: slnoonkiwanis@gmail.com for a nomination form. Deadline is November 10.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

I am writing today, especially to those that will be choosing a representative for District 3, County Supervisor.

My friend Shane Bush is running for this position. I have known Shane for all of my adult life, as well as most of my growing up years. He grew up in Lake Park, graduated from Harris-Lake Park, married his high school sweetheart, continued his education at Iowa State (while traveling home most weekends to help on the family farm), and came back to Dickinson county to farm.

Our family's lives ran parallel to Shane and Bette's for many years. We were married about the same time, spent time together in Ames, and moved back to this area shortly after they did. Our children were raised together when they were younger, and we spent countless times together as couples and families.

Through this time, we knew Shane Bush the man, not the candidate. I have seen Shane rejoice in the happy times in his life, as well as suffer the tragedies, and yet he never lost his faith in God or mankind. Shane is a family man, but he also looks for and sees ways to improve the lives for those surrounding him.

For many years Shane has pursued a career away from this area, but his roots have always remained in Dickinson County. The jobs he had were in the financial world, and they prepared him for the workings of county government, as well as to handle situations with integrity and honesty.

He is running for this office with the faith that he can help make not only District 3 a better place, but the whole county... and the state of Iowa. I urge you to VOTE: SHANE BUSH.

Sincerely
Alice Anderson, Lake Park

Rev. Gilbert Open House

An Open House will be held for Rev. Charles D. Gilbert in honor of his 50 years of pastoral ministry, on Sunday, October 23, from 2 to 4 pm. It will be held at the Calvary United Methodist Church in Arnolds Park. This is the same church in which he was ordained in 1966.

Blues Jam at Boji Bay

The popular "Blues Jam" starts its second year at the Boji Bay Fun House & Pavilion Thursday, October 20, from 7:00 to 9:00 pm.

After nearly five years at the Pearson Lakes Art Center, the jam moved to the Boji Bay complex near the intersection of highways 71 and 86 last fall.

Tom Golden, CEO, says, "We're looking forward to starting up the 2016 Blues Jam series. It gives us the opportunity to showcase local and regional talent in a friendly environment."

Events and banquet manager Connie Mueller comments, "The Lake Patrol will serve as the "host" band again this year. They get things started with a few songs then start bringing up the "jammers." In addition, Boji Bay offers a buffet with a wide range of food and dessert selections for those that want to make it a "dinner and a jam" evening.

Mick Buckley, Lake Patrol co-founder encourages all ages and talent levels of musicians to sign up to jam. "We try to create a no stress environment and provide an opportunity for working musicians to strut their stuff as well as a chance for less experienced players to play and be supported by pros."

Band co-founder Tim Horsman adds, "The Boji Bay Blues Jam gained momentum last year. More and more local and regional musicians turned up with each Jam, some driving 50 to 75 miles just to participate."

Doors open and the dinner buffet starts at 5:30 pm. The Jam begins at 7:00. Admission is \$5. Musicians signing up to jam get in free.

Fostoria Chicken Dinner

For a finger-lickin' good meal please attend the Fostoria United Methodist Church's 9th annual Chicken Dinner, Sunday, October 16 starting at 11:30 am. It will be held at the Fostoria City Hall. Turn our **COMMUNITY BLUE**

The Lakes News Shopper is excited to announce that we are spearheading a "TURN OUR COMMUNITY BLUE" project. We want to show OUR support to OUR dedicated local Law Enforcement Officers when the community replaces a bulb in their porch light or window with a BLUE LIGHT BULB.

The Lakes News Shopper will run a special section in the October 18th edition featuring Law Enforcement support ads. In that section there will be a list of where the community can purchase a BLUE LIGHT BULB for just \$3 each or two for \$5.

Ad Size	Black & White	Full Color	# Bulbs Included*
1/16 page (7" x 2.5")	\$75	\$105	25
1/8 page (7" x 5")	\$150	\$180	50
1/4 page (7" x 10")	\$300	\$330	80
1/2 page (14.25" x 10")	\$575	\$625	100

*You are not required to take the bulbs and sell them to participate. If you choose not to sell the bulbs, we will move those bulbs to another participant that will be able to sell them to bring the participation to the highest level possible.

The night for the entire community to "TURN BLUE" will be Halloween night, Monday, October 31st. This will be a great night to support OUR local Law Enforcement while helping keep OUR little trick or treaters safe!

100% of the purchase price of the light bulbs will go to the domestic violence and sexual abuse victims in Dickinson County.

We will also have a "TURN OUR COMMUNITY BLUE" contest where readers can win one of two \$125 gift cards by sharing their "TURN BLUE" photos with us.

Ad deadline for this special section will be **Wednesday, October 12th**

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:
With the election for Dickinson County Supervisor for District 3 fast approaching, I write in support of Tim Fairchild.

