WHAT DO WE DO?

Many in the community
know that our primary fund

“Renting Tents”.
And many local accounts,
both residential and

Many ask: "Where do the funds go?"
That is what we wish to share!
From October 1, 2015 to September 30, 2016 we share the good
news of where the Tent Rental Funds were dispensed.

Good Neighbor Month During October

October has been designated “Good Neighbor Month”. During the month of October the Good Neighbor Fund will be collecting funds to support non-profit agencies in our community. The good work of these agencies helps enhance the lives of others.

The Good Neighbor Fund has provided funding for local charities since 1958. Without the support of community members, these organizations would be unable to provide services to our neighbors in need. The goal for the fund drive is \$80,500. This year’s list of charities include the American Red Cross, Bedell Family YMCA, Camp Foster, CAASA, Cherish Center, Discovery House, Boy Scouts, Girl Scouts, Hope Haven, Humane Society, Lakes Area Hockey Association, Lakes Area Senior Citizens, Pearson Lakes Art Program, Spenser’s Underground, Time Out Nursery, Upper Des Moines Opportunity and the Voluntary Action Center.

If you would like to support the Good Neighbor Fund Drive for 2017, please send your contribution to: Good Neighbor Fund, P.O. Box 454, Spirit Lake, IA 51360.

New this year, supporters will have the option to contribute online. To use this, go to www.gofundme.com, search “Good Neighbor Fund Spirit Lake” and the campaign for this year’s fund drive will be available for contributions.

The Good Neighbor Fund is a registered tax-exempt organization with the IRS, and generally donations are tax deductible. Please consider being a “good neighbor” and help support this drive today.

All About That Bass

The 26th Annual Jazz Festival is set for Thursday, October 27. Featured this year will be Andy Hall, jazz professional on the bass. Hall is a professional bassist on both the acoustic and electric bass. His favorite style of music, “Jazz” he finds most challenging, yet most rewarding. Andy is currently the jazz bass professor at the University of Omaha. He has many credits with nationally known vocal and jazz artists, including: Marilyn Maye, The Headliners, Chuck Berry, The Four Freshmen, Count Basie Orchestra, Peter Nero, Rosemary Clooney, and Doc Severinsen, just to name a few.

Andy will appear with renowned jazz artists Tony Gulizia, vocals/keyboards and Joey Gulizia, percussion. (All biographies are located on the Iowa Lakes website at www.iowalakes.edu/music/jazz_camp/the_headliners.)

The featured musicians will present a Jazz Convocation on Tuesday, October 25, on the Emmetsburg campus at 10 a.m. Workshops and rehearsals will be conducted for Iowa Lakes vocal and instrumental students on October 27, on the Estherville campus.

On Thursday, October 27, the Jazz artists will perform a Convocation/Clinic Concert at 9:00am for middle school, high school and college students in the college’s gymnasium on the Estherville campus. An improvisation clinic, bass clinic and drum clinic will be held from 10:00am to noon. In addition, clinic slots will be available for high school bands in the afternoon.

Concluding the day will be a concert at 7:00pm in the Estherville gym. Admission for the evening concert is \$5 for adults and free for all students.

The public is invited to attend either of the convocations and concert.

Calvary United Methodist Church in Arnolds Park will serve the Annual Turkey Dinner at the new church (679 West Okoboji Road in Arnolds Park) on Wednesday, October 19. Turkey and all the trimmings – real mashed potatoes, gravy, turkey, dressing, beans, corn, salads, cranberries, dinner roll, pie and beverage will be served from 5:00 – 7:00. The price for adults - \$10.00; under 12 - \$4.00. Carry-out meals will be available. Everyone is invited for great food and fellowship.

GREAT CATCH – Robert Ridpath of Ames, with a 4.1 pound Bass caught on September 17, 2016. It measured 21 inches long.

Estherville's Ladies Night Out

For the past 9 years, the Ladies Night Out Fundraiser of Estherville has been held every fall in efforts to raise money to help women in Estherville and surrounding communities who have encountered unexpected expenses due to illness or family tragedy. In total, the group has been able to help fifty different women totaling close to \$25,000.

This year’s Ladies Night Out Fundraiser will be held on Thursday, October 27, at the Estherville VFW from 6:00 to 9:00 pm. The event hosts various vendor booths such as Rodan & Fields, Pink Zebra, Perfectly Posh, Scentsy, Connie’s Craft Mart, Advocate, Pampered Chef, Premier Jewelry, Tastefully Simple, DoTerra Essential Oils, Beach Body, Nerium and more. There will also be a style show featuring fashions from the Style Loft, Ilene and Lisa’s Vintage Treasures, and LulaRoe.

In addition, local businesses and individuals generously donate to the event to provide over 20 different silent auction items to bid on. The support given by our communities for this event has been amazing. All of the money raised through the auctions and at the door goes directly to help women in our area.

Each year the LNO event focuses on a fun theme and they encourage our attendees to come dressed for the theme. The 2016 LNO theme is “Passion for Fashion” so they hope everyone comes dressed in their favorite fashion statement.

