Food For Play Donations Continue to Grow at Grand Falls

Grand Falls Casino & Golf Resort has teamed up with Feeding South Dakota to help eliminate hunger. Sundays in November, guests at Grand Falls are being asked to help battle against hunger by donating a canned food item to benefit Feeding South Dakota, and the response has been overwhelming.

This past Sunday, November 13, 1,364 food items were collected at Grand Falls, making this our largest collection week so far! Our running total is currently at 3,605 food items donated to benefit Feeding South Dakota! Thank you to those whose generosity will help develop hunger solutions in communities throughout South Dakota. Donations will be accepted at the Resort Club at Grand Falls Casino & Golf Resort through this coming Sunday, November 27, 2016.

As a gift for their generosity, each guest who donates a canned food item 10 oz. or larger in size will receive \$5 in free slot play from Grand Falls Casino & Golf Resort. Donate two or more items, and receive \$10 in free slot play. Donations must be made at the Resort Club on Sundays in November between 9:00am and 9:00pm. Each donor must already be a Resort Club member or become one in order to receive free slot play.

For more information on how you can be part of this movement, please call the Resort Club at 712-777-7777 ext. 3810. To contact Feeding South Dakota, please call 605-335-0634.

Ted Takasaki Wins 5th Annual Fall Poker Classic at Grand Falls

Grand Falls Casino & Golf Resort hosted its 5th Annual Fall Poker Classic over the weekend and once again it was a huge success! The event kicked off on Thursday, November 10, with the \$100 Bounty Tournament, bringing in 70 players to compete in the \$5,750 prize pool. Michael M. from Sioux Falls, SD came in first place and won \$1,640. Saturday's \$200 No Limit Hold'em Tournament brought in 67 players with a total prize pool of \$11,390. First place in that tournament went to Erick W. of Sioux Falls, South Dakota, who took home \$4,558.

Other players didn't go home empty handed, though. The top three places were paid in the \$500 No Limit Hold'em Championship event on Sunday! The 3rd place prize for \$2,805 went to Parminder S. from Sioux Falls, SD, the 2nd place prize for \$4,207 went to Randy M. from Kimball, SD, and the 1st place prize for \$7,013 went to Ted Takasaki from Sioux Falls, SD. Takasaki plans to continue his winning streak at Grand Falls, having recently won our MSPT event over the summer, as well. He is also a professional fisherman, and upon receiving his payout this weekend announced "I love to play poker, but fishing pays well too." A huge congratulations to Takasaki, and all of the players who joined us over the weekend!

Grand Falls Casino & Golf Resort (GrandFallsCasinoResort.com), located just minutes east of Sioux Falls, South Dakota, in Larchwood, IA, combines a Vegas-inspired casino experience with the amenities of a 97 room hotel, full service Aveda spa, shopping, a variety of dining options, an 1,120 seat event center, and an 18-hole golf course.

Mock Trial State Championship to be Televised on MC22

The 33rd Annual Iowa Middle School Mock Trial State Championships will be televised on Mediacom channel MC22 beginning Wednesday, November 23 at 7:30 pm. The initial telecast and four additional broadcasts make it possible for the students and family members from across the state, as well as other students who participate in Mock Trial, to watch the presentations of students who advanced to the final competition of the 2016 season. Mediacom's coverage of the Middle School Mock Trial State Championships will be available to all subscribers across Iowa during scheduled broadcast times or at a time of the viewer's choice using Mediacom On Demand.

Created by the Iowa State Bar Association, Mock Trial is designed to introduce students to the legal system by providing challenging academic competition. The program offers students an opportunity for personal growth and achievement, and emphasizes the importance of research, presentation and teamwork. Last year, more than 2,000 students from across Iowa participated.

76 Local Dancers To Present The Nutcracker With Ballet Nebraska

Ballet Nebraska, along with Iowa Great Lakes Nutcracker, is excited to present The Nutcracker Ballet at the Sami Bedell Center for the Performing Arts in Spirit Lake on December 16 and 17. Show time for December 16 is 7:30pm with a matinee being presented at 1:30pm on December 17.

Performances will feature 76 local young dancers from northwest Iowa and southwest Minnesota -- including Charlotte Pritchard, who has been cast to play Clara. Follow the magical story as Clara braves fearsome giant mice and is transported to a beautiful land of snow. With the Nutcracker Prince as her guide, she is led to a fabulous kingdom where she is entertained by characters from around the world.

Ballet Nebraska is the region's only professional dance company. The company's mission is to enrich the communities of Nebraska and Iowa through professional dance performance, educational programs, and community outreach. As expressive artists, powerful athletes, and skilled teachers, Ballet Nebraska's company members will provide the community with an unparalleled experience in the arts and play a key role in the vitality of our region.

