## Tullahoma Animal Shelter

931-454-9580 ANIMAL SHELTER

## Meet Chris

This week at the City of Tullahoma Animal Shelter we have an awesome and large Labrador named Chris available for adoption. He entered our shelter as an owner turn-in on 8/8/16. He is approximately 2 years old and was heartworm positive upon entry to the shelter. The shelter has vaccinated, microchipped, and provided heartworm treatment. Chris is good with children and other pets. Chris would love a forever home. We feel that he would make an excellent pet! Bonnie the Shepherd mix, Ginger the Heeler mix, and Heidi the sweet senior Retriever Mix are all still waiting for great homes.

Support your local shelter - adopt, donate or volunteer.

The Tullahoma Animal Shelter always has a great variety of dogs to choose from for adoption. Pictures of other dogs available may be seen at www.tullahomatan.gov

# Propane Prices Got You Down? Yank the Tank! Natural Gas will save you money!

- **Dependability:** Since the vast majority of the natural gas system is underground, it is not typically affected by inclement weather or other transportation problems. Always there when you need it.
- **Monthly billing:** No more large bills due when the tank is filled, you will receive a monthly bill.
- **More economical:** Operating cost for Natural gas equipment is substantially less than propane. Consider this:
  - If you used 800 gallons of propane last year at \$1.50 per gallon, you spent \$1200 for fuel alone.
  - Using natural gas, your fuel cost for the same amount of energy would have been approximately \$519 on our heat only rate or only \$445 for year round use.

For more information on the availability of clean efficient NATURAL Gas please call or drop by today!