Admission to the event is \$5. For more information about the event or to suggest a recipient, please feel free to contact an LNO committee member. Members are: Carol Bernholtz, Denise Christensen, Brooke Johnson, Megan Johnson, Katie Lowe, Krista Lowe, Kim Phillips, Laura Richter, Jen Sievert and Theresa Umscheid. We can also be found on Facebook under Ladies Night Out-Fundraiser. They hope to see you on Thursday, October 27!

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

Tim FAIRchild

Soon it will be time to elect a new Supervisor for district #3 in Dickinson County. I will be voting for Tim FAIRchild for several reasons. Tim has the background that fits the job very well. Tim has been involved in farming most of his life, and has been a very successful businessman with his fabrication and welding shop. A few years ago when a lot of people's waterlines froze, Tim was the only person that would take his welder around to thaw them out.

Also, Tim has been a part of the progress for the City of Ter- ril. Serving over two decades in city government gives him the needed fiscal experience to be an asset to Dickinson County. Above all things, I see in Tim FAIRchild a God-fearing man, that is a man of his word, and that is good enough for me to vote for him on November 8.

Respectfully,
Mel Berryhill - Milford, Iowa

Join Iowa Lakes for Wine 101

For some individuals, wine can be a confusing topic, but it certainly doesn't need to be! Wine is one of life's great pleasures and is meant to be enjoyed responsibly.

This event will take place on Thursday, November 10, from 7:00pm to 8:00pm at the Bear Wine Bar, 24 W Park Street in Spencer. Cost is \$19.

For more information, contact Teresa Ball, Career Pathway Navigator, at 712-852-8617. To register, visit www.iowalakes.edu/ce or call the Continuing Education office at 800-252-5664.

All local businesses and individuals interested in contracting or working with the government, from federal to local, are invited to attend the Government Contracting 101 classes through Iowa Lakes Community College and the Center for Industrial Research and Service (Iowa State University). Water Pollution in the Iowa Great Lakes

by Catherine Gulick, Casidy Sheda, Lindsay Serck, and Hope Marshall

What is water pollution and how is the Iowa Great Lakes area being affected by it? Through researching and interviewing credible sources from the Iowa Great Lakes, students from Spirit Lake High School learned about the different types of pollution, how they're caused, and ways to help prevent or stop the pollution. With this being presented it is hoped to spread awareness about how pollution is happening and what can be done to change it.

With eleven million dollars being brought into the Iowa Great Lakes every year because of tourism, water quality is of the utmost importance, as it drives the economy. With that being said, knowing the two main sources of pollution, which are point pollution and non-point pollution are important. According to Mark Gulick, Northwest Wildlife Supervisor and DNR Wildlife Management, point pollution comes out of pipes directly into a body of water. When the polluted source enters the body of water it carries waste that comes from pipes and from factories. Non-point pollution is pollution that washes away from a source of land and downhill to a body of water when it rains. When it rains all the chemicals and sediment are washed from their watershed into the closest body of water. Both of these types of pollution are happening in the Iowa Great Lakes, but only those interested in this topic have paid much attention to it, which needs to change so that water quality doesn't go down, which then brings the economy down.

In Iowa water quality can be affected by both farming and individuals using fertilizer on their yards. It is a problem due to farmers using nitrogen and phosphorus on their crops. It's not just farmers, though, as homeowners use fertilizers on their yards that contain phosphorus, which runs off and gets into the water supply. Ways to prevent pollution in rural areas are by continuing to enforce strict soil testing for farmers in collaboration with DNR. Measures such as conservation areas, which is known as (CRP) allows farmers to be paid to keep part of their land natural, or not being used for crop production. This allows for areas to be chemical free, which is good for the environment and then doesn't affect water quality. Urban solutions for preventing water pollution are using phosphorus-free fertilizer, building rain gardens, and using the impervious pavement. Spirit Lake has implemented the use of impervious pavement by the grade, which allows water to flow through the pavement instead of running off into bodies of water.

The main way to keep our lakes clean in the Iowa Great Lakes is to have self-awareness of practices being used. Looking at fertilizer ingredients, working with farmers and DNR, and respecting all water laws. By taking these actions you could help save the lakes from being over polluted and keep the water clean.

Friday Night Lights

It's hard to beat Friday nights in small communities like ours where the town turns out to support the local high school football team. It's a great time to connect with people you don't get to see every day while supporting your local students in one of the best team sports around. This past Friday saw two Dickinson County teams lock horns in an epic Friday Night Lights football game with major District championship implications. Harris-Lake Park went on the road to pick up a huge win in an outstanding game over Graettinger-Terril/Ruthven-Ayshire 19-14. The win clinches the District 1 8-Man title and a playoff berth for the 8-0 Wolves while the Titans fall to 6-2 and into third place in rugged District 1.

