## Tourism makes a video splash!

**By Mike Mathes**

for the Depot Dispatch

People love Elkhart Lake.

Elkhart Lake Tourism is using a new video marketing approach to share that wonderful message. The bottom line for their marketing plan is simple. The objective is attracting more visitors to Elkhart Lake, to help them grow to love the Elkhart Lake experience more often.

Three new video productions were generated at the direction of the Elkhart Lake Tourism Commission for a marketing effort to demonstrate the charm and allure of Elkhart Lake. They are being distributed on social media and in selected markets to bring home the point that Elkhart Lake—one of the best kept tourism destination secrets offers amazing vacation and dining opportunities.

### Three titles developed

The video productions come in either full three minute rolls, or as reduced 30 second spots that can serve as “pre-rolls” on website video or television spots.

“Vacation Elkhart Lake Style” demonstrates the overall appeal of Elkhart Lake as a destination for all ages to enjoy.

“Dine Around” espouses the wonderful culinary experience that awaits visitors to Elkhart Lake, sharing both the wide range of restaurants and the passion of the many talented chefs who contribute.

“Breathe Easy” features the activities and experiences available in and around Elkhart Lake from kayaking to road racing to spa treatments.

### Many voices of Elkhart Lake

Unlike some vacation videos, the Elkhart Lake Tourism productions feature real people sharing their stories.

“We didn’t want a voice over script,” Eickhoff said. “We felt it wouldn’t have the same genuine appeal as hearing about Elkhart Lake from the people here.”

The group was blessed with a lot of great input from local merchants, culinary artists and business owners that editing became a tough challenge. “We just couldn’t put everyone and everything in these videos. We simply had too much good material,” Eickhoff said.

### Culinary experiences

Eickhoff said the “Dine Around” video gives great testament to Elkhart Lake’s ever expanding culinary world.

“We have amazing dining opportunities in Elkhart Lake. People who come here tell us that it’s such a joy to dine at our restaurants, meet the owner and develop

Elkhart Lake Tourism’s new video series promoting Elkhart Lake as a tourism destination features many great personal stories about what makes Elkhart Lake a great place to visit. Local business owners and community members chime in with their perspectives on the videos that are rolling on Facebook pages and in target markets.

## Sharing our Journeys

By Carol Edler Baumann

### From beginning to end

When November rolls around, most of us think of it as the end of autumn or the beginning of winter. The lakes are too cold for swimming, the rain occasionally drifts down as snow, and slacks and coats have replaced shorts and other warm weather apparel. Yes, summer has gone and the colorful leaves of autumn are falling over the fields and forests of central Wisconsin. Autumn too is nearing its end.

What is most intriguing about the beginning of winter, however, is how difficult it sometimes is to adjust our thinking to these new weather realities. Yes, we may have dug out our winter clothing from the back of the closet or from the bottom of a spare room trunk, but have we actually worn those woolen jackets or lined pants that seemed so natural to winter but alien to November? Or have we taken down from our bookshelves those books that had been planned for summer reading, but were always set aside in favor of golf or tennis, swimming or just lying in the sun?

November is the month that sparks our annual family battles over the thermostat. While part of the family may succumb to the reality of winter weather and will turn on the heat to the lower seventies, there is always at least one die-hard who will resist that flick of the switch, and will insist on accepting the dictates of Mother Nature at forty or fifty degrees. If you can figure out where

the author stands on this yearly debate, you're probably right! (My belief is that the furnace was invented to be used.)

Although an earlier article in this column addressed the general theme of seasons come and seasons go, it did not examine the actual psychological impact of these seasonal changes. Not all parts of the country are affected equally by them, of course, and it is the advantage (or disadvantage) of the Midwest to be blessed with four seasons, and, therefore, four seasonal adjustments. The trip to the spare room closet must be made at least four times, not only once.

But the adjustments in our thinking are more pervasive than just figuring out what clothes to wear. Fall and winter also bring academic concerns to the forefront of thousands of students and young people in general. If one is active in any kind of organization it is in the fall when many of them set their agendas and begin their programs. So also for such cultural activities as concert series, art exhibits, and out-of-state or overseas travel. Winter, too, has its own set of activities to lure people out of their homes to face or to drive through whatever the weather is.

So, when you finish this article, don't just toss it away—give it a little thought, what do the fall and winter months offer you that just were not part of your summer agenda? And then take advantage of it.

# Elkhart Lake tree lighting is Nov. 26

Elkhart Lake's Village Square Train Depot will literally brighten up on Saturday, Nov. 26.

