National Friends of Libraries Week

The Mount Morris Library will be spending the week of October 16-22, 2016, celebrating its Friends of the Library group as part of the 11th annual celebration of National Friends of Libraries Week. The Mount Morris Library Friends were established in 2015 and have raised over \$4,000 for the library to date. Currently over 40 community members contribute annually to the Friends, and nearly half of these contributors actively volunteer their time to assist the group with fundraising efforts that include the annual Christmas Store and ongoing book sale.

"The library has had a major role in my life since the time I was a little girl going Story Hour and continuing through my children and grandchildren's library experiences," said Friends president Lenora Davis. "I love being a part of this group, and get to work with a great collection of fun people from our community." Other officers of the organization are Theresa Gall, Vice President, Ken Morgan, Treasurer and Sue Thomas, Secretary.

In celebration, the Friends will host a huge Silent Auction on Saturday, October 22, from 6-8:30pm at the VFW Hall on Elm Street. All are invited to an evening of fun and light refreshments. Mayor Joel Mike will play the role of MC for the night, and it promises to be a great time.

"Our community has been so generous with their contributions to the auction," said Friends president Lenora Davis. "We have a great need of replacing the heating and cooling system in order to keep our library resources protected from damage. There is something for everyone and we hope to connect with more of our community members."

Letting Go

*The angels gathered by your side
So very close to you,
For they knew the pain and suffering
That you were going through.
We thought about so many things as
We held tightly to your hand,
Oh, how we wished that you were
Strong and happy once again.
But your eyes were looking homeward
To that place beyond the sky,
Where Jesus held his outstretched arms,
It was time to say good-bye.
We struggled with our selfish thoughts,
For we wanted you to stay,
So we could walk and talk again
Like we did...just yesterday.
But Jesus knew the answer,
And we knew you loved Him so.
So we gave to you life's greatest gift,
The gift of letting go.*

Lena Ferraro
1942 - 2015

On October 28th, our lives were forever changed.
Not a day goes by that we don't think of you and smile.
You were the best wife, mother, and Nani...we were
all so blessed to call you ours.

We will love you forever and look forward to the day
when we will be together again.

Code Corner by John Polito, Village of Mount Morris Code Enforcement Officer

Hello folks, I am the new code enforcement official for the Village. This month's code corner is **"When do you need a permit and when do you not need a permit."** This is just a partial list, when in doubt you can call me.

You Do Not Need a permit to:

- Replace materials with like materials such as: A toilet, a sink, windows or doors of the same size, siding, bathtub, refrigerator, stove, dishwasher, or sump pumps. Exceptions to this rule are Hot Water Heaters, Furnaces and Roofs - these items need a permit even if you are just replacing the old one.

You Do Need a permit to:

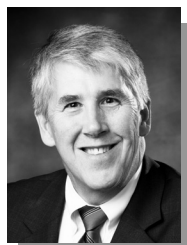

- Build a fence, build a deck or porch, put up swimming pools over 24" high, add or subtract any square footage to your home, demolish a building or extending your electrical circuits.

We only charge a modest fee for permits. It is very important to have a permit on file for insurance purposes or when a real estate transaction occurs. Plus you have an extra set of eyes watching what a contractor is doing or even to watch what homeowners are doing. There are additional fees/fines if you are caught starting a project without a permit. Please save yourself some money and call ahead.

Thank you! John Polito 585-330-5644

30 SECONDS:

Breast cancer is the most common cancer in women in the United States. About 1 in 8 women will get breast cancer during her life. Although breast cancer mostly occurs among older women, in rare cases breast cancer does affect women under the age of 45. About 11% of all new cases of breast cancer in the United States are found in women younger than 45 years of age. While all women can get breast cancer, it is more common among older women. All women ages 50 and older should get breast cancer screening.

If you are over 40, call the Cancer Services Program of Livingston & Wyoming Counties today, at 1(800) 588-8670, to see if you qualify for free breast cancer screenings or call 1-866-442-CANCER (2262) for information on free breast cancer screening and support in your area. The line is open 24/7 and can assist non-English speaking callers.

Got Drugs?

Most abused prescription drugs come from family and friends. You could be a drug dealer and not even know it.

TURN IN YOUR MEDS AT THE DRUG COLLECTION BOXES LOCATED THROUGHOUT THE COUNTY!!

Unused or expired prescription medications are a public safety issue, leading to accidental poisoning, overdose, and abuse.

- Pharmaceutical drugs can be just as dangerous as street drugs when taken without a prescription or a doctor's supervision.
- The non-medical use of prescription drugs ranks second only to marijuana as the most common form of drug abuse in America.
- The majority of teenagers abusing prescription drugs get them from family and friends – and the home medicine cabinet.
- Unused prescription drugs thrown in the trash can be retrieved and abused or illegally sold. Unused drugs that are flushed contaminate the water supply.

Proper disposal of unused drugs saves lives and protects the environment.

MMFD Greetings

Fire Prevention

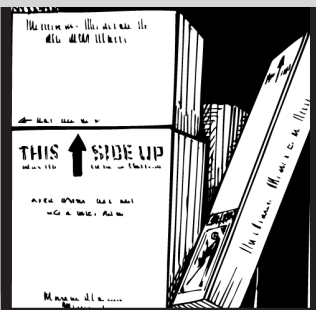

MMFD brought the message of Fire Prevention to MMCS on Wednesday morning. Fire dog Sparky was on hand to provide a fun learning experience. The kids were shown the firetrucks and learned the importance of Fire Prevention. The MMFD formally brings this message to children at MMCS every year but are always available and willing to discuss fire safety.

Following the visit to MMCS and after a brief stop for lunch, the MMFD brought the Fire Prevention message to the ARC. It was a good day of learning and fun hosted by your fire department.

As a reminder: Check the manufacture date on the back of your smoke detector; if it is more than 8 years old, then it needs to be replaced.

OCTOBER'S PARTY

October gave a party;
The leaves by hundreds came -
The Chestnuts, Oaks, and Maples,
And leaves of every name.
The sunshine spread a carpet,
And everything was grand,
Miss Weather led the dancing,
Professor Wind the band.

The Chestnuts came in yellow,
The Oaks in crimson dressed;
The lovely Misses Maple
In scarlet looked their best;
All balanced to their partners,
And gaily fluttered by;
The sight was like a rainbow
New fallen from the sky.

The, in the rustic hollow,
At hide-and-seek they played,
The party closed at sundown
And everybody stayed.
Professor Wind played louder;
They flew along the ground;
And then the party ended
In jolly hands around.