Tickets are available online now. Go to www.tututix.com and select Dawn's Dance under Iowa to purchase tickets for either show.

Many Voices Choir to open in Bancroft

'Tis the season. And we don't mean just the season for Christmas shopping.

Do You Hear The Songs The Angels Sing? is the theme for this year's *Many Voices Choir* series of holiday concerts that begin Sunday, at 3:30 p.m., in Bancroft, before continuing in Spirit Lake, Estherville, and Emmetsburg the following weekend. Part of the enjoyment in Bancroft is that the parishioners at St. John the Baptist Catholic Church traditionally host a soup and pie supper afterwards. It is the following weekend's shows that will put the choir members' voices to the ultimate endurance test with the three concerts in two days. St. Patrick Catholic Church in Estherville will host the first December 3rd performance at 1:30 p.m., followed by a 7:30 performance at St. Mary's Catholic Church in Spirit Lake.

While most MVC members will be standing as they sing, the most comfortable seats for the concerts will be found at 2:00, Sunday, December 4th, in the Emmetsburg High School auditorium.

That is the same day Spencer's *Festival of Lessons and Carols* will be held at Sacred Heart Catholic Church. The festival, which will include three ecumenical choirs and two hand bell groups, is to begin at 3 p.m...

Since we're mentioning Spencer and Estherville, we should note that Estherville's *Tuba Christmas* will take place in two venues on Thursday, December 1st. The brass ensemble will start its performance at Estherville's United Methodist Church, at 6 p.m., before traveling to the Public Library at 7 p.m. Spencer's *Tuba Christmas* will be observed in the Bogenrief Studios, Monday night, December 5th as a part of Spencer's Grand Meander...

You have probably already seen note of the Iowa Lakes Community College Music Department's annual *Madrigal Feaste* coming up on December 2nd and 3rd. We mention it here only as a reminder that you have just a week to call Iowa Lakes to make your reservations...

And, in case you haven't heard, the Awesome Aussie, Billie James is back "down under" after nearly a month in the Northern Hemisphere. She's split her time between her old haunts in Iowa and Minnesota and almost avoided the first snows of winter here.

Billie told us that on the flight here she enjoyed listening to Anne Murray's *Croonin'* album on the plane's music system, and really appreciated hearing friend Debbie Ankeny's background vocals – especially since it was Debbie who provided the limo service from and back to the airport in the Twin Cities!

The entertainment schedule for this holiday week is shorter than usual. But we do know that *John Senn & Friends* will be performing Wednesday night at Table 316 in Arnolds Park...

The Little Swan Lake Winery will be celebrating the Thanksgiving holiday with lights out in the barn the day before Black Friday. But the spotlights will be on Damon Dotson when he returns to the barn, Sunday, from 4 - 6:00...

The big fun this week will be the *Iowa Rock 'n' Roll Music Association's Rock 4 Vets*, Saturday night, at the VFW in Spirit Lake. While you don't have to be a veteran to be a part of the fun, all vets will enjoy free admission and an evening of music with *BB & The Bullfrogs* reuniting for this special event to honor veterans. The *IRRMA All Stars* will also be performing. Hors d'oeuvres will be served starting at 5:30, with a military appreciation and music 6:00...

When she read here that Allan Sherman's *Hello Muddah, Hello Faddah* was to be a part of the weekend's *Spirit of Harmony* show, research director RD was quick to report that Sherman's birth date is November 30, 1924.

Not unlike trussing a turkey, RD has also tied two composers together with performers. American composer, pianist, singer, actor and bandleader Howard Hoagland 'Hoagy' Carmichael was born on this day in 1899. And composer Johnny Mandel turns 91 on Wednesday.

Mandel wrote the theme song for the movie and television series *M*A*S*H* as well as *The Shadow of Your Smile*, for the movie *The Sandpiper*. The song was nominated for an Academy Award and a Grammy Award. Mandel was also the conductor and arranger for the 1956 release *Hoagy Sings Carmichael*.

Robert Goulet, whose birthday we celebrate on Saturday, recorded Carmichael's *The Nearness of You*, and Mandel's *A Time for Love*, which received an Oscar nomination for best song from the movie *An American Dream*. Both songs appeared on his 1970 album *I Wish You Love*, which also included one of the songs Goulet was most famous for – *On a Clear Day (You Can See Forever)*.

Here's hoping you have a clear day (or two) to travel this weekend...

Awesome Aussie Billie James is surrounded by friends at the Little Swan Lake Winery last week before returning home. Pictured are pianist Terry Brooks, James, trumpet player Justin Kisor, Judy Wendell, drummer Fred Evans, singer Debbie Ankeny, and Charlene Thomsen.

