# **Helping Others In The Community**

The 5th Annual Boobie Party was a huge success! This year's event was held October 1, 2016 at Woodlynn Hills Golf Course in Nunda. What an Incredible Day!!

We raised over \$12,000 at the party with a total of over \$25,000 for the year!!! Scores of community members attended with some new and some familiar faces. A recipient of a check from Sully and The Ladies In Pink wrote in her thank you card that if she was still alive, she would be there. She actually came up to me and said "well here I am, I told you if I was living, I would be here." Another pointed herself out as "not only as a survivor, but also a fighter" because she's going through it again.

In the two short years we have been keeping the money local, we've been able to send over 100 checks to those battling any type of cancer within our surrounding communities—so, thank you to each and every one of you who donated food, bought a ticket (or two), sweatshirt, and/or came to the party to support us.

This year, the talented Boobie Brothers Band (aka Burn Brothers) donated their time and talent, as well as Jean Angililli (photography) and Jason Carpenter (DJ). Special thanks to Russell Barber for the venue and all of the extras he donated to the day! Thank you also to Tim & Chris Sullivan, Sarah Clinton, Michele Lee and Latisha Learn at Sully's Water Hazard!

Last year we had our first Boulder Holder makeover, which we had 5 beautifully (and fun) decorated bra's entered. This year, 14 bras were entered and we had no problem finding willing male models in the audience. The model with the most dollars tucked in his bra won the "Boobie Trophy". This fun venture netted us \$498!!

The event takes many months of planning (we start thinking the day after the Boobie Party) and start meeting in February. We really couldn't do it without the support of not only the Nunda Community but surrounding areas. Each year we seem to get bigger with the amount of monetary and items donated. Numerous people have told us that

they like they we keep the money local and give directly to

those who are fighting!

I have sent 14 checks just since the party (10/1), on one hand it is an incredible feeling of happiness but also sorrow knowing that cancer is affecting so many.

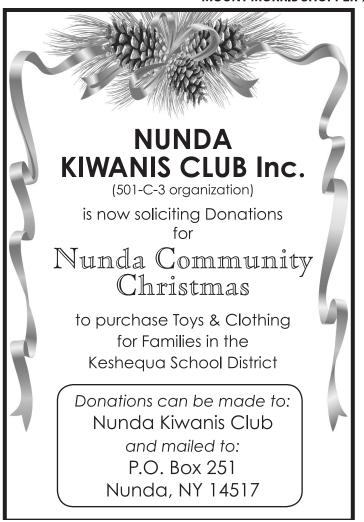

The Ladies In Pink are incredible bunch of friends who give so much out of their own pockets throughout the year and work so hard the day of. Several years ago a parent gave me a card that said 'Generosity is a sign of a great soul' and these ladies surely have tremendous souls and hearts.

# RE-ELECT DA GREG McCAFFREY!

# **Experience Matters**

DA McCaffrey is the only experienced prosecutor in the race.

# **Results Matter**

DA McCaffrey is responsible for more prosecutions and more convictions than ever before.

# The Truth Matters

"My opponent is circulating information saying that I am an opponent of the Second Amendment. This is completely false. I am not at all opposed to responsible, lawful gun ownership on any grounds.

But make no mistake — I am opposed to using illegal firearms to recklessly injure a child, to shoot a police officer or firefighter or to arm a drug dealer and I promise I will prosecute anyone who commits a crime with an illegal firearm to the fullest extent of the law."

"Greg McCaffrey has proven himself to be a tough prosecutor who makes special efforts to support and seek justice for crime victims. Greg McCaffrey has the experience and motivation necessary to continue to serve as the Livingston County District Attorney."

**NYS Troopers Endorsement** 

"To your credit, we haven't gotten any complaints on you at all... zero. You don't have an anti-gun position at all, an anti-Second Amendment position at all..."

Dear Friends and Neighbors,

I have spent most of my life in Livingston County, except for time away at Cornell University for undergraduate and law school. Since my return in 1995, I:

- have successfully run a private law practice, for over 20 years;
- routinely appeared in the Town, Village and County Courts and the eight surrounding counties;
- sat for three terms as the Town Justice of Leicester;
- managed and maintained multiple law offices with up to seven employees; and
- represented thousands of clients' cases to successful resolution.

