"PUBLIC ROAD RIGHT-OF-WAY" ORDINANCE AND "SNOW ORDINANCE"

To: Property Owners, Tenants, and Residents of Sioux County.

Sioux County's "Public Road Right-of-Way Ordinance" and "Snow Ordinance" prohibits the obstruction of public road right-of-way which includes the road ditch and road shoulder.

Property owners, tenants, and residents in violation of this ordinance are asked to remove and refrain from placing the following items considered an obstruction in the public road right-of-way which includes the road ditch and road shoulder.

1. Fences of any kind placed within the right-of-way and road shoulder
2. Debris, trash, burn piles, garbage, etc. placed on road right-of-way which includes the road ditch and road shoulder.
3. Snow: From private driveways placed on the roadway which includes the road shoulder.

The placing of these items within and along the road right-of-way including the road ditch and road shoulder may hinder snow removal, create snow drifts, and increase snow removal cost along with causing danger for those traveling the roadway and liability for those in violation of Sioux County's Public Road Right-of-Way Ordinance.

The Ordinance does provide for a penalty which will be enforced against those who remain in violation of this "Public Road Right-of-Way Ordinance" and "Snow Ordinance". Those who are found guilty of violating these ordinances can receive a fine up to \$100.00 per violation.

Your time, efforts and cooperation in removing and refraining from placing obstructions in Sioux County right-of-way including road ditches and road shoulders will be greatly appreciated.

Road Edge Cutting

Property owners, tenants and residents are asked to cut or otherwise destroy excessive vegetation on the road shoulder adjacent to the property. The removal of excessive vegetation on road shoulders will help with snow removal, prevent the formation of snow drifts, and help reduce snow removal cost. Each property owner or tenant's time, efforts and cooperation will be greatly appreciated. Thank You.

DORDT COLLEGE
Adjunct Faculty Positions

Biology Lab Instructor (Spring 2017)
The Biology Department seeks an adjunct to teach the laboratory sections of Microbiology (BIO 302) and Advanced Microbiology (BIO 310) during the Spring 2017 semester. Candidates should have a desire to teach college upper class students, have excellent communication skills, ability to supervise undergraduate teaching assistants, and working knowledge of the topics and techniques covered by the laboratory courses. There will be multiple sections of the lab offered; each section meets for several days per week for 8 weeks beginning January 10. A Bachelor's degree with microbiology experience is required; a Master's degree in biology, science education, or a related area is preferred. Preference will be given to those with college teaching experience.

Crime Scene Investigation (Spring 2017)
Students will become acquainted with the forensic sciences, learn how to gather evidence and use it to solve crimes; understand how proper investigation promotes justice; how to conduct interviews and interrogations, write reports, and testify in court; evaluate criminal investigations in current and high profile cases. A master's degree or significant investigative/forensics experience is required, both would be preferred. Preference will be given to those with college teaching experience.

Instructional Designer (Spring 2017)
Dordt College seeks an adjunct instructional designer for the Spring 2017 semester. This individual will work closely with faculty to promote academic innovation and excellence in online/blended course design, and help build engaging and effective online environments for selected courses at Dordt College. A Master's degree in educational technology, instructional design, or related field is required. Preference will be given to those with college teaching experience.

Application reviews will begin immediately. Qualified candidates committed to teaching from a Reformed, Biblical perspective and educational philosophy are encouraged to send a letter of interest, curriculum vitae/résumé, and official transcripts to:

Dr. Eric Forseth, Provost
Dordt College
498 4th Avenue NE
Sioux Center, IA 51250-1697
