October is National Breast Cancer Awareness Month
Let's Fight Breast Cancer Together

October is National Breast Cancer Awareness Month, which is an annual campaign to increase awareness of the disease. While most people are aware of breast cancer, many forget to take the steps to have a plan to detect the disease in its early stages and encourage others to do the same. Create an Early Detection Plan and invite others to do the same. According to the National Cancer Institute, women who exercise four or more hours per week have a lower risk of breast cancer. During Breast Cancer Awareness Month, take steps to protect yourself by committing to a healthy diet and exercise routine!

COURAGE UNDER FIRE

We Salute Our Firefighters.

For the important role they play in protecting our lives and for their brave and selfless sacrifice, we thank the dedicated men and women of our nation's fire departments. We gratefully recognize their service to our communities, and we honor the memories of those who have fallen in the line of duty. You are all heroes, and we thank you for all that you do.

MFA Agri Services Memphis
 Made For Agriculture • Call us today! (660) 465-2603 or (660) 341-1422

If you're a cattleman, you can do the numbers in your head: To add 100 pounds of beef to those five weight calves, you only need 400 pounds of MFA Cattle Charge. That's a 4 to 1 feed conversion that nets you more dollars per head after feed costs than if you'd sold the calves at weaning. Plug in the numbers. Any way you add it up, MFA Cattle Charge is a good deal - and a great way to put more money in your pocket. MFA Cattle Charge...

It will make a believer out of you!
