Old Rancher John

Old ranch owner John farmed a small ranch in Montana. The Montana Wage and Hour Department claimed he was not paying proper wages to his workers and sent an agent out to interview him.

'I need a list of your employees and how much you pay them,' demanded the agent.

'Well,' replied old John, 'There's my ranch hand who's been with me for 3 years. I pay him \$600 a week plus free room and board. The cook has been here for 18 months, and I pay her \$500 a week plus free room and board. Then there's the half-wit who works about 18 hours every day and does about 90% of all the work around here. He makes about \$10 per week, pays his own room and board and I buy him a bottle of bourbon every Saturday night.'

'That's the guy I want to talk to, the half-wit,' says the agent.

'That would be me,' replied old rancher John.

Strange BUT TRUE

By Samantha Weaver

- * It was 20th-century American journalist and author Sydney J. Harris who made the following sage observation: "Men make counterfeit money; in many more cases, money makes counterfeit men."
- * The Hawaiian Islands didn't have mosquitoes until the 1820s, when a ship evidently brought the pests along with the people.
- * Those who study such things claim that, generally speaking, the more money a man makes, the less alcohol he drinks. With women, though, the opposite holds true: The more money she makes, the more alcohol she drinks.
- * The name of the nation of India is derived from the name of the river Indus. It's interesting to note, however, that the Indus doesn't actually flow through any part of modern-day India; it's in Pakistan and the disputed region of Kashmir.
- * The snapping turtle is the only modern reptile that can breathe underwater, and then only if it stays put on the bottom. If it starts to swim, it has to surface to breathe.
- * A researcher named Joel Achenbach says that the red in the occurrence of red eye in some photographs is actually blood. The color comes from the flash reflecting off the blood vessels in the back of the eyeball.
- * You might be surprised to learn that of the 6 million parts that make up a Boeing 747, half of them are categorized as fasteners.
- * It would take 34 days (and nights) to ride a horse around the world. If you didn't stop for sleep, of course. Or bathroom breaks, or food. And if you were provided a fresh horse whenever the one you were riding began to tire. And if those horses could gallop across water. ***

Forty-five million Americans are currently living in poverty.

For these families and individuals, a warm coat is a budget extra they simply cannot afford. URW Community Federal is asking for you to help us make a difference in our neighbor's lives by donating coats during our upcoming coat drive!

We are working to collect clean, gently used warm coats to support our coat drive program, between now and October 15th at all URW Branches. The process is simple: you drop off your extra coat(s) and URW takes care of the rest. All donated coats will be given to a local agency for distribution to local children in need. If you are a teacher and know of a child in your school that does not have a coat, please let us know. Our goal is that no child will be left out in the cold in the URW Community.

Salome's Stars

ARIES
(March 21 to April 19)
Mars, your ruling planet, begins a journey that will open up a growing number of possibilities. Put that surging Arian energy to good use and explore it to your heart's content.

TAURUS
(April 20 to May 20)
This is the time to prepare for a career move coming up next month. Update your resume. Get those proposals in shape. And don't forget to buff up that Bovine self-confidence.

GEMINI
(May 21 to June 20)
Your Gemini instincts will guide you to the right people who might be able to help you get over that career impasse that has been holding you back. Expect to make changes.

CANCER
(June 21 to July 22)
You're getting closer, but you still have a ways to go before reaching your goals. Continue to stay focused, no matter how difficult it can be for the easily distracted Moon Child.

LEO
(July 23 to August 22)
Your Leonine pride might be keeping you from getting to the source of a disturbing situation. Don't be shy about asking questions. Remember: Information is power.

VIRGO
(August 23 to September 22)
It's a good time to shake up your tidy little world by doing something spontaneous, like taking an unplanned trip or going on a mad shopping spree.

LIBRA
(September 23 to October 22)
This is a good week to get advice on your plans. But don't act on them until you feel sure that you've been told everything you need to know to support your move.

SCORPIO
(October 23 to November 21)
Be careful. You might be probing just a little too deeply into a situation that you find singularly suspicious. The facts you seek will begin to emerge at a later time.

SAGITTARIUS
(November 22 to December 21)
This is a good week to make new friends and to look for new career challenges. But first, get all those unfinished tasks wrapped up and out of the way.

CAPRICORN
(December 22 to January 19)
Relationships need a fresh infusion of tender, loving care. Avoid potential problems down the line. Stay close to loved ones as the month draws to a close.

AQUARIUS
(January 20 to February 18)
Aspects favor relationships, whether platonic, professional or personal. On another note: Be a mite more thrifty. You might need some extra money very soon.

PISCES
(February 19 to March 20)
This is the absolute right time to let those often-hidden talents shine their brightest. You'll impress some very important people with what you can do.

BORN THIS WEEK:

You are impelled by a need to find truth, no matter how elusive. You would make a wonderful research scientist or an intrepid detective.

