- philosopher Tzvetan Todorov who made the following sage observation: "We should not be simply fighting evil in the name of good, but struggling against the certainties of people who claim always to know where good and evil are to be found."
- * As Halloween approaches, it's interesting to note that in 16 states, you won't pay taxes on the candy you buy for trick-or-treaters; for tax purposes, candy is categorized as groceries. Of course, there's room for debate over what qualifies as candy; breath mints and gum are usually included, along with the obvious -- chocolate bars, hard candies and such. The tax code can get even more detailed than that, though; for instance, in Florida (which taxes candy but not groceries), marshmallows are taxexempt, but marshmallow candies are not.
- * The seahorse is the only animal whose head is positioned at a right angle to its body.
- * Recently retired sportscaster Vin Scully served

by-play announcer for the Dodgers -- starting in Brooklyn in 1950, then moving with the team to Los Angeles in 1958 -making him the longesttenured broadcaster with with a single team in the history of professional sports. Over the years he's had many fans, including Chris Carter, creator of the long-running TV series "The X Files." One of the main characters, Dana Scully (played by actress Gillian Anderson), was named for the sportscaster.

* In William Shakespeare's day, the sound of thunder often was described as a "rouncerobble-hobble."

Thought for the Day: "Patriotism, n. Combustible rubbish ready to the torch of any one ambitious to illuminate his name. In Dr. Johnson's famous dictionary patriotism is defined as the last resort of a scoundrel. With all due respect to an enlightened but inferior lexicographer I beg to submit it is the first." -- Ambrose Bierce

November 21) Good news -- you finally get to the bottom of that pesky mystery you've been trying to solve for weeks by using some gentle persuasion to get someone to break his or

her silence. **SAGITTARIUS**

(November 22 to December 21) The best time to take on that important task is now. Move forward one step at a time so you can assess your progress and, if need be, change direction.

CAPRICORN

(December 22 to January 19) The new opportunities you hoped to find this month are beginning to open up. Study them carefully to be sure you make the choice that's best for you.

AQUARIUS

(January 20 to February 18) Turn a disappointment into a learning experience. Check out possible weaknesses in your approach and strengthen them. A loyal colleague offers good advice.

PISCES

(February 19 to March 20) Your new situation offers opportunities to help you get the skills you'll need in order to stop swimming in circles and finally move straight toward your goals. Go for it.

BORN THIS WEEK:

You have a sharp, logical mind and a quick intellect. You would make an excellent mystery writer.

SENIOR NEWS LINE by Matilda Charles Medicare Open **Enrollment** If you're on Medicare, you have until Dec. 7 to make any

changes to your coverage If you have the Original Medicare and like the coverage you have now, you don't need to do anything. If you have a Medicare Advantage Plan (or want to change to one), all of the Original Medicare benefits are covered, as well as others specific to your plan. By now you should have received your Plan Annual Notice of change, along with the Evidence of Coverage. (All the plans are required to send these.) Read the forms carefully. If changes to your plan are anticipated for 2017, such as out-of-pocket costs, this is where you'll learn what those will be. To see what other plans offer,

go online to ww.medicare.gov and compare what you have to what else is available. To review plans in your area,

put "plan finder" in the search

box. Put your ZIP code in the box. Enter any drugs you take, and your current pharmacy. When you get to the screen with your plan options, your best bet is to click on Sort by Overall Star Rating. Compare the annual drug costs, monthly premium, deductibles and co-pays for each plan you're considering. Look for specifics: Does a new plan require a referral before you see a specialist? Is your favorite doctor still in your plan? Will you be required to go to only those doctors or hospitals listed by the plan? Are there extras like hearing, dental and vision? If you need help sorting out your options, put "SHIP program" in the search box on the Medicare site, and you'll

1 in 5 teens report abusing prescription drugs to get high?

Prescription and over-the-counter medications are safe and helpful when used properly but can be dangerous, or even deadly, when intentionally misused or abused. Dangers increase when these drugs are combined with alcohol or illegal drugs.

How to Prevent Prescription/Over-the-Counter Drug Abuse

- Take inventory of all medicines in your home: regularly count how many pills are in a bottle or pill pack
- Keep medicines where your child cannot access them
- Set a good example and tale medicines only as prescribed
- Properly dispose of expired or unused medications. (Do NOT flush down the toilet unless the label or accompanying patient information specifically instructs doing so.)

- 🖠 Loose leaves must be within reach of the vacuum machine from the paved roadway (no more than four feet).
- Do not mix loose leaves with brush, rocks, sticks, limbs, glass, or other solid objects.
- Do not place loose leaves in ditches below grade level.
- 3 Do not place loose leaf piles next to vehicles, behind poles, mailboxes, guardrails, or fire hydrants.
- Avoid, if possible, placing loose leaves in storm gutters blocking the flow of water to storm drains or inlets.

Other reminders . . .

