LETTERS TO THE EDITOR

Letter to the Editor:

Boo Bash Thanks from Rolling Oaks Barn

On behalf of Rolling Oaks Barn, I would like to extend an enormous debt of gratitude to the business community for showing the over 1,500 children and their families a spook-tacular time on Thursday, October 27, at our venue for our inaugural Boo Bash. It's beyond heartwarming to see our community come together to not only celebrate a holiday, yet celebrate one another. The crowd was much bigger than we ever dreamed it would be, so rest assured we're already working on making the 2017 Boo Bash at the Barn more spectacular.

Again, seeing all of the children in costume and so many friends and neighbors working in concert to provide a free, fun and safe family activity has warmed our hearts beyond measure at the Rolling Oaks Barn. Thank you for embracing us and know that we are committed to our community.

Thoughtfully,
Lyda Neuhaus

Okoboji FFA Attends Nationals

by Tyler Adams & Kyle Martin

On October 19, the Okoboji FFA Chapter took 12 students and 2 teachers to the 89th National FFA Convention in Indianapolis, Indiana. The theme for this year's convention was "Transform". On the way there, the group toured the Fair Oaks Dairy Farm and the Southside Landfill. Once we got to Indianapolis, we went to the first general session of the convention. At the session, we listened to National FFA Officers speak as well as keynote speaker, Diana Nyad, who swam from Cuba to Key West, Florida, at the age of 64. The next day, the group visited over 400 exhibitors ranging from colleges to booths displaying information about each state, to a variety of businesses. We also had the opportunity to attend a leadership workshop and listen to guest speaker, Johnny Rogers, former NFL running back and Heisman winner at the University of Nebraska. Then everyone toured the Indy 500 raceway and got to take a lap around the track and kiss the bricks. On the final day, we attended another session and listened to motivational speaker, Jason Brown. From there, we got back on the bus to head for home. We toured Caterpillar in Peoria, Illinois, on the way. Overall, the students explored a variety of sectors in agriculture, listened to motivational speakers, and are now ready to transform through FFA.

Elks Provide Speaker for Area Schools

Judi Hoffman, from Estherville's Elks Lodge, did an excellent job lining up a drug awareness tour for the Estherville and Spirit Lake schools on October 20, 2016. Ray Lazano started off this day with elementary school students talking about the effects of tobacco. The students, who were very enthusiastic and full of energy, were eager to answer questions and give information. The presentation went really well and was very age-appropriate. Ray then went to the high school where he presented on drugs and alcohol. The presentation was excellent with a lot of student involvement. The final two presentations ended in Spirit Lake. The first presentation was to Spirit Lake High School and the final presentation of the day was to Spirit Lake Middle School.
 This program was conducted with Judi Hoffman on October 20, 2016, and paid for by the Estherville Elks Lodge #528.

Winter Games 37 Chair & Co-Chair Announced

The Iowa Great Lakes Area Chamber of Commerce is excited to announce the Chair & Co-Chair of the 37th Annual University of Okoboji Winter Games scheduled for January 26-29, 2017.

Chair Greta Gruys is an Iowa Great Lakes Area native who returned to the area with her husband Nate to raise their three young children; Ilsa, Henrik, and Petra.

She enjoys being involved in the community—currently serving on several boards including the Pearson Lakes Art Center, Dickinson County Conservation Foundation, and the Child and Parent Council of Dickinson County (CHAPCO). She is also the President of the T.T.T. Chapter CD and enjoys volunteering at Grace Lutheran Church in Spirit Lake. In her free time, she enjoys boating, reading, cooking, and spending time with family and friends.

She is thrilled to be the chair of the 37th Annual Winter Games and looks forward to this extremely fun, action-packed weekend each year. Her favorite Winter Game memories are of the bonfire with spectacular fireworks afterwards and cheering on the crazy polar plunge participants!

Co-Chair of the 37th Annual University of Okoboji Winter Games is Ryan Davelaar. Ryan is a Real Estate Loan Officer at Farmers Trust & Savings Bank in Spencer.

While originally from Rock Valley, Iowa, Ryan spent a lot of time at The Lakes growing up visiting his grandparents. He lived in the area for a few years following his graduation from Northwestern College, and he returned permanently 8 years ago.

Ryan has been active in Kiwanis since returning to the Lakes. He spent 4 years in Spirit Lake Noon Kiwanis and the past 3 years in Spencer Hy-Noon Kiwanis. He is also the current treasurer of the Siouxland Bankers Association and is a member of First Presbyterian Church in Spirit Lake.

In addition to working at Farmers Trust & Savings Bank and his involvement in the community, he also co-owns Mammoth Marketing with his wife, Erin. The two married in September of 2013, and she was actually a previous co-chair/chair as well for Winter Games 32 and 33!

From participating in the youth fishing derbies in the mid-'80s to the broomball tournament with college friends, Ryan has always loved the excitement that the Games bring to the area in January. Some of his favorite experiences were years when there was a lot of snow and ice, making Smith's Bay look like a giant tailgate party.

Greta and Ryan are excited for the preparation ahead for this awesome winter tradition, and they are ready to make this year the best yet!

To get involved in the University of Okoboji Winter Games, please contact Kara Matheson at the Iowa Great Lakes Area Chamber: kara@okobojichamber.com or 712-332-2107.

YIP: A Gift to Our Lakes Community

25 Students from area high schools participate from October through May in the Okoboji Foundation's annual Youth in Philanthropy (YIP) initiative to learn about nonprofits and the importance of community giving.