That's the date for the Elkhart Lake Chamber of Commerce's annual Tree Lighting Ceremony, set for 6:45 p.m.

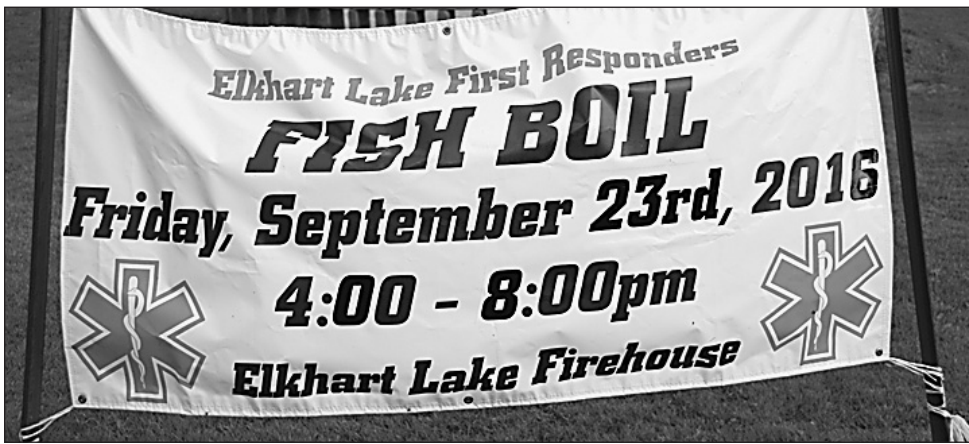

Santa Claus is expected to arrive by Elkhart Lake Fire Department escort at 6:30 p.m. for a visit with the children of the community.

The Elkhart Lake-Glenbeulah High School Chorus will perform a few selections. In addition, the High School Jazz Band and Kohler Madrigal Singers will provide musical entertainment.

Visitors will be able to enjoy live entertainment, cookies and other treats to help keep them warm. Hot cider or hot chocolate with candy canes and marshmallows will be available as visitors sit around the warming fires tended by the Elkhart Lake firefighters.

Elkhart Lake restaurants will be open past the lighting ceremony.

For more information, call 877-355-3554 or 876-2922. You can also email chamber@elkhartlake.com.

The Elkhart Lake Responders drew a large crowd in late September for their annual Fish Boil fundraiser held at the Elkhart Lake Firehouse. Friends and families gathered to partake in the traditional fish meal in support of the responders.

# Veterans Day event at school

The Elkhart Lake-Glenbeulah School District will hold a Veterans Day Program on Friday, Nov. 11 at 11 a.m. in the high school gymnasium. The High School Band and Chorus will perform a few selections for this event, which will also include speeches and poetry readings from high school students. Guest speaker for the program is Technical Sergeant Dustin Holmes of the United States Air Force.

Holmes has served 13 years in the United States Air Force holding jobs as a structural engineer and enlisted accession recruiter. He has served four tours of duty in Iraq; two tours in Afghanistan; two tours in Jordan as well as one tour in the United Arab Emirates. Holmes has received the Air Force Commendation Medal four times as well as being recognized with the Air Force Achievement Medal four times. He has also received the Army Achievement Medal. Technical Sergeant Holmes is currently stationed in Fond du Lac where he serves as a recruiter.

The school district would like to invite the community to attend and share in this event of honoring all who have served or are currently serving.

# FFA hosts Trick or Charity event

During trick or treat time in Elkhart Lake and Glenbeulah, be on the lookout for Elkhart Lake-Glenbeulah FFA members.

The FFA members will be part of the "Trick-Or-Charity" campaign to collect non-perishable items to donate to the Plymouth Food Pantry.

Students will be stopping at houses with lights on for trick or treaters. If FFA members happen to not stop at your house, feel free to drop items off at the Elkhart Lake-Glenbeulah High School.

Thank you for your support!

# Osthoff Resort Ranked #4 in Midwest

The Osthoff Resort, on the pristine shores of Elkhart Lake, Wisconsin, received a top ranking among Midwest resorts in the prestigious Readers' Choice Awards from Condé Nast Traveler magazine. With a score of 94.76, The Osthoff was voted number four on the list of the Top 10 Resorts in the Midwest for 2016. To be eligible, resorts must first receive a minimum number of responses and are then judged on a specific set of criteria, which include rooms, service, location, food/dining, design, activities/facilities, and value. The 2016 Readers' Choice Awards included input from more than 300,000 readers, who cast votes for more than 7,000+ hotels resulting in a preeminent list of more than 1,400 of the world's best travel experiences.

