**PUBLIC NOTICE:**  
**Windmill Park Jewelers has been selected to conduct an Exclusive Factory Liquidation and YOU'RE INVITED...**  
 The main distributor for some of our industry's top brands is over-stocked. They have to give all unsold inventory back to the manufacturers at year end to be scrapped and recycled. They would MUCH rather sell it than return it, and they selected us to help them do just that.  
**This gives YOU an extraordinary opportunity to save BIG!**  
 These are NOT factory seconds - They are NOT defective - These are top quality pieces available NOW, and you will **SAVE up to 50% off regular prices** on many of today's top brands and styles. But HURRY! Quantities and time are both limited. When they're gone, they're gone. When it's over, it's over!
