BENEFITS OF A PREARRANGED FUNERAL PLAN

Affords you the freedom to choose exactly how your life will be remembered.

Family is relieved of the emotional burden associated with the funeral arrangement decisions. This is accomplished by reducing family stress, anxiety, confusion, uncertainty, possible conflict and/or misunderstandings about your final wishes among immediate family members or "blended" family members.

Relieves your family of the financial strain associated with paying for final expenses.

Funeral expenses can be made Medicaid/SSEI exempt, thus protecting assets from confiscation due to unforeseen nursing home or long-term care expenses.