The Osthoff is considered a landmark in Wisconsin tourism. It's known for its lakeshore setting, distinctive architecture with lake-view porches, spacious suites, award-winning Aspira Spa and an impressive collection of amenities, that includes three restaurants, a cooking school, gift boutiques, indoor and outdoor pools, lake deck with live music, and elegant ballrooms and meeting venues.

The resort hosts large-scale events on its expansive grounds throughout the year, with Old World Christmas Market soon approaching, Dec. 2-11. Horse-drawn carriage rides with hot cocoa, cookie decorating, Breakfasts with Santa and Mrs. Claus,

ice skating, St. Nicholas and Christmas Day Brunches and New Year's Eve celebrations in Osthoff restaurants, rounding out holiday festivities.

Also in 2016, The Osthoff Resort received the prestigious AAA Four Diamond Rating for its eighteenth consecutive year, was awarded the Trip Advisor Certificate of Excellence and was voted "Best Lakeshore Resort" by Wisconsin Meetings.

For more information on the resort, log on to [www.osthoff.com](http://www.osthoff.com). For reservations and special offers, you are welcome to call 855.656.6836.

Addison's parents Thomas and Nancy Nye show the newly donated bench.

## Ladies of Lake present bench in memory of Addison Nye

One year ago, Sept. 30, a local family had their lives tragically torn apart. Nancy and Tom Nye's daughter, Addison, was involved in a fatal car accident at the age of 4.

This past year has been a difficult one for them moving forward, but the community of Elkhart Lake has given them a tremendous amount of support and love in their time of need.

After the accident, the Ladies of the Lakes, a local women's group that Nancy is a member of, decided they wanted to do something for her and Tom. The ladies took up a special collection amongst them and purchased a beautiful stone bench from Valdars Stone to commemorate Addison. On Sept. 30, the bench was installed at the Elkhart Lake Village Beach where Addison and her parents enjoyed spending many summer days.

On Oct. 8, the Ladies of the Lakes' presented the bench to Nancy and Tom with a small dedication at the site of the

bench. Nancy's fellow Ladies of the Lakes members and their spouses attended the dedication, where they lit sky lanterns in memory of Addison and her three grandparents that have passed, followed by a reception at Lola's. This bench is a beautiful tribute to a little girl that touched every person she met and will be enjoyed by her loving family forever.

Tears  
If tears could build a stairway,  
and memories a lane,  
I'd walk right up to Heaven  
and bring you home again.  
No farewell words were spoken,  
no time to say goodbye  
you were gone before we knew it,  
and only God know why.  
Our hearts still ache in sadness  
and secret tears still flow.  
What it meant to lose you,  
no one will ever know.

continued from page 1

a relationship where they are remembered on their return visits," she said.

## Breathe easy

The "Breathe Easy" segment attempts to capture that feeling that a visitor gets when they drive into town, hitting the first stop sign, and breathing that big sigh of relief.

"It features the resource that is Elkhart Lake—with our wonderful clear water," Eickhoff said. "But it also helps people understand the overall nature of the relaxed, laid back setting we have here in Elkhart Lake, emphasizing the natural surroundings from lakes to streams and the nearby state forest.

## Vacationing Elkhart Lake style

"Vacationing Elkhart Lake Style" talks about the combination of resort offerings and the many activities in the community and beyond.

"People come here and turn the rest of the world off," Eickhoff said.

"It's about being able to wear flip flops and T-shirts and spend time with their families at the lake," she added.

Whether it's for a wedding, the races at Road America or the simple natural features of the area or the Old World Christmas Market, a vacation at Elkhart Lake brings many and varied entry points for visitors.

And, once they come, they usually make it a point to come back.

"We have so many families that come back to the community they visited as kids. They are looking for ways to have their kids enjoy the same experiences," Eickhoff said.

## A year in process

The video marketing project represents a task more than a year in the making.

Planning for the video marketing program came at the Elkhart Lake Tourism Commission level. The ultimate goal of the project is to promote Elkhart Lake as a destination, to increase the number of overnight stays at village resorts and bed & breakfasts.

Eickhoff said that the video captures were unscripted, based in some cases on questions. "It was amazing how our people engaged in this process. We kept hearing so many similar messages, yet shared in a personalized way. We knew what we wanted the message to be. The way our people described the Elkhart Lake experience was so personal and so genuine that it made for a richer story."

