BETTER HEARING CAN BE YOURS

Advanced Hearing Technology Event

3 Steps to Better Hearing

STEP ONE

CALL

Call and schedule a free hearing evaluation at one of our convenient locations.

STEP TWO

Free Hearing Evaluation

Find out what you're hearing and what you're not. Discover whether you have hearing loss or is it ear wax?

STEP THREE

Try Before You Buy!

Take the hearing aids home and wear them out and about in your normal daily life. If after wearing your hearing aids for a period of 2 weeks and you are not completely satisfied with them, just return them.

I finally took my lovely wife's advice and reluctantly looked into getting hearing aids. I am not deaf or anything, but I found I was asking folks to repeat themselves more often as I aged. I resisted hearing aids because it carried a stigma, for me anyway, that one is growing old and dependent. I contacted The Hearing Aid Center in Dickson and got tested by Cassie Tuminello who analyzed my hearing test and suggested a set that would be best for me. Cassie was a pleasure to deal with. She was professional and very knowledgeable of the products she offers. At no time did I feel pressured or pushed to decide on a product. She takes time to make sure you are well informed before making a decision. After the initial "fitting" and orientation, I was a satisfied customer. Tiffany Huskey met with me over the next month doing minor adjustments to make my auditory experience the best that it can be. Like Cassie, Tiffany was very professional and informative. She listened carefully to my feedback and questions, and made sure I am a satisfied customer. The whole experience at The Hearing Aid Center was pleasant and productive. I need to hear well in my career. The Hearing Aid Center made that happen. My lovely wife is happy too! Thank you Cassie and Tiffany!

*1.50% Introductory Annual Percentage Rate (APR) is available on Home Equity Lines of Credit with an 8% loan-to-value (LTV) or less. The Introductory Interest Rate will be fixed at 1.50% during the 6-month Introductory Period. A higher introductory rate will apply for an LTV above 80%. Offer is available for new applications submitted from September 11 - November 11, 2016. After the 6-month introductory period, the APR is variable and is based upon an index plus a margin. The APR will vary with Prime Rate (the index) as published in the Wall Street Journal. As of September 11, 2016, the variable rate for Home Equity Lines of Credit ranged from 2.62% APR to 7.20% APR. Higher rates may apply due to an increase in the Prime Rate, a credit limit below \$100,000, an LTV above 70%, and/or a credit score less than 730. U.S. Bank Consumer Silver, Gold, or Platinum Checking Package account is required to receive the lowest rate, but is not required for loan approval. The rate will not vary above 18% APR, or applicable state law, or below 2.12% APR - 2.55% APR, depending on market. Choosing an interest-only repayment may cause your monthly payment to increase, possibly substantially, once your credit line transitions into the repayment period. Repayment options may vary based on credit qualifications. Interest only repayment may be unavailable. Loans are subject to credit approval and program guidelines. Not all loan programs are available in all states for all loan amounts. Interest rates and program terms are subject to change without notice. Property insurance is required. U.S. Bank and its representatives do not provide tax or legal advice. Your tax and financial situation is unique. You should consult your tax and/or legal advisor for advice and information concerning your particular situation. Other restrictions may apply. Mortgage and Home Equity products offered by U.S. Bank National Association. Deposit Products are offered through U.S. Bank National Association. Customer pays no closing costs, except escrow-related funding costs. An annual fee of up to \$80 may apply after the first year and is waived with a U.S. Bank personal Platinum Checking Package. The Consumer Pricing Information brochure lists terms and conditions that apply to U.S. Bank Consumer Checking Package accounts and can be obtained by calling 800.872.2657. Propane Prices Got You Down? Yank the Tank! Natural Gas will save you money!

- **Dependability:** Since the vast majority of the natural gas system is underground, it is not typically affected by inclement weather or other transportation problems. Always there when you need it.
- **Monthly billing:** No more large bills due when the tank is filled, you will receive a monthly bill.
- **More economical:** Operating cost for Natural gas equipment is substantially less than propane. Consider this:
 - If you used 800 gallons of propane last year at \$1.50 per gallon, you spent \$1200 for fuel alone.
 - Using natural gas, your fuel cost for the same amount of energy would have been approximately \$519 on our heat only rate or only \$445 for year round use.

For more information on the availability of clean efficient NATURAL Gas please call or drop by today!

931-454-9580 ANIMAL SHELTER

Meet Sophie

This week at the City of Tullahoma Animal Shelter we have a precious Miniature Schnauzer mix named Sophie available for adoption. Sophie entered our shelter as a stray and is approximately 3.5 months old. She is up-to-date on her vaccinations and weighs 8 lbs. Sophie is good with other dogs and children. She will receive a free spay with a \$35 adoption fee. She would love a forever home. We feel that she would make an excellent pet! Rex the lovable Labrador mix from last week, is still waiting for a great home.

Support your local shelter - adopt, donate or volunteer.

The Tullahoma Animal Shelter always has a great variety of dogs to choose from for adoption. Pictures of other dogs available may be seen at www.tullahomatn.gov