I have found with my association with Tim that he is actively involved in the community. One specific example includes volunteering his time to come to Iowa Lakes Community College and speak to area high school students and Iowa Lakes students on his experience as an industry leader in the welding field.

I have observed that Tim has a "Can-Do" attitude. He has a positive approach within his business and his relationship with others. Therefore, I think Tim would make a good Supervisor.

Tim has a proven record of experience and commitment, he has experience in several aspects of local government, and working with farm and city communities.

I believe that Tim Fairchild deserves the opportunity to serve as a Dickinson County Supervisor for District 3.

Percussion with a Twist at the PLAC

Join us Thursday, October 20, at 7:30 pm, at the Pearson Lakes Art Center to see Jeremy R. Johnston's "Snapshots of Modern Percussion" performed live on the Lauridsen Performing Arts Theatre stage.

Jeremy R. Johnston, DMA, will present his solo percussion recital featuring works showcasing many trends in current composition for percussion. Presenting both technical prowess and musical sensitivity, Jeremy will perform his program, featuring widely varied instruments and compositions found in contemporary percussion repertoire. This exciting and intriguing program features the premiere of "it teaches us that it doesn't exist" by Ted Moore, a composer based in the Twin Cities. Audiences are sure to walk away feeling both moved and entertained. Where else are you going to witness Vicki, from Apple's speech preferences, narrate a snare drum solo? This one of a kind performance is sure to delight and entertain.

Tickets are available for purchase, and more information can be found by calling our box office at 712-332-7013 or by visiting us on the web at www.lakesart.org.

Founded in 1965, the Pearson Lakes Art Center has focused on broadening horizons through the arts for more than 50 years. For more information or to become a member, please contact the Art Center at 712-332-7013, by email info@lakesart.org, or visit the website at www.lakesart.org.

Red Cross Blood Donations Support Cancer Patients

The American Red Cross urges eligible donors to give blood to support cancer patients and other patients during Breast Cancer Awareness Month this October.

More than 1.6 million new cases of cancer are expected to be diagnosed in the U.S. this year and 246,600 of them will be invasive breast cancer, according to the American Cancer Society. Cancer patients may need blood products during chemotherapy, surgery or treatment for complications.

Mary Kay Huppert was diagnosed with breast cancer last year. "I was a nurse for 40 years. I saw blood transfusions save a lot of lives." She received two transfusions herself while being treated for breast cancer.

The Red Cross must collect about 14,000 blood donations every day to help patients, and volunteer donors are the only source of blood products for those needing transfusions. Donors of all blood types are needed.

To make an appointment to give blood, download the Red Cross Blood Donor App, visit redcrossblood.org or call 1-800-RED-CROSS (1-800-733-2767). Donors are encouraged to make appointments and complete the RapidPass online health history questionnaire at redcrossblood.org/rapidpass to save time when donating.

Upcoming American Red Cross blood donation opportunities:
Milford: October 19 from 1 p.m. - 6 p.m., at the Community Center, located at 9th Street & Okoboji Avenue.
Spirit Lake: October 17 from 1 p.m. - 6 p.m., at Grace Lutheran Church, located at 801 Hill Avenue.
Estherville: October 18 from 1 p.m. - 6 p.m., at the Christensen Activity Center, located at 300 South 18th Street.

How to donate blood: Simply download the American Red Cross Blood Donor App, visit redcrossblood.org or call 1-800-RED-CROSS (1-800-733-2767) to make an appointment or for more information. All blood types are needed to ensure a reliable supply for patients. A blood donor card or driver's license or two other forms of identification are required at check-in. Individuals who are 17 years of age (16 with parental consent in some states), weigh at least 110 pounds and are in generally good health may be eligible to donate blood. High school students and other donors 18 years of age and younger also have to meet certain height and weight requirements.

Blood donors can now save time at their next donation by using RapidPass to complete their pre-donation reading and health history questionnaire online, on the day of their donation, prior to arriving at the blood drive. To get started and learn more, visit redcrossblood.org/RapidPass and follow the instructions on the site.

The American Red Cross shelters, feeds and provides emotional support to victims of disasters; supplies about 40 percent of the nation's blood; teaches skills that save lives; provides international humanitarian aid; and supports military members and their families. The Red Cross is a not-for-profit organization that depends on volunteers and the generosity of the American public to perform its mission. For more information, please visit redcross.org or cruzrojaamericana.org, or visit us on Twitter at @RedCross.

DAR Honors Vietnam & Korean Vets

Speaking to the local Chapter of the Daughters of the American Revolution, Vietnam Veteran Mike Dalen of Estherville recalled the mortar shelling, the ambushes, the almost unbearable heat and the loss of buddies during the Vietnam conflict. While telling of his experiences at the Estherville Public Library on Sept. 27, he showed a video and passed around photos of 1966-67 camps and conflict sites in various areas of Vietnam.

