# Part of the Family

"My dad, Odis, was admitted to a long term care facility in 2011 after suffering from a stroke. Little did I know how much of a role this facility would play in my life. My dad enjoyed participating in activities and sitting outside. I even helped residents during Bingo, and enjoyed watching The Good Time Gals who came to perform from the senior citizen's center with him during my visits. I was visiting my dad a few months ago during lunch and the director of nursing was in the dining room as well assisting other residents. She mentioned an opening in housekeeping. I jokingly said; I can help you-hire me. She proceeded to tell me not to leave without filling out an application. Shortly after that I was hired part time in Housekeeping. I began to learn a lot more about long term care and interacting with the residents-which I really enjoyed. A few months after I was promoted to the housekeeping supervisor. When Odis was asked if he enjoys seeing his daughter everyday he said, "Yes" with a big smile. Now I have the joy of helping the residents of the Waters of Winchester daily and I couldn't be happier."