Each student is asked to comment on "Why are you dedicated to giving back to your community through Youth in Philanthropy?"
Harry Whittenburg-Nelsen: "Giving to the community through YIP allows us to guarantee the lakes region will stay beautiful in the future."
Alli Harms: "Teens and students like me take for granted all that our community does for us. This is my way to say thank you!"
Grace Eckard: "Youth in Philanthropy is a great opportunity for me to give back to our amazing community. This community does so much for us and YIP gives back to it."
Adam Skopec: "The community has given so much to me over the years; I want to do what I can to give back to it."

Youth in Philanthropy encourages you to join them as YIP sponsors. There is nothing to buy; every dollar given to YIP goes directly back to the community through YIP Grant Awards. To learn more about past YIP Grants or see a list of all 2016-17 participants, visit www.okobojifoundation.org and click on Youth tab. Visit www.GiveOkoboji.com to make a secure online gift to YIP or mail your tax-deductible donation to Okoboji Foundation, PO Box 593, Okoboji IA 51355.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:

We have been listening to and watching the candidates who are running for president, and it has come down to two.

These things are important to me:

The Constitution and the Supreme Court who upholds it.

Immigration and making sure people who come to our country do so according to law.

- Taxes must be fair for everyone.
- Crime - we have to be tough on crime and support officers who are diligent in their jobs to make our country safe.
- Education is one of the most important things to me. To make everything else work, our children all need a good education.
- Big business at home and abroad.
- Healthcare - ours is out of hand. We must bring costs down and make sure everyone has equal care. That same care means to care for an unborn baby. I am anti-abortion.
- Diplomacy - we can't get along with other countries if we can't take care of our own.
- And I want a family in the White House who love and respect each other. It appears to me the Trump family does just that, and it appears that Bill and Hillary have a political partnership and a daughter - junior partner. I want a Vice President who is incredible, Governor Mike Pence is that person. Donald Trump loves his country. Hillary Clinton just wants to be the first female President. Donald Trump exaggerates. Hillary Clinton lies. I am going to vote for Donald Trump!!

Farm Market News

Located at Dickinson Co. Fairgrounds
15th Street & Peoria Avenue, Spirit Lake, Iowa 51360

Now that the Farmers Market is closed for the season, what do the vendors do with their time? Anyone who has gardened knows there are many off season tasks that need to be done to put the garden to bed. Old plants must be removed, tools cleaned and put away, cages and fences cleaned and stored, ground tilled. There is always something for a gardener or farmer to do. In the off season many growers attend seminars and conferences to pick up new ideas. Paper work must be taken care of and taxes paid.

The craft vendors are busy going to craft shows, searching for new ideas, and creating the very craft items you look for over the summer. Many of the craft vendors and baking vendors are taking orders for Holiday sales or sales at our Winter Market. Contact your favorite vendor if you have a special request for an off season item.

Bee keepers need to ready their hives for winter. Those farmers with chickens and eggs have chores and still pick eggs. They need to search for alternative markets for their eggs. Jelly makers continue to produce more jars of jams and jellies. Along with all of these tasks, many vendors also have a full-time or part-time job that requires attention and families that require time.

During the busy Holiday season, don't forget to come to Lakes Area Farmers Market's Winter Market on December 10. It will be in the Community Building from 9:00am to 2:00pm. Over 25 vendors will be there with a variety of crafts, gifts, treats, baked items, meat, and produce. Watch this column for more details later in November. We hope to see you there.

Bob and Arlis Bruett of Spirit Lake, Iowa, will be celebrating their 70th anniversary on Wednesday, November 2, 2016. They have three daughters and one son - Bobbe and Ron Daggett of Minneapolis, Minnesota; Jan and Tom Gannon of Spirit Lake; Lesia and Mike Varland of Superior, Wisconsin; and Terry Bruett of Frasier, Colorado. They have two grandchildren - Stacey Gannon and Beth Benish. Anniversary wishes may be sent to Bob and Arlis at Welcov Assisted Living, 1819 23rd Street, Spirit Lake, IA. 51360

"Happy Anniversary, Mom & Dad!" - from all your kids.

Okoboji High School Fall Musical

The Okoboji High School fall musical, *Annie*, will be held in the High School auditorium at 7:30pm on Friday, November 11, and Saturday, November 12. The cost is \$7.00 for adults and \$5.00 for students, and all tickets are available at the door. There are no reserved tickets.

The musical is about an orphan in a facility run by the mean Miss Hannigan who believes her parents left her there by mistake. When a wealthy man named Oliver Warbucks decides to adopt an orphan to live at his house in order to promote his image, Annie is chosen. While Annie gets accustomed to life as a Warbucks, she still dreams of meeting her parents. Warbucks decides to lead a search for her parents with a large reward, which brings out many frauds.

Steve March-Torme coming to Windom

After moving east from Los Angeles about 12 years ago, Steve March-Torme admits his new home, Appleton, Wisconsin, "isn't exactly the show business capital of the world." And, when most people ask why he made the move, Steve simply holds up the ring finger of his left hand in explanation.

Steve actually has two homes in Appleton - one with his wife and family, the other at radio station WOVN, 91.1, *The Avenue*, where he spends weekday afternoons hosting his radio program.

In case you haven't figured it out, Steve has been involved in music almost since the day he was born. He is the son of singer-songwriter Mel Torme and actress Candy Taxton, who later married actor comedian Hal March, who became Steve's stepfather.

We mention all this as Steve will be performing for one show only, not too far away, at the BANC in Windom, Minnesota, on November 12th.

While the concert is open only to members of the Windom Area Concert Association, season memberships are still available. Mike Foley is the president of the WACA and can be reached at 507-831-1906. We'll also have more information next week...