This coming Friday marks the end of the regular season and our Friday Night Lights, as the playoffs will be played during the week, except the weekend championship games at the UNI-Dome. The Iowa High School Athletic Association trimmed the number of playoff teams from 32 to 16 this year to try and cut down on some of the travel distances as well as some of the first round blowouts by some 1 seeds over some 4 seeds. While I will agree that 32 teams in the playoffs may have been too many, I would have liked to have seen the IHSA trim the number to 24, taking three teams out of each district instead of the current model which takes just the top two plus two wildcards from the entire state. GTRA may fall victim to this new system as they very well may end up 7-2 and miss the playoffs. This past Friday Spirit Lake fell on the road in a hard fought game 19-18 to Sergeant Bluff-Luton in a battle for second place in 3-A District 1. The Indians now travel to Sioux City to take on Bishop Heelan on Friday night in a game that should have playoff implications but no longer does because each team has been eliminated from first or second in District 1. The winner of the Indian-Crusader game will finish the season 6-3 in a very tough District and be very deserving of a playoff bid. Okoboji's District is also loaded this year with three ranked teams, and right now it appears that West Lyon will end up 7-2 and could be on the outside looking in for the playoffs unless they earn a wild card slot. I know the new system will allow for some classic first round match-ups, but I have to believe if you took the top three seeds from each district and gave the top seeds a bye, you would still have great first round games with #2 seeds playing #3 seeds while the top seed gets the time to rest that they earned by winning their district. To me, we should be rewarding teams for successful seasons and to have 7-2 teams and 6-3 teams staying home from the playoffs doesn't seem right. Playoff football brings a great atmosphere to schools and communities, and why we would cut the number of participants in half is something that just doesn't make sense to me!

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

Dear Citizens of Dickinson County,

With the general election nearing, there are many people running for various offices. One position that will affect me here in Dickinson County is the one of supervisor. I feel Tim Fairchild is the best candidate to represent me. I have known Tim and his family for a very long time. I was a teacher in the Terril district when Tim and Julie had their three sons in school. I could count on Tim to support the school, and he and Julie were parents who were concerned about the quality of education their sons received at Terril.

As a teacher, I emphasized good character in my students. Tim Fairchild is the type of person that displays the good character traits that I taught my students. He is trustworthy, respectful, responsible, fair, caring and shows good citizenship. These pillars of good character are important for our leaders to possess and I want someone who can make decisions based on their experiences. I feel Tim Fairchild would be a good supervisor in Dickinson County, and I hope you join me in voting for him.

Sincerely,
Joann Gano - Milford, Iowa

Camille Smith to Speak to the Iowa Lakes Unitarian Universalist Fellowship

On Sunday, October 23, local resident Camille Smith will present to the Iowa Lakes Unitarian Universalist Fellowship a talk entitled "Failing Sunday School."

Camille lived in Okoboji full time until she was ten years old, when her parents sold their farm and the family moved away. Church was a vital part of family life, and "Failing Sunday School" tells the story of the young girl's struggles with belief and skepticism.

She and her husband, Forrest Forque, now live outside Spirit Lake with their family of rescue cats.

The Iowa Lakes UU Fellowship meets at the Arrowwood Resort in Okoboji. Coffee is at 10:30 and the service begins at 11:00. An optional lunch (\$10) is served after the program. For more information, check the website at uuokoboji.com. Visitors are always welcome.

Need Help with Heating Bills?

The 2016-2017 Low-income Home Energy Assistance Program (LIHEAP) was established to help qualifying low-income Iowa homeowners and renters pay for a portion of their primary heating costs for the winter heating season.

This program is not designed to pay household's total energy costs. The program will provide supplemental assistance based on several factors. Those factors include total household income, household size, dwelling type and type of heating fuel, among others.

Applications will be taken now through April 30, 2017, for elderly (60 and over) and/or disabled households. All other household can apply November 1, 2016 to April 30, 2017.

If you have already applied and have been approved this winter season, you can not re-apply. For guidelines and an appointment in Dickinson County, call Upper Des Moines Outreach office at 712-336-1112. The UDMO is located at 1575 18th Street, Spirit Lake.

Blues Jam at Boji Bay

The popular "Blues Jam" starts its second year at the Boji Bay Fun House & Pavilion Thursday, October 20, from 7:00 to 9:00pm.

After nearly five years at the Pearson Lakes Art Center, the jam moved to the Boji Bay complex near the intersection of highways 71 and 86 last fall.

Tom Golden, CEO, says, "We're looking forward to starting up the 2016 Blues Jam series. It gives us the opportunity to showcase local and regional talent in a friendly environment."

Events and banquet manager Connie Mueller comments, "The Lake Patrol will serve as the "host" band again this year. They get things started with a few songs then start bringing up the "jammers." In addition, Boji Bay offers a buffet with a wide range of food and dessert selections for those that want to make it a "dinner and a jam" evening.

Mick Buckley, Lake Patrol co-founder encourages all ages and talent levels of musicians to sign up to jam. "We try to create a no stress environment and provide an opportunity for working musicians to strut their stuff as well as a chance for less experienced players to play and be supported by pros."

Band co-founder Tim Horsman adds, "The Boji Bay Blues Jam gained momentum last year. More and more local and regional musicians turned up with each Jam, some driving 50 to 75 miles just to participate."

Doors open and the dinner buffet starts at 5:30 pm. The Jam begins at 7:00. Admission is \$5. Musicians signing up to jam get in free.

