TURN OUR COMMUNITY BLUE is a Grass Roots movement being led by The Lakes News Shopper to show the entire community's appreciation for our hardworking and dedicated Police Officers. These folks put their lives on the line every time they don their uniform and beyond. So in that vein, we are asking that every citizen in our coverage area buy a light bulb for \$3.00 each or 2 for \$5.00 and place them in your porch light, window or anywhere else you can think of, EVERY DIME of the bulb sales is being donated to the domestic violence and sexual abuse victims in Dickinson

We have almost 80 merchants all across The Lakes News Shopper coverage area participating in this effort and making bulbs available. There is a complete list in this section listed by city alphabetically and then alphabetically by business under each city name. PLEASE take the time to THANK them as you pick up your bulb. They have donated the time, effort and shelf space to make this all possible. This is no small effort on their part!

FFA SAFETY CAMP – On Friday October 14, the FFA and Agriculture students of Okoboji High School put on a safety camp for all of the second grade elementary students. This safety camp included stations such as grain, animal, ATV, boat, electrical, and lawn mower safety, along with a PTO demonstration and rescue unit. The second graders went from station to station learning about different types of agricultural safety throughout the afternoon. We hope this gets the kids thinking about their safety around these areas. Pictured are all the Second Grade Students and FFA students that presented. by Kendal Green

The public is invited to an Omelet Brunch on Sunday, November 6, from 9:30am- 1:00pm at the Ginny DeWall Dining Hall at Camp Okoboji in Wahpeton. Her vision became reality. JOY Camp this summer will celebrate its 35th anniversary! It now serves over 120 campers in the three state region. These summer campers each year look forward to reuniting with friends in Christian fellowship, music, Bible studies and local Okoboji fun. The Benefit is a Thrivent Action Team project. Come and enjoy a scrumptious omelet filled with your choice of ingredients, cheesy hashbrown potato casserole, cinnamon rolls, juice, coffee and fellowship!

Parks Marina Goes Pink This Month

Turn Our Community Blue

Hopefully you noticed the awesome Section C in our 10.18 paper titled "Turn Our Community Blue". This was a 10 page special section with over 40 advertisers in support of our local law enforcement officers. We saw this project from a paper in Grand Rapids, MN and

thought it would be a great idea to bring to the Iowa Great Lakes. Turn Our Community Blue is a grassroots effort to show our law enforcement how much we appreciate them risking their lives on a daily basis to help keep our communities safe. In case you missed it, here's a brief overview of how it works. Every advertiser who bought an ad in the section got a certain amount of blue lightbulbs to sell for \$3.00 each or 2 for \$5.00. Every single dollar that comes from selling these light bulbs will go to victims of sexual abuse and domestic violence in Dickinson County, as the cost of the bulbs was split by the businesses who purchased the ad and The Lakes News Shopper. After speaking with area officers, they requested these two areas receive the money as they are both extremely underfunded. When you purchase a light bulb(s) from one of these businesses we ask that you place it somewhere where people can see it to show your support for our officers. You can turn it on anytime, but we ask that everyone who has one to turn them on Monday, October 31st to help us turn our entire community Blue, showing our support for our law enforcement while also shining light for our little trick-or-treaters. With the purchase of a light bulb(s), you can also win one of two \$125 gift cards by submitting a photo of how you used your blue bulb(s) via text to 712-320-8278. To vote for the best photo go to our website, www.lakesnewsshopper.com and click on the Turn Our Community Blue banner up top, then follow the links to

To see where you can purchase your blue bulb(s), check out the list on page 2A of this week's Lakes News Shopper, which is another full page dedicated to the Turn Our Community Blue campaign, or log on to our website, click on the Turn Our Community Blue banner and un updated list will appear. We will also have more information throughout the week on Campus Radio, KUOO. We are very excited about the response from this past week and want to finish this campaign strong this week by selling all of the 3,000 bulbs that were purchased. It's a great way to show your appreciation for our men and women in blue while also contributing to an outstanding cause. Please help us Turn Dickinson County Blue!

David Thoreson: Book Launch and Speaking Tour

Over The Horizon: Exploring the Edges of a Changing Planet

Over The Horizon is a pictorial memoir by David Thoreson. A special signing event will be held at Blue Water Studios

and the Wine Bar (139 W Broadway - Arnolds Park) on Friday, October 28, from 5:00-10:00pm.