Steve March-Torme

As noted earlier, **The Spirit Lake High School Music Department** is staging an urban spin-off of the Broadway show, *The Wiz*, Friday, November 11th and Saturday, November 12th. Tickets are available on the SAMI Center website or at the box office...

And the **Okoboji High School Music Department** is using the same dates to stage its fall musical, *Annie*. Do you realize that Andrea McCardle, the cute young blonde star of that Broadway production, is now well over 50 years old? Tickets for *Annie* will be available at the door...

We listed here last week the several Spirit Lake students who would be a part of the All-State music aggregations. This week we can tell you that Okoboji violinist John Alexander will also be performing in the *All-State Orchestra*, and clarinetist Dallas Johnson will also be a part of the *All-State Band*.

And, Spirit Lake Middle School saxophonist Shelby Hoff has also been chosen to be a part of the *Northwest Iowa Honor Band*, along with Okoboji Middle School musicians Shailen

Markwardt, Olivia Sandbulte and Samuel Heikens, who will be performing in Storm Lake on Saturday. Congratulations are in order to all.

And an apology is also in order here. It was Noel (not Noelle) Roberts who was named as a second alternate to the Iowa *All-State Band*. Mea Culpa...

Glenn Henriksen is taking his last house concert of the year "on the road" to Keelson Harbour, in Spirit Lake, tonight (Tuesday) from 7 - 9:00. Visitors are welcome to join the fun...

Table 316 in Arnolds Park will again have *John Senn & Friends* entertaining Wednesday night, from 7 - 9 p.m. The friends could include Terry Klein, Tyler Pedersen and/or Jerry Jones...

Thursday night will see Dr. Rhonda Fuelberth guest conducting the *Heartland Honor Choir* at Iowa Lakes Community College in Estherville. High school vocalists from Estherville - Lincoln Central, Graettinger-Terrill - Ruthven - Ayrshire, West Bend - Mallard, Clay Central - Everly, Sheldon, Newell - Fonda, South O'Brien and Pocahontas Area high schools will be participating in a mass choir featuring more than 150 singers.

Fuelberth is associate professor of choral music education at the University of Nebraska, in Lincoln.

The concert begins at 6 p.m. in the gym on the Estherville campus...

Charlie Leissler will be entertaining in the barn at the Little Swan Lake Winery, Thursday night, from 6 - 8:00. And *Ceolmhor* will play on the same stage, Sunday, from 4 - 6:00...

Rehearsals start this week for Spencer's December 4th *Festival of Lessons and Carols*. For more information on how you can be part of one or all of the three ecumenical choirs, call Marianne Fuchs at 712-580-6315...

And, auditions for this year's performance of *The Nutcracker* will be Friday, from 4:30-7:30 p.m., with rehearsal Saturday and Sunday, at the SAMI Center. Both North Dakota and South Dakota are on research director RD's list of music-related events this week, as both gained statehood on November 2, 1889. For whatever reason, North Dakota became the 39th state and South Dakota became the 40th to be a part of the union. 'Must've been alphabetical order...

Songwriters Jule Styne and Sammy Cahn wrote the song, *I've Got a Gal I Love In North And South Dakota*, which was recorded by both Frank Sinatra and Perry Como. (Check it out on YouTube!) And comic Jerry Lewis had a minor hit with *North Dakota, South Dakota*. Only RD would know these things.

Thursday is 'Cliché Day.' The website consequenceofsound.net notes that musical clichés can be obnoxious, tired, and silly. But they usually work. That's why they get used so often. "Ooh la la" choruses and other go-tos have been making us dance, cry, or scream for years, and as much as we want to deny it, we're suckers for them...

Without RD's research we would not have known that Andrea McCardle (See the reference above about the OHS production of *Annie*) turns 53 on Friday - which is also the day we would celebrate comedian Arthur William Matthew 'Art' Carney's natal day. Carney, one of the stars of the long-running *Honeymooners* television program, was born in 1918.

RD also reminds us that two musicians who have instruments named after them were born on November 6th. In addition to helping to develop the *Sousaphone*, John Phillip Sousa (1854-1932) also wrote more than 100 marches and many pieces in other genres. And Adolph Sax was born the same day in 1914. He lived to be about 80 years old. Maybe it was the soothing sound of the *Saxophone*...

Even though we won't have to get up early for *Class*... Sunday morning, we should all remember to turn our clocks back an hour before going to bed Saturday night, as Daylight Savings Time ends Sunday. Otherwise you might be ahead of time til next spring...

All the news that fits we print.

Please send your music-related announcements and comments to RAMBOLing@mindspring.com or P. O. Box 676, Okoboji, Iowa 51355-0676

Des Moines Register Names Northwest Bank A Top Workplace

Northwest Bank has been awarded a 2016 Top Workplaces honor by the Des Moines Register. The Top Workplaces lists are based solely on the results of an employee feedback survey administered by WorkplaceDynamics, LLC, a leading research firm that specializes in organizational health and workplace improvement. Several aspects of workplace culture were measured, including Alignment, Execution, and Connection, just to name a few.

"The Top Workplaces award is not a popularity contest," says Doug Claffey, CEO of WorkplaceDynamics. "But to be a Top Workplace, organizations must meet our strict standards for organizational health. And who better to ask about work life than the people who live the culture every day—the employees. Time and time again, our research has proven that what's most important to them is a strong belief in where the organization is headed, how it's going to get there, and the feeling that everyone is in it together. Claffey adds, "Without this sense of connection, an organization doesn't have a shot at being named a Top Workplace."