All the news that fits we print.

GREAT FISHING – Kyle Sroufe and Eric Thoms with a stringer of Crappies caught on November 11, 2016.

Oldest DAR Member Dies

Anita "Billy" Skewis Rosendahl, the oldest member of the Ladies of the Lake Chapter (and records indicate the oldest member of the entire Daughters of the American Revolution organization.) died November 10 at the Hawkeye Care Center in Spirit Lake, at the age of 105 years, 11 months, and 26 days.

Billy joined DAR in 1951 being a member for over 65 years. She served as Regent of the Ladies of the Lake Chapter in 2003 when she was ninety-three years old. Billy's patriot, her ancestor who fought in the American Revolution, was Caleb Dexter of Vermont.

Minneapolis, Minnesota was Billy's birthplace, but she came to Iowa to attend Buena Vista College graduating in 1932 with a Bachelor of Arts degree. In 1937 she married F. E. Rosendahl and moved with him to Estherville where he practiced law and they raised their family. Their two sons are Frits Rosendahl of Knysa, South Africa and James Rosendahl of Estherville; their daughter Mary Anita Juhl who lives in West Des Moines is also a member of the Ladies of the Lake Chapter of DAR. She is following in her mother's footsteps having belonged to DAR for 53 years.

Billy led an active life in Estherville and at their home in West Okoboji, as well as when she and her husband spent time in Fort Meyers Beach, Florida. Her community involvement and her active intelligence throughout her entire 105 years was impressive and deeply appreciated by her sisters in the Ladies of the Lake Chapter and all members of the Daughters of American Revolution.

It's Not Too Late To Get The Flu Shot

It's been a busy fall season, and you may not have had a chance to get your flu shot yet. There's no need to worry - it's not too late to get the flu shot. Influenza, or the "flu," usually starts to occur in October and usually ends in May. The vaccine takes about two weeks to take effect, so having one yet this month will protect you for most of the flu season.

The Centers for Disease Control and Prevention (CDC) recommends annual flu vaccination for everyone six months of age and older. This year's flu vaccine protects against the most common flu viruses expected to circulate this year. However, there are a couple of changes by the CDC this year regarding flu vaccination.

"Flu mist, that nasal spray that helped us not have to get a flu shot, is off the table. For whatever reason, they don't really know, it just didn't provide the immunity that the flu shot did. Scientists are working on it. Hopefully in the next couple of years it'll be an option again. But for this year, stick with the shot," said Dr. Mara Groom of Avera Medical Group Spirit Lake Medical Center. She went on to say, "If you have an egg allergy, even if it's really severe, you can still get the flu shot. The risk of a severe reaction from a flu shot for a patient that is egg allergic is only about one in 10,000. If that number makes you skeptical, we do have some cell-based options that are cultured without using eggs that are available at Public Health."

There are many places to get the flu shot, including Dickinson County Public Health (DCPH) at Lakes Regional Healthcare just inside the west entrance off Highway 71. The cost per vaccination at DCPH is \$30. Medicare B eligible clients must bring their Medicare cards with them. Walk-in flu clinics are held every Monday from 3:00 pm until 5:30 pm. If you're unable to attend the walk-in clinic, you can schedule an appointment by calling DCPH at 712-336-2682. Also, if you do not have the resources through insurance or other means to pay for the flu shot, DCPH may be able to help you.

Influenza is a respiratory illness that most often causes fever, headache, extreme tiredness, muscle pain, dry coughing, sore throat, and runny nose. In children, diarrhea sometimes accompanies the respiratory symptoms. The flu virus is spread when people who are ill cough or sneeze without covering their mouths and noses. Others get sick when they breathe in the air containing the flu virus. You can also get the flu by touching a surface or object (like a door handle) that has been touched by someone with the flu (who coughed into their hand), and then touching your own mouth, eyes, or nose.

For more information about the influenza vaccine, visit <http://www.cdc.gov/flu/about/season/flu-season-2016-2017.htm>.

GRAND FALLS
CASINO & GOLF RESORT

Give Back Month is a Continuing Success

Give Back Month at Grand Falls Casino & Golf Resort continues to grow, thanks to an overwhelming response from the local community! November 8th through 14th, donations were collected to benefit Big Brothers Big Sisters of the Sioux Empire, whose mission is to change the lives of children facing adversity for the better, forever. Volunteer mentors work with children in the community, in their schools, and many places in between to help them avoid the temptations of drugs and alcohol, and improve their self-confidence. In just one week we collected a total of \$1,995 to benefit this charity organization, thanks to the generosity of our local community.