The sailor from Lake Okoboji, Iowa, had already traveled extensively when he began sailing the high seas with a "salty" farmer from southern Minnesota. Together they began exploring the far reaches of the globe. On their second

attempt at crossing the Arctic's Northwest Passage, Thoreson realized they were witnessing a rapidly changing Arctic and ocean environment.

With his many extreme expeditions and Midwestern roots, photographer, sailor and explorer David Thoreson has a unique life story. His path has been anything but traditional. Thoreson grew up in a small town in Iowa, learned to sail and love the water as a boy on a glacial lake created by a changing climate. He shares how these experiences lead to a life of exploration and discovery at the far reaches of the globe. David's book and presentation combine stunning visuals and story-telling about sailing in the ice, lives of native hunters, scientists in the Arctic and ultimately discovering and meeting the issue of climate change face-to-face. Thoreson believes the climate issue to be a game-changer and a powerful uniting force crossing previously unexplored boundaries.

David Thoreson is an Explorers Club Fellow and the first American explorer in history to sail the Northwest Passage in both directions. Thoreson has sailed more than 65,000 nautical miles, including below the Antarctic Circle, three times across the Atlantic, six times over the Arctic Circle, twice around Cape Horn and, in 2009-10, a 28,000-mile circumnavigation of North and South America. His documentary of that voyage was nominated for an Emmy and published in the beautiful photo book, One Island, One Ocean.

Now a sought-after speaker on ocean and climate issues, Thoreson has shared his observations at the World Science Festival, TED Talks and the 2016 Nobel Peace Prize Forum.

Guest Organist At First Lutheran Church

In commemoration of the 500 year anniversary of the Reformation, Stephen Baker, Director of Music from Bethany Lutheran

Church in Spencer, will be leading worship at First Lutheran Church in Milford on Saturday, October 29. He will be performing a prelude starting at 5:00pm and will be using traditional Reformation Sunday liturgy and hymns during the service beginning at 5:30pm.

Stephen Baker grew up in Mount Pleasant, Michigan. He was inspired to pursue the organ as a young child after watching his grandfather play the organ in church. He studied organ performance at Central Michigan University and the Eastman School of Music. While working alongside Trappist monks in a monastic bakery in upstate New York, he taught the singing of chant and the history and liturgy of church music to novice monks. Since September 2013, he has been the director of music at Bethany Lutheran Church in Spencer, Iowa, where he teaches Sunday School music, plays the organ and piano, directs the choir, handbells, children's choir, and praise band, and leads an adult ukulele group. Everyone is welcome to attend this special worship service!

Obituaries

James Albert Johnson, 78, died early in the morning on October 11, 2016, at the Ruthven Community Care Center in Ruthven, Iowa. He was born

on June 12, 1938, in Pomeroy, Washington, to Russel and Agnes Johnson. Returning to South Dakota shortly thereafter, the family lived on a ranch on the White River near Presho. Later they moved to Winner and Murdo, where Jim graduated from high school in 1956. He attended Augustana College in Sioux Falls, South Dakota, completing his Bachelor's degree in 1960. After teaching school for the next five years in Sioux Falls and in Martin, SD, Jim

continued his education at the USD School of Law in Vermillion. He clerked for a federal judge in Sioux Falls for the next year before going to Ann Arbor, MI to earn a graduate law degree (LLM) from the University of Michigan Law School., Then he returned to Vermillion to join the faculty of the law school.

While in Michigan, Jim met his future wife, Carolyn Kauper; they were married on June 17, 1972, at Zion Lutheran Church in Ann Arbor. They lived in Vermillion, South Dakota, for the next 37 years, where Jim taught at USD and later opened his own law office. They have two sons, Eric and Paul. Jim was a member of Trinity Lutheran Church and served on the Church Council and as President of the congregation; he was the Secretary of the South Dakota District of the American Lutheran Church for four years. He also served on the City Council, and was a member of Rotary Club, the Dakota Hospital Board of Directors, the Board of Directors of the South Dakota Lung Association, and the Tau Kappa Epsilon Board of Control. From 1981-1982, he served as Vice President for Development at Augustana College in Sioux Falls. For several summers he ran the Battle Creek Lodge, a bed-and-breakfast lodge in Keystone, South Dakota,

In 2009, Jim and Carolyn retired to Spirit Lake, an area they had been visiting regularly for a long time. Jim became a member of Grace Lutheran Church there and served on its Church Council. He also volunteered at the Renew/Reclaim Building Materials store. Jim suffered a massive stroke in 2012, leaving his left side paralyzed. He spent his remaining years in nursing homes, most of the time at the Good Samaritan Society in Estherville, Iowa. Throughout his life, Jim enjoyed reading, visiting with friends (and strangers), watching political news, and spending time with his family and dogs.