Explore the Great Depression with ILCC

Tours will be held on Thursday, November 3, at the Clay County Heritage Center, 7 Grand Avenue, Spencer, from 6:30pm to 8:00pm. Cost is \$10, which includes presentation and museum tour.

Trick or Treat for UNICEF/Eliminate

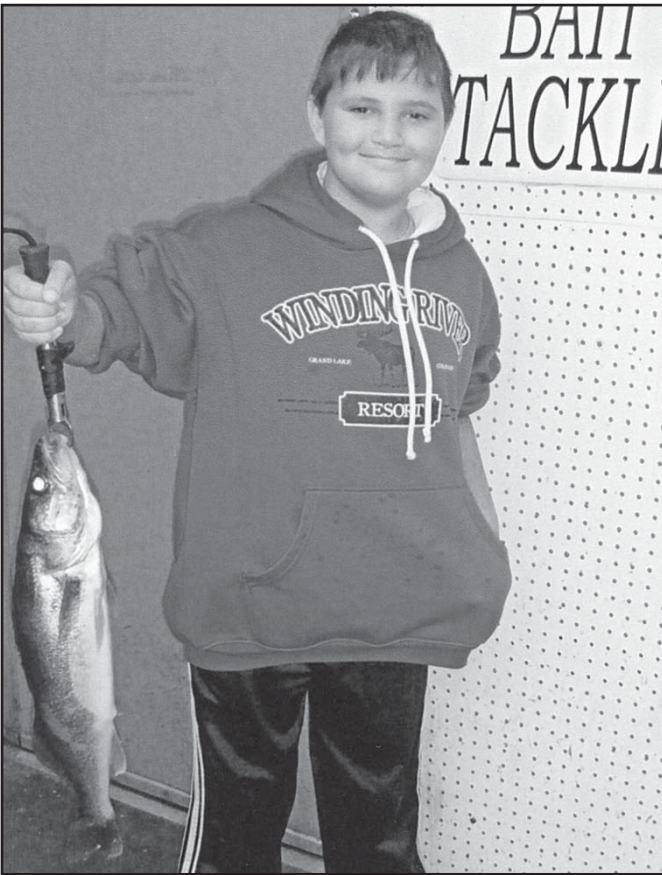

On Saturday afternoon, October 22, SLMS Builder’s Club and SLHS Key Club members will be going door to door in the town of Spirit Lake for donations, “Trick or Treat for Eliminate”, to help with Kiwanis International Foundation world-wide project to “Eliminate Maternal/Neonatal Tetanus”.

With The Eliminate Project, Kiwanis International and UNICEF are joining forces to eliminate this terrible disease. Neonatal tetanus kills one baby every nine minutes—nearly 60,000 newborn children every year. A significant number of women also die due to maternal tetanus. The effects of the disease are excruciating—tiny newborns suffer repeated, painful convulsions and extreme sensitivity to light, touch, and sound, which eventually leads to death in 7 days.

All donations collected by the SLMS Builder’s Club and SLHS Key Club will be used to eliminate maternal and neonatal tetanus around the world. Every \$1.80 provides necessary vaccines to protect a woman and her future newborns.

Retreat for Divorced/Widowed

Beginning Experience of northwest Iowa is holding its fall retreat November 4-6, at the Camp Okoboji Lutheran Bible Camp in Okoboji. This Christian retreat is for widowed, divorced or separated persons who are ready to move on through their grief process and find healing. The retreat is lay-led by persons who have experienced marital loss themselves and have found healing. The program helps deal with the natural grief process and offers an opportunity, through God, for turning the pain of loss into an experience of positive growth. Local clergy, protestant and Catholic participate in the retreat as well to offer spiritual guidance. The Beginning Experience program is 40 years old and has been helping persons in northwest Iowa find healing after loss for over 20 years. For more information, go to calvarylovesall.com

Parks Marina's "Boatloads of Toys" to Benefit Area Youth

Parks Marina in Okoboji, Iowa, and Upper Des Moines Opportunity have teamed up for the 8th consecutive year to launch Boat Loads of Toys; an effort to provide Christmas toys and clothing to youth in need throughout Dickinson county. Parks Marina's Boat Loads of Toys has donated nearly \$20,000 in toys and clothing that have been distributed by Upper Des Moines Opportunity, to youth in Dickinson County and surrounding areas.

Now through Saturday, December 17, bring an unwrapped new toy or new articles of clothing to either Parks Marina, on East Lake Okoboji and Sioux Falls, South Dakota, or to Okoboji Boat Works on West Lake Okoboji. As always, Upper Des Moines Opportunity gladly accepts donations for all ages, but this year they are needing items for 9+ boys and girls. Winter coats, snow pants, hats, gloves, & boots for any age are also greatly appreciated.

"The holidays are a wonderful time of year to get involved with charities and local organizations," says Ash Sorenson, Marketing Manager at Parks Marina. "While it's important to be involved in nationwide programs, there is still a lot of opportunity and assistance needed right here at home. Parks Marina's Boatloads of Toys is a great way to get involved, and I encourage everyone to participate at any level."