This brings our running total of donations provided during Give Back Month at Grand Falls to \$3,795 with two weeks still left to donate. Donations will be accepted at Grand Falls through November 28, 2016 with proceeds to benefit charity organizations in the Sioux Empire. Resort Club Members will receive \$10 in Free Slot Play for donating \$10 to the charity organization being recognized each week.

Boys & Girls Club of the Sioux Empire will be honored November 15 - 21. The Boys and Girls Club nurtures, educates, and enriches children and youth for lifelong success. They are dedicated exclusively to serving youth from 4 weeks to age 18.

And finally, proceeds will benefit Marine Corps Reserve Toys For Tots November 22 - 28. The Toys for Tots program aims to help children experience the joy of Christmas by collecting new, unwrapped toys each year, and distributing those toys as Christmas gifts to less fortunate children in the local community. They strive to provide a message of hope to less fortunate youngsters that will assist them in becoming responsible, productive, patriotic citizens.

Be a part of Give Back Month at Grand Falls Casino & Golf Resort! Donations can be made daily at the Resort Club. If you are not yet a member of our Resort Club, don't worry - membership is FREE! For additional information on becoming a member or giving back to the Sioux Empire charities, please visit www.grandfallscasinoresort.com or call the Resort Club at 712-777-7777 ext. 3810.

Little Sioux Savanna in Milford

Walk into Little Sioux Savanna, a beautiful park just west of Milford, and take a seat on the mowed trail. Watch. Listen. Wait.

A honeybee buzzes beside you as it gathers pollen in the prairie. A northern leopard frog jumps into the Little Sioux River just below where you're seated. An eight-point buck and doe saunter in from the distance.

The approximately 60-acre Little Sioux Savanna is one of Dickinson County Conservation Board's newest areas, purchased less than five years ago with an additional 19-acre timbered parcel across the street named Little Foote Forest.

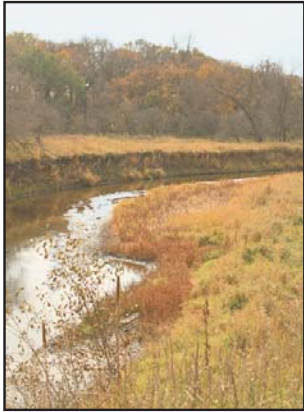

The conservation board received a \$100,000 Wildlife Habitat Stamp in 2014 to help with the purchase of the property and was also awarded \$100,000 in North America Wetland Conservation Act funds. The LaVonne Foote Estate and Nature Conservancy donated \$131,088.

Since taking possession of these two pieces of land, the Dickinson County Conservation Board has concentrated on putting together a plan to restore and rejuvenate them.

"Our management goals for these properties center upon a restoration of ecosystem functionality," said vegetation specialist Aric Ping. "This goal hinges on increasing site biodiversity, a process that will include eliminating invasive plant species, reducing the abundance of aggressive shrubby species, and reintroducing native prairie and savanna plant species that have been extirpated from the site."

Visit these parks year-round at 2218 195th Avenue, Milford, at the corner of County Road A-34 and 195th Avenue. Both the Little Sioux Savanna and Little Foote Forest offer a variety of recreational opportunities from hiking and birdwatching to hunting and photography.

With eight parks and even more public areas, the Dickinson County Conservation Board has a variety of gems for the public to explore to help foster an appreciation of the natural world. Learn about each of these parks at www.dickinsoncountynaturecenter.com and see a new series of Youtube videos on each park, coming out periodically in 2016. Check out the Little Sioux Savanna video on the DCCBNaturecenter Youtube channel.

Rev. Jim Ramsey to Speak to The ILUUF on "Why Forgiveness?"

The Iowa Lakes Unitarian Universalist Fellowship will have a program exploring the need for forgiveness in our personal lives at the Arrowwood Conference and Convention Center in Okoboji, on Sunday, November 27. The program will be presented by Jim Ramsey, a member of the Fellowship and a retired United Methodist minister. The first part of the program will explore the downside of not forgiving and how it can cause stress, depression, and sickness in our lives. Then Jim will shift to the many benefits for individuals to forgive. Forgiveness not only has personal benefits, it also benefits our relationships and our society. There is a huge body of research from both religious and secular sources that support forgiveness. In a time when we see so many negative things happening in our society, we can make a small positive change in the world by being forgiving. UU Fellowship coffee at 10:30 and service begins at 11:00. An optional lunch (\$10) is served after the program. For more information check out the UU Fellowship website uukoboji.com. Visitors are always welcome.

Diabetic Support Group

The Spirit Lake area Diabetic Support Group will meet Monday, December 5, 2016, at 7:00pm.