As a combat engineer with the U.S. Army, Dalen cleared jungle territory, built roads, airports, constructed and repaired bridges, and met many other challenges. Following his discharge, he returned to Estherville, working with various employers including John Deere.

"The war isn't over yet," he declared. He cited the high rate of veteran suicides, 22 daily, and noted that 22,000 veterans are homeless. Families continue to suffer."

Dalen is one of the area servicemen being honored belatedly both nationally and locally for their service and sacrifice in the unpopular and controversial Vietnam conflict.

DAR member Collette Travis of Spirit Lake presented a pin and certificate thanking Dalen for his service.

Also receiving the DAR recognition was Gilbert Amdahl of Spirit Lake who served in Korea. In 2014, Amdahl was named the State DAR "Outstanding Veteran Volunteer" for his contributions to patriotism and to the community.

Also speaking at the DAR event was Beth Reineke, Assistant Director of the Estherville Public Library. She reported on the "ten excited children" who are participating in the genealogy project at the library titled "Dig into Your Family History." The youngsters are being assisted in data base searches for their "family tree" as well as being taken on field trips to the local museum, court house and cemetery. The series continues through mid-November when each student will be given an archival book to display their findings and an opportunity to tell about their research and their family stories, reported Reineke.

The Ladies of the Lake DAR has sponsored one of the genealogy students. The Chapter serves all of northwest Iowa and has active Estherville members. They include Bonnie Amdahl, a past Regent; Tanna Lair, current Chapter Secretary; Diane Lavender, Chapter Registrar and Adviser for Children of the American Revolution (CAR), also Anita S. "Billy" Rosendahl who now resides at Hawkeye Care Center in Spirit Lake.

Run/Walk to Remember 5K

Lakes Regional Healthcare (LRH) Hospice, Schuchert-Lentz Funeral Home, and Turner Jenness Funeral Home have teamed up to honor those who have passed away and those that are currently in hospice care by hosting a Walk/Run to Remember 5K event on Saturday, October 22.

The event will begin at Lakes Regional Healthcare's east patio area, located south of their east entrance, at 9:30am. There is no need to register for the event. It will kick off with an opening ceremony with LRH Director of Home Care and Hospice Missy Abbott, LRH Chaplain Matt Warnke, followed by Amber Rakotz, the mother of Dayzeemae Rakotz, who was an LRH Hospice patient.

The walk/run itself will begin at approximately 10:00 from LRH's east patio and proceed to the YMCA via Zenith Avenue, 28th Street, and Sunner Avenue, then head north along the trail on Highway 71, turning at the Immanuel Lutheran Church, then north on Zenith Avenue back to LRH. Individuals of all ages are welcome to participate. It is not a race or a competition, so walkers can take as long as is needed to finish, or walk as far as they are able.

Upon returning to the east patio, there will be snacks and refreshments to enjoy. There will also be complimentary shirts distributed to the first 50 participants that come to the event.

Those with questions can call Jed Winkel at 712-336-8709.

Robot Technologies Showcased

Innovative technology, ways to stay healthy this fall and winter, and advice regarding Medicare coverage are just some of the topics that will be showcased at an upcoming health fair at Lakes Regional Healthcare (LRH). The event, developed by LRH's Patient and Family Engagement Committee, will be held on Saturday, October 22, from 10:00 am until 2:00 pm, in LRH's dining room. People are encouraged to enter the hospital via the east or south entrances. Admission is free and those in attendance are welcome to come and go as they please. There will be a number of activities to enjoy and much information, such as:

- See the MakoTM robotic-arm assisted surgery system
- Crisis mental health services information
- Planet Heart information
- Breast cancer prevention and detection information
- LUCAS CPR demonstrations
- Flu shots and other vaccinations
- Help creating an individualized medication list based on personal needs
- Safe, complimentary medication disposal
- Free blood pressure checks
- Drawings
- Birth Center tours
- Free Dickinson County Project Alert Kits
- SHIIP Counselor available for information on 2017 Medicare Part D
- Help with creating an online Avera patient chart

LRH Vice President of Marketing and Retail Services Jennifer Gustafson said, "We're excited about this event and hope a lot of people will take the time to come out and enjoy it. There's something for nearly everyone to see and do at the event. People new to the area will enjoy learning about some of the services provided here, and those that have received care here their whole lives will enjoy seeing first-hand some of our new technologies, some of which are not provided anywhere else in northwest Iowa, southwest Minnesota, and southeast South Dakota."