- Please do not approach the leaf vacuum machines.
- City residents may obtain biodegradable bags for free in the Public Works office.
 Yard waste and loose leaves are collected on the same schedule as garbage collection.
- All contractors hired to do clearing of lots or tree work must remove any yard waste generated as a result of the work being done.
- Many factors affect productivity and the Public Works Department's ability to stay on a weekly schedule. Some of the factors are:
 - Timing of the first significant frost
 - Duration of leaf fall (gradual or all at once)
 - Significant amount of rain or drought during leaf season
 Occurrence of fair weather raking weekends versus bad weather
 - Early snow falls (if snow occurs, the schedule will be modified accordingly)
 - Equipment breakdowns

If your loose leaves have been missed or you need to know if your area is behind schedule, you may call the Public Works Department at 799-5245 between 8 a.m. and 4 p.m.

Plan Tomorrow's Park Today!

We need your help!
Danville Parks and
Recreation is planning
the **Riverfront Park**,
which will be on the
property adjacent to
Main Street Plaza
along the scenic Dan

River.

Future home of Riverfront Park as seen from the bridge

We've heard what you would like to see in the park; now help us review the plans. Join us from 4 p.m. to 7 p.m. at the Pepsi Building (629 Craghead Street) on Thursday, Nov. 3 to review two design concepts for the future park.

Call (434) 799-5200 for more information.

- * I use an empty hardplastic travel container originally used for wet wipes to hold my coupons. It keeps them organized as I walk through the store, and its surface is great for writing on. -- I.L. in Arkansas
- * "When cleaning out my storage and clutter areas, I ask myself one question, and it usually helps me clear out a lot of otherwise unusable stuff: Am I really likely to dig this out (or even remember that I have it), or am I more likely to buy or borrow a new one?" --M.E. in Maine
- * Got leftovers? Try throwing chopped leftovers into a tortilla for a "leftoverrito." Or make soup with remains from the produce drawer before it goes bad. Fried rice also works as a delicious delivery vehicle for leftover veggies and meats.
- * Want to save some money on your electric bill? Here's two things you can do. First, plug your electronic devices into power strips and turn the strips off when you're done using them for the day. Then replace the five most-used light bulbs in your house with ENERGY STAR certified bulbs. They cost a little

bit more, but last way longer and use a fraction of the energy, saving you dollars!

- * Here's another great tip to save money on utilities from A.E. in New Hampshire: Buy a hot water tank blanket (insulation) and you will save on your utilities because once the water is heated, it will not have to be reheated again and again. The blanket keeps it from losing heat when it's cold out.
- * Make your own portable cleaning wipes. Mix together 1 1/2 cups of water, 1/2 cup alcohol and 1/2 cup white vinegar. Stack sturdy napkins or paper towels inside a gallon-size, resealable plastic bag, and add the liquid to soak. Seal and use as you would a packet of glass wipes. They can be used on hands, but not near the eyes.

Pumpkin Mummy **Cookies**

Ingredients

For the Crust:

1 cup (2 sticks) unsalted butter cut into cubes-chilled

2 1/2 cups all-purpose flour

1 teaspoon salt 1 teaspoon sugar

1/4 cup ice water

(or you can use 1 package Refrigerated Pie Crust (2

For filling and topping;

3/4 cup reduced pumpkin puree (place 1 cup pumpkin puree on several layers of paper towel, wrap and press to soak excess moisture until you get 3/4 cup pumpkin puree)

2 oz cream cheese -slightly softened

2 tablespoon packed light-brown sugar 2 tablespoon granulated sugar

1 teaspoon ground cinnamon

1/2 teaspoon ground ginger

1/4 teaspoon of nutmeg 1/8 teaspoon allspice

1 egg yolk 1/2 teaspoon vanilla extract

1 egg white-lightly beaten 1/2 tablespoon water

2 tablespoon sugar 1 teaspoon cinnamon

Instructions

To make the crust pulse together in a food processor flour, salt and sugar, then add butter and pulse until look like a coarse meal (don't over-process, just pulse until butter is no longer in large pieces). Add chilled water 1-2 tablespoon at the time and pulse several times(if it doesn't come together in clumps add remaining water). If you don't have a food processor you can make the dough using two fork or pastry blender. Gather dough onto working surface, divide into two portions, shape each into 5-inch disk, cover with plastic wrap and chill 1 hour.

To make the pumpkin pie filling in a bowl stir together cream cheese, granulated sugar and brown sugar to blend. Add reduced pumpkin puree to cream cheese mixture along with cinnamon, ginger, nutmeg and allspice. Mix in egg yolk and vanilla extract. Cover bowl and chill until ready to assemble the cookies. Preheat oven to 375 F and line large baking sheet with

parchment paper, set aside. To assemble the mummies roll out first disk of the dough onto a floured surface to about 13 x 11-inch rectangle. If the edges start to crack a little when rolling, seal them and continue rolling. Trim edges to get straight edges, then cut into rectangles(I made nine 4x3 rectangles, but you can make them smaller or larger, what ever you prefer) Roll out second dough

disc and cut into 1/2 inch stripes. Arrange the rectangles, spaced apart on prepared baking sheet and spread heaping 1 1/2-2 tablespoons of pumpkin pie filling onto each rectangle, leaving rim on all sides uncoated. Brush uncoated edges with the mixture of lightly beaten egg white and 1 Tbsp water. Top with strips to create mummy look, then seal edges with your fingertips, and trim the excess of the stripes. Brush the stripes with egg whites and sprinkle with mixture of 2 Tbsp sugar and 1 tsp. cinnamon. Bake until golden brown about 20 minutes. Stick candy eyes onto cooled mummies.