Jim was preceded in death by his parents, Russel and Agnes Johnson. He is survived by his wife, Carolyn, of Spirit Lake; his sons, Eric (Nicole) of Sioux Falls, and Paul (Jennifer) of Brookfield, WI; and his four grandchildren, Emma Salzwedel and Harper Johnson of Sioux Falls, and Joshua and Samuel Johnson of Brookfield, Wisconsin.

A memorial service is being planned for Saturday, November 5, 2016, at 11:00am at Grace Lutheran Church in Spirit Lake. Gifts/memorials may be sent to Grace Lutheran Church for the general fund or the defibrillator project. Arrangements handled by Kober Funeral Home in Vermillion.

The world lost a special man when **Dustin John Dorenkamp** passed away

peacefully in his home surrounded by his family on October 20, 2016, after a courageous 3-year battle with malignant melanoma. Dustin was born on December 8, 1978, in Fort Dodge, Iowa, to David and Helen Dorenkamp. Dustin attended Okoboji High School where he was active in several sports and inducted into the honor society. He then attended Iowa State University in Ames, Iowa, where he became an avid Cyclone fan and especially enjoyed going to football and basketball games; he was also an active member of the Delta Upsilon Fraternity. He graduated from the College of Engineering in 2002 with a degree in civil

engineering and moved to St. Louis, Missouri, where served as a highway designer with the Missouri Department of Transportation. Dustin spent his entire career with MODOT, where he ultimately became Transportation Project Designer and met the love of his life, Julianne Smith, whom he married on December 27, 2003. They made a home in Ellisville, Missouri, and their family grew with the births of their sons, Dylan and Ryan

Dustin, humble, gentle, and kind with a quirky sense of humor, had many passions, including mountain biking with his buddies, playing softball with his work team, improving his home, and traveling with his family. Ocean beaches and mountain vistas were high on his list of places to visit. Most of all, Dustin had a deep and abiding love for his family, rooted in his enduring faith and love for God. His wife and children have been the center of his life for the past 13 years and his love for them and the Lord have guided his

Left to cherish Dustin's memory are his wife Julie and sons Dylan (9) and Ryan (6) of Ellisville: his parents David and Helen Dorenkamp of Milford. Iowa; his brother Lance and his wife Ashley of Wichita, Kansas; his sister Jill Biltoft and her husband Corbin and nieces Colette and Bryar of Harrisburg, South Dakota; father-in-law Richard Smith of Ellisville; grandparents Don and Betty Dorenkamp and Genevieve Leusink in Iowa; and many uncles aunts, cousins, and friends throughout the country. Dustin was preceded in death by his grandfather, Gerritt John Leusink.

A funeral service was held at St. John Church in Ellisville, on Monday, at 11:00am. Interment was at St. John's Lutheran Cemetery. In lieu of flowers, contributions may be made to Miles Against Melanoma or 3 Little Birds 4 Life. Schrader Funeral Home and Crematory was in charge of arrangements. Friends may sign the family's on-line guestbook at Schrader.com.

LETTERS TO THE EDITOR

Letter to the Editor:

I would like to thank the Spirit Lake Public Library for allowing Kindred (formerly Gentiva) Hospice to use their well-equipped community meeting room for our annual Memorial Service on October 4, 2016. This facility allowed us to host a large group that evening with ample and well-lit parking, a spacious meeting room with kitchenette, tables, chairs and a convenient location. It was bright and comfortable and we were able to accommodate all of our guests easily. This service allowed families and friends to gather and remember their loved ones through words, music and fellowship.

Our community is so fortunate to have such a wonderful library and meeting room available! Not only do they offer thousands of books, but they have videotapes, audiobooks, magazines, newspapers, a fine children's program, speakers and computers that are all free to residents. Thanks to all who have made all of this possible as it is one of the many things that makes Spirit Lake so special.