To encourage donations, Parks Marina and Okoboji Boat Works will offer a 20% shopping spree to those who donate. The coupon will be good on all Barefoot gear, apparel and select water accessories, as well as clothing from Okoboji Boat Works new women's boutique.

Upper Des Moines Opportunity, Inc. (UDMO) is one of 18 Community Action Agencies in the State of Iowa and has been serving our communities since 1965. It is a nonprofit organization that was established under the Economic Opportunity Act of 1964 to fight America's War on Poverty at the local level. Parks Marina continues to not only be dedicated to the service and care of its customers and employees, but also to the Iowa Great Lakes Region and its surrounding communities.

Harbor Fall Musical Rescheduled

The Harbor Heritage Choir has rescheduled the musical, "JUBILEE", for the weekend of October 22 and 23 at several churches in the area.

On Saturday, October 22, the choir will be at St. Paul Lutheran Church in Hull, Iowa, at 5:30pm. A dinner will be served following the musical with the proceeds designated for "Special Youth Challenge Ministries of Northwest Iowa".

The times and churches for the musical on Sunday, October 23, are 9:30am at Harbor of Joy Church in Milford and 6:30pm at Faith Lutheran Church in Sibley, Iowa.

Bob Floss, director, says "JUBILEE is a total musical presentation using individual songs with a corresponding narration that gives us an opportunity to be thankful to God for His everlasting love."

Hike the Wild Fall

"I never knew this place existed!"

Dickinson County naturalists Mary Petersen and Charles Vigdal hear this comment during almost every Hike the Wild program, which takes people to public areas throughout the county. They expect to hear this again as the next program takes people to Diamond Lake on Tuesday, October 25.

"It is a beautiful jewel of a wetland, and many people forget about it because it is tucked away in the northwest corner of the county," Vigdal said. "This will be the first time we will be visiting Diamond Lake for the Hike the Wild series."

Participants should meet at 9:30am October 25, at the Dickinson County Nature Center and will then caravan to the site for a moderately difficult hike. Hikers will follow a lengthy and relatively-flat trail.

"We will talk about what animals are doing in this changing season and how the lake has changed through the shallow lake restoration program," Vigdal said. "Fall is a great time to get outside with the many colors of the prairie and trees and the animals moving around and getting ready for winter. There is lots to see."

The November Hike the Wild will be held 3 p.m. Wednesday, November 23, at Kenue Park in Okoboji, for the bi-annual Turkey Trot hike. Participants will learn all about this gobbler bird, where and how it lives and maybe will spot one in the park.

The final Hike the Wild of the year will be the Winter Solstice hike, held 3 p.m. Thursday, December 22, in Kenue Park. Vigdal will talk about the winter solstice, the shortest day of the year, and the world celebration that marks the occasion of the days beginning to get longer.

"I personally enjoy taking the public to some of these hidden wild places that are not well known to everybody and seeing the wilder side to Dickinson County," Vigdal said.

Pondweed Help Needed

by Kolby Richter, Lawton Kramer, and Ben Frostedstad - Spirit Lake High School students getting the word out about the Eurasian Milfoil (Seaweed) problem in the Iowa Great Lakes

It comes up in the spring and dies mid-summer due to heat. It creates mats on top of the water and block's off and can kill the native plants. It can be spread easily if attached to boat trailer. We are going to fix it by: Going out before the lake starts freezing over, and after the ice melts and remove as much of it as we can on East Lake, and go in a canoe or a boat and pull as much as we can out of the lake. It would be great if you could contact us and let us know if you are willing to help, or have any questions.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To Whom it May Concern:

I wish to share my choice for candidates currently running for positions in our "local" government.

I am endorsing Kim Weaver for Congress. I am endorsing Tim Fairchild for Supervisor of District 3.

Tim Fairchild is an established businessman who is dedicated to his community, his county, his family and his country. Tim is running for the 3rd district Dickinson County Board of Supervisors. He has vision, is fiscally minded, committed to change and effectiveness. I have no doubt that Tim will do great work and continue on the legacy of the late Dave Gottsche. As I read in the October 11 issue, Tim Fairchild has been endorsed by Dave's daughter Emily. To me that speaks volumes! Tim Fairchild is the FAIR choice for county supervisor!

I love being from Iowa and have been very proud to call Iowa my home for 40 years. I am not proud of the current elected officials we have such as Steve King! Mr. King has been voted the LEAST effective member of the Congress. We have a NEW choice the right choice and that choice is KIM WEAVER!

We should all want a congresswoman who is committed to making a difference each and every day. Kim works for all of us. She is an advocate for our seniors. She strives for affordable senior care, affordable college for our kids, and she is concerned about our environment! We have a commitment to the future generations and the generations before us to help preserve our water supply, our environment and our seniors! Kim Weaver WILL get things done!

Tim Fairchild for District 3 County Supervisor and Kim Weaver for Congress. Let's get things done and done the fair way!