Before the fair starts, a Walk/Run to Remember 5K will begin at 9:30 am at LRH's east patio area to honor those who have passed away and those that are currently in hospice care. There is no need to register for the event that will kick off with an opening ceremony. The walk/run is not a race or a competition, so walkers can take as long as is needed to finish, or walk as far as they are able. Upon returning to the east patio, there will be snacks and refreshments to enjoy. There will also be complimentary shirts distributed to the first 50 participants that come to the event.

Discovery House News
Julie Scheib, Director
www.mydiscoveryhouse.com

Do you remember learning to sing "Jesus Loves Me" in Sunday school as a small child, and the last line, "We are weak, but He is strong?" Exodus 15:2 states, "The Lord is my strength and song, and He is become my salvation: He is my God, and I will prepare Him an habitation; my father's God, and I will exalt Him." (KJV)

Have you prepared "an habitation" or a place in your heart and life for Him? It is far too easy to get caught up in the news and top stories of the day, or the latest on social media. For me, it takes a conscious effort to carve out space each day to spend time with my heavenly father studying His word, and then praying and meditating on how I can apply it to my own life.

It makes perfect sense to focus on the source of my strength, song and salvation. It certainly isn't productive to focus on the world and all of its woes, unless we are seeking guidance and direction from God. If only all of our elected leaders would seek the same.

Discovery House residents receive weekly Christian counseling and take part in prayer and Bible study. They are encouraged to seek God's will for their lives, and learn to lean on His strength rather than their own. "I can do all things through Christ, which strengthens me." Philippians 4:13 (KJV)

Blessings till next time,
Julie Scheib, Director

Lake Park Library News

Author Visit!

The Lake Park Public Library will be hosting a 2nd book signing event for a familiar name in town, Bill Zahren. He will be here on Friday, October 21st from 1:00 to 4:00 pm. You can purchase and have him sign his recent book, *Paper Trail*.

Sometimes you have to get away to get closer to the truth. In the *Paper Trail* Assistant Attorney Hillary Reed and her new significant other, reporter Tom Kingman, try to solve an Omaha based murder while finding a rat in a corporation.

Bill Zahren is a fifth-generation Iowan born in Lake Park. He graduated from Morningside College in Sioux City and worked for the Le Mars Daily Sentinel and Sioux City Journal before moving to West Des Moines where he now lives with his wife, Rhonda. Bill and Rhonda have two daughters. Bill works as a full-time freelance marketing writer when not drafting the latest adventures of Tom Kingman and Hillary Reed. Please join us in welcoming Bill back home!

We are also celebrating National Friends of Libraries Week October 16 to 22. This year marks the 11th annual Friends of Libraries Week recognition with a two-part purpose: thanking the local Friends group in the community and raising awareness of the many Friends Group contributions and recruiting memberships. Please join us for refreshments on Friday, October 21st from 1 to 4 pm in appreciation of our Friends of the Library and to welcome Bill Zahren.

County Taxpayers Board Meets October 13

The next meeting for the Dickinson County Taxpayers Association Board of Directors will be Thursday, October 13th at the Arnolds Park City Hall starting at 8 AM. The featured speaker will be the new Okoboji School District Superintendent - Todd Abrahamson. His discussion with the Taxpayer's Association will center on the new Superintendent's impressions of the Okoboji School District since his arrival earlier this summer.

All Dickinson County Taxpayers Association members along with potential members are encouraged to attend. The public is also welcome. Coffee and rolls will be available. Website www.dctaxpayers.org

The Dickinson County Taxpayers Association is a non-profit organization with a mission to inform Dickinson County residents and property owners about our tax system.

Writing Workshop at Lakeside Lab

Extinction is the theme of the final public writing workshop lead by Corrina Carter, Lakeside Autumn Writer in Residence. Carter will lead a close reading and discussion of Aldo Leopold's famous essay "On a Monument to the Pigeon" about the extinction of the Passenger Pigeon, once the most abundant bird in North America. Participants will reflect on whether a species can ever disappear completely if we immortalize them in words, and then be invited to pen their own tribute to an extinct animal.

The free workshop will be held Sunday, October 16 from 3:00 to 5:00pm at Iowa Lakeside Laboratory Dining Hall. To register, email Carter at ccarter@iastate.edu, or call (712) 337-3669 Ext. 7.

The Lakeside Writer in Residence program was established to provide emerging authors the opportunity to pursue their writing in the quiet, natural setting of Lakeside campus, and is sponsored by the Friends of Lakeside Lab.

Selected from a competitive pool of applicants, Carter holds an MFA in Environmental Creative Writing from Iowa State University, a program for writers whose work is either place-based or environmental. She also holds a BA in English from UC Irvine. Her prose has appeared or will appear in such journals as *About Place*, *Alligator Juniper*, *The Fourth River*, *The Kenyon Review Online*, and *Permafrost Magazine*. Carter also served as a Summer Writer in Residence at Lakeside in 2014; her stay inspired a Pushcart Prize-nominated essay called "Turkey-Watching in Dickinson County."