The people's love for the community and their passion for Elkhart Lake comes shining through. "The way they shared their feelings and the feedback they have heard from their customers really makes the story," she said.

## Competing with larger markets

Eickhoff said Elkhart Lake Tourism has to be strategic in how it uses its limited financial resources.

"We compete with other Wisconsin and Upper Midwest destinations that have significantly larger budgets and abilities to reach customers—places like Door County, Wisconsin Dells, Galena, Lake Geneva and even Kohler," Eickhoff said.

"So it is important for us to reach our market with this wonderful story."

Funding for the project comes from room tax collected by the Village of Elkhart Lake. The Tourism Commission,

The Elkhart Lake Farmer's market is featured on one of the Elkhart Lake Tourism's clips promoting the Elkhart Lake vacationing opportunity.

created in 1998, is tasked with the job of using room tax to generate overnight stays by promoting the Village of Elkhart Lake as a premier vacation destination. This funding source must be used strategically to provide the best return on investment, which in turn grows and replenishes itself to generate opportunities for future marketing efforts.

"We don't have major franchises with deep pockets to support major advertising campaigns as some of the larger destinations do," she said.

"All of our dollars are local. We work with local owners and have local control of what happens with those dollars, and we have great buy-in from our businesses," she said.

Eickhoff said the Elkhart Lake Tourism Commission enjoys great support from the Elkhart Lake business community.

"We have a close working relationship with business owners of lodging properties, restaurants, Road America, the golf course, the retail business community and more," she said.

Elkhart Lake Tourism is a separate entity from the Elkhart Lake Chamber of Commerce. However, the two work hand in hand to support the business community.

The Chamber of Commerce is a member based organization working to promote and strengthen its members, offering business support and encouraging economic growth opportunities.

Elkhart Lake Tourism promotes the Vil-

lage of Elkhart Lake as a premier vacation destination. Their effort to grow overnight stays generates a growing customer base for village businesses with the ultimate goal of strengthening the village tax base.

"We have complementary goals, even though our missions are different," Eickhoff said.

In addition to generating more traditional overnight stays, Elkhart Lake Tourism's focus also includes finding ways to expand the season beyond Elkhart Lake's strong summer season.

"We are always looking at ways to expand the opportunities at other times of the year," Eickhoff said. The village has seen a growth in the meeting hosting opportunities, especially with the expansion of conference and banquet facilities at The Osthoff.

## The production process

Once the decision was made to proceed, Elkhart Lake Tourism and its contracted producers spent nearly a year gathering video pieces around the community, including interviews with key individuals.

Carla Minski of Armadillo Marketing, a Fond du Lac firm which has familiarity working with the department of Tourism was retained to spearhead the public relations side of the project.

She helped Tourism to craft the message and choose the right clips. The project was a natural for Minski, Eickhoff said, noting that she is a fan of Elkhart Lake as a long-time visitor, and customer in the

community.

Filming was done by J. J. Burkhart's Silverwater Productions company out of Plymouth.

## Media targets

With its limited budget Elkhart Lake Tourism sought the best buy for its media gems.

Online efforts were key to the promotion, Eickhoff said.

"They offer a more affordable entry point for us, and they can be targeted to our demographic and geographic profiles—largely the Milwaukee and Chicago areas," she added.

Online videos were presented as pre-rolls on instream and true view platforms. Elkhart Lake Tourism also focused a significant amount of its effort around Facebook integration.

They took the "Dine Around" video straight out to Facebook, and found it successful with more than 100,000 impressions and 40,000 unique viewers.

"We didn't use any boost on it. We just went organic with it, and the results were phenomenal," Eickhoff said. One of the best parts was the amazing reaction and commentary from so many who viewed the video on Facebook.

The reaction has prompted Elkhart Lake Tourism to share other snippets with clips that were left on the "cutting room floor."

# The Road to Wellness

By **Dr. Nic Giebler D.C.**  
 drnic@gieblerchiropractic.com

## Five ways to improve your digestion

I often get asked what I eat in the mornings. As you may know, I am a strong proponent of vastly reducing (if not eliminating altogether) refined grains from one's diet. That means no cereal, no oatmeal, no bread or toast, and obviously no donuts. So, what does that leave for breakfast?

Believe it or not, breakfast for me is often just a glass of Metamucil.

That normally gets me through until a mid-morning snack occurs. Our modern diet is dangerously low in fiber, as well as other important nutrients, and this leads to countless diseases and dysfunction in our digestive tract.