Penny Nordstrom, **Bereavement Coordinator**

Obituaries

Melvin Yager, devoted husband of Maxine, family man, war hero, and community leader, passed away on October 9, 2016, at Tidewell Hospice

House in Bradenton, Florida. Rusty, as his friends would call him, was the fourth of six children born to Leda and Lee Yager on the farm in Excelsior, Iowa on February 13, 1925. A child of the depression, he learned on the farm the critical life lessons of working hard, mastering many trades, wasting nothing, and elevating the importance of family, friends, and community

Upon high school graduation, he overstated his age so that he could enlist in the US

Army for the invasion of Europe, where he was assigned to the 1st Infantry Division. On the 2nd day of the Normandy Invasion, he landed on Omaha Beach, surviving that experience with only half of his comrades. For most of his life he never spoke of his military service which included receiving the Bronze Star for his leadership in taking Crucifix Hill, opening the gates of Dachau, and enduring the endless battles in France and Belgium, as well as the freezing nights in the Battle of the Bulge. He felt blessed by God to have survived the war knowing that the difference between life and death on more than one occasion had been merely fate.

The greatest blessing in his life was returning to Lake Park to meet, and then marry his wife of 63 years and love of his life, Maxine Yager. Maxine learned to be a farmer's wife, giving birth to three kids before moving to town and having their fourth child. Selling the farm, Rusty joined his brother-inlaw in the retail hardware business where Rusty's passion for working with people and business skills flourished.

In 1961, the family moved to nearby Spirt Lake, where Rusty opened Lakes Furniture, a home decorating and furnishing business. The business grew and expanded, before being sold so that Rusty and Maxine could re-locate to the west coast of Florida in the late 1970's. After becoming a realtor in Bradenton, FL, he purchased and grew two additional real estate firms. However, it was not his entrepreneurial success that defined him, but instead, his love of community and commitment to others.

Serving as a church trustee, on the city council and zoning board, chair of the Good Neighbor Drive, president of Kiwanis, and a regular driver for Meals on Wheels, while still in Iowa, it was Rusty's civic contributions that defined his life and appetite for loving one another. Equally as important was his belief in contributing to politics and public policy. As chair of the Dickinson County Democratic Party he welcomed everyone to participate and discuss ideas with openness of mind and respect for differences of opinion. Rusty was proud of talking with a friend about changing parties and then, successfully helping that individual to run for Congress, where he and Maxine were intimately involved.

His greatest heartaches were the loss of his oldest son Mark in the prime of youth, and then the passing of his wife Maxine in 2011. Rusty felt that he and Maxine had lived a treasured life, moving to Florida in their 50s, young enough to travel for several decades up, down and across the roads of America and Canada in their RV. It is hard to suggest that he ever retired, since in his 80s, he was a daily volunteer at his church thrift store and served in leadership roles with other charities.

Rusty was a remarkable man with deep faith and strong convictions. Without a college or advanced degree, but with a belief in the values of honesty, compassion, and hard work, he forged a rich and happy life, strong marriage, successful businesses, deep friendships, and an extremely closeknit family of kids, grandkids and nephews. He lived a life of conviction and kindness, neither raising his voice in anger, nor judging others, believing that tolerance of our differences is how we bring happiness to ourselves and others. The "golden rule" was very much the rule he lived by.

Rusty was preceded in death by his wife Maxine, and his son, Mark. Rusty leaves a daughter and son-in-law, Marie and Charlie Kireker of Middlebury VT; a son and daughter-in-law, Milan Yager and Barbara Steakley of Alexandria, VA; and a daughter, Marilyn Yager of Alexandria, VA as well as his brother Earl in Boise, Idaho. He also leaves five beloved grandsons: Bennett Kireker of New York City; Matthew Kireker of Denver, CO; Austin Yager of Washington, DC; Reid Yager and Jack Yager both of Alexandria, VA.

In lieu of flowers, memorials can be sent to Heifer International, helping communities around the world end hunger and poverty through sustainable agriculture and commerce. For more information: https://www.heifer.org/or call 855-948-6437.