Star Trekking at Dickinson County Nature Center

Think of the constellation Orion, and we often think of the hunter's belt, but come October, the constellation also means meteors.

This year's Orionids meteor shower peaks on the morning of Friday, Oct. 21, and naturalist Charles Vigdal will focus on the shower during his next Star Trekking program at 8:30 p.m. that evening at the Dickinson County Nature Center in Okoboji.

"This is a minor meteor shower, but it's still good, because, hopefully, the weather will still be nice," Vigdal said. "I like fall better than any season, so it's a nice time to be out. A lot of trees will have lost their leaves, so your view isn't obstructed by the canopy of leaves."

The Orionids meteors will appear to radiate from a point near the upraised club of the constellation Orion, which Midwesterners will begin to see as he comes up in the sky in the winter season. The star Betelgeuse is located near the radiant point. However, you don't have to find the radiant point in order to see the meteors, as they often don't become visible until they are 30 degrees from that area, appearing in all regions of the sky.

The Orionids meteor shower stems from debris left behind by Comet Halley and offers approximately 10-20 meteors on a dark, moonless night. These are fast meteors, hitting the Earth's atmosphere at about 41 miles per second and leaving persistent trains, which are ionized gas trails that last for a few seconds after the meteor itself is gone.

This year viewing the Orionids might be more difficult because of the location of the moon, but the best time to watch is still in the darkest hours before dawn. Find a place in the country, without any street lights, and that will be your best bet at seeing some of these fall meteors.

In addition to talking about the Orionids, during his program Vigdal will also speak on winter constellations, space news and planets that can be seen in the night sky.

"I hope people learn something new," he said. "There's so much going on in space we're learning about, and that often gets lost in the media. I want people to know what's going on in the night sky."

The final Star Trekking program of 2016 will be held 8:30 p.m. Dec. 13, focusing on the Geminids meteor shower and the supermoon appearing around that time.

For more information on Dickinson County Nature Center programs, visit www.dickinsoncountynaturecenter.com or call 712-336-6352. You can also keep up on the latest happenings on Facebook, Instagram and Twitter.

StudentCam Competition

Mediacom and C-SPAN announce the start of this year's annual student documentary competition, and encourage middle school and high school students to participate in the video documentary competition known as "StudentCam." Students are asked to create a short five- to seven-minute video documentary and submit it online between November 1 and January 20, 2017.

This year marks the 13th Annual StudentCam competition, and a new topic is chosen each year to encourage students to work in teams or individually to enhance their understanding of U.S. government. Students are asked to present their views on a topic that coincides with this year's general election: "Your message to Washington: What is the most urgent issue for the new president and Congress to address in 2017?"

Cash prizes of up to \$100,000 in total will be awarded to winning documentaries. Winners will be announced in March 2017 and the top-rated videos will be televised on C-SPAN in April. In recent years, Iowa students from Aplington-Parkersburg and Cedar Falls High Schools created StudentCam documentaries that earned national recognition. Complete competition details and entry forms are available on the C-SPAN StudentCam website <http://www.studentcam.org/>.

C-SPAN is a public service created and supported by the American cable television industry, including Mediacom. The public affairs networks operate commercial-free without government tax dollars, and Mediacom provides its video subscribers with access to all three C-SPAN networks.

Mediacom Communications Corporation is the fifth largest cable operator in the U.S. serving about 1.3 million customers in smaller markets primarily in the Midwest and Southeast. Mediacom offers a wide array of information, communications and entertainment services to households and businesses, including video, high-speed data, phone, and home security and automation. Through Mediacom Business, the company provides innovative broadband solutions to commercial and public sector customers of all sizes, and sells advertising and production services under the OnMedia brand. More information about Mediacom is available at www.mediacomcc.com.

Seasons Center Receives \$150,000 Grant

Seasons Center for Behavioral Health has been awarded a \$150,000 nine-month planning grant from the Iowa Department of Human Services. The purpose of the grant is to fund the continued development of children's mental health crisis services throughout the state of Iowa. Seasons was one of two agencies named. Seasons will work closely with partners: Boys Town, Juvenile Court, Prairie Lake AEA, and Avera in providing a collective rural voice on how children's crisis services should be delivered in the future.

"We are extremely excited about the opportunity to bring together our partner agencies and numerous other entities to explore ways to strengthen what is already working and develop recommendations on how to fill gaps in care," said Kim Scorza, CEO/President of Seasons Center.

In 2015, Seasons Center was called to care for 2,123 children. Seasons has taken the lead in providing quality mental health care for children in northwest Iowa through the opening of Autumn's Center, the first of its kind regional children's center located in Spencer, Iowa. Autumn's Center is opening this month.