The program will include analyzing holiday foods and menus for the diabetic. Understanding how to make wise food choices makes for less stress and a happier holiday.

Diabetes is a controllable disease with education being an important tool in management of the disease. Knowledge is power as motivation for steps taken to a healthier attitude and care of the body. With the power of knowledge, diabetes care can be focused on inspiring, encouraging, and making life better while "taking over the management of the pancreas".

The local diabetic support group meeting led by local patient facilitator, Marcia Young, is open to anyone dealing with diabetes, spouse, family members, or friend.

The presentation will be held Monday, December 5, at 7:00pm in the Big Spirit Room at Lakes Regional Healthcare's Education Center, on the hospital's lower level. Admission is free.

Storytime

Milford Memorial Library has a new preschool storytime to 11:00am on Fridays beginning December 2. All preschool age children are invited to participate in stories, crafts and other activities.

December themes will include Gingerbread Men, Christmas Trees, Santa, Elves and Reindeer. I hope this later time will be more convenient for parents and preschool children. Call Betty Naab, Children's Librarian, at 338-4643 for more information.

Senior Center Holiday Gala

There will be no *Senior Dance* on Sunday, November 27, at the Senior Center. The next dance will be the *Holiday Gala* on December 11, 2016.

Iowa and Nebraska Governors Challenge Citizens to Support Red Cross Disaster Relief

For 100 years, the American Red Cross has offered help and hope to Iowans and Nebraskans after disasters like tornadoes, floods and house fires.

Before the Nebraska Cornhuskers take on the Iowa Hawkeyes in the sixth annual Hy-Vee Heroes football game on November 25, Iowa Governor Terry Branstad and Nebraska Governor Pete Ricketts are asking the citizens of their states to participate in a friendly challenge to see which state can raise more money to support the Red Cross Disaster Relief fund.

Now through November 25, donate to support Red Cross Disaster Relief by going to www.redcross.org/iowachallenge or www.redcross.org/nebraskachallenge. People can also text Iowa to 90999 or Nebraska to 90999 to make a \$10 donation.

Every 8 minutes, the Red Cross provides hope and comfort to people affected by community disasters. Financial contributions to the Red Cross Disaster Relief fund allow volunteers to help disaster victims, anywhere, anytime. Donations are used to prepare for, respond to and help people recover from disasters big and small.

When you donate through the Hy-Vee Heroes Game Governors' Challenge, your gift will give support, strength and hope to someone devastated by disaster.

The Iowa Hawkeyes and the Nebraska Cornhuskers will play November 25 in Kinnick Stadium in the Hy-Vee Heroes Game. Citizen heroes from both Iowa and Nebraska will be invited to attend the game as special guests of the teams, where they will receive on-field recognition and have their names inscribed on the game trophy.

Spencer Hospital - Healthier Together

Hospital leaders and healthcare professionals across the country continue to expand their focus from caring for people with illnesses to include keeping people well through population health initiatives. Locally, Spencer Hospital strives to provide community education on good health and wellness services focused on preventative care. To reflect that emphasis, the hospital has updated its marketing tagline to "Spencer Hospital - Healthier Together."

"Good health is a journey that starts with prevention," commented Susan Zulk, Vice President of Marketing and Fund Development for Spencer Hospital. "As individuals, we have the power to make choices each day that impact our health. The knowledge and guidance of our healthcare professionals can help lead us to making those healthy decisions and, if a health issue does arise, through their expertise they can diagnose and treat those concerns."

Bill Bumgarner, Spencer Hospital president, added: "For the past several years, hospital leadership has advanced population health initiatives to help people in our region live healthier lives while at the same time, enhance acute medical services to be able to provide treatment when needed," Bumgarner said. "It's a major paradigm shift in the healthcare industry nationwide. It's increasingly clear that when individuals take personal ownership of their health decisions, it can lead to better outcomes, lower healthcare costs overall and, as our new tagline says, we can be 'Healthier Together.'"

Zulk mentioned the hospital has numerous wellness initiatives in place, including a variety of community educational offerings and health screenings available to encourage people to know their health status and identify concerns before symptoms occur. "Weekly our community health nurses offer a free blood pressure screening clinic," she said. "We also offer several low-cost screening programs including metabolic syndrome screenings, our Planet Heart programs which include a heart screening and a stroke screening."

"Also, the hospital staff is working with several area businesses to take that screening information a few steps further through our LiveWell programs," Zulk added. "Through LiveWell, we work with businesses to identify their health priorities and how to best address them. Often this involves providing health screenings for their work force and for those individuals who are identified with health concerns, we provide educational programming or at times, personal training. Some companies identify their biggest health priority as ergonomic issues which can lead to employee injuries or long-term muscular skeletal issues such as carpal tunnel concerns. Then, our physical therapists will engage with the company to provide work station analysis, ergonomic training or even Active Release Technique which is a specialized technique for addressing overused muscles."