Northwest Financial Corp. is a family owned organization led by Neal and Dwight Conover and includes two bank charters, Northwest Bank and First National Bank in Creston and includes Northwest Wealth Management, LLC. Greg Post, CEO and President of Northwest Bank commented, "Receiving the Top Workplaces award for the second year in a row is a great honor, particularly for our organization's leadership. This recognition speaks volumes about the leadership we have in place and the direction we are heading. Key factors in becoming an Employer of Choice is our management's focus on how to attract the best people to work for our company. We ask ourselves how can we add value to our employees and what do we do as a company that is unique? We look for people who are team oriented, engaged and community focused, who are interested in growing personally and professionally."

Northwest Bank understands the important role and positive impact they have on the communities they serve. A primary focus is being an Employer of Choice, which means that the well-being of their employees, customers, and community is a top priority.

Northwest Financial Corp. employs 425 team members and focus on the importance of supporting a good balance between work and personal life.

Northwest Financial Corporation, one of Iowa's largest family-owned bank holding companies, providing a full range of financial products and services to individuals and businesses.

Spirit Lake K of C Initiates New Members

There are now four new members of the Knights of Columbus, committing themselves to the charity, fraternity, unity and patriotism exhibited by Knights worldwide.

In a First Degree ceremony just before October's regular meeting of Iowa Great Lakes Council 5043, the following gentlemen became proud members of the Knights of Columbus: Adam Gerleman, Bryan Odendahl, Cody Alst and John Higgins.

The Iowa Great Lakes chapter of the Knights of Columbus is based at Spirit Lake's St. Mary's Parish. The Knights of Columbus is an international Catholic family fraternal service organization with 1.8 million members in more than 14,000 local councils. Last year, Knights donated more than 73 million volunteer hours and \$175 million to charitable and benevolent causes, sponsoring projects to benefit their church, councils, communities, families and youth.

Iowa Great Lakes Council 5043 is one of the most active in Iowa, in the past year contributing more than \$18,000 to local community needs, including ECHO Plus, Iowa Helping Hands Fund, American Wheelchair Mission, the Grotto of the Redemption, Cherish House, Lauren Schell's India Mission, Women of the Well Project, Honor Flight for Veterans, as well as to local family, community and parish needs. Local Knights sponsor annual youth events including the Free Throw Competition and the Knights of Columbus Spelling Bee. They also run the summer Bike Rally breakfast at Arnolds Park and the Tootsie Roll Drive for Persons with Intellectual Disabilities Labor Day weekend, benefiting local organizations.

Remember to get your tickets for the wildly popular Soup and Pie Supper November 6 at the Spirit Lake Expo Building.

Painful Process

"Trust the Process" has been the motto of head coach Matt Campbell during this rebuilding season for Iowa State. It's a great motto to have for one of the toughest rebuilding projects in the nation, but man has it been a painful one for ISU fans. On Saturday the Cyclones lost their fourth game by one score this season, falling to Kansas State 31-26. This is the ninth straight loss to Kansas State for Iowa State, with most of them being painfully close games where one or two plays could have made the difference between winning and losing.

Sadly, that has been the case for many games for the Cyclones this year, and for whatever reason, ISU just doesn't make the plays. On Saturday the culprits in the first half were missed tackles and dropped balls by the receivers that lead to a 17-3 deficit. ISU showed some life early in the 3rd quarter, recovering a great outside kick and quickly scoring, but then the defense allowed an 85 yard drive, and then a 62 yard drive to give KSU a 31-10 lead heading into the fourth quarter. The Cyclones finally woke up in the final frame, outscoring the Wildcats 16-0 but once again would come up painfully close without pulling out the victory. The fourth quarter had many more missed opportunities, but none more painful than ISU not scoring when they had a first and goal from the KSU one-yard-line while trailing 31-17 with 11:10 left in the game. If ISU could score a TD there the game changes in their favor and they don't have to rely on another outside kick at the end of the game to have a chance (even though they did recover the kick again, but unfortunately touched the ball about 6" before it went 10 yards).

There is no one thing the coaching staff can point at to get things turned around, but I do think it would help if the Cyclones stuck with one quarterback. Jacob Park and Joel Lanning have been sharing snaps as if it was a youth football league and Coach Campbell was trying to get everyone a fair playing time. While both QBs have played well at times, it's hard for either one to get into a flow, and even harder for the team to figure out who their leader is. It is a tough choice to make, but that's why Campbell is being paid \$1.2 million per season. My choice right now would be to start the sophomore Park as he has an unbelievable arm, can run good enough to escape trouble, and seems to have a bigger upside than Lanning. Lanning has been a great teammate through it all, but it might be time to make him the backup or find another position where he can play more.

It appears as if the Cyclones are heading to a 2-10 finish this season, with hopes of maybe winning at Kansas or at home against Texas Tech. While it's definitely not what ISU fans had in mind for Campbell's first year, ISU fans can take some solace in the Wyoming football program and what they have accomplished this year. Last year the young Cowboys found ways to lose games in coach Craig Bohl's second season, ending up just 2-10, but on Saturday the Pokes took out #13 Boise State 30-28 to move to 6-2 on the season and 5-0 in the Mountain West Conference. This year Wyoming is finding ways to win the close games they lost last year, and once you figure that out, the winning will follow. ISU is an extremely young team this season with a lot of freshmen and sophomores seeing a quality playing time, and hopefully these young players will continue to improve while the coaching staff can figure out ways to win close games as they figure out what exactly "The Process" is. The good news for ISU fans is that basketball is just around the corner, and as we're used to saying this time of year in football, just wait til next season!

