Message From James Vacca
NYC Councilman 13th District

HOME IMPROVEMENT LOAN PROGRAM

The NYC Home Improvement Program (HIP) was developed in cooperation with private banks and credit unions, offering loans of up to \$30,000 to owner/occupants of one- to four-family homes located throughout the City. HIP loans must be used to correct substandard conditions such as masonry repairs, roofing, plumbing repairs, boiler/furnace replacements, and electrical rewiring. Depending on the size of the loan, you may also be able to make other improvements such as painting, replacing, kitchen cabinets, and installing storm windows. The loans must be paid back within a 10-year term. All work must be completed by licensed contractors. The Maximum Annual Eligible Income and interest rate varies depending on household size. For a 1 person household the income max is \$50,750 for the 2.5% loan and \$88,800 for the 5% loan. For a 2 person household the income max is \$58,000 for the 2.5% loan and \$101,500 for the 5% loan. For a 3 person household the income max is \$65,250 for the 2.5% loan and \$114,200 for the 5% loan. For a 4 person household the income max is \$72,500 for the 2.5% loan and \$126,875 for the 5% loan. The application packet can be found online at <http://www1.nyc.gov/assets/hpd/downloads/pdf/HIP-App.pdf> or you can request a packet by calling my office at 718-931-1721 and asking for Laura.