Bumgarner added that in recent years the hospital has invested in a care transitions program which is designed to ease the transition for patients discharged from the hospital to help them continue their recovery at home, thus reducing readmissions to the hospital. Programs like diabetic education are designed to work with individual patients to help them better manage their chronic illness.

"Significant progress has been made in recent years to increase access to healthcare in the United States," said Bumgarner. "That improved access has been critical to support efforts within the healthcare industry to advance the population health activities necessary to better manage the cost of care in our country. Improved health outcomes and cost efficiency will continue to be vital to maintain the quality and breadth of healthcare services we have come to value in Spencer and communities throughout the nation."

Pest Control Operators Course Offered December 7

Register before November 30 for full commercial pesticide applicator training recertification

Iowa State University Extension and Outreach Dickinson County office will host a Pest Control Operators Continuing Instruction Course (CIC) for commercial pesticide applicators Wednesday, December 7, 2016. The program is offered at office locations across Iowa through the ISU Extension and Outreach Pesticide Safety Education Program (PSEP).

The local attendance site for the December 7 CIC is 1600 15th Street, Spirit Lake. Registration begins at 8:30am followed by sessions from 9:00 to 11:30am. The registration fee is \$60 on or before November 30 and \$70 after November 30. To register or to obtain additional information about the CIC, call the ISU Extension and Outreach Dickinson County office at 712-336-3488.

The course will provide continuing instruction credit for commercial pesticide applicators certified in categories 7A (General Household Pest), 7B (Termite), 8 (Public Health), and 10 (Research and Demonstration). The course will cover bed bug, ant, rodent and termite control while emphasizing ways to reduce human exposure in sensitive locations.

Presenters this year include Drs. Eric Benson, Clemson University and Fred Whitford, Purdue University.

Additional information and registration forms for this and other courses offered through PSEP can be accessed at www.extension.iastate.edu/PSEP.

Wills Re-Elected House Majority Assistant Leader

Rep. John Wills (R-Spirit Lake) was re-elected by fellow House Republicans as a House Majority Assistant Leader.

"I am honored and humbled to be elected by my peers to serve as an Assistant Leader for our caucus," said Rep. Wills. "I am excited for the upcoming session where House Republicans will continue to create job opportunities, reduce burdensome regulations on Iowa businesses, and balance the budget by spending less than the state collects."

I would also like to thank my constituents in House District 1 for the honor of representing them in my caucus and in the Iowa House."

Rep. Wills was just elected to serve his second term in the Iowa House. He has served as an Assistant Leader since 2015 and was previously the Vice Chairman of the House Environmental Protection Committee.

When not serving in the Legislature, he is the Clean Water Coordinator for the Dickinson County Soil and Water Conservation District in Spirit Lake, where he lives with his wife, Cami. John and Cami have three adult children.

Tales of Tails

The Humane Society of Northwest Iowa has a "souvenir tail" of the Summer Olympics. At the shelter's fundraiser last August, the winner of the opportunity to name a shelter dog chose Rio as an appropriate way to commemorate this world activity held in Brazil.

The shelter's Rio is a lab and terrier mix, black with a white chest. He was found on Department of Natural Resources land, tied up and abandoned with a bag of dog food. His immediate problem was that he couldn't open the bag! Someone had cared enough to leave him where kindly authorities would find him. They provided food, but not a way to feed himself.

DNR officers brought Rio to the Humane Society where his caregivers have learned he responds to "fetch" and "shake". He's obviously well-trained and must have been cared for by desperate owners who felt they no longer could support him as he deserved.

Rio doesn't bark excessively and is very curious and playful, a sign of his intelligence. He likes balls and squeeze toys, especially those that squeak. A favorite move of his is to lie on his back and hold a squeaky toy in his paws. He also likes to lick the faces of those who give him the attention he loves.

Rio needs house training, but it should come easily for him. He obviously was an outdoor dog in his previous home and will run out the door given a chance. In other words he loves the freedom of the outdoors and would greatly appreciate a chance to explore a fenced backyard in a forever home rather than inhabit a cage at the shelter.

Remember... "In a perfect world every animal would have a home, and every home would have a pet."

Call the Northwest Iowa Humane Society at 712-338-2738 or come see the animals at 607 28th Street, just north of Milford - open Thursday through Sunday, noon to 6:00pm.