"Part of this nine month process will be the active engagement of a wide spectrum of people including school officials, healthcare personnel, and countless others to make recommendations to the Iowa Department of Human Services on what a rural children's mental health crisis system can look like," adds Scorza. "We look forward to working with the Department and many others over in the next several months."

Seasons Center would like to thank Boys Town, Juvenile Court, Prairie Lake AEA, and Avera for agreeing to partner on this grant application and initiative.

YMCA Adaptive Swim Lessons

The YMCA core values are Youth Development, Healthy Living and Social Responsibility. Through a new partnership with Big Splash, Inc., the Bedell Family YMCA found a program that touches all three aspects at once.

Big Splash promotes wellness, recreation, and personal achievement in students with special needs by providing adapted instructional swimming and aquatic therapy in a positive, supportive environment.

In general, the populations represented struggle with obesity, high blood pressure and diabetes; yet as a result of regular swimming these students have experienced a dramatic improvement in their overall health. As well, the students with autism and behavioral disorders have greatly improved their classroom participation as a direct result. Participating classroom teachers have requested, throughout the years, that if their students could swim at the beginning of every day, they believe that their overall productivity would double in their academic performance.

"A local businessman and school board member of the Spirit Lake Community School District approached me during the fall of 2015 to encourage me to consider bringing the Big Splash program to schools of Dickinson County," says Karen Taylor Burton, Founder and President. "During our discussions, there was only one facility that we ever considered for Big Splash and the school districts, which was the Bedell Family YMCA."

"It was an easy decision on our part," said Andrew Fisher, YMCA of the Okobojis Interim CEO. "With this program so closely correlating with our core values, we knew bringing Big Splash into our facility was the right thing to do. Essentially, it's another way the Y serves our local community in an identified area of need."

"I was so pleased to hear that the administration of the YMCA was excited to join me by providing a facility for the Big Splash program as well as the schools of the county," said Taylor Burton. "The Bedell Family YMCA is making waves for this outstanding program to make lifetime differences for students with special needs."

Now through the end of the school year, Big Splash will be conducting these valuable lessons in the Bedell Family YMCA Aquatics Center with students from Spirit Lake, and later Okoboji, school districts.

"We are so excited to offer this program to our students at Spirit Lake Elementary," said Kasey Huebner, Spirit Lake Elementary School Principal. "Our goal is to provide a unique program that enhances the student's academic performance by increasing classroom participation. We are so appreciative to both the Big Splash program and the Bedell Family YMCA for making this a reality for our students!"

More information about Big Splash, Inc. can be found at bigsplashaquatics.com.

The Y is one of the nation's leading nonprofits strengthening communities through youth development, healthy living and social responsibility. Across the U.S., 2,700 Ys engage 22 million men, women and children – regardless of age, income or background – to nurture the potential of children and teens, improve the nation's health and well-being, and provide opportunities to give back and support neighbors. Anchored in more than 10,000 communities, the Y has the long-standing relationships and physical presence not just to promise, but to deliver, lasting personal and social change. ymca.net

The Force earns State Division I, Saturday

Congratulations are in order to the members of *The Force*, the Spirit Lake High School Marching Band, after the aggregation received a Division I (Superior) Rating at the State Marching Band Contest, Saturday, in Sheldon. *The Force's* overall rating of 73.2, was up from 68.7 in 2015.

Later Saturday *The Force* placed 5th (of 8) in Class 3A at the Dutchmen Field Championships in Orange City.

The public is invited to *The Force's* final *The Phantom of the Opera* performance as part of the annual Indoor Marching Concert, next Tuesday night, at 7:00, in the SAMI Center. Admission is free!

If you went to camp as a kid, it was probably a summer camp. (Our kid tent-camping experience was at *Camp Raineveryday*.) But leave it to *The Spirit of Harmony Chorus* to be planning a camp "reunion" even for those who never had the honor as a juvenile.

The reunion at *Camp Sing a Song* is set for Sunday afternoon, November 20th, at 2:00, (regardless of the weather) in the comfortable confines of the SAMI Center, and will also include *Four The Record* (a men's quartet from Algona), and a special camp appearance by *Affinity*, the *SoH's* very-own award-winning quartet.

Stagerat Stan says he heard the members, "are all getting back together for a *Spirit of Harmony* reunion." Featured personalities are camp-mates you might remember: Miss Positive, Miss Complainer, Miss Party Animal, Miss Big City Slicker, Miss Health Nut, and Miss Woman's Advocate, among others. Stan

thinks it's a cute script with lots of fun songs, including one of Allan Sherman's hits from the '60s, *Hello Mudder, Hello Fadder*.

Tickets are available at Lewis Family Drug in Spirit Lake. You could also gently twist the arm of a *SoH* member, or call 712-336-9107...