October is designated as National Fire Prevention month. We want to remind you to check your homes and business for possible fire hazards. Also, please take time to check your smoke detectors to make sure they are working and to change the batteries in the detectors. This should be done twice a year. Do you own a fire extinguisher? These also need to be checked at least once a year to keep them in working order. If you are unsure how to check them just ask any firefighter and we can explain how to check them, or would be happy to check them

The Milford Volunteer Firefighters Association would like to invite you and your family to visit the Fire Station on Sunday, October 30, 2016. They will be serving pancakes and sausages from 6:00am until 1:00pm. While you are visiting, please take a look at the equipment that has been purchased with your tremendous support over the years. They are once again ask-

CLOTHING

ing for your help. As with all things, from time to time our equipment needs to be updated. Once again this year all proceeds from the breakfast will go towards purchasing new equipment, fire prevention supplies, and fire department needs. They will also have ABC fire extinguishers for sale at the station; 2.5 pound vehicle units for \$35.00, 5 pound units for \$49.00, and 10 pound units for \$82.00. Come to the station, have breakfast, and spend a little time with the firefighters.

If you are unable to attend, feel free to mail your donation to the Milford Volunteer Firefighters Association, P.O. Box 477, Milford, Iowa 51351.

"It is great to live in a community where people respect and care about each other, making it easy to be a volunteer. Thank you for your continued support and thank you in advance for your contribution," Jim Carpenter,

Local Fire and Rescue and Police Department Team up to Save Lives

The Arnolds Park/Okoboji Fire and Rescue and the Arnolds Park Police Department have teamed up to save lives by pur-

chasing five Automated External Defibrillators (AED) to place in each of the Arnolds Park Police Department's squad cars. AEDs are used to shock the irregular and deadly heart rhythms associated with cardiac

arrest victims and if an AED is used soon enough and in combination with early CPR, can and does save lives. Arnolds Park/Okoboji Fire Chief Chris Yungbluth says "this collaboration was an easy choice to make, police cars are out and about in the town and Police Officers often get to the scene several minutes prior to in the rescue truck or ambulance therefore meeting the American Heart Association's recommended guideline of early defibrillation."

"The program of having AEDs in police cars has been very successful in Milford locally with at least a couple of lives saved by using the defibrillators that they have available in their Police cars nationwide with those departments that have implemented similar programs," stated Chief Alan Krueger.

The Arnolds Park Police Department receives CPR refresher training every two years and part of that training for the past several years has included the use of an AED. The AEDs will be put into service immediately and officers will receive an additional refresher training on the use of the AEDs to make sure they are ready to use them if the time comes.

Northwest Ag Supply, LLC Welcomes Two New Employees

Northwest Ag Supply is proud to announce and welcome Dan Conroy as an Agronomist/Plant Nutritionist and Skylar Reed as a Sales Agronomist.

Conroy joins the Northwest Ag Supply team with many years of experience in the agriculture industry under several different facets. He is from Jefferson, Iowa and upon graduating from Iowa State University, he traveled around the Midwest for 19 years doing research centered around plant nutrition for universities such as Iowa State University, Oklahoma State University, and the University of Illinois. He also worked in the Western Nebraska and Eastern Kansas areas, specializing in specific chemicals at Kugler Company. He then traveled to California and served as an agronomist at Wilbur-Ellis for over 6 years. Conroy has done a lot of traveling in his lifetime and is excited for this opportunity to now focus on the grower level rather than the research level.

Reed joins the Northwest Ag Supply team as a recent graduate of the University of Minnesota with a degree in Agronomy and Ag Business, originally from New Ulm, Minnesota.

Reed will be responsible for selling chemicals, seed, and fertilizer for Northwest Ag Supply. He is looking forward to meeting growers and building a customer base.

Northwest Ag Supply, LLC is a team of agronomists with over 100 years of experience combined located in Hartley, Iowa. They coined the phrase "Ag at Work" to outline the services they provide, which include: crop consulting, soil testing, seed, fertilizer, fungicide, insecticide, nutrients, and more.

Heartland Honor Choir to be Hosted by ILCC

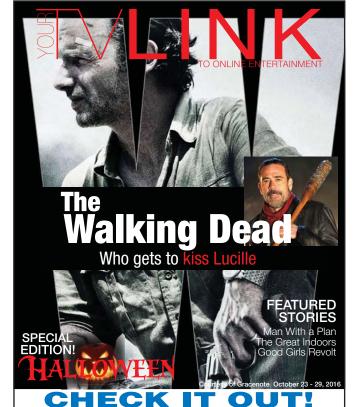

Eight area high school choirs are joining forces to create wonderful music together at the Heartland Honor Choir being hosted by Iowa Lakes Community College. Singers from Boyden-Hull, Estherville-Lincoln Central, Graettinger-Terril, Ruthven-Ayrshire, West Bend-Mallard, Clay Central-Everly, Newell-Fonda, South O'Brien, and Pocahontas area will be part of the mass choirs of over 150 singers.