ATTENTION CITIZENS OF MILFORD

I am hoping to get your attention regarding some issues going on in your city. I am going to once again request it put on the agenda to review the employment of our current Zoning Administrator. I have been complaining about a resident that built onto an existing garage with out obtaining a permit. Upon my last visit to our city manager, I was told this was done around 2013 and that it has been close to 3 years and nothing can be done. There was no consideration of my complaints over the last 2 to 3 years. In my opinion he was very difficult with a neighbor of mine, over a legal permit he applied for. In my opinion he is very much against anything our local school system wants done. He is currently trying to eliminate angle parking around our elementary school. This is wrong in my opinion and all of this sweetie pie stuff going on in our community needs to stop. Please get involved and contact your current council members and ask them to do the right thing for your community regarding his position. All of our council members have their hearts in the right place and will listen to your concerns.

Respectfully, Don Olsen Very Proud Resident of Milford.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:

After the airing of Trump's interview with Billy Bush, Trump commented that it was nothing but "locker room" banter and repeated it again in the second Presidential Debate.

I was involved in four years of high school sports, four years of college sports and 61 years of various sporting programs, all of which included locker rooms and locker room banter. In all that time I never experienced comments like this. To boast that his celebrity stardom enabled him to harass and sexually assault women perpetuates the common view about his attitude towards women.

He further remarked that one of his top priorities, if he was elected president, would be to imprison Secretary Clinton – a further continuance of the chant he encouraged at his political rallies – "LOCK HER UP." Imprisoning your political opponent has been a practice in third world dictatorships, but hopefully should not be considered in America.

Is this man presidential material?

American Red Cross Urges People to Prevent Home Fires

National Fire Prevention Week is a perfect time to start

The American Red Cross is asking every household in America to take some simple steps that can help prevent home fires and save lives.

"Home fires can be a deadly threat because they happen so quickly," said Leslie Schaffer, regional executive director for the Red Cross Iowa Region. "National Fire Prevention Week is a perfect time for Iowans to learn what they should do to prevent a fire in their home."

INSTALL AND TEST SMOKE ALARMS Working smoke alarms cut the risk of dying in a home fire in half:

- Place smoke alarms on every level of your home, including inside and outside bedrooms.
- Test smoke alarms once a month.
- Change the batteries at least once a year – if your model requires it.
- Replace smoke alarms every ten years.

MAKE A PLAN People may only have two minutes to escape when a fire occurs. The Red Cross recommends that households develop a fire escape plan and practice it at least twice a year. Everyone should know two ways to escape from every room and designate a safe place to meet outside the home in case of a fire. Discuss the plan with all household members and practice it until everyone – including children – can escape in less than two minutes.

DOWNLOAD RED CROSS APPS The Red Cross Emergency App includes content on how to prevent home fires and what to do if one occurs. Parents can download the Monster Guard App to help their children learn what to do and how to protect themselves. Both apps can be downloaded for free in app stores or by going to redcross.org/apps.

JOIN THE RED CROSS HOME FIRE CAMPAIGN The American Red Cross and partners across the country have set a goal to install 45,000 smoke alarms in homes during the month of October as part of the ongoing Red Cross Home Fire Campaign. The multi-year campaign kicked off in October of 2014 with a goal to reduce the number of home fire deaths and injuries by 25 percent during the five years of the campaign. Working with fire departments and community groups across the entire country, the Red Cross installs smoke alarms in homes in neighborhoods at high risk for home fires. In the last two years, more than half a million smoke alarms have been installed as part of the Home Fire Campaign.

Home Fire Campaign events in Iowa are planned for Saturday, October 15, 2016, in the communities of Wallingford and Fort Dodge. Those interested in volunteering should call 712-252-4081. Iowa residents in need of smoke alarms and need help installing them can sign up for Red Cross help at www.getasmokealarm.org.

Home Fire Campaign supporters and partners in Iowa include: The Iowa State Fire Marshal Division, Iowa Firefighters Association, Nationwide, The Church of Jesus Christ of Latter-day Saints, State Farm, Mercy Medical Center Sioux City, Transamerica, KCRG-TV9, KTIV and Walmart.

People can join the Red Cross effort to save lives, reduce injuries and cut down on needless losses from home fires by making a financial donation to the Home Fire Campaign by visiting redcross.org, calling 1-800 REDCROSS or texting FIRE to 90999. Their gift to Home Fires enables the Red Cross to provide critical services to people impacted by home fires along with the lifesaving tools and information to support home fire prevention efforts. People can also help by becoming a Red Cross volunteer.

Additional information on home fire safety and the Home Fire Campaign is available at redcross.org/homefires. The Red Cross also partners with a wide variety of partners that support the Fire is Everyone's Fight initiative to work together and reduce home fire deaths and injuries.

American Red Cross in Iowa Celebrating a Century of Service in 2016: The Red Cross in Iowa will be celebrating its Century of service through a variety of events and campaigns that honor the contributions of the Red Cross and its volunteers and build the foundation for another 100 years of service in Iowa. The Red Cross would like to thank Nationwide and KCRG-TV9 for stepping up to ensure a sustainable, long-term future for Red Cross service in Iowa by committing its support as Centennial Partners. Find out more at www.redcross.org/iowacentennial

Seasons Center Invites Public to Autumn's Center Grand Opening

Seasons Center for Behavioral Health and Autumn's Center invite you to the public grand opening on Thursday, November 10 from 4:00-7:00pm at the new regional children's center located at 120 E. 5th Street in Spencer. The former furniture store has been completely renovated to serve the northwest Iowa community in providing specialty care for children ages 0-21. This event is open to the public and media for a first look at Autumn's Center.