We're glad we noted the possibility of a fourth *Many Voices Choir* Christmas concert in last week's *RAMBOLing*, as that concert is now set for Emmetsburg's High School Auditorium, at 2 p.m., on Sunday, December 4th.

The other three concerts start at St. John's Church in Bancroft, at 3:30 p.m., Sunday, November 27th; and continue the following weekend at St. Patrick's Church in Estherville, on Saturday, December 3rd, at 1:30; and St. Mary's Church in Spirit Lake, at 7:30 that same night...

As also noted here last week, rehearsals start in November for Spencer's December 4th *Festival of Lessons and Carols*, which will feature three ecumenical choirs directed by Marianne Fuchsen, Stephen Baker and Tom Rutt. As the three directors will be rehearsing their respective choirs on different times, nights, and places, the best way to get information is to call Marianne Fuchsen at 712-580-6315.

Limited information is available at: Facebook.Com/SpencerMessiah

This week will see Glenn Henriksen in his house concert, tonight, in Spirit Lake, from 7 - 9 p.m., while the Iowa Lakes Community College October Coffee House will start at 6:30, in the Max Student Center on the Estherville campus...

The *Lake Patrol* is at Table 316 in Arnolds Park on Wednesday night, from 7 - 9 p.m....

Storm Rising will appear at the Little Swan Lake Winery in Superior, for Thurs-ty Thursday night, from 6 - 8:00. And Dave Rowley and Ryan Sather will be returning to the scene of their many crimes in the same barn, Sunday, from 4 - 6 p.m....

The Iowa Rock 'n' Roll Music Association will be presenting *Buddy 80*, in the Roof Garden Ballroom, Saturday night from 6 - 8:00, featuring Any Yaun (The Rockabilly Kid), and *The Holy Rocka Rollaz*.

Why "Buddy 80?" It's a belated celebration of Buddy Holly's 80th natal day, September 7, 1936.

There will also be a special exhibit opening and birthday reception in the IRRMA Museum, from 1 - 5:00 that afternoon...

Research director RD has also come up with a few musical birthday celebrations this week.

Grammy Award-winning trumpeter and composer Chris Botti, who is something of a modern day Chet Baker, turns 55, Wednesday, while Art Garfunkel's "old" pal Paul Simon turns 75, Thursday; and New Haven-native Richard Carpenter becomes a septuagenarian on Saturday.

We can apparently expect a true frost between now and Sunday, a night that should bring another full moon – known this month as the harvest moon or the hunter's moon.

It's a shame that RD and Webster have never met. More than a bit of a punster, Webster, you might recall, was a frequent contributor to *Class...*, and reminds us that when the Man in the Moon needs a haircut, "Eclipse it!" As Elmer Fudd was off' heard to say, "...That's all folks."

All the news that fits we print.
Please send your music-related announcements and/or comments to RAMBOLing@mindspring.com or P. O. Box 676, Okoboji, Iowa 51355-0676

Smoke Alarms Expire

Does your home have a smoke alarm? According to the National Fire Protection Association (NFPA), the answer is likely yes. NFPA research shows that most American homes have at least one. But do you know how old your smoke alarms are?

Every smoke alarm has an expiration date. What's yours? Arnolds Park/Okoboji Fire and Rescue urges all residents to know how old their smoke alarms are, and to replace them every 10 years. Smoke alarms don't last forever.

"Smoke alarms are the one thing that can give you early warning of a fire and help you and your family escape," says Fire Chief Chris Yungbluth of the Arnolds Park/Okoboji Fire Department.

NFPA 72, National Fire Alarm Code®, requires smoke alarms be replaced at least every 10 years, but because the public is generally unaware of this requirement, many homes have smoke alarms past their expiration date, putting people at increased risk.

This year's Fire Prevention Week campaign, is "Don't Wait - Check the Date! Replace Smoke Alarms Every 10 Years." This year it is October 9 to 15. On October 8, the Arnolds Park/Okoboji Fire and Rescue provided information to 300 children in attendance in support of Fire Prevention Week and this year's campaign.

To find out how old your smoke alarm is and its expiration date, simply look on the back of the alarm where the date of manufacture is marked. The smoke alarm should be replaced 10 years from that date (not the date of purchase). The Arnolds Park/Okoboji Fire and Rescue also says smoke alarms should be tested monthly, and that batteries should be replaced once a year or when they begin to chirp, signaling that they're running low.

For more information on smoke alarms and this year's Fire Prevention Week campaign, visit www.firepreventionweek.org the Arnolds Park/Okoboji Fire and Rescues' web page at apofd.com or on Facebook.

Facts about smoke detectors:

- Working smoke alarms cut the risk of dying in a reported home fire in half.
- Three out of five home fire deaths are caused by fires in homes with no smoke alarms or no working smoke alarms.
- Roughly half of home fire deaths result from fires reported between 11pm and 7 am when most people are asleep.
- When smoke alarms fail to operate, it is usually because batteries are missing, disconnected, or dead.

