HEAR What Our Customers Say!

Serving the area since 1986

One of the best decisions that I have made in a long time was when I decided to open the door at Long's Hearing Care in Cadillac Michigan. I went in for a hearing test. I was treated with respect from the second that walked in the door. Melissa met me at the front counter and took care of my needs in a very professional manner. I was tested and diagnosed for hearing aids. I was then fitted and when I returned back in 3 days my hearing life was changed. I now don't have to ask people to repeat what they said or have to guess an answer to a question that I really didn't even hear. Today I hear everything loud and clear. Life has completely changed for me. Thank you to Melissa and Mike at Long's Hearing Care!!