MARSHALL VA. House of Delegates

Delegate Danny Marshall Elected to Head Virginia Small Business Commission

October 8, 2016
Delegate Danny Marshall (R-Danville) was elected on October 6th as the new Chairman of the Virginia Small Business Commission. The Small Business Commission, established pursuant to Chapter 22 (§ 30-182 et seq.) of the Virginia Code, exists to study, report, and make recommendations on issues of concern to small businesses in the Commonwealth. It is a 16-member commission consisting of 10 Virginia legislators and 6 citizens. "I see this as an important opportunity," Delegate Marshall said. "Small business is the backbone of both the Virginia and the U.S. economies. Too many government regulations are hurting small businesses and my goal is to change State policies, wherever we can, in order to help them. It can stimulate economic growth and provide more jobs. I listen all the time to the problems facing the businesses in our region and believe we can cut through some red tape." Delegate Marshall takes on the new responsibility from a position of business experience. For many years he ran a business that employed up to 180 workers at several divisions across Virginia. In the House of Delegates, he chairs the House Agriculture, Chesapeake and Natural Resources Committee and he is a member of the Commerce and Labor Committee and the Counties, Cities and Towns Committee. Delegate Marshall is also chairman of the Virginia Housing Commission and Virginia Tobacco Commission.

Answers

1. Brooklyn. In fact many people think the name of the song is "Last Exit to Brooklyn."
2. Lou Christie, in 1966. A second, milder version had to quickly be recorded after so many complaints caused the song to be banned from the airwaves in many locations.
3. The Box Tops in 1969, and Roxette, the Swedish pop duo, in 1986.
4. Ambrosia, in 1970. Most of the original group is still together and still touring after all these years.
5. "Copacabana," by Barry Manilow in 1978. The lyrics describe a 1940s Havana showgirl, Lola, and her lover Tony, a bartender at the club. When a mobster named Rico tried to seduce her, Tony attacks him and is killed. Thirty years later, Lola still sits there pining for Tony, her lost love.

SENIOR NEWS LINE

by Matilda Charles

Should You Redeem Old Savings Bonds?

Do you have any old savings bonds tucked away, ones bought years ago to help a grandchild with college expenses? Or maybe you want to take care of all your credit-card debt by cashing in bonds. Redeeming savings bonds isn't as easy as it used to be. Savings bonds have been paperless for many years, and you can't just buy or redeem them anywhere now. There are some banks where you can cash in your bonds, but the preferred method now is to do it online.

As a first step, go online to check the value of each bond. Try SavingsBonds.com and use the calculator. Click the yellow box ("Get your bond values here") and select the details of your bond from the drop-down menu. It's not necessary to include the bond's serial number if your other details (series, face value, date issued) are correct.

You'll get a color-coded message at the top. Red, for example, means that your bond isn't earning interest and should be cashed in. Blue means the bond is less than five years old, and you'll forfeit three months in interest if you redeem it too early. Before you can get a printout list of your bonds, you'll need to enter your email address.

Look at the In the News section for specific information about how your interest can affect your taxes. When you cash in bonds, you'll get a Form 1099-INT showing the interest you earned. You might have to pay taxes on it.

If you have paper bonds that you don't want to redeem yet, you can have them switched to digital. Your best bet: Ask your bank if it redeems savings bonds, and let it help you.

Oktoberfest Sausages With Red Cabbage

- 3 tablespoons vegetable oil, divided
- 6 slices thick-sliced bacon, coarsely chopped
- 1 large onion, thinly sliced
- 2 Golden Delicious apples, peeled, cored and cut into 1/4 inch-thick wedges
- 1 (2 1/2-pound) head red cabbage, cut into wedges, core removed and thinly sliced
- 1 1/2 cups apple juice
- 1/3 cup cider vinegar
- 1/2 cup packed light brown sugar
- 1/2 teaspoon dried thyme
- 1 bay leaf
- Salt and freshly ground black pepper
- 12 assorted sausages, such as bratwurst, Weisswurst, hot links and knockwurst, pricked with a fork

1. To make the red cabbage and apples, heat 1 tablespoon of the oil in a very large Dutch oven or flame-proof casserole over medium heat. Add the bacon and cook, stirring occasionally, until crisp and browned, about 8 minutes. Using a slotted spoon, transfer to paper towels to drain, leaving the fat in the pan.
2. Add the onion and cook, stirring often, until golden, about 10 minutes. Transfer to a bowl.
3. Add remaining 2 tablespoons oil to the Dutch oven and heat until hot but not smoking. Add the apples and cook, stirring often, until lightly browned, about 3 minutes. Add the cabbage, apple juice, vinegar, brown sugar, thyme and bay leaf, and stir well to coat the cabbage. (The vinegar helps the cabbage hold its color.) Bring to a boil over high heat. Reduce heat to medium-low and cover. Simmer, stirring occasionally, until the cabbage is tender, about 1 1/2 hours. Season with salt and pepper to taste.
4. Bury the sausages in the cabbage and cover. Cook until they are heated through, about 12 minutes. Using a slotted spoon, transfer the cabbage and sausages to a large serving bowl, removing the bay leaf, and tent with aluminum foil. Bring the cooking liquid in the pot to a boil over high heat and cook, stirring often, until reduced to about 1/2 cup, about 5 minutes. Pour over the cabbage and sausages and serve hot. Makes 6 servings.