The Honor choir takes place on Thursday, November 3, and it will be capped-off with a concert at 6:00pm at the Estherville campus gymnasium of Iowa Lakes Community College. Tickets for the concert will be available at the door and are \$5 for adults, and students can attend for free. The Iowa Lakes Chamber Choir and Men's Ensemble will also be featured at the concert.

The Honor Choir is being conducted by Dr. Rhonda Fuelberth (pictured), associate professor of choral music education at the University of Nebraska-Lincoln. Dr. Fuelberth received the Hixson-Lied Faculty Award for Outstanding Outreach, Engagement, or Service for 2015, and the Hixson-Lied College Distinguished Teaching Award for 2010. She frequently serves as a clinician, conducting the Wisconsin All-State Women's Choir, the Minnesota All-State Women's Choir and the Omaha Public Schools High School All-City Music Festival Chorus in recent years. She also serves as President for the North Central

division of the American Choral Directors Association. "The honor choirs turned out to be a fabulous event for area high school students last year, and because of the positive experience, we hope to have even more singers this year. The mass choir of over 150 area singers produces such a remarkable choral sound," stated Iowa Lakes Choir Director, Brett Fuelberth. "I hope everyone comes out on November 3 at 6:00pm to support our annual honor choir event!"

REAP Invests in Iowa's Natural and Cultural Resources

The Dickinson County Conservation Board has been awarded a grant of \$71,500 from Resource Enhancement and Protection. commonly referred to as REAP.

REAP invests in projects that enhance and protect Iowa's natural and cultural resources. Twenty percent of REAP is set aside for grants to county conservation for projects that help establish natural areas, encour-

age outdoor recreation and resource management.

The grant money will be used to acquire from the Iowa Natural Heritage Foundation a 35-acre property immediately south of Milford, located alongside

Highway 71. The funds will protect the grassland through which flows 10 percent of Milford Creek, which in turn will improve water quality in the Little Sioux River; will preserve and improve prairie and wetland habitat on the property; will increase visibility of the Dickinson County Conservation Board in Milford and offer a place close-to-home where people can spend time outdoors and foster an appreciation of the natural world.

This new property will bring together families as they utilize the area for picnics, afternoon walks, bird watching, photography, fishing and playing games in the open space. It will allow children a chance to get outdoors and to experience what life was like when Iowa was open and wild. Parents and children can explore plants and wildlife they may never have seen before, and as they experience it they will grow an appreciation for the environment and, hopefully, a passion for preserving it.

The Dickinson County Conservation Board is the local, county-level environmental entity headquartered in the Dickinson County Nature Center in Okoboji and manages eight county areas, to which this new Milford property will be a wonderful addition.

In its 27 years, REAP has benefited every county in Iowa by supporting more than 15,000 projects. REAP has funded these projects with \$250 million in state investments, leveraging two to three times the amount in private, local and federal dollars. Collectively, these projects have improved the quality of life for all Iowans with better soil and water quality; added outdoor recreation opportunities; sustained economic development; enhanced knowledge and understanding of our ecological and environmental assets, and preservation of our cultural and historic treasures.

REAP has benefited this area greatly over 27 years, including partially funding an addition to the beautiful Judd Wildlife Area, located south of Milford.

For more information on the Dickinson County Conservation Board and the new property to be acquired, visit the Dickinson County Nature Center at 2279 170th St. in Okoboji or call 712-336-6352. You can also find out more about the conservation board at www.dickinsoncountyconservationboard.com.

THANK YOU

THANK YOU

The family of John Halbur would like to say THANK YOU so much for all the kindness, hugs, food, flowers or anything else they did during this difficult time. This is such a WONDERFUL COMMUNITY and the outpouring of love has been tremendous. We would also like to thank the Doctors and Nurses who took such care of John especially Hospice Care.

THANK YOU from the bottom of our hearts.

