- Helps reduce tossing and turning**  
**ComfortRight™ Layers**  
This advanced system of foams and fluffy fibers is designed to provide instant comfort. This helps reduce the pressure points that can cause tossing and turning so you can sleep more comfortably through the night.
- Minimize impact from partner movement**  
**TrueSense® Design**  
Serta's exclusive design helps minimize the impact of partner movements, working to isolate motion at its source so you can enjoy a peaceful night's sleep with fewer disruptions.
- Encourages proper back support & alignment**  
**Custom Support® System**  
Every Perfect Sleeper features a system of durable, yet flexible carbon steel coils that work to promote proper support and alignment across the entire body.
- Resists sagging & edge roll-off**  
**ComfortLast™ Construction**  
Designed to enhance durability of the mattress and is thoroughly tested beyond industry standards to make sure it can resist sagging and edge roll-off. This enhanced durability can help extend the comfort life of your mattress.
- Promotes a balanced sleep temperature**  
**CoolBalance™ Technology**  
A unique combination of high-performance heat and moisture-regulating fabric and an overall mattress design that helps promote airflow. Together, these help provide a comfortable, balanced sleep temperature.

**5 reasons to never count sheep again.**

Hearing screenings and video otoscope exams are always free. Not medical exams. Used to determine proper amplification needs only. Hearing aids do not restore natural hearing. Individual experiences vary depending on severity of hearing loss, accuracy of evaluation, proper fit and ability to adapt to amplification. Please consult your Miracle-Ear representative for complete details.

**Leaf Collection Map 2016**

The City of Alma will commence its annual Fall Leaf Collection Program on Monday, October 24, 2016. The leaf pickup program provides leaf collection throughout the City twice, and proceeds through the City in a clockwise direction. Residents should rake their leaves to the edge of the roadway **prior** to the days scheduled for their neighborhood. Leaves should not be raked into the traveled portion of the roadway or onto sidewalks.

The City will follow the schedule as shown; however, delays may result should excessive rain or snowy days occur.