"We are so very pleased and excited that the day has finally come to open our doors to children and their families," said Kim Scorza, CEO/President of Seasons Center. "We have been so appreciative of the many words of encouragement, prayers, and donations over the course of the last few years while we were planning and renovating."

Autumn's Center is a first of its kind regional children's center providing specialty care to northwest Iowa families with services spanning psychiatric services to outpatient therapy, substance abuse, psychological testing to parent education, to name a few services. Autumn's Center was designed by Cannon Moss Brygger Architects, Sioux City/Spencer and constructed by Hoogendoorn Construction, Canton, South Dakota, to provide a child friendly space that promotes healing.

Autumn's Center was named in honor and memory of three-year-old Autumn Elgersma, who died on October 31, 2013, two days after being hospitalized for injuries she received at daycare.

"We would like to express a sincere thank you to the Elgersma family for their partnership in making sure all children who enter these doors have a safe, secure and hope-filled environment so that they can recover from life's hurts," said Scorza. Autumn's family has played an integral part in the development of Autumn's Center.

"After years of planning, we are so excited that Autumn's Center will soon open its doors to help children in our local communities," said Jennifer Elgersma, mother of Autumn. "Our family is thankful for all of those who have supported Autumn's Center by giving of their time and resources and we look forward to showing the public this state-of-the-art children's center at the grand opening."

Join Seasons Center for Behavioral Health and Autumn's Center on Thursday, November 10th from 4:00-7:00pm. Beginning at 4:00pm, we will be joined by Kim Scorza, CEO of Seasons Center and Jennifer Elgersma, mother of Autumn, to share some special words about Autumn's Center. Following will be a prayer by Pastor John Klompien of Orange City, IA and a ribbon cutting ceremony by the Spencer Chamber of Commerce. Facility tours and refreshment will follow.

Tales of Tails

In this political season the Humane Society of Northwest Iowa has a political quiz designed to measure one's knowledge of Presidential pets. See how many you can get right! Match the President with his pet and clues.

A. George Washington	I. Harry Truman
B. Thomas Jefferson	J. John Kennedy
C. Martin Van Buren	K. Lyndon Johnson
D. Abraham Lincoln	L. Richard Nixon
E. Howard Taft	M. Gerald Ford
F. Calvin Coolidge	N. Bill Clinton
G. Herbert Hoover	O. George W. Bush
H. Franklin D. Roosevelt	P. Barack Obama

1. Dick was one of four mockingbirds he owned, chosen as pets because he loved music; he also loved science especially architecture having designed his own home in Virginia.
2. This President had a small menagerie including a raccoon named Rebecca often seen curled on the First Lady's shoulders.
3. Liberty, a golden retriever was a presidential pet even though his master was never elected to the office.
4. Miss Beazley was actually the First Lady Laura's dog, for the President had his own Scottish terrier Barney.
5. Puschinka whose mother was a Russian space dog was sent as a gift to this President, a reminder of Russia's space success.
6. Him and Her were beagles often picked up by their ears - an experience their presidential owner insisted they enjoyed.
7. Checkers, a black and white cocker spaniel, was a gift this President would not return because his girls loved the dog.
8. Socks and Buddy's presidential owner felt he had more success negotiating peace between Israel and Palestine than between these two enemies - a cat and a dog.
9. Mooly Wooly was a cow brought to Washington from Ohio by this President. When Mooly Wooly died, a senator replaced her with Pauline Wayne who produced such quality milk that it was sold in small souvenir bottles.
10. A Belgian shepherd named King Tut came from Iowa with his master who wasn't known as the most successful President.
11. Fido stayed home in Illinois but Jip (both were mutts) lived in the White House menagerie with kittens and even goats who often slept on the bed of this President's son.
12. This man was the "father" of the American foxhound breed since he loved to hunt, and was also the "father of our country."
13. Feller, a silver cocker spaniel, was a gift to this President who once was said to have commented, "If you want a friend in Washington, get a dog!"
14. Bo and Sunny, Portuguese water dogs, became presidential pets because the older daughter of the President was allergic to other breeds.
15. Fala, a Scottish terrier, became the pet of the President and unofficial mascot of the U.S. during WWII.

This quiz was based on a New York Times article "Pomp, Circumstance, Fur: A Quiz on Presidential Pets," written by Jennifer Kingston. (Sept.30, 2016). Look for the answers next week! Remember..."In a perfect world every animal would have a home, and every home would have a pet." ...even the White House!!

The Spirit Lake Police Department consists of nine full time police officers and one civilian office manager. The police department is staffed 24 hours a day 7 days a week. Some of the specialized assignments and training are School Resource Officer, K-9 Officer, Iowa Great Lakes Drug Task Force, HEAT Team (High Risk and Entry Team), Fire Arms Instructor, and ALICE Training Certified.