Recipes Needed for Milford Cookbook

The Milford Quas-quicentennial Cookbook Committee is requesting residents of Milford to submit recipes for a cookbook that will be printed as a fundraiser for Milford's 125th celebration. If you are interested in participating, please send your recipes to Lynnette Cook - General Delivery, Milford, Iowa, 51351. You can also email them to bojigram9@gmail.com. The deadline for submitted recipes will be December 1, 2016.

The Milford Quas-quicentennial celebration will take place in July 2017.

Lake Park Girl Is Headed To Hollywood

Miss Madilynn Mandelkow, daughter of Jared and Tiffany Mandelkow, was crowned Miss Iowa, Princess 2016! Madilynn successfully competed in the following events: Personal Introduction, Interview, Formal Wear, and Community Involvement. Madilynn also took 1st place in "Best Thank-you" and came away with 1st runner up in "photogenic". As Miss Iowa, Madilynn will be competing for the National Title in California this Thanksgiving! The National Pageant will be held in Anaheim, California at Disneyland, where Madilynn will have the opportunity to win her share of over \$500,000 in cash and prizes! In between practices, classes, and competitions, competitors and their families will be enjoying Hollywood and the Disneyland theme park. Each girl that qualifies for the national pageant also has a chance to win a new 2016 Ford Mustang Convertible.

National American Miss Pageants are dedicated to celebrating America's greatness and encouraging its future women. This pageant is for "Today's Girl and Tomorrow's Leaders". Find out more about National American Miss at www.namiss.com.

Since winning Miss Iowa, Madilynn and her family have been busy. They have done many community service projects, and actually started a nonprofit! Their nonprofit is called "The DEN" - teen center. It opened May 27th, 2016! It has provided a safe/positive environment where teens have found new friends and have become part of a "Family". For more information, check out "The DEN - teen center" on Facebook. On YouTube check out our video, "Miss Iowa 2016 - The DEN Project"

After being crowned at the Iowa State Pageant, delivering books and school supplies to Mayo Clinic's Children's Hospital was her 1st job! She has worked as visiting royalty in surrounding states in Nebraska, Minnesota, and Wisconsin. As visiting royalty for National American Miss, she helps with pageant check in, leads in the dance production for her age group, and encourages and coaches girls competing in that weekend's events! She is amazing at being a role model! Madilynn has also represented her beloved state of Iowa in 4 parades (including Iowa State Fair), a photo shoot in Des Moines and a handful of community events locally. Madilynn is also active in 4-H, Girl Scouts, Gymnastics and Dance, Flag Football, and her church!

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To the Editor:

When Governor Branstad announced plans to modernize the state's Medicaid system, he and Lieutenant Governor Kim Reynolds made it clear their primary concern was improved patient health. After years of state administration, the \$5 billion Medicaid program was turned over to three managed care organizations in May. In return, the MCOs have provided better care and greater access to services.

A major component of the modernization plan is health risk assessments for new patients. In the first three months under the new plan, more than 155,000 patient health risk assessments were conducted. These have provided invaluable feedback to patients regarding risk factors and corrections to help them live longer.

The governor's new Medicaid model has also influenced the way doctors and insurers work together to provide for patients. Des Moines' CareMore Clinic is owned by Amerigroup, one of the three MCOs chosen to administer the Medicaid program. It is located in one of the city's poorest neighborhoods and its doctors work diligently to establish relationships with patients before major medical issues threaten long term health.

I understand a change of this magnitude elicits some skepticism. However, early data suggests Medicaid modernization has been extremely beneficial for Iowa's poor and disabled citizens.

ILCC Students Honor Veterans

Iowa Lakes Community College honored student, faculty and staff veterans who have served in the armed forces.

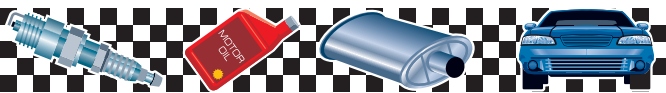

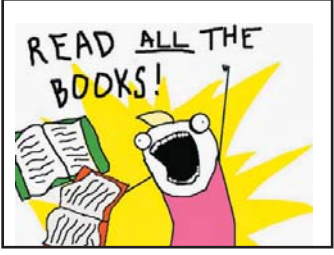

The Estherville campus sponsored Honor Trees again this year. Signs encouraged students, staff and faculty to tie various colored ribbons to the trees to recognize those who have served, as well as those currently serving in the U.S. military. In addition, students placed a star on the tree for a veteran they know.

The student senate in Emmetsburg presented a check to the Emmetsburg Veterans Memorial for a holiday wreath. They also provided free meals to veterans at the cafeteria on Friday, November 11.

