Every Mailbox, Every Wednesday

It's one thing to *talk* about job creation...

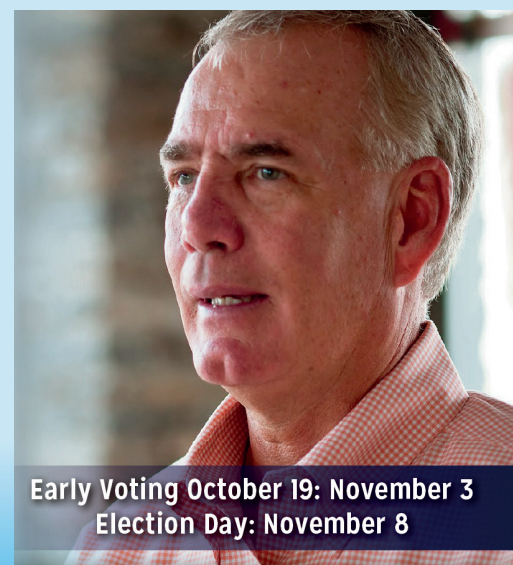

It's another to *make it happen.*

As chairman of the Business and Utility Committee, Pat understands the importance of job creation. Representative Marsh played a key role in Nippon Steel and Toledo Molding and Die moving to Lincoln County. He was also closely involved with the securing of state funds from TDOT and ECD for the new Industrial Park in Bedford County. In addition, Marsh was instrumental in creating the new Labor and Education partnership to start industrial maintenance classes in Bedford and Lincoln Counties.

“More **good paying jobs** for our area will help **solve** a host of **problems** and offer many **new opportunities.**”

- Representative Pat Marsh