Smoke Alarm Care

- Test smoke alarms at least once a month by pushing the test button.
- Always save the instructions that come with the alarms for testing and maintenance.
- Smoke alarms with non-replaceable batteries are made to work for up to 10 years. If the alarm "chirps" warning that the battery is low, replace the alarm with a new one.
- For smoke alarms with any other type of battery, replace batteries at least once a year. If the alarm "chirps", replace the battery right away.
- Age matters when it comes to smoke alarms. All smoke alarms need to be replaced when they are 10 years old or if they don't respond when tested.

Iowa Red Cross Helps Hurricane Victims

The massive American Red Cross sheltering effort now spans five states as Hurricane Matthew moved along the southeast coast of the United States Saturday night causing deadly floods in North Carolina. More than 13,400 people in North Carolina, South Carolina, Georgia, Florida and Virginia woke up Sunday morning in 248 Red Cross and community evacuation shelters. A total of more than 2,700 Red Cross disaster workers are supporting relief efforts.

More help from Iowa is on the way to the affected states over the weekend and on Monday. Fourteen Iowa Red Cross disaster workers from Ames, Ankeny, Burlington, Cedar, Cedar Rapids, Des Moines, Dubuque, Polk City, Riverside and Waterloo will join the response effort in Florida, North Carolina, South Carolina and Georgia.

The emergency response vehicles from Des Moines and Waterloo are scheduled to leave for Georgia on Monday morning. Volunteers left for Georgia in the Burlington based emergency response vehicle on Sunday morning and the Sioux City based emergency response vehicle departed on Friday and is on the way to Florida.

Make A Donation The Red Cross depends on donations to provide immediate relief. Help people affected by Hurricane Matthew by visiting redcross.org, calling 1-800-RED CROSS or texting the word MATTHEW to 90999 to make a \$10 donation. Donations enable the Red Cross to prepare for, respond to and help people recover from this disaster. Learn more about the Red Cross response to Hurricane Matthew here.

Hundreds of Blood, Platelet Donations Go Uncollected

As flooding from Hurricane Matthew inundates the Carolinas, the storm continues to impact the nation's blood supply. So far, Hurricane Matthew has forced the cancellation of approximately 40 Red Cross blood drives in Georgia, North Carolina, South Carolina and Virginia resulting in more than 1,500 blood and platelet donations to go uncollected. More cancellations are likely along the Southeast coast of the U.S. as floodwaters ravage many areas.

The need for platelets is especially critical due to the loss of these donations in affected areas. Platelets, a key clotting component of blood often needed by cancer patients, must be transfused within five days of donation and, therefore, are always in demand.

In parts of the country unaffected by the storm, the Red Cross needs eligible individuals to please give blood or platelets now to help ensure we have a readily available blood supply for patients in need. Even before the threat of Hurricane Matthew, there was an urgent need for donors of all blood types, especially type O. Appointments can be made by using the Red Cross Blood Donor App, visiting redcrossblood.org or calling 1-800-RED CROSS (1-800-733-2767).

The American Red Cross serving Greater Iowa The Iowa Region, led by Regional Executive Leslie Schaffer, serves 96 counties in Iowa, Nebraska and South Dakota.

The American Red Cross shelters, feeds and provides emotional support to victims of disasters; supplies about 40 percent of the nation's blood; teaches skills that save lives; provides international humanitarian aid; and supports military members and their families. The Red Cross is a not-for-profit organization that depends on volunteers and the generosity of the American public to perform its mission. For more information, please visit redcross.org or crucrojaamericana.org, or visit us on Twitter at @RedCross.

The Lakes News Shopper will run a special section in the October 18th edition featuring Law Enforcement support ads. In that section there will be a list of where the community can purchase a BLUE LIGHT BULB for just \$3 each or two for \$5.

Ad Size	Black & White	Full Color	# Bulbs Included*
1/16 page (7" x 2.5")	\$75	\$105	25
1/8 page (7" x 5")	\$150	\$180	50
1/4 page (7" x 10")	\$300	\$330	80

*You are not required to take the bulbs and sell them to participate. If you choose not to sell the bulbs, we will move those bulbs to another participant that will be able to sell them to bring the participation to the highest level possible.

The night for the entire community to "TURN BLUE" will be Halloween night, Monday, October 31st. This will be a great night to support OUR local Law Enforcement while helping keep OUR little trick or treaters safe!

100% of the purchase price of the light bulbs will go to the domestic violence and sexual abuse victims in Dickinson County.

We will also have a "TURN OUR COMMUNITY BLUE" contest where readers can win one of two \$125 gift cards by sharing their "TURN BLUE" photos with us.

Ad deadline for this special section will be **Wednesday, October 12th**