THE CANDIDATE IN HIS OWN WORDS

"I would be honored to serve as Dickinson County Supervisor of District 3.

My entire professional career has been anchored by listening to people and finding solutions to their needs and wants. I was born and raised in Dickinson County and never left for greener pastures. I knew the potential and opportunity to establish a reputable business existed right here in Dickinson County. I manage my time and my employee's time. I will dedicate the time needed to perform County Supervisory duties in the same manner.

I feel that my experience and any mistakes I have made over the years in business and government service have helped forge a candidate who understands that everything is important to someone and telling the truth, no matter how hard, is a requirement. Humble, low key, logical government always wins over the alternative.

If elected, I will do my best to represent the district in the manner you deserve and expect."

Obituaries

Earl Muilenburg, age 83, of West Okoboji, Iowa, passed away October 21, 2016. Earl Lee Muilenburg was the son of Isaac and Alice (Walters) Muilenburg. He was the sixth of seven children born on a farm north of Melvin, Iowa, on October 28, 1932. He was baptized and confirmed in the American Lutheran Church in Melvin. His parents bought the farm and land just a mile and a half west of Hartley, Iowa, and moved the family when Earl was a young boy. Earl attended country school until 8th grade and was the only one in his class. He graduated in 1951 from Hartley High School. He was the first in his chapter to be named an American farmer by the Future Farmers of America. He honorably served his country in the United States Army during the Korean Conflict. The Army wanted Earl to attend officer's training but he declined because he wanted to return to Iowa to his true calling of being a farmer.

On September 18, 1966, Earl was united in marriage to Donna Lorraine Obman Rossiter at Faith Lutheran Church in Sioux Rapids, Iowa. With this union, Earl also gained two children, Lisa and Randy. The kids were thrilled when Michael was born in 1969, and in 1973, the family was complete with the addition of Ann. Earl instilled in his children a good work ethic, to respect others, treat people fairly and honestly, and a love for animals.

Earl and Donna purchased the farm from his parents in 1967. He continued to farm the land until he retired in 2006. The original farm house was moved to the West Okoboji area where they enjoyed living the last 10 years. He continued his hobby of planting many varieties of trees and flowers around the property.

Earl was very active in soil conservation, farming, and gardening. He was also passionate about planting trees to create a lasting legacy. Earl was a seed salesman for many years and enjoyed visiting with his customers. He could strike up a conversation with anyone he met. Earl was especially proud of his pumpkin patch and was known as the pumpkin man. Autumn was his favorite time of year and he had a pumpkin stand on the side of Highway 18 for over 30 years. Earl also enjoyed exhibiting his prize-worthy pumpkins and vegetables at the Clay County Fair. He also loved to grow tomatoes and other vegetables. Earl was also an O'Brien county head soil conservation district commissioner for many years. He was a key proponent in establishing the Prairie Heritage Center in Peterson, Iowa. Earl served as a member on the O'Brien County Board of Health for an extensive period of time. He was active on the O'Brien County Fair Board and a 4-H leader. Earl valued community service and was proud to serve his community and county. Even after he moved to West Okoboji, he became involved in Dickinson County as a soil conservation assistant commissioner and Trees Forever.

Earl and Donna enjoyed traveling and had visited all parts of the country. He accompanied Donna on many market buying trips for her gift shop over the last 40 years. He enjoyed visiting his family and spending time with them. He also had a soft spot for his pets; there was always at least one dog on his farm. Earl was particularly fond of the dog breed Rat Terriers. In his later years, at his daughter's insistence, he discovered that cats could also be loving and comforting pets. Earl was never one to turn down a good piece of pie or miss attending a local church supper. Watching westerns was a favorite pastime of his (especially if it was a John Wayne movie) and playing cards with friends and family.

Earl's life is honored and celebrated by his family, which included his wife of 50 years, Donna and children: Lisa Rossiter of Hugo, Minnesota; Randy Rossiter (Sarah) of Hutchinson, Minnesota; Michael Muilenburg (Karen) of Fishers, Indiana; and Ann Muilenburg of West Okoboji, Iowa; grandchildren: Chelsey Rossiter, Jason (Jamie) Rossiter, Makayla Muilenburg and Jacob Muilenburg; a great-grandchild, Easton Rossiter; and one sister, Betty Gonnerman of Estherville, Iowa. He was a beloved Uncle Earl to many nieces and nephews and will also be so missed by his fat, spoiled cat, Henry.

Earl was preceded in death by his parents, Isaac and Alice; brothers: Glen, Charles, and Em; and sisters: June Hoff and Violet Anderson; father-in-law and mother-in-law, John and Lorena Obman and honorary mother-in-law, Helen Rossiter.

In lieu of flowers, memorials may be given in Earl's memory to Trees Forever or the Prairie Heritage Center.

Discovery House News
Julie Scheib,
Director
www.mydiscoveryhouse.com

Answering a knock on my door, I met a polite, soft-spoken, middle-aged, homeless veteran. He had on a worn, leather jacket with military patches, carried a back pack, and knew the drill. He immediately pulled out his identification, introduced himself, and explained that he was travelling from point A to point B. I asked him if he needed shelter, and he replied, "No, but the VA sent me here for some clean clothes, a razor, and a sack lunch."

Inviting him into the kitchen, I gathered up a razor and some clean clothes as he explained to me that hitch hikers are more likely to be offered a ride if they appear to be clean and shaven. Offering him leftovers from the Porch Party the evening before, he accepted a bratwurst, baked beans, and a glass of water. He refused any cookies or bars.