A well-functioning digestive system is crucial to maintaining your body's overall health. Without it, you are likely to have bowel problems and suffer from digestive upsets, not to mention a host of other conditions that can result from not getting enough nutrients from the food you eat. The digestive system affects all the other systems of the body, so it's important to do what you can to be sure it's working the way it should. Following are the top five things you can do to help improve your digestion.

**Eat more fiber (like me!)**—Soluble and insoluble fiber is both essential for moving food through the digestive tract. Soluble fiber, such as that found in beans, nuts and apples, turns to a gel in your intestines and slows digestion, helping to maintain stable blood sugar levels. It absorbs water, softening the stool, and promotes the health of the good bacteria in your gut. Insoluble fiber, such as that found in the skins of fruit and vegetables, speeds digestion, adds bulk and passes primarily intact through the digestive tract. Both are important in preventing constipation and can improve conditions such as irritable bowel syndrome (IBS).

**Drink more fluids**—Insufficient water

intake can harden the stool, increasing constipation. You should be sure to drink at least 1.2 liters of fluid per day, which is about six glasses. Some people need more, based on their activity level and the ambient temperature. However, do not drink more than about six ounces of liquid during a meal (taking the occasional sip), as it can dilute your stomach acid, making digestion more difficult. Aim to get most of your fluid intake 15-30 minutes before a meal or at least an hour afterward.

**Take probiotics**—Probiotics such as Lactobacillus and Bifidobacteria are the good bacteria that populate our digestive tract. Eating yogurt with a variety of helpful live cultures as well as fermented foods like sauerkraut, kombucha and kefir can help promote the production and health of these beneficial bacteria. I recommend Florajen 3, and it's available at our office.

**Eat more fat**—Although increasing your fiber intake can improve your digestion, that fiber does not move through the digestive tract so easily if you are not getting enough fat in your diet. Good fats will not raise your cholesterol and in fact are a healthy part of your diet when eaten in moderation. Some healthy sources of fat are olive oil, coconut oil, butter and avocados. In addition, don't fear animal fats, provided that animal was healthy, like grass-fed beef.

**Reduce stress**—When you are under stress, your digestive system slows down and circulation to the digestive tract is reduced, lowering your body's ability to efficiently break down and utilize the food you eat. Do not rush through meals, and be sure to sufficiently chew and savor your food when you eat. If you must eat while under stress, be sure you eat foods that are simple to digest, such as broth or yogurt.

## Old Wade House offers foodways program

On Saturdays, Nov. 5 and Nov. 12, from 11 a.m. to 3 p.m., Wade House historic site in Greenbush will be hosting Hearthside Dinners, a foodways program in which participants will have the opportunity to enjoy a delicious hearth-cooked meal, prepared with their own hands, in the historic Wade House stagecoach hotel.

Hearthside Dinner guests will experience a link to culinary history by helping to prepare 19th-century dishes on a wood-burning stove and over an open-hearth fire just as Mrs. Wade did more than 150 years ago. A close gathering of up to 20 guests will be guided by costumed staff as they learn about historic food preparation, ingredients and historic cooking tools.

Authentic recipes from late-19th-century cookbooks will be referenced as guests chop and stir, season and roast, preparing their midday meal. When the dinner preparation chores are complete, guests receive a guided tour through the stately stagecoach hotel and learn about the respite, which it offered to weary travelers along the plank road between Sheboygan and Fond du Lac in the 1850s and 1860s.

Once dinner is prepared, participants gather family style in the lovely Wade House dining room for a wonderful sit-down meal with lively conversation. The menu will feature a delectably abundant feast of squash soup, pork loin roast, red cabbage with apples, mashed turnips, glazed carrots, cranberry muffins, bread pudding, cider cake, apple cider and coffee. This satisfying encounter with central Wisconsin's past concludes with everyone pitching in to clear the table, wash dishes (19th-century style) and sweep the hearth.

Hearthside Dinners are \$55 per person, and reservations are required. If you have any questions about the program or would like to reserve your spot at the table, please call 920-526-3271. Private Hearthside Dinners for groups of 10 to 20 may also be arranged.

Attend a hearthside dinner on Saturday, Nov. 5 or Saturday, Nov. 12, from 11 a.m.-3 p.m., at Wade House historic site in Greenbush. Hearthside Dinner guests help prepare 19th-century dishes on a wood-burning stove and over an open-hearth fire just as Mrs. Wade did more than 150 years ago.

