The U.S. Food and Drug Administration has approved Inflectra (infliximab-dyyb) for multiple indications. Inflectra is administered by intravenous infusion. Inflectra is approved and can be prescribed by a health care professional for the treatment of:

- adult patients and pediatric patients (ages six years and older) with moderately to severely active Crohn's disease who have had an inadequate response to conventional therapy;
- adult patients with moderately to severely active ulcerative colitis who have had an inadequate response to conventional therapy;
- patients with moderately to severely active rheumatoid arthritis in combination with methotrexate;
- patients with active ankylosing spondylitis (arthritis of the spine);
- patients with active psoriatic arthritis; and adult patients with chronic severe plaque psoriasis.

Researchers have found that bupropion (marketed as Wellbutrin) is the only antidepressant that tends to be linked to long-term modest weight loss. The researchers had previously found that people with depression are more likely to be overweight, and vice versa. These researchers also found that most antidepressant medications have been linked to weight gain. Prior research on antidepressants and weight change was limited to one year or shorter. But many people take antidepressants -the most commonly prescribed medications in the United States-for longer than a year. So for up to two years the new study followed more than 5,000 patients who started taking an antidepressant. The Journal of Clinical Medicine published the result.

Peinhardt Living History Farm
Farm Day October 22, 2016

In an article published in the AFC Farming News, October, 2016 issue, page 10, Tony Glover states "the North Alabama Agriplex building will serve as a welcome area for the Farm Day" and elaborates on the programs at their center.

The North Alabama Agriplex has no permission from the Peinhardt Living History Farm to be associated with P.L.H.F. Farm Day, The North Alabama Agriplex is a city agency surrounded by county property (the county deeded the sewage right-of-way in front of the North Alabama Agriplex lot to the city, therefore North Alabama Agriplex was annexed).

The two organizations are not legally related in any way.

Christians are believers that love Christ. They cannot be liars, gossipers, etc (Rev 22:15). Companies or individuals who seek to profit by claiming it is of Christ, are similar to the rich stealing from the poor. Sunday or saturday worship, christ-mas, valentine's day, easter sun-day, halloween, etc, are man's commandments established by the pope's calendar, not Elohim's (Mt 15:9). Attending a man made building (Psalm 127:1) that teaches you cannot out sin Christ's love while the preacher is well paid, does not reveal salvation. So Be It! Ron & Jeri

want to thank everyone who so graciously helped us in any way during our most difficult days. Your prayers have been so important to us. "Thank You" for your kind words, cards, flowers and food. To Ann with Cullman Heritage Funeral Home for the beautiful service. To family and friends who came to the viewing and stood in long lines to express their love for us. A special thanks to the pastors, singers and to the pallbearers, seven young men who had worked for him over the years. Not only was he the "BOSS", but a role model and second father. May you be blessed for the kindness you've shown us. With all our hearts, we thank you.

Saving You MONEY

BLUE TAG SPECIALS:
We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.

NO LIMITS:
Our competitors also have advertised specials. The difference is, in most cases, they have a limit on how many of an item you can buy at the sale price...we don't have any limits to family shoppers.