It is my belief that the District Attorney's office plays a vital role in keeping our community safe and protecting citizens' rights. The role does not bring entitlement or prestige, or permission to brag about whether or not conviction rates are at an all time high.

It does **not** entail using the power vested in the office in an over-zealous manner or evaluating cases in a way that **exploits community fear** and ignores the individual merits of each case. The role of District Attorney demands even temperament, sound judgement and a drive to seek justice and truth.

The mission is not so much to convict as it is to achieve a just result.

As District Attorney I will employ:

ray 4 da.org

- a teamwork mentality with law enforcement and others;
- the fortitude to make tough legal decisions, even if they are politically unpopular;
- legal analysis and review on a case by case basis; and
- non-policy driven practices which consider the human element inherent in all cases.

This must be the way forward in order to better serve the long-term interests for victim(s), defendant(s), and our community as a whole. To be District Attorney takes having common sense - common sense for a safer community.

Democracy is a privilege, not a right and in many ways, a local election is a citizens'way of having the greatest impact on change.

I would appreciate your vote on **Election Day, November 8th.** I encourage you to visit my website at ray4da.org and to like us on Facebook, to stay current with the campaign (Ray Sciarrino for District Attorney). Follow us on twitter @ray4da16 and instagram #ray4da.

our state the dubious distinction of having the most restrictive When Governor Cuomo signed the NY SAFE Act into law, giving gun laws in the country, standing by his side was Livingston County District Attorney Greg McCaffrey.

# Where do I stand on the SAFE Act?

<u>Not</u> by Governor Cuomo's side.

Amendment Rights and fails to address the underlying causes The SAFE Act penalizes law-abiding citizens, abridges our 2nd of gun violence in our communities. The SAFE Act is the law in New York State and so long as it remains my twenty years of experience as an attorney and more than a decade of experience as a judge to determine when I should law, I am duty bound to enforce it. I will use common sense, utilize my prosecutorial discretion as District Attorney.

Yes, Mr. McCaffrey, you are judged by the company you keep.

# Dear Voters of Nunda,

I want to go on record as the Town of Nunda Democratic Chairperson, as endorsing Gary Galton for the vacant position in the Nunda Town Council.

Gary is a lifelong resident of Nunda and is in partnership of his family owned farm and has many years of experience to bring to the town table, including 26 years as a Village of Nunda Trustee.

Gary has also been on the Livingston County Water & Soil Board for 11 years, and the Farm Service Agency Board for 9 years.

He is very knowledgeable when it comes to budgets large and small and is always on top of his game. He's willing to listen, look and act on behalf of the residents on Nunda, no matter what capacity.

I am asking the voters of Nunda to please join me in the election of Gary Galton, the Right Choice for Nunda Town Council, on November 8th 2016.

Thank you,
Fritz Amrhein
Village of Nunda Deputy Mayor
Nunda Democratic Chairperson

# **Elect**

# Gary Galton

For

# **Town Councilman**

Do you know why Nunda is "a Nice Place to Live"... because it is a township where people care about their community. I care. I am Gary Galton and I am asking for your support as a Nunda Town Councilman.

I am a life-long resident of Nunda. After graduating, I entered the United States Army and served two years. I worked highway construction for ten years before coming home to the family farm and raised two sons. Since then, along with my oldest son, we have expanded and developed that same family farm.

I have had the opportunity to serve on the Nunda Village Board for 26 years. Currently, I serve on the Board of Directors for Livingston County Water & Soil and as Director of Farm Service Agency. These positions give me experience in managing budgets for the better interest of Livingston County. In addition, the current Nunda Town budget allots approximately 60% to Highway Department expenditures. My knowledge and experience working with equipment and highway infrastructure is an asset to our Town Board and taxpayers.

Ultimately, I believe I have a great deal to offer our community. I will listen to your concerns and be here to serve you. My vision is similar to many in our community of keeping taxes under control and keeping our motto true . . . Nunda is "a Nice Place to Live". I look forward to making a difference and serving you.

Vote on November 8th - I appreciate your vote!

**Best Choice for Nunda**