LETTERS TO THE EDITOR

Team Work

The Arnolds Park beautification committee, Team WAVE, would like to thank the Arnolds Park City crew for their help in the many projects they have undertaken to beautify the City. Our team was established back in 1998, when the Highway 71 Project started and left many areas of the City in need of fresh landscape. We began with the visioning process facilitated by Trees Forever and lead by City Councilwoman Garnet Anderson. Over the years we have planted over 300 trees and many flower beds. One of our latest, and most visible projects, is the beautiful hanging baskets. We have been fortunate to receive many grants through several programs administered through Trees Forever.

Everything that we have accomplished was with the help of the Arnolds Park City crew. Along with our volunteers the crew has helped to plan, plant, and maintain the many trees and beds that we have put in place to beautify our City. They take great pride in the work they do. Arnolds Park would not be the beautiful, welcoming place that it is today without the hard work that they do. So we would like to say "THANK YOU!" to our crew: Rick Heinrichs, Brian Harming, Bryan Larson, and Leroy Heideman.

Preschool Storytime

Milford Memorial Library has changed preschool storytime to 11:00am on Fridays beginning December 2. All preschool age children are invited to participate in stories, crafts and other activities.

December themes will include Gingerbread Men, Christmas Trees, Santa, Elves and Reindeer. I hope this later time will be more convenient for parents and preschool children. Call Betty Naab, Children's Librarian, at 338-4643 for more information.

Campus Women's Club Secret Santa Tree

The Campus Women's Club's in hoping to brighten the holidays for less fortunate children in the Okoboji School District. The Club's annual Secret Santa Program has begun. Beginning Friday, November 25, area residents, organizations, clubs, church groups, etc., can choose from tags containing information about less fortunate children from the Secret Santa tree located at Melander's, 922 Okoboji Avenue, Milford

Under terms of this project, persons selecting a tag will shop for items listed. The gifts should be gift wrapped and marked with the letter and number from the original tag and returned to Melander's by Wednesday, December 7, at 5:00pm. Names of all participating children are kept confidential. Children are only identified by a letter and number on their tag.

Members of the Campus Women's Club along with Santa Claus will distribute these gifts to the children Monday, Tuesday and Wednesday, December 12-14.

Last year, over 140 less fortunate children were remembered by area residents who felt the need to touch the lives and warm the hearts of children during the holidays.

GREAT FISHING – Shannon Salmon, of Milford, with Walleye caught on October 10, 2016. The largest one measured 24 inches long.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

Dear Editor,

Wow. How ironic Hillary supporters are protesting in the streets burning Mr. Trump's head in effigy. It was predicted by the media with fear mongering that there would be violence in the streets if Donald Trump lost because he advocated violence which he did not.

What has happened? The Hillary supporters are the ones rioting claiming it is an unfair system blaming it on Mr. Trump.

Well, people! Welcome to politics. I have lived through many presidential elections. Get over it. We have a new president. It is a new day. Several presidents were not my choice and I suffered through their administrations and suffered their results.

When I objected to the status quo, I worked around the clock, with my job and personal life suffering, to effect change at the Minnesota capitol as a citizen activist and changed a law, in fact a couple of laws. It is exhausting, discouraging and frustrating, but we kept at it.

Your violence will get you nowhere. It makes you look stupid. Our society has come to be one that expects and demands instant results. Social media should not be your only source of information as sound bites do not tell the truth. Instantaneous results simply are not going to happen.

So get off the streets. Work at the capitol. Get elected if you will. Oh, and by the way, it is questionable that Hillary actually won the popular vote. When I went to vote, I said do you want to see my ID? Do you want evidence that I am a citizen? They said no. We are not an ID state. You only need an Excel bill with your address on it or something like that.

Interesting. Who knew? Maybe another law I want to help change. It is only the right of citizens to vote when I last checked.

Hillary did not lose because some blue collar white boys elected Donald Trump. Hillary lost because she was highly disliked, lied about a lot of things that put our country in jeopardy. She did not lose because she was a woman and white men elected her.

Wake up call. Educated and extremely politically knowledgeable women and men all over the country voted against her. When a woman is elected president, hopefully it will be a woman with woman values and woman strength and woman morals. It should not be just because she is a woman.

As a woman, I can tell you many women do not just want a man in woman's clothes and woman's body parts.

There are strong women leaders all over the world. Wake up call to all political parties. Women do not just want any woman for their political representative. We do not want a cute man or a pretty woman. We want a smart and honest woman.

She lost because she is part of the status quo that people are upset about. And that is what happened.

Nancy Hone, St. Paul, Minnesota
(Nancy and her father Claude Hone reside in the Lakes area in the summertime. Claude Hone is a 96 year old WWII Marine fighter pilot and is appalled at the flag burning and rioting in the country that he fought for.)