He had no family and I asked him if he ever gets lonely or feels threatened. One time while hitchhiking he was afraid, but that is not the norm. He was quite talkative, offered some family history, and appeared to have adjusted to a solitary life on the road.

I offered him blessings and Godspeed and he was on his way, with a full stomach, clean clothes and a razor. When this happens, I think about Hebrews 13:2, "Be not forgetful to entertain strangers; for thereby some have entertained angels unawares." (KJV)

The donations made to Discovery House are being put to good use. Thankfully, we were able to accommodate this gentleman and meet his needs. Unfortunately, that will not always be the case. We only have 10 beds to fill. Once we are filled to capacity, it will be my job to turn down applicants and/or add their names to a waiting list. This is the time of year when we historically fill up and stay full until spring.

November is the time to be mindful of and grateful for all that we have been blessed with. Discovery House has a very long list including all of our donors and supporters who have remained faithful over the past 24 years. We also have a faithful Board of Directors and a good group of residents who do not take the house for granted. For that we are most thankful. Blessings.

Spencer Rotary Sponsors Huge 5-Day Book Sale

Approximately 30,000 gently used books will be on sale at bargain prices during the Spencer Rotary Club's 25th annual book sale. The sale opens Wednesday, November 2, and runs through Sunday, November 6, at the Clay County Regional Events Center. Books range from fictional classics to romance novels and nonfiction selections to rare first editions.

"The Events Center provides a great venue for our annual book sale," commented Mike Heffernan, Book Sale Committee Chairman. "The atmosphere is welcoming and we have plenty of space to display the large volume of books available for sale."

Bob Rose, long-time Rotary officer, added: "Our club's annual book sale provides so many benefits as it offers a way to reuse books for others to enjoy, provides people affordable reading materials, and serves as a great fund-raising project for our club, which in turn those dollars are used for a variety of community projects."

The book sale kicks off on Wednesday, November 2, with the traditional "First Choice Party" from 5:30-7:30pm. Admission for the First Choice Party is \$5 and provides an opportunity to get the first selection of books and refreshments. That evening hardcover books are \$3 each and paperbacks are \$1. Sale hours on Thursday and Friday are 10:00am to 7:00pm both days with \$1 admission and the book prices remain \$3 for hardcovers and \$1 for paperbacks.

On Saturday, November 5, book sale hours are 10:00am to 5:00pm. Admission is free and the price of books drops to \$1 for hardcovers and 50-cents for paperbacks. On Sunday, November 6, the hours are noon to 4:00pm. All books are \$5 for a bag or \$25 for a shopping cart load of books. Bags are provided or customers can bring their own bag.

Complimentary coffee will be available throughout the event. Tables will be set up where shoppers can take a break, enjoy a cup of coffee and peruse an interesting book, or simply use an empty table to stack their future purchases.

LETTERS TO THE EDITOR

Anarchy: Is Trump leading the way?

To The Editor:

Webster's definition of anarchy: "A situation of confusion and wild behavior in which people in a country, group, organization, etc. are not controlled by rules or laws." This is in sharp contrast to our history as a democratic republic of holding fair and honest elections and the loser acknowledging and supporting the winner.

As it becomes apparent that Donald Trump's chances of winning the election are slipping away, he has, in desperation announced, "The election is rigged." His supporters have eagerly picked up the cry and further shout "lock her up." If Secretary Clinton is elected, there will be a number of his supporters that believe she should not be president because the election was rigged, even though there has been no evidence of election fraud. What kind of behavior will this lead to? Will Donald Trump acknowledge and support the winner? I can only hope so.

Campus Women's Club Secret Santa Tree

The Campus Women's Club will again sponsor their Secret Santa project in hopes of brightening the holidays for less fortunate children in the area.

If you know of a less fortunate child in the Okoboji School District, please call Julie Weaver at 712-330-1579 or Susan Reiser at 712-338-4674. Deadline for inclusion is Friday, November 11.

Beginning Friday, November 25, area residents, organizations, clubs, church groups, etc., can choose from tags containing information about less fortunate children from the Secret Santa tree located at Melander's, 922 Okoboji Avenue, Milford.

The gifts should be gift wrapped and marked with the letter and number from the original tag and returned to Melander's by Wednesday, December 7 at 5:00pm. Names of all participating children are kept confidential. Children are only identified by a letter and number on their tag.

Members of the Campus Women's Club along with Santa Claus will distribute these gifts to the children Monday, Tuesday and Wednesday, December 12-14.

Last year, over 140 less fortunate children were remembered by area residents who felt the need to touch the lives and warm the hearts of children during the holidays.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:

As election day is coming up fast, I would like to tell you about my Grandpa, District #3 supervisor candidate Shane Bush. My Grandpa and Grandma grew up in Dickinson County.

I think my Grandpa would be an excellent supervisor because he is very helpful, smart and thoughtful, whether he is helping my brother and me with homework about Iowa or telling us about things supervisors do.

I think district # 3 would be very lucky to have my Grampa Bush as supervisor. On November 8, I hope you will vote for my Papa Shane, and thank you for taking the time to read this.

PLEASE vote for Shane Bush!
Sincerely,
Mia Hieronimus, 6th grader

IGL Construction Teams up with Asher Motor Company

IGL Construction and Asher Motor Company have teamed up to offer a unique experience to the region. On Saturday, November 5, from 10:00am until 12:00pm the two locally-owned businesses will host an open house and auto show. This exciting event will feature new and used model vehicles from Asher Motor Company at the Gateway by IGL housing development in south Spencer. Visitors will be able to tour newly constructed homes in the development while getting an up-close look at vehicles throughout the neighborhood.