The Halbur Families

I Peter 5:7 states, "Casting all your care upon him; for he careth for you. (KJV) This is one of the most familiar Bible verses and one of my favorites. I helped my children memorize this for an Awana lesson when they were young.

When we realize where our source of strength comes from, then we can more easily do what this passage tells us to do. Sometimes this is easier said than done. We struggle to "let go" of our difficulties. But, we are called to turn them over to the Lord and let Him handle them for us.

To "let go and let God" is a small, but mighty act and frees us up from the burden of carrying around whatever is taking us away from getting on with daily life.

It is that time once again when we start to gear up for our annual fundraiser at Discovery House, The No Show Charity Ball. Start to watch the mail for your invitation to our fictitious ball in early November.

Our current census is at 9-7 men and 2 women, and there is still one male bed available. We continue to be blessed on a daily basis with donations of food, clothing, hygiene, and household items and want to let you know what a big difference in our residents' lives they do make. Thank you and blessings,

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper. To the Editor:

Anyone who knows me very well is aware the I am a Democrat. And proud of it! This year I made a New Year's resolution to only talk politics with people who agree with me. Since northwest Iowa is predominantly Republican, I've kept my opinions to myself more than usual.

Then I remembered what Kim Weaver said at a Democratic District Convention. She encouraged us to be brave and admit we are Democrats in Republican Counties. I am proud of her for deciding to run against Representative Steve King. She will work hard for seniors, student loan debt relief, environmental issues, immigration reform and less gridlock. We need her in the U.S. Congress!

I've also been a proud supporter of Hillary Clinton since I read her book "It Takes a Village." She supported Early Childhood Education when she was the First Lady of Arkansas about the same time I opened my first Montessori PreSchool. We need her as president because she knows what the job is all about and like Michelle Obama said, "She is still willing to do it."

And I'm proud of the Dickinson County Democrats for nominating Tim Fairchild as a candidate for County Supervisor from the Milford area. When I was practicing the organ at one of the churches I play for, I asked the music director if she knew Tim Fairchild was running for Supervisor. As she pushed the electric piano across the room she said, "I know and of course I will vote for him. He welded wheels on the piano when we asked him to and added handles to make it easier to push." She added, "if you want something done right - he's the one to ask."

Anyone who knows Tim, knows he will listen to his constituents and work hard for them as a County Supervisor. JoAnn Heerdt Milford, Iowa

Fifth Degree Black Belt Marcelo Alonso to Speak at Jiu Jitsu Okoboji

Mentor of Jiu Jitsu Okoboji instructor to host seminar on November 19

Brazilian Jiu Jitsu, or BJJ, is the fastest growing martial art in the country and one of the world's most powerful systems of self-defense. Those who have tried Brazilian Jiu Jitsu and have stuck with it through the rigorous training regimens hold BJJ in the highest regard.

Kyle Heberle (left) brought his

passion for BJJ to the lakes area when he and his family relocated to Spirit Lake from Colorado. Through partnership with the Bedell Family YMCA, Heberle, now in his role as an instructor, created Jiu Jitsu Okoboji.

Operating since June out of the YMCA's Spirit Lake HLPC location, Jiu Jitsu Okoboji has been well received by the community, with sessions routinely at capacity. Most participants with no prior Jiu Jitsu knowledge begin at the white belt level. From there, through hard work and many years of dedication, trainees work up the ranks through the progressions of blue belt, purple belt, brown belt and black belt – with many sub-levels, or stripes, between each color.

Now, with a number of months of training completed, Heberle, himself a purple belt, has invited his Professor Marcelo Alonso, a fifth degree black belt, to come to Jiu Jitsu Okoboji for a belt promotion ceremony and seminar at 9am on November 19. During the belt promotion ceremony many local residents will be recognized and promoted by Marcelo for their months

Alonso has been training and coaching Brazilian Jiu Jitsu for well over 30 years. He brings with him an exhaustive knowledge of the myriad details of BJJ, which reflect the broad and varied experience that he has gained over decades training and coaching men, women, competitors, kids, law-enforcement, military personnel, and MMA fighters, which he himself learned straight from the source, Carlson Gracie Sr.

Anyone wanting to listen to first-hand knowledge from a true Jiu Jitsu master will want to attend this seminar.

For more information, please contact Kyle Heberle, Jiu Jitsu
