A review of nine observational studies published in the British Journal of Clinical Pharmacology found evidence supporting an increased risk of heart attacks in patients taking antipsychotic drugs. The review expands previous knowledge by demonstrating an increased and more pronounced risk in short-term users of these medications. After reviewing data from the studies, researchers found that antipsychotic drug users were nearly twice as likely to experience a heart attack than non-users. Patients with schizophrenia and those who took the drugs for less than 30 days had even higher risks.

\*\*\*  
A meta-analysis of clinical trials evaluating the effectiveness of aripiprazole (brand name Ability) for the treatment of Tourette's disorder (TD) in children and adolescents showed a significantly greater overall improvement in total tics and tic severity from pretreatment to post-treatment for the aripiprazole compared to the placebo group. The drug was safe, with drowsiness, nausea, and headache being the most common adverse effects, according to the study published in Journal of Child and Adolescent Psychopharmacology.

\*\*\*  
A drug commonly used to treat pain, epilepsy, anxiety and other brain health disorders may be associated with an increased risk of major birth defects, according to a study published in Neurology, the medical journal of the American Academy of Neurology. The drug pergabalin is approved by the FDA to treat epilepsy, fibromyalgia and neuropathic pain, such as pain from diabetic neuropathy or pain after shingles or spinal cord injury. It is also used for generalized anxiety disorder and other mental health issues. This is called off-label prescribing.

## DRIVE

YOUR CAREER FORWARD.

*One mile at a time.*

Driving a truck is not only fun and adventurous, but also gives you a secure career and a future where you will be in demand. The ATA estimates that the industry will need **890,000** new drivers through 2025 to meet rising demand. The rapidly aging driver population makes finding new drivers even more urgent.

Entry level drivers can earn up to **\$50,000** per year while experienced truck drivers earn up to **\$85,000** per year. Owner-operators can make up to **\$200,000** annually. The more experience the more the pay. With the shortage of good drivers, most companies have started giving benefits to retain drivers.

Both men and women can flourish in the Transportation Management industry. Whether you're in Distribution, Logistics, Supply-chain Management or driving a truck, Wallace State's programs can help you drive your career forward—one mile at a time.

**DRIVE YOUR CAREER FORWARD.**

One mile at a time.

Driving a truck is not only fun and adventurous, but also gives you a secure career and a future where you will be in demand. The ATA estimates that the industry will need **890,000** new drivers through 2025 to meet rising demand. Entry level drivers can earn up to **\$50,000** per year while experienced truck drivers earn up to **\$85,000** per year. Owner-operators can earn up to **\$200,000** annually.

And the jobs aren't just for drivers. Transport Trailer Technicians, with a short certificate can start at up to **\$17** per hour. There are more and more jobs available everyday for: **Structural Trailer repair, Trailer ABS, Heavy Duty Trailer Brakes and Trailer Preventative Maintenance.**

Both men and women can flourish in the Transportation Management industry. Whether you're in Distribution, Logistics, Supply-chain Management or driving a truck, Wallace State's programs can help you drive your career forward—one mile at a time.

LOCATED NEXT DOOR TO THE SHOPPER'S GUIDE on 1ST AVENUE SW CULLMAN

The Holy Bible is written by the inspiration of The Holy Elohim for man's guidance (2 Tim 3:16). Christ calls him Satan who savourest man's way over The Holy Father's way (Mt 16:22-24). Pagans trust in many gods, Wiccans trust in witchcraft, Atheists trust in themselves. Then many claim to be Christians and worship their god by a new covenant of liberty by grace not found written in The Holy Bible. Christ calls it vain worship (Mt 15:9) for their doctrines are man's commandments. So Be It!

# Saving You MONEY

**BLUE TAG SPECIALS:**  
We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.

**NO LIMITS:**  
Our competitors also have advertised specials. The difference is, in most cases, they have a limit on how many of an item you can buy at the sale price...we don't have any limits to family shoppers.