## CDA makes loan to brewer

### CDA (Community Development Authority)

The CDA approved a \$10,000 loan to Switchgear. Switchgear is a group of three partners, with ties to the area, who will brew craft beers in the former EL Taco building. They are proposing to open in spring of 2017.

### Planning Commission

The Planning Commission is expected to hear a presentation from Bob Werner on his plan to develop the 35 acres known as Victory North. The development will be made up of single-family homes and duplexes.

### Nov. 8, 2016 Election Photo ID Required

The Presidential Election will be held on Nov. 8, 2016. Absentee voting is available at the clerk's office until Nov. 4, 2016. Photo ID will be required to absentee vote or vote in person on Election Day. The following are some frequently asked questions about the photo ID law:

#### Do I have the right photo ID?

Below are the acceptable IDs for voting purposes and can be unexpired or expired after the date of the most recent general election (currently, Nov. 4, 2014):

- Wisconsin DOT-issued driver license, even if driving privileges are revoked or suspended
- Wisconsin DOT-issued identification card
- Military ID card
- U.S. passport
- A certificate of naturalization (that was issued not earlier than two years before the date of the election)
- An identification card issued by a federally recognized Indian tribe in Wisconsin
- A driver license receipt issued by Wisconsin DOT
- An identification card receipt issued by Wisconsin DOT
- A Veteran Affairs ID card (must be unexpired or have no expiration date)
- A photo identification card issued by a Wisconsin accredited university or college, or technical college that contains the following:

- Date the card was issued
- Signature of student
- Expiration date no later than two years after date of issuance
- The university or college ID must be accompanied by a separate document that proves enrollment, such as a tuition fee receipt, enrollment verification letter, or class schedule

There may be other acceptable forms of photo ID, but please contact the Clerk's office at 920-876-2122 for more information. The address on your ID does not have to be current. Election officials will only look at your ID type, name, picture, and expiration date.

#### What if I don't have a photo ID?

If you are eligible to vote but do not have a photo ID, you may obtain a free ID from the Department of Motor Vehicles. Apply

**J.B. Laun Home Elkhart Lake Circa 1902 – Courtesy of the Sheboygan County Research Center.**

for the ID as soon as possible. You'll need some documents to get the ID. Some records satisfy more than one requirement. For a complete list visit wisconsin.gov or call (608) 264-7447.

#### Your local DMV office is located at:

Department of Motor Vehicles  
3603 Kohler Memorial Drive  
Sheboygan, WI 53081  
(800) 924-3570

#### Do I need a photo ID to absentee vote?

##### Absentee Ballot Requests

Requests for ballots sent by mail or email must be accompanied by a photocopy of an acceptable form of voter ID. You will not need to do this with future requests, as long as you have not changed your name or address.

##### In-person Absentee Voting

If you are casting an absentee ballot in the municipal clerk's office, you must present a photo ID, just as you would at the polls.

#### Are there exemptions for absentee voting?

Photo ID is not required for the following absentee voters:

- Military voters
- Voters who are permanently overseas
- Confidential voters
- Indefinitely confined voters
- Nursing home residents whose ballots are delivered by special voting deputies
- Residents of care facilities who are not visited by special voting deputies

#### What can I expect at the polling place?

Now that voters are bringing their IDs, voting at your polling place will be a little different. **\*\*Please be prepared & patient.**

#### State It

As always, you'll need to state your full

name and address for the election official who checks you in. They'll check your information in the poll book. Understandably, some people are uneasy about announcing their name in public, but it is the law, and it helps ensure openness in elections.

#### Show It

Next, it's time to show your photo ID. That way, poll workers can compare your face to your photo and confirm that you really are you.

#### Sign It

Finally, you'll sign the poll book (unless a physical disability prevents it). Your signature or mark should go right next to your name and address.

For complete information about the Voter Photo ID Law and its requirements, please visit: [BRINGIT.WISCONSIN.GOV](http://BRINGIT.WISCONSIN.GOV) or call (866) VOTE-WIS or 920-876-2122.

#### Winter Rules begin Nov. 15

Winter parking regulations go into effect on November 15th. As a reminder, here is the ordinance.

#### All Night Parking Regulated

6.04(2) (a) No parking of any motor vehicle shall be permitted on either side of any Village street or in the parking lot north of Square Street or the parking lot on North East Street between the hours of 2:00 o'clock A.M. and 6:00 o'clock A.M. commencing the fifteenth (15th) day of November and ending on the first (1st) day of April of every year.

(b) Any vehicle parked in violation of the provisions of this ordinance shall be removed from the streets and stored, and such removal and storage shall be at the expense of the owner of said vehicle.