The mission of the Spirit Lake Police Department is to achieve a safe, crime free community. As members of the Spirit Lake Police Department, we commit ourselves to protecting, defending, and serving the residents of, and visitors to, the Spirit Lake Community. We recognize that our mission cannot be accomplished without the input and support from those we serve. Therefore, through a partnership with residents and businesses, we will maintain an open and honest dialogue directed towards identifying and eliminating public safety problems. We recognize the diversities that exist within the community and ourselves, and we endeavor to enforce the law fairly and equally. As proud members of the law enforcement profession, we will constantly strive to conduct ourselves in a manner worthy of respect.

WHAT IS "TURN OUR COMMUNITY BLUE?"

TURN OUR COMMUNITY BLUE is a Grass Roots movement being led by The Lakes News Shopper to show the entire community's appreciation for our hardworking and dedicated Police Officers. These folks put their lives on the line every time they don their uniform and beyond. So in that vein, we are asking that every citizen in our coverage area buy a light bulb for \$3.00 each or 2 for \$5.00 and place them in your porch light, window or anywhere else you can think of. EVERY DIME of the bulb sales is being donated to the domestic violence and sexual abuse victims in Dickinson County.

We have almost 80 merchants all across The Lakes News Shopper coverage area participating in this effort and making bulbs available. There is a complete list in this section listed by city alphabetically and then alphabetically by business under each city name. PLEASE take the time to THANK them as you pick up your bulb. They have donated the time, effort and shelf space to make this all possible. This is no small effort on their part!

Appreciate the Law Enforcement Community

When private citizens come into contact with law enforcement, that contact is not always made under ideal circumstances. While keeping order, law enforcement personnel must write citations or take action when anyone violates the law. However, enforcing the law involves much more than simply writing tickets or making arrests. Officers and agents are on the side of the public and are often the first people men, women and children look to when they need help.

Law enforcement professionals are often taken for granted. But it's never too late to thank a police officer for his or her efforts. The following are several ways to express appreciation to local law enforcement in your community.

- Wear and display blue. Many law enforcement workers are known for their blue uniforms. Blue usually represents police and other upholders of the law. Proudly display blue ribbons, blue lights or flags on homes and businesses. Wear blue shirts or law enforcement-inspired insignia to public or high-profile events as a token of appreciation for local law enforcement.
- Thank an officer. Approach an officer in person and offer some words of thanks. Law enforcement is often a thankless job, and many officers do not get the recognition they deserve. A few kind words of support may be all that is needed to brighten their day.
- Schedule a tour. Many police departments are more than willing to offer tours to youth groups, such as schools, scouting organizations and clubs. Giving children an insider look at the daily operations of a police department or other law enforcement office can be a positive moment in their lives. Children can learn at an early age how law enforcement works and what it means to be a good citizen.

- Obey the law. One of the best ways to show respect for law enforcement officers is to obey the law. Should you be called out for an infraction, treat the officer or agent politely and comply with his or her requests.
 - Share a positive story. Use social media or your networking connections to share a story of how law enforcement helped you or did something worth noting.
 - Help out an officer. Oftentimes local businesses will provide discounted costs to officers or other law enforcement workers as a means of thanking them for their efforts. Such gestures may seem simple, but they are much appreciated.
- Anyone can do their part to show appreciation to the men and women who wear the uniform and keep our communities safe.

Small gestures of appreciation can show law enforcement just how much they are appreciated.

WHAT IS "TURN OUR COMMUNITY BLUE?"

TURN OUR COMMUNITY BLUE is a Grass Roots movement being led by The Lakes News Shopper to show the entire community's appreciation for our hardworking and dedicated Police Officers. These folks put their lives on the line every time they don their uniform and beyond. So in that vein, we are asking that every citizen in our coverage area buy a light bulb for \$3.00 each or 2 for \$5.00 and place them in your porch light, window or anywhere else you can think of. EVERY DIME of the bulb sales is being donated to the domestic violence and sexual abuse victims in Dickinson County.

We have almost 80 merchants all across The Lakes News Shopper coverage area participating in this effort and making bulbs available. There is a complete list in this section listed by city alphabetically and then alphabetically by business under each city name. PLEASE take the time to THANK them as you pick up your bulb. They have donated the time, effort and shelf space to make this all possible. This is no small effort on their part!

Words can really hurt you.
Don't text and drive.

A message from the Iowa Department of Public Safety, Governor's Traffic Safety Bureau and your local law enforcement agencies.

The Okoboji Police Department strives to provide a safe and comfortable community for the citizens and visitors of Okoboji. We provide this with the highest level of integrity and dedication. We want all people in Okoboji to feel welcome and safe.

The Okoboji Police Department has four full-time officers and one part-time officer. We attend regular training to stay current with new laws, tactics and techniques. With the closeness of the communities in the region it is essential to work together with neighboring agencies and communities. We enjoy a great working relationship with them.

The members of the Okoboji Police Department strive for a close relationship with the public also. Our officers want the public to feel comfortable approaching and speaking with their police officers. We are here for you. We encourage citizens and visitors alike to contact the Police Department with any concerns or comments.

Please, take some time to learn about our officers and department. We look forward to hearing from you.