"We had such a great turnout at our last car show that we wanted to have another one in the community. It's a unique event to get the family outside, walking and to learn about the newly developed neighborhood - with the added bonus of checking out new and used vehicles," said Kellie Beneke, member of IGL Construction.

Gateway by IGL is located west of the Spencer Municipal Golf Course, south of 13th Street SW. It is situated on 7 acres in south Spencer with convenient access to Highways 18 and 71. Twelve homes have already been sold and the number is expected to grow significantly during the fall sales period. Priced from \$187,300 to \$199,400 the 23-unit housing development features homes with open floor plans with two- and three-bedrooms available. Between grants and tax abatement opportunities, potential homeowners can capitalize on over \$22,000 of incentives. These energy-efficient homes will also save the environment and new home owners some money.

IGL Construction staff will be on-hand during the open house to answer any questions individuals may have about the properties. Potential homebuyers and the general public is welcome to tour the homes and learn more about development projects by IGL Construction.

Likewise, Asher Motor Company staff will be on hand to show and offer test-drives for their vehicles.

YMCA Kinship Program Receives Support from the Dickinson County Endowment Fund

The YMCA Kinship Mentoring Program is dedicated to connecting children with positive, adult role models with the purpose of promoting stability and support to build future leaders. The funding granted by the Dickinson County Endowment Fund was utilized to develop and train mentors, promote the individual and school-based mentoring volunteer opportunity and educate our community on the benefits of mentoring. The Y is one of the nation's leading nonprofits strengthening communities through youth development, healthy living and social responsibility. Our goal is to nurture the potential of children and teens, improve our communities' health and well-being and provide opportunities to give back and support neighbors. To learn more about this project, contact Britleigh Ingwersen at 712-336-9622. To learn more about the Dickinson County Endowment Fund and the diverse projects it has funded since 2006 visit dcefund.org online.

LETTERS TO THE EDITOR

To The Editor:
 The Mid America Music Association of Iowa would like to thank all the generous sponsorships from Estherville businesses and sponsors from Spirit Lake for your generosity that made the first ever MAMA event a success. The Northwest Iowa Representatives of MAMA are Tom Golden, Ron Lefever, John Walz, Jackie Hein, Connie Siebenbruer, and Carolyn Walz. The MAMA Northwest Iowa Representatives want to thank the business and individuals who provided items for the Silent Auction. This added to the excitement of the evening as bids continued to be challenged on the bid sheets. Thus we thank all of you who made the final bid to make the auction sensational. A special thanks to the The Iowa Lakes Community College music department under the direction of Brett Fuelberth Professor of Vocal Music and Choir, and Carol Ayres Instrumental Music and Jazz Band Professor and the talented students for providing the opening act for this event. They were the group that set the stage for the featured band of the evening, "The Expressions", a Northwest Iowa area Rock and Roll Band followed by many people who never want to see Rock and Roll die. The attendance at the event held at the Dickinson County EXPO building in Spirit Lake was much appreciated. Because of all the tremendous response the MAMA association will be awarding \$1,500 to the ILCC Music Department scholarship fund.

Letter to the Editor

I have already voted and I hope you will too. With neither major political party putting forth a good candidate, I voted for the Constitution. One of the major parties will be elected. On one hand you have those who want to be known as progressives. By action, it appears they want to progress away from the current interpretation of the Constitution. On the other hand are those who believe in a strict interpretation of the Constitution. Whichever party is elected will appoint between one and three judges to the Supreme Court. These appointments will either maintain the current interpretation or not.

I was at the VA in Sioux Falls the other day. On a veteran's T-shirt was written words to the effect, "When I joined the military I swore to uphold the Constitution of the United States against all enemies foreign and domestic. When I got out of the military no one relieved me of that oath".

Please cast your ballot for the Constitution.

Red Cross Says Turn Back Clocks and Test Smoke Alarms

Daylight Saving Time ends Sunday, November 6, and the American Red Cross reminds everyone to "turn" their clocks back an hour and "test" the batteries in their smoke alarms. The Red Cross recommends that all Iowans have working smoke alarms on every level of their home, including inside and outside bedrooms.

"Working smoke alarms cut the risk of dying in a home fire in half," said Leslie Schaffer, Regional Executive Director for the Red Cross Iowa Region. "Turn and test is a reminder to set your clocks back and take a few minutes to push the test button to make sure all alarms are working."

It's also an opportunity to make sure all households are prepared for home fires and other emergencies:

- Create and practice a fire escape plan. Make sure everyone in the family knows how to get out of every room and how to get out of the home in less than two minutes. Select a location outside for everyone to meet.
- Keep disaster supplies in an easy-to-carry bag to use at home or carry in case ordered to evacuate. A variety of emergency preparedness kits and supplies are available at redcrossstore.org
- Download the Red Cross Emergency App which includes content on how to prevent home fires and what to do if one occurs. The Monster Guard: Prepare for Emergencies App is a game designed for kids. Both apps are available to download for free in app stores or at redcross.org/apps.

Home Fire Campaign The Red Cross responds to 66,000 disasters across the country every year and most of these are home fires. Since October 1, Iowa Region Red Cross volunteers have offered help and hope to 100 Iowans in 37 households in Decatur, Monona, Hardin, Allamakee, Story, Dallas, Black Hawk, Clarke, Polk, Jasper, Linn, Mahaska, Montgomery and Warren counties.