Vehicles violating this ordinance will be ticketed.

**Sidewalks:** residents must clean snow from sidewalks within 14 hours of any snowfall in a 24-hour period.

Residents have 24 hours after a winter storm to remove ice and snow from their sidewalks. Snow cannot be blown or plowed onto Village Streets. Residents must also shovel out any hydrants near their home.

#### Village History

Frank Thielmann and I have been visiting the Sheboygan County Research to look at old pictures of the Village. Frank remembers that Fireman's Park had a children's train running throughout the park. We could not find any pictures or articles. If anyone has a picture or a recollection of the train, we would appreciate hearing about it. Also, if you have any old pictures of interesting village buildings, bring them to the Village Office and we will scan them for future articles. The research center is located in Sheboygan Falls. Anyone can browse the pictures or news articles. They also accept family pictures and histories. It is a great place to spend a couple of hours.

#### Recycling Fee

The Village Board passed a resolution in September which will institute a \$20 recycling fee. See the resolution that was passed below.

## DISPOSAL SERVICES

WHEREAS, the Village Board of the Village of Elkhart Lake has determined that it is important to secure the long-term financial health and sustainability of the recycling program, and that it is necessary to impose a charge to offset the cost of the Village's recycling program, and

WHEREAS, the Village is authorized to collect and levy the cost of such recycling service by imposition of a special charge pursuant to Wis. Stat. § 66.0627;

WHEREAS, the Administration & Finance Committee of the Village of Elkhart Lake recommends the imposition of a fee in the sum of \$20 per recycling cart to cover a portion of the cost to provide such service by the Village of Elkhart Lake or its contractors beginning on Jan. 1, 2017; and

NOW, THEREFORE, BE IT RESOLVED, by the Village Board of the Village of Elkhart Lake that a special charge of \$20 per cart for recycling collection and disposal service is hereby imposed on parcels that have recycling carts and future parcels that receive carts; this charge applies to all parcels, where such recycling service is provided by the Village of Elkhart Lake, or its contractor, effective Jan. 1, 2017 and continuing thereafter until further action of the Village Board. Exempt tax parcels (non-profits, churches, State, County and Village parcels) will not be charged for recycling services.

BE IT FURTHER RESOLVED, that the special recycling service charge is hereby levied and directed to be placed on the 2016 and succeeding real estate tax bills of all benefited parcels located in the Village of Elkhart Lake in accordance with this resolution. The recycling charge shall be a debt due to the Village that is not reduced or eliminated by change in ownership of any parcel.

## Garbage Pickup Day Change

Garbage pickup will move to Mondays starting in January 2017. More details will be provided in the near future. This means that garbage carts can be placed on the curb on Sunday nights, but they need to be removed by Tuesday morning.

Starting in January, please have your garbage and recyclable containers curbside prior to 7 a.m. on Mondays. These containers must be removed from curbside no later than 7 a.m. on the day after collection (Tuesday). If you have an issue

with garbage or recycling pickup please call Advanced Disposal Services at 1-888-688-4005. If you have any questions, please call the Village at 920-876-2122.

All trash needs to fit in the refuse container and all recycling can be comingled and needs to fit in the recycling container. Overflowing containers and garbage outside the containers will not be picked up.

## Yard Waste and Leaves

Yard waste, leaves, brush, garden debris, etc. can be disposed of at the dumpster located at the Village garage from April through October. Dumpster hours are Wednesdays 2 p.m. to 6 p.m. and Saturdays 8:30 a.m. to 3 p.m. The Village also added hours on Mondays from 7:30 a.m. until 1 p.m. During this time the dumpster will be unattended.

## Sewer Rate Increase

The Elkhart Lake Village Board will also be increasing the sewer rates in order to cover costs. These rates will become effective on January 1, 2017, or the April 15, 2017 billing. Below is the updated rate. If you have any questions, please contact the Village Hall at 920-876-2122.

### CHARGES FOR SEWER

\$5.75 per 100 cubic feet of water consumption beginning + \$23.00 meter fee per quarter.

## Village Borrowing

In September, the Village Board approved refinancing the village's taxable debt. Most of the debt comes from the TIF projects we are involved in. It is projected that the Village will save around \$185,000 over the term of the loans.

