Tullahoma Animal Shelter

931-454-9580 ANIMAL SHELTER

Meet Zelda

This week at the City of Tullahoma Animal Shelter we have a precious Terrier named Zelda available for adoption. Zelda entered our shelter as a stray and is approximately 3 years old. He is up-to-date on his vaccinations and heartworm negative. He is good with other dogs and children. Zelda will receive a free spay with a \$35 adoption fee. She would love a forever home. We feel that she would make an excellent pet! Buster the sweet Beagle mix from last week found a great home.

Join us for our 13th Annual Bark in the Park! It will be held on Saturday, October 29th from 10:00 A.M. until 2:00 P.M.!!

Support your local shelter - adopt, donate or volunteer.

The Tullahoma Animal Shelter always has a great variety of dogs to choose from for adoption. Pictures of other dogs available may be seen at www.tullahomatan.gov

The Introductory Interest Rate will be fixed at 1.50% during the 6-month Introductory Period. A higher introductory rate will apply for an LTV above 80%. Offer is available for new applications submitted from September 11 - November 11, 2016. After the 6-month introductory period, the APR is variable and is based upon an index plus a margin. The APR will vary with Prime Rate (the index) as published in the Wall Street Journal. As of September 11, 2016, the variable rate for Home Equity Lines of Credit ranged from 2.62% APR to 7.20% APR. Higher rates may apply due to an increase in the Prime Rate, a credit limit below \$100,000, an LTV above 70%, and/or a credit score less than 730. A U.S. Bank Consumer Silver, Gold, or Platinum Checking Package account is required to receive the lowest rate, but is not required for loan approval. The rate will not vary above 18% APR, or applicable state law, or below 2.12% APR - 2.55% APR, depending on market. Choosing an interest-only repayment may cause your monthly payment to increase, possibly substantially, once your credit line transitions into the repayment period. Repayment options may vary based on credit qualifications. Interest only repayment may be unavailable. Loans are subject to credit approval and program guidelines. Not all loan programs are available in all states for all loan amounts. Interest rates and program terms are subject to change without notice. Property insurance is required. U.S. Bank and its representatives do not provide tax or legal advice. Your tax and financial situation is unique. You should consult your tax and/or legal advisor for advice and information concerning your particular situation. Other restrictions may apply. Mortgage and Home Equity products offered by U.S. Bank National Association. Deposit Products are offered through U.S. Bank National Association. Customer pays no closing costs, except escrow-related funding costs. An annual fee of up to \$80 may apply after the first year and is waived with a U.S. Bank personal Platinum Checking Package. Propane Prices Got You Down? Yank the Tank!
 Natural Gas will save you money!

- **Dependability:** Since the vast majority of the natural gas system is underground, it is not typically affected by inclement weather or other transportation problems. Always there when you need it.
- **Monthly billing:** No more large bills due when the tank is filled, you will receive a monthly bill.
- **More economical:** Operating cost for Natural gas equipment is substantially less than propane. Consider this:
 - If you used 800 gallons of propane last year at \$1.50 per gallon, you spent \$1200 for fuel alone.
 - Using natural gas, your fuel cost for the same amount of energy would have been approximately \$519 on our heat only rate or only \$445 for year round use.

For more information on the availability of clean efficient NATURAL Gas please call or drop by today!