Tragically, some people lose their lives in home fires and countless others are injured. The Red Cross has launched the Home Fire Campaign to reduce the number of deaths and injuries due to home fires by 25 percent over the next five years. Since October of 2014, the Red Cross and partners have saved more than 110 lives as part of the Home Fire Campaign. The Red Cross is committing to install 2.5 million free smoke alarms in neighborhoods at high risk for fires, and to educate those residents about fire prevention and preparedness during the multi-year campaign.

Since the Home Fire campaign began, more than 530,000 smoke alarms have been installed in all 50 states and four territories, and it has reached more than 597,000 children through campaign youth preparedness education programs, such as The Pillowcase Project.

People can visit redcross.org/homefires to find out more about how to protect themselves and their loved ones from a fire. They can become a Red Cross volunteer. They can also help by donating to Red Cross Disaster Relief by visiting redcross.org, calling 1-800-RED CROSS or texting the word REDCROSS to 90999 to make a \$10 donation. Donations to Disaster Relief will be used to prepare for, respond to and help people recover from disasters big and small.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

Letter to the Editor

Recently, a contributor to this forum wrote a letter extolling her allegiance to the Democratic Party and those who are running in local, State and national elections. I applaud her willingness to stand up for her beliefs and urge others to do the same.

I, too, have the desire to let your readers know of my views and preferences, specifically when it comes to the race for the U S House of Representatives in District 4, and the Presidency of the United States. The rhetoric of this 2016 race has been unlike any other. The millions of dollars spent to persuade voters is unprecedented. I think it is fair to say that many, if not most people, are sick of the media coverage of any and all things political, and would have preferred maybe one fourth of the time and expense devoted to this race.

My vote has already been given to Mr. King and Mr. Trump, not on the basis of any ad bought and paid for by any political action committee or group of well-heeled supporters, but on what they say and demonstrate in person. I've taken advantage of opportunities to listen to Congressman Steve King at various events over the last several years. I am glad for these chances to listen to his message, and engage him in dialog. I'm always impressed by his convictions, values, and knowledge of the subject matter (whether it be healthcare, foreign policy, the economy, national security or the issues affecting agriculture in America or abroad). I've attended Mr. Trump's speech at the Clay Regional Events Center earlier this year and appreciate what he is trying to do in regard to righting the Ship of State in America. He is a non-politician, a successful businessman, and very experienced in the ways of the world. I venture to say most folks are not in favor of "more of the same" when it comes to presidential decision making and will welcome the changes that are needed as we move forward from the failures of the past eight years.

Finally, vote your conscience this cycle. Yes, northwest Iowa is predominantly Republican, and for good reason. We value the sanctity of life, the commitment to a work ethic second to none, the tenets of the Bible/God's Word, secure borders, independence from foreign oil, and less taxation. We are an exceptional nation, and a giving people. God Bless The United States of America!

LETTERS TO THE EDITOR

To the Editor:
On behalf of the American Red Cross, we wish to express our deep appreciation and say "Thank You" to every donor, volunteer and support person who participated in the October 17th blood drive in Spirit Lake. A special thanks go to Grace Lutheran Church for providing a wonderful place for this to happen and a big "thank you" goes to Hy-Vee for the fabulous cookies they provided.
I am sorry to report we missed our goal by 10 units. The weather was too nice and too many farmers in the field, I guess. We had such a good showing the last visit but really need to step up to the plate in January. We had 41 presenting donors, 4 deferrals, 1 incomplete for a total of 41 units which includes 6 who gave double reds. Our goal was 51 so we missed it badly. Our next drive is January 30, 2017 so hope we can do better. You all made a difference in someone's life and your generosity is most appreciated by those needing transfusions in trauma situations and for on-going treatment of chronic life-threatening illnesses.

Mark your calendar for January 30, 2017, and let's make this an even more successful drive.

SPARC Announces 3rd Season

Season Kicks Off with The HillBenders on Friday, November 11
The Spencer Performing Arts Coalition (SPARC) announces its 2016-2017 Season. The Season kicks off on Friday, November 11, 2016 at 7:30 pm with The HillBenders, a Bluegrass Ensemble from Springfield, MO. The evening will feature original music in addition to The Who's "Tommy." A Bluegrass Opry. 45 years after its original release, this classic of classic rock has now been fully realized as a full length bluegrass tribute featuring Springfield, Missouri's The HillBenders. Conceived and produced by SXSW co-founder and longtime musician/producer Louis Jay Meyers, this Bluegrass Opry brings a new perspective to Tommy while paying total respect to its creators.

The HillBenders are one of the few bluegrass groups that recognize their ability to bridge the gap between the common music consumer and the bluegrass genre, selecting material that defies any hillbilly stigmas. With their widely varied influences, they are trying to bring to bluegrass songs that unify. "We wanted to pair bluegrass with the other music we grew up with —rock and roll!" said HillBender Nolan Lawrence.

Tickets are currently on sale at the SCT Playhouse, located at 518 1st Avenue East in Spencer. The Box Office is open from 11 am to 5 pm Tuesday through Friday, and one hour prior to the show on November 11th. Tickets are \$15 for adults and \$10 for students, and may be purchased over the phone at 712.262.7336 or in person at SCT.

Season Memberships are also available for \$65, or \$60 to members of the Spencer Community Theatre or Arts on Grand, and may also be purchased at the SCT Box Office.

SPARC's third season also includes the Annual Alumni Concert featuring Morgan Kramer Megan O'Brien on Friday, January 5, 2017, performing selections from Musical Theatre and Opera; The Masters of Soul on Friday, April 7, 2017 featuring an authentic reproduction of the look, choreography, style and sound made famous by the Motown and Stax record labels; and Shawn Mayer on Thursday, June 8, 2017, May City native and singer songwriter.