# Community groups pitch in to help through Christmas Gift Tree

Over the last five years, Grace Lutheran Church, Elkhart Lake has worked together with Charlene's of Elkhart, Off the Rail, All Seasons Restaurant, the National Exchange Bank, and the Elkhart Lake-Glenbeulah Elementary, Middle & High School to bring a little extra Christmas cheer to families who were hit a little harder by the tough economic times. It is called the Christmas Gift Tree and Christmas Gift Tree Plus program.

The program has enjoyed overwhelming success! Over these years, hundreds of children's Christmas' were brightened through the Christmas Gift Tree and thousands of dollars in gift cards were distributed to community families in need through the Christmas Gift Tree Plus program.

On Saturday, Nov. 19, Grace Lutheran will put up and/or decorate five trees. They will be located at Grace Lutheran, Charlene's, Off the Rail, All Seasons Restaurant, and the National Exchange Bank.

The process for the community to help out with the Christmas Gift Tree is simple: 1) Go to any of the five locations. 2) Take a children's ornament from the tree. 3) Purchase an age appropriate gift. 4) Wrap the gift. 5) Securely attach the ornament to the package. 6) Return the gift to Grace Lutheran Church, Charlene's, Off the Rail, National Exchange Bank, or All Seasons

Restaurant by Sunday, Dec. 11, so the contributions can be made available for pick-up.

While many families appreciate the gifts for their children, they are also able to help families with other needs that they have.

The Christmas Gift Tree Plus includes families in need from Elkhart Lake-Glenbeulah High School as well as the Middle and Elementary Schools. Contributions to Christmas Gift Tree Plus help families that are in need of gas and groceries.

Helping with the "Plus" program is also very simple: 1) Go to any of the five locations. 2) Take a "Gift Card" ornament from the tree. 3) Purchase a \$25 gift card at the business of your choice that will provide either gas or groceries as designated on the "Gift Card" ornament. 4) Securely attach the ornament to the actual gift card. 5) Return the gift card to Grace Lutheran Church, Charlene's, Off the Rail, National Exchange Bank, or All Seasons Restaurant by Sunday, Dec. 11 so they can distribute them prior to the Christmas season.

Elkhart Lake has really shown its generosity through both these programs. Contributors really stepped forward in 2015 to help a lot of families during these tougher economic times.

Thank you in advance for your help and support of this program.

Wade House historic site in Greenbush will once again be participating in the Wisconsin Department of Tourism's "The Big Bundle Up" charity campaign and will be collecting warm winter items for those in need across Wisconsin from Nov. 17 through Jan. 2, 2017. Residents may drop off new and gently used coats, sweaters, hats, mittens and other warm clothing at Wade House's visitor center located at W7965 State Hwy. 23 in Greenbush.

## Bundle up this winter with Old Wade House

Wade House historic site in Greenbush will once again be participating in the Wisconsin Department of Tourism's "The Big Bundle Up" charity campaign that collects warm winter items for those in need across Wisconsin. From Nov. 17 through Jan. 2, 2017, Sheboygan and Fond du Lac County residents are encouraged to drop off new and gently used coats, sweaters, hats, mittens and other warm clothing at Wade House's visitor center located at W7965 State Hwy. 23 in Greenbush. During the seven-week collection period, Wade House hopes to collect more than 250 items, which will all be used to help keep Wisconsin residents warm this winter.

All winter gear donated at Wade House will be given to Safe Harbor and Bridge-way House in Sheboygan and Solutions Center and Support Services in Fond du Lac.

Wade House is one of nearly 70 sites located across Wisconsin serving as drop-off sites. A complete list of locations is available at TravelWisconsin.com

"The Big Bundle Up embodies what the state of Wisconsin is all about. It's an award-winning campaign in which the entire tourism industry works together for a common cause—to bring warmth to those in need," said Tourism Secretary Stephanie Klett.

## Library forms new system in Jan.

Eastern Shores Library System and Mid-Wisconsin Library System are forming a new library system in January 2017. Eastern Shores Library System is a cooperative of the public libraries in Sheboygan and Ozaukee counties and Lakeland University.

Mid-Wisconsin Federated Library System consists of all the public libraries in Washington and Dodge counties. As part of the merger 500,000 library records from the 17 libraries in Mid-Wisconsin will be added to EasiCat. EasiCat will be offline during that process and unavailable De-

cember 8-14. Library circulation services will be limited during this time period. Please be sure to place requests and renew books prior to December 8. The library will be open and books in our collection may be checked out. WPLC Overdrive, Zinio and Tumblebooks will be available.

The new library system will reemerge as the Monarch Library System in 2017. Please contact us at 920-876-2554 if you have any questions, or if we can be of help finding library materials for you during this time.
