## Propane Prices Got You Down? Yank the Tank! Natural Gas will save you money!

- **Dependability:** Since the vast majority of the natural gas system is underground, it is not typically affected by inclement weather or other transportation problems. Always there when you need it.
- **Monthly billing:** No more large bills due when the tank is filled, you will receive a monthly bill.
- **More economical:** Operating cost for Natural gas equipment is substantially less than propane. Consider this:
  - If you used 800 gallons of propane last year at \$1.50 per gallon, you spent \$1200 for fuel alone.
  - Using natural gas, your fuel cost for the same amount of energy would have been approximately \$519 on our heat only rate or only \$445 for year round use.

For more information on the availability of clean efficient NATURAL Gas please call or drop by today!

*"Eight years ago I started a life changing career that allows me the freedom to create my own schedule, provides professional and personal growth and is now furthering my education in marketing. My job gives me the opportunity to work with small business owners to create an effective and affordable advertising campaign customized for each business. Exchange Media Group encourages community involvement and supports my roles in the Highland Rim Kiwanis Club and the Tullahoma Area Chamber of Commerce, which are two groups I am very passionate to serve."*

**Mary Ann Marsh**  
Sales Representative

*"Bill Thomas, founder of the Exchange, brought me on board 25 years ago. We had 1 edition at that time and now have grown to 6 editions. Our weekly Exchange reaches over 83,000 homes and thousands of people visit our website. I love seeing my customers connect to their customers and watching their businesses grow. Many of my customers over the years have become very good friends, which has been rewarding. I have been a member of the Fayetteville Kiwanis Club for 24 years and have loved working and helping serve children in our community. I feel very fortunate to have been a member of Team Exchange Media Group for so many years."*

## Job Description

Our business development team members help local businesses connect their products and services with people in our community. You will be responsible for developing meaningful relationships with your customers. You will work with them to see if their needs align with our products. You will have a 121 meeting each week with your coach. Tuesday thru Friday will be spent in the field working with customers and prospects. You set your own schedule based on your customer's needs. We have two sales meetings each month which focus on training and continuing education. Your compensation will be based on your sales and ad count. You will be in total control of your bonus which is based on your performance.
